RECESS

COMMITTEE REPORTS (cont'd)

HB 284, making the deputy commissioner of safety a group II member of the New Hampshire retirement system. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

As amended, the bill provides a mechanism for the retention of retirement credit in the case of a person's transfer from one retirement classification to another. The mechanism would allow retirement benefits to be pro-rated according to the number of years served in each classification. Committee vote was unanimous.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to transfers of classification in the retirement system.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Retirement System. Transfers of Classification, Procedure. Amend RSA

Smith, Splaine, Stimmell, Webster, Wojnowski and Zabarsky.

100-A:18 (supp) as inserted by 1967, 134:1, as amended by striking out said section and inserting in place thereof the following:

100-A:18 Transfer of Classification.

I. Any person who is a full contributing member of the retirement system and whose membership group classification is changed on account of his accepting office or employment which requires his participation in such other classification shall contribute thereafter at the rate payable under his new classification based on his age on the date of his original membership in the retirement system. If such member does not make the election provided under paragraph II of this section, then upon retirement or termination of service, his retirement allowance shall be determined as the sum of the retirement allowances with respect to the period of creditable service in each such classification computed in each case on the basis of his earnable compensation and creditable service in the respective classification and the provisions of this chapter applicable to such classification. Solely for the purpose of determining his eligibility for benefits with respect to his creditable service in each classification, his creditable service shall be equal to the sum of the creditable service rendered in each classification. In the event of retirement on an accidental disability retirement allowance, the member's allowance shall be computed on the basis of the provisions of this chapter applicable to his classification at retirement.

II. A member whose membership group classification is changed in accordance with paragraph I of this section may elect, at the time of his transfer, to have his benefits with respect to his creditable service prior to such transfer determined on the basis of his new classification. Upon the retirement or termination of service of a member who has made such election, his retirement allowance shall be computed on the basis of his earnable compensation and creditable service before and after such transfer, in accordance with the provisions of this chapter applicable to his membership group classification at the time of retirement or termination of service. A member who makes such election shall pay to the retirement system a sum which is equal to the excess, if any, of (a) the actuarial equivalent, at the date of transfer, of his accrued benefits with respect to his creditable service prior to such date computed on the basis of his new classification, over (b) the actuarial equivalent, at the date of transfer, of his accrued benefits with respect to the same period of creditable service computed on the basis of his former classification. The portion of such amount, when paid to the retirement system, which represents the excess, if any, of the accumulated contributions with

which the member would have been credited if he had contributed on the basis of his new classification since his original date of membership over his actual accumulated contributions as of the date of transfer shall be credited to his account in the member annuity savings fund and the balance of such amount shall be credited to the state annuity accumulation fund. If no such amount is payable by the member to the retirement system and if the amount of his accumulated contributions at the date of transfer exceeds the amount of accumulated contributions with which he would have been credited at such date had he been employed in his new classification from his date of membership to the date of transfer, the member may elect to receive a refund of such excess amount of accumulated contributions. If he does not make such election, such excess amount shall be treated as additional contributions in accordance with RSA 100-A:16, I (c).

III. Any person who is a full contributing member of one or more of the predecessor systems and who ceases to be eligible for membership in such system by reason of a change of employment classification to one of the classifications defined in RSA 100-A:1, X, shall become a member of the retirement system. He shall contribute to the retirement system at the rate payable under his new classification based on his age on the date of his membership in the predecessor system. If such member does not make the election provided under paragraph IV of this section, then upon retirement or termination of service, his retirement allowance with respect to his service prior to the date of transfer shall be computed on the basis of the provisions of the predecessor system and his compensation prior to the date of transfer and shall be reduced by any retirement allowance or other benefit payable from such predecessor system. His retirement allowance with respect to creditable service after the date of transfer shall be computed on the basis of the applicable provisions of the retirement system. Solely for the purpose of determining his eligibility for benefits with respect to his creditable service under the retirement system and his service under the predecessor system, the two periods of service shall be combined. In the event of retirement on an accidental disability retirement allowance, such member's allowance shall be computed in accordance with paragraph I of this section.

IV. A member who has been transferred from a predecessor system in accordance with paragraph III of this section may elect, at the time of his transfer, to have his benefits with respect to his service prior to such transfer determined on the basis of the provisions of the retirement system applicable to his new classification. Upon retirement or termination of service of a member who has made such election,

his retirement allowance shall be computed in accordance with paragraph II of this section, but shall be reduced by the amount of any retirement allowance or other benefit payable from the predecessor system. A member who makes the election provided in this paragraph shall pay to the retirement system an amount determined in accordance with paragraph II of this section, if applicable.

2 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Ordered to third reading.

HB 1126, relative to the New Hampshire retirement system and the state employees' retirement system of New Hampshire. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

As amended, the bill standardizes some of the statutes relating to both the new retirement system and the predecessor systems. This is basically a housekeeping bill and was requested by the retirement board. Committee vote was unanimous.

Amendment

Amend RSA 100-A:44, as inserted by section 1 of the bill, by striking out same and inserting in place thereof the following:

100-A:44 Employees' System Members; Definition Changed. Notwithstanding RSA 100-A:36-a, any actively employed member of the employees' retirement system, who elected, pursuant to RSA 100-A:36-a, to continue to earn benefits and make contributions in accordance with RSA 100, shall have his average final compensation computed based on the average earnable compensation of said member during his highest 3 years of creditable service, or if he has less than 3 years of creditable service, his average final compensation shall be his average annual earnable compensation during his total creditable service.

Amend the bill by striking out section 3 and renumbering the existing sections 4 and 5 to read as

3 and 4 respectively.

Amendment adopted.

Ordered to third reading.

HB 479, relative to disability retirement benefits under the New Hampshire retirement system. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

As amended, the bill allows a disability beneficiary to engage in gainful occupation and earn up to the difference between the individual's retirement allowance and the annual amount of compensation currently payable for the job classification last held by the beneficiary prior to his/her disability retirement. The Committee feels that this is an equitable compromise and will resolve

the problems of inflation placed upon those with retirement disability benefits.

Amendment

Amend RSA 199-A:6, III as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

III. Medical Examination, Gainful Occupation.

(a) Once a year during the first 5 years following the retirement of either a group I or group II member on a disability retirement allowance, and once in every 3 year period thereafter, the board of trustees may, and upon his application shall, require any disability beneficiary who has not attained age 60 to undergo a medical examination by a physician or physicians designated by the board. If any disability beneficiary who has not attained age 60 refuses to submit to such medical examination, his state annuity may be discontinued by the board of trustees until his withdrawal of such refusal, and if his refusal continues for more than one year, all his rights in and to his state annuity may be revoked by the board.

(b) If the board of trustees finds that any disability beneficiary is engaged in or is able to engage in a gainful occupation paying more than the difference between his retirement allowance and the annual amount of compensation currently payable for the job classification last held by the beneficiary prior to his disability retirement, then his state annuity may be reduced to an amount which, together with his member annuity and the annual amount earnable by him, is equal to the annual amount of compensation currently payable for the job classification last held by the disabled beneficiary. Such reduction shall not be made if the disabled beneficiary demonstrates to the satisfaction of the board of trustees that the annual compensation currently earnable by him does not exceed the difference between his retirement allowance and the annual amount of compensation currently payable for the job classification which he last held prior to his disability retirement. If his earning capacity is later changed, his state annuity may be further modified; provided that the new state annuity shall not exceed the amount of the state annuity originally granted nor an amount which, when added to the amount earnable by him, together with his member annuity, equals the annual amount of compensation currently payable for the job classification last held prior to his disability retirement. It shall be the responsibility of the disability beneficiary to file with the board of trustees, annually on a date determined by the board, proof of the annual amount of compensation currently earnable by him and of the annual amount of compensation currently payable for the job classification last held by him prior to his disability retirement.

(c) Any amounts which may be paid or payable to or on account of any member or retired member on account of any disability to which the employer has made contributions under the provisions of any workmen's compensation or similar law or plan shall, in such manner as the board of trustees shall determine, be offset against and payable in lieu of any state annuity on account of the same disability.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Firemen: Disability Provisions Changed. Amend RSA 102:18 (supp) as amended by striking out said section and inserting in place thereof the following: 102:18 Ordinary Disability; Medical Examination.

I. Upon the application to the retirement board of a member in active service, any member who has 15 or more years of creditable service may be retired on an ordinary disability retirement allowance consisting of an annual sum equal to 2/3 his average final salary as defined in RSA 102:15; provided that, the physician or physicians designated by the board certify that he is mentally or physically incapacitated for the further performance of duty, that such incapacity is likely to be permanent, and that he should be retired.

II. Once each year during the first years following the retirement of a member on a total and permanent disability, or ordinary disability retirement, and once in every 3 year period thereafter, the board may require any disability beneficiary, who has not attained age 65, to undergo a medical examination by a physician or physicians designated by the board. If any disability beneficiary, who has not attained age 65, refuses to submit to such medical examination, his retirement may be discontinued by the board, until his withdrawal of such refusal, and if his refusal continues for more than a year all his rights in and to his pension may be revoked by the board. If the physician or physicians designated by the board report and certify that the disability beneficiary is again able to engage in fire duty, his retirement allowance shall be continued until such time as the community from which he is retired is able to rehire him. On his reinstatement to active service his rate of assessment shall be the same as assessed against him previous to the date of his disability, and his period of disability shall be considered as part of continuous service.

III. If the retirement board finds that any member retired on an ordinary disability allowance under this section is engaged in a gainful occupation paying more than the difference between his annual retirement allowance and the annual amount of compensation currently payable for the job classification last held by the beneficiary prior to his disability retirement, then his disability shall be deemed to have diminished and his

retirement allowance shall be reduced to an amount which, together with the annual amount earnable by him, shall equal the annual amount of compensation currently payable for the job classification last held by the disabled beneficiary. Such reduction shall not be made if the disabled beneficiary demonstrates to the satisfaction of the retirement board that the annual compensation currently earnable by him does not exceed the difference between his retirement allowance and the annual amount of compensation currently payable for the job classification which he last held prior to his disability retirement. If his earnings from such gainful occupation are later changed, his retirement allowance may be further modified by the retirement board; provided, however, that his retirement allowance shall at no time exceed the original grant nor an amount which when added to the amount being earned by him equals the annual amount of compensation currently payable for the job classification last held prior to his disability retirement. It shall be the responsibility of the retired member to file with the retirement board, annually on a date determined by the board, proof of the annual amount of compensation currently earnable by him and of the annual amount of compensation currently payable for the job classification last held by him prior to his disability retirement. The provisions of this section governing adjustments or discontinuance of a member's disability retirement allowance shall apply proportionally in like manner to any benefits which may thereafter become payable to the beneficiary named under any option elected under the provisions of RSA 102:16.

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Retired Teachers and Employees; Gainful Occupation. Amend RSA 100-A by inserting after section 28-a the following new section:

100-A:28-b Certain Teacher and Employee Members; Gainful Occupation. If the board of trustee finds that any disability beneficiary, receiving benefits under the provisions of RSA 100 or RSA 192, is engaged in or is able to engage in a gainful occupation paying more than the difference between his retirement allowance and the annual amount of compensation currently payable for the job classification last held by the beneficiary prior to his disability retirement, then his state annuity shall be reduced to an amount which, together with his member annuity and the annual amount earnable by him, is equal to the annual amount of compensation currently payable for the job classification last held by the disabled beneficiary. Such reduction shall not be made if the disabled beneficiary demonstrates to the satisfaction of the board of trustees that the annual compensation currently earnable

by him does not exceed the difference between his retirement allowance and the annual amount of compensation currently payable for the job classification which he last held prior to his disability retirement. If his earning capacity is later changed, his state annuity may be further modified; provided that the new state annuity shall not exceed the amount of the state annuity originally granted nor an amount which added to the amount earnable by him, together with his member annuity, equals the annual amount of compensation currently payable for the job classification last held prior to his disability retirement. It shall be the responsibility of the disability beneficiary to file with the board of trustees, annually on a date determined by the board, proof of the annual amount of compensation currently earnable by him and of the annual amount of compensation currently payable for the job classification last held by him prior to his disability retirement.

SUPREME COURT OPINION ON HB 1136

The undersigned justices of the supreme court return the following reply to the question presented in your resolution adopted on May 3, 1977, and filed in this court on May 5, 1977. The question reads as follows:

"Can a New Hampshire statute declaring that the lateral marine boundary between New Hampshire and Maine is or ought to be different from the boundary as specified in the decree of the Supreme Court of the United States in *New Hampshire v. Maine*, 426 U.S. 363 (1976) supersede or in any way affect the validity of that decree?"

House Bill 1136 seeks to declare null and void a consent decree entered by the United States Supreme Court, *New Hampshire v. Maine*, 426 U.S. 363 (1976), which located the lateral marine boundary between Maine and New Hampshire. The bill asserts that the consent decree is

"inimical to the interests of the people of New Hampshire" and violates article I, section 10, clause 3 of the United States Constitution which states that no state shall enter into an agreement or compact with another state without the consent of Congress.

In 1973, the legislature declared that it did not agree to and had never acquiesced in the boundary as shown on the 1956 U.S. Geological Survey Map. Laws 1973, ch. 58. It thereafter established a new commission the function of which was to discuss and solve the problem with Maine officials. The enabling legislation stated that, if mutual agreement were reached between the state of New Hampshire and the state of Maine, it would bind New Hampshire subject only to the consent of Congress. Laws 1973, 564:3. After extensive negotiations, no agreement was reached. At the request of the Governor, the attorney general filed an original action against Maine in the United States Supreme Court. The case was accepted by the court, *New Hampshire v. Maine*, 414 U.S. 810 (1973), which referred it to Mr. Justice Clark as Special Master. *New Hampshire v. Maine*, 414 U.S. 996 (1973). Negotiations by the attorneys general of the two states and their staffs resulted in a proposed consent decree which the Governor and Council of New Hampshire approved on June 26, 1974. The Governor and Council of Maine followed suit shortly thereafter.

The Supreme Court entered the decree holding, among other things, that the settlement was not an agreement or compact within the meaning of article I, section 10, clause 3 of the federal constitution. The Court reasoned that the two states were not adjusting the boundary between them but merely locating precisely the boundary that was fixed somewhat ambiguously in a 1740 decree issued by King George II. 2 Laws of New Hampshire 790, 793 (1913).

To the extent that House Bill 1136 seeks to deny the binding character of the Supreme Court decision it is inconsistent with our own statute, RSA 1:15 (Supp. 1975) (inserted by Laws 1973, ch. 580). That statute declares a certain line to be the boundary between Maine and New Hampshire "until otherwise established by law, interstate compact or judgment of the supreme court of the United States." (Emphasis added.)

The legislature cannot claim that it did not approve the actual litigation since it specifically appropriated funds to pay for it. Laws 1973, 376:14. Nor can it take the position that the actions of the attorney general and his assistants were unauthorized. *St. Regis Co. v. Board*, 92 N.H. 164, 26 A.2d 832 (1942) In entering into a consent decree the attorney general was acting within the limits of his broad authority to manage the state's litigation and to make any disposition of a case which he deems in the state's best interest. *Bokowsky v. State*, 111 N.H. 57, 274 A.2d 785 (1971);

State v. Swift, 101 N.H. 340, 143 A.2d 114 (1958); see *State ex rel. Derryberry v. Kern McGee Corp.*, 516 P.2d 813, 818 (Okla. 1973); *Annot.*, 81 A.L.R. 124 (1932). Concurrent Resolution No. 4, which did not have the force of law and which was passed after the attorney general had reached an agreement with Maine, did not make the attorney general's actions illegal or unauthorized.

The Supreme Court's determination that the consent decree did not violate the "Compact Clause" may not, of course, be overruled by the New Hampshire legislature. The Court's interpretation of the scope and meaning of the federal constitution is binding upon the states. *Cooper v. Aaron*, 358 U.S. 1 (1958). Very early in our country's development, Chief Justice Marshall recognized that our system of federalism and constitutional government cannot tolerate attempts by states to annul the judgments of the Supreme Court. *United States v. Peters*, 9 U.S. (5 Cranch) 115 (1809). One notable attempt by state officials to ignore or supersede a ruling of the Court was emphatically condemned by the Justices. *Cooper v. Aaron* supra; see G. Gunther, *Cases and Materials on Constitutional Law* 32-33 (1975). The proposed legislation is, in our opinion, inconsistent with the basic principles of federalism and of constitutional law. As the consent decree states "the State of New Hampshire, its officers, agents and representatives, its citizens and all other persons are perpetually enjoined from disputing the sovereignty, jurisdiction and dominion of Maine over the territory adjudged to her by this decree." Motion for Entry of Judgment by Consent of Plaintiff and Defendant, *New Hampshire v. Maine*, No. 64, October Term, 1973, at 4.

The answer to the question is "No."

HOUSE CONCURRENT RESOLUTION NO. 8

establishing a special joint committee to review the fact-finder's report submitted to the Legislature in regard to contract negotiations between the State of New Hampshire and the State Employees Association.

WHEREAS, RSA 273-A (the Public Employees Labor Relations Act) was enacted into law in the 1975 session to foster harmonious and cooperative relations between public employers and their employees; and

WHEREAS, the state is presently engaged in negotiations with the State Employees Association as the bargaining agent for the state's employees; and

WHEREAS, RSA 273-A:12 requires that, in the event of an impasse in negotiations, a fact-finder shall report his findings and recommendations first to the Governor and Council for their approval or rejection, and if his recommendations are rejected, to the legislature for its approval or rejection; and

WHEREAS, the fact-finder's report was duly transmitted to the Governor and Council on April 14, 1977 and his recommendations were rejected at that meeting; and

WHEREAS, the fact-finder's report has been transmitted to the legislature for appropriate action under RSA 273-A:12; and

WHEREAS, the conclusion of an equitable and workable collective bargaining agreement between the state and its employees is of paramount importance

NOW THEREFORE BE IT RESOLVED that there is hereby created a special joint committee to be composed of 3 members of the House and 2 members of the Senate appointed by the respective presiding officers to review the fact-finder's report and to recommend appropriate action to both Houses of the legislature no later than June 9, 1977.

COMMITTEE REPORTS (cont'd)

HB 113, relative to retirement credit of William J. Byrne. Ought to Pass with Amendment. Rep. Tucker for Appropriations. As amended, the bill redefines the terms "permanent policeman" and "permanent fireman" for retirement purposes. Further, the bill

specifically restricts group II retirement eligibility to those employees who are covered under the above definitions.

The Committee feels that such an eligibility revision is a top priority at this time. Committee vote was unanimous.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to group II membership in the New Hampshire retirement system.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Definition of Permanent Policeman Changed. Amend RSA 100-A:1, VII (supp) as inserted by 1967, 134:1 as amended by striking out said paragraph and inserting in place thereof the following:

VII. "Permanent policeman" shall mean any person, male or female, who is a chief, deputy chief, marshal, deputy marshal, colonel, major, captain, lieutenant, sergeant, corporal, inspector, patrolman, trooper, detective, investigator, sheriff, deputy sheriff, police matron regularly employed on full time duty by a police department or police force of the state, county, city, town, village or precinct in the state, fish and game conservation officer, state prison correctional officer, warden and deputy warden. In all cases of doubt, the board of trustees shall determine that a person is not a permanent policeman as defined herein.

2 Definition of Permanent Fireman Changed. Amend RSA 100-A:1, VIII (supp) as inserted by 1967, 134:1 by striking out said paragraph and inserting in place thereof the following:

VIII. "Permanent fireman" shall mean a private fireman or officer regularly employed on full duty by any fire department of the state or any county, city, town, village, or precinct of the state. "Officer" for purposes of this definition shall include any chief, deputy chief, captain, or lieutenant. In all cases of doubt, the board of trustees shall determine that a person is not a permanent fireman, as defined herein.

3 Membership Specifically Restricted. Notwithstanding other provisions of law to the contrary, permanent policeman, as defined in RSA 100-A:1, VII, and permanent fireman, as defined in RSA 100-A:1, VIII, shall be the only members of group II of the New Hampshire retirement system.

4 Effective Date. This act shall take effect upon its passage.

Rep. Michael Hanson spoke to the committee report.

Rep. Spiro moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Reps. Close, Dearborn, James Murray and Cornelius spoke in favor of the motion.

Reps. Kidder, Ward and Tucker spoke against the motion.

Rep. Gemmill moved the previous question. Sufficiently seconded. Adopted.

Rep. Dearborn requested a roll call. Sufficiently seconded.

HB 518, relative to retirement benefits for teachers who retired prior to 1957. Ought to Pass. Rep. Tucker for Appropriations.

Having reviewed the severe need of those teachers who retired prior to 1957, the Committee feels this bill

represents a responsibility which the State should meet during this biennium.

Rep. Spirou offered an amendment.

Amendment

Amend the title of the bill be striking out same and inserting in place thereof the following:

AN ACT

relative to retirement benefits for teachers who retired prior to 1957 and relative to retirement credit for William J. Byrne and making an appropriation therefor.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Retirement Credit Authorized.

Notwithstanding any other provision of law to the contrary, William J. Byrne, a former employee of the New Hampshire state prison, shall be eligible for such benefits as are provided for group II members of the New Hampshire retirement system, including credit for all prior service allowable, as if he had become a group II member from the inception of the New Hampshire retirement system and he is hereby authorized to purchase creditable service in group II of the New Hampshire retirement system for the period from June 20, 1975 to his retirement on the condition that he contributes an amount equal to the difference between the group I assessment and the group II assessment for the stated period as determined by the board of trustees, plus interest at 4 percent for the period from when payment should have been made to the date of payment.

3 Appropriation. There is hereby appropriated for fiscal year 1978 the sum of \$3,026 and a like sum for fiscal year 1979 to the New Hampshire retirement system for the unfunded accrued liability associated with section 2 of this act. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

4 Effective Date.

I. Section 1 of this bill shall take effect January 1, 1978.

II. The remainder of this bill shall take effect upon its passage.

RESOLUTION NO. 43

commending the Fifth Grade class at the Broken Ground school in Concord, New Hampshire for thier work in securing the naming of the ladybug as the state insect.

WHEREAS, the fifth grade class at the Broken Ground school in Concord, New Hampshire, was instrumental in the naming of the ladybug as the New Hampshire state insect; and

WHEREAS, Marilyn Ann Fraser, the teacher of the fifth grade class at the Broken Ground school, Concord, New Hampshire, gave excellent instructions to her pupils in the legislative process and in the correct manner to present a bill to the general court; and

WHEREAS, Scott McGilvray, a student in the fifth grade class at the Broken Ground school, Concord, New Hampshire, presented the case for the ladybug in a most eloquent and persuasive manner before those legislative committees that considered the bill; and

WHEREAS, Kathleen Wheeler, another student in the fifth grade class at the Broken Ground school, Concord, New Hampshire, was also most eloquent and persuasive in her arguments in support of the ladybug as the state insect; and

WHEREAS, the entire fifth grade class worked hard and supported the ladybug as the state insect and testified before both

the house and senate committees and were present when Governor Meldrim Thomson, Jr., signed the bill into law; now, therefore, be it

RESOLVED by the House of Representatives:

That both the teacher and students of the fifth grade class at the Broken Ground school, Concord, New Hampshire, be commended most highly for their hard work in research and time spent in promoting the ladybug as the state insect and in representing their cause in the legislative process; and

That we are sure all the students in the fifth grade class at the Broken Ground school, Concord, New Hampshire will grow up to be fine American citizens because of the lessons they learned and the work they did in assuring that the ladybug become the state insect of New Hampshire; and

That a special copy of this resolution be prepared for presentation to the fifth grade class at the Broken Ground school, Concord, New Hampshire, for their school; and

That a copy of this resolution be given to the teacher and to each student of the fifth grade class at the Broken Ground school, Concord, New Hampshire.

Amendment

Amend RSA 137-D:5, VI as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

VI. Promulgating such rules as are necessary to carry out the purposes of this chapter in accordance with RSA 541-A, including, but not limited to, conducting competency examinations for applicants under RSA 137-D:3.

Amend RSA 137-D:11 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

137-D:11 Written Recommendation Required.

I. No hearing aid may be sold or rented to any individual unless within the preceding 6 months the individual has been

examined by a licensed physician, or an otolaryngologist, and a signed written statement has been made by such an examiner that the individual may be considered a candidate for a hearing aid. This section does not apply to the replacement of parts or accessories of a damaged hearing aid or a replacement of a hearing aid for a current user.

II. If the prospective hearing aid user is 18 years of age or older, and has objections to consulting a physician based on personal, religious or constitutional convictions, the individual may be advised of the right to waive medical examination. It shall be unethical for a dealer to encourage the waiving of medical examination.

Amend RSA 137-D:12, II as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

II. Each registrant shall keep records of every customer to whom he renders services or sells hearing aids, including a copy of the receipt as specified under paragraph I, a record of services provided, any correspondence to or from a customer and the written recommendation or signed waiver. These records shall be preserved for 3 years after the date of transaction.

Amend RSA 137-D:1, IV and V as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

IV. "Hearing aid" means any wearable instrument or device designed for or offered for the purpose of or represented as aiding or compensating for impaired human hearing and any parts or attachments, including earmolds, but excluding batteries and cords or accessories thereto.

V. "Hearing aid dealer" means any person engaged in the selecting, fitting or otherwise dealing in hearing aids.

Amend RSA 137-D:1, X as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

X. "Written recommendation" means a written statement signed by a licensed physician, or an otolaryngologist, stating that the patient's hearing loss has been medically evaluated and that the patient may be considered a candidate for a hearing aid.

Amend RSA 137-D:13 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

137-D:13 Unsolicited Home Sales Prohibited. No hearing aid dealer, or employee or agent thereof, shall canvass in person from house to house for the purpose of selling or renting a hearing aid without prior request from the prospective customer, relative or friend.

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Appropriation. There is hereby appropriated to the division of public

health services, department of health and welfare, for the purposes of this act, the following amounts:

	FY 1978	FY 1979
Other personal services	1,000	1,000
Current expenses	2,000	2,000
Total	\$ 3,000	\$ 3,000

The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

5 Effective Date. Sections 1, 3 and 4 of this act shall take effect 60 days after its passage. Section 2 of this act shall take effect January 1, 1978.

Amend RSA 137-D:5, III as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

III. Suspending or revoking certificates of registration upon the grounds listed in RSA 137-D:9, and conducting hearings regarding the denial, suspension, revocation and renewal of certificates as provided in RSA 137-D:16.

Amend RSA 137-D:6 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

137-D:6 Issuance of Certificate. Except as provided in RSA 137-D:9, the director shall issue a certificate of registration to any person who files an application for such certificate accompanied by the required application and registration fees within 30 days after the filing of such application.

Amend RSA 137-D:9, I (d) as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

(d) Has been guilty of fraud or fraudulent practices, or has used dishonest or misleading advertising, including but not limited to the prohibitions contained in RSA 137-D:15;

Amend RSA 137-D:9, I (f) as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

(f) Has directly or indirectly given or offered to give or permitted or caused to be given money or anything of value to a licensed physician making written recommendations under section 137-D:11, as in inducement to influence the recommendation of the purchase of a hearing aid;

Amend RSA 137-D:12, I (g) as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

(g) The complete terms of the sale, including a clear and precise statement of the 30-day money-back guarantee required under RSA 137-D:14;

Amend RSA 137-D:16, I as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

I. Any violation of RSA 137-D:12-15 shall constitute an unfair and deceptive trade practice in violation of RSA chapter 358-A and may be enforced as provided therein.

Amendment adopted.

Rep. Sara Townsend offered an amendment.

Amendment

Amend RSA 137-D:11 and 12 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

137-D:11 Written Recommendation Required.

I. No hearing aid may be sold or rented to any individual unless within the preceding 6 months the individual has been examined by a licensed physician, or an otolaryngologist, or an audiologist in conjunction with a licensed physician, and a signed written statement has been made by such an examiner stating that the individual's hearing loss has been medically evaluated and that the individual may be considered a candidate for a hearing aid. This section does not apply to the replacement of parts or accessories of a damaged hearing aid.

II. If the prospective hearing aid user is 18 years of age or older and has objections to consulting a physician based on personal or religious convictions, the individual may be advised of the right to waive medical evaluation. It shall be unethical for a dealer to actively encourage the waiving of medical evaluation.

137-D:12 Unsolicited Home Sales Prohibited. No hearing aid dealer, employee or agent thereof, shall canvass either in person or by telephone from house to house for the purpose of selling or renting a hearing aid without prior request from the prospective customer, or a relative or friend of the prospective customer.

Rep. Townsend requested to dispense with the reading of the amendment.

Rep. Townsend spoke to her amendment.

Reps. Nardi, Crory and Scamman spoke in favor of the Townsend amendment.

Townsend amendment adopted.

Ordered to third reading.

HB 546, relative to detective and security agencies. Ought to Pass. Rep. Tucker for Appropriations.

This bill can be administered at little cost to the Division of State Police. No appropriation is necessary. Ordered to third reading.

HB 96, increasing the appropriation for regional vocational education centers. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill will continue the concept of the 20 vocational center concept. The amendment reduces the appropriation from \$15,000,000 to \$8,000,000 and will allow the implementation of a center in Exeter and one in Manchester. Committee vote was 18-1.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the

following:

1 Authorized Appropriation Increased. Amend RSA 188-E:10 (supp) as inserted by 1973, 567:1 as amended by striking out in line 4 the words "nine million dollars" and inserting in place thereof the following (\$17,000,000) so that said section as amended shall read as follows:

188-E:10 Construction Appropriation. The treasurer of the state of New Hampshire is hereby authorized to make available to the state board of education for purposes of constructing regional vocational education centers an amount not to exceed \$17,000,000. Authorization for expenditure of such funds shall be made by the state department of education to the treasurer in accordance with this chapter. The treasurer is authorized to issue bonds in accordance with the provisions of RSA 6-A for the purpose of funding this appropriation.

Amendment adopted.

Rep. Tucker offered an amendment.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Authorized Appropriation Increased. Amend RSA 188-E:10 (supp) as inserted by 1973, 567:1 as amended by striking out in line 4 the words "nine million dollars" and inserting in place thereof the following (\$17,000,000) so that said section as amended shall read as follows:

188-E:10 Construction Appropriation. The treasurer of the state of New Hampshire is hereby authorized to make available to the state board of education for purposes of constructing regional vocational education centers an amount not to exceed \$17,000,000. Such amount shall be utilized to fund regional vocational centers in Exeter and Manchester. Authorization for expenditure of such funds shall be made by the state department of education to the treasurer in accordance with this chapter. The treasurer is authorized to issue bonds in accordance with the provisions of RSA 6-A for the purpose of funding this appropriation.

The Clerk read the amendment.

Rep. Tucker spoke to his amendment.

Reps. Brack and James J. White spoke in favor of the bill.

Tucker amendment adopted.

Ordered to third reading.

HB 249, relative to personnel of certain agencies which receive federal grants-in-aid. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Amendment

Amend the bill by striking out RSA 124:4-b, as inserted by section 2 of the bill.

Amendment adopted.

Ordered to third reading.

HB 528, establishing a state equal employment opportunity office. Recommended but to be laid on table because unfunded. Rep. Tucker for Appropriations.

Because of the present financial situation, funding is not recommended at this time.

Rep. Morrison moved that the words, Ought to Pass, be substituted for the committee report, Recommended Unfunded, Lay on the Table, and spoke to her motion.

Rep. Mabel Richardson spoke in favor of the committee report.

Reps. Ward and Normand spoke in favor of the motion.

Rep. Scamman spoke against the motion.

Rep. Tucker moved that HB 528 be laid upon the table.

Adopted.

HB 532, increasing the salary of certain psychologists in the state classified service and making an appropriation therefor. Inexpedient to Legislate. Rep. Tucker for Appropriations.

Although this act is laudable, the Committee felt that the issue of salary levels should be considered in conjunction with a state employee pay raise bill. The passage of this bill would give a pay increase to only one group of state employees and does not address inequities among all areas of the classified personnel system. Resolution adopted.

HB 553, relative to search and rescue operations; establishing a search and rescue review board and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

establishing a program of vanity cards to be sold at various concessions with proceeds to a search and rescue fund and providing for the funding therefor.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 New Chapter. Amend RSA by inserting after RSA 12-D the following new chapter:

CHAPTER 12-E

Souvenir Vanity Card Program

12-E:1 Vanity Card. The graphic arts division of the department of resources and economic development shall develop a scenic vanity card or cards depicting various scenes of interest around the state to be sold as a souvenir to any person residing, visiting, hiking, boating, fishing or traveling through the state, who may desire to purchase such a card.

12-E:2 Signatures on Card. Each vanity card shall contain the facsimile signature of the governor, commissioner of the department of resources and economic development and the director of the division of parks, department of resources and economic development. The card shall also contain a line where the name of the purchaser may be inserted and the date, if desired by said purchaser.

12-E:3 Printing. The printing of the vanity cards shall be done by the print shop operated by the department of resources and economic development.

12-E:4 Sale of Vanity Cards. The business office in the department of resources and economic development shall be responsible for the vanity card sales distribution, the collection of revenue and accountability for same. The vanity cards shall be sold for a minimum of one dollar, with 80 percent of the proceeds of said sale returned to the state treasurer for deposit in a special account to be known as the search and rescue account established pursuant to RSA 12-E:6. Each concessionaire authorized to sell vanity cards shall file a report monthly on forms prescribed by the department accompanied by any remittances due the state for its share of the monthly sales. The concessionaire is authorized to retain 20 percent of the proceeds from such sales.

12-E:5 Report Operations. The department shall report the status of the vanity card program to the governor and council and the fiscal committee of the general court on a quarterly basis. The first such report shall be filed on January 31, 1978 and continue quarterly thereafter.

12-E:6 Search and Rescue Account. There is hereby established a separate account by the state treasurer to be known as the search and rescue account, which shall be kept separate and distinct from all other monies deposited in the general fund. The account shall be used for the personal services of individuals conducting search and rescue operations. Disbursement from the search and rescue account shall be made by the director of fish and game only after such disbursements have been approved by the governor and council. All funds within said search and rescue account are hereby appropriated for the purposes of this section.

2 Appropriation. The department of resources and economic development business office shall maintain separate accountability for the printing and all other necessary costs for the design and printing of vanity cards. Such costs shall be first a charge against the department of resources and economic development inventory fund, established by RSA 219:21, and subsequently reimbursed by a transfer of revenue from the search and rescue account when such account is equal to or exceeds the total costs.

3 Effective Date. This act shall take effect July 1, 1977.

Reps. Dickinson, Towle and Richard Hanson spoke against the amendment.

Reps. LaMott, Close, Hildreth and Marshall French spoke in favor of the amendment.

On a voice vote, the Speaker in doubt and requested a roll call. Sufficiently seconded.

HB 559, relative to the reorganization of the New Hampshire transportation authority. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Unanimous vote of committee.

Amendment does three things: 1) Makes Transportation Authority an agency of state instead of a public corporation; 2) Re-orders spending priorities to allow authority to spend bond monies for purposes of chapter before repaying bonds; 3) Prohibits destruction of tracks and related structures except private tracks without notice to the commission and a public hearing.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to the reorganization of the
New Hampshire transportation
authority and prohibiting
the removal of rail-
road structures.

Amend RSA 21-D:2 as inserted by
section 1 of the bill by striking out same
and inserting in place thereof the
following:

21-D:2 New Hampshire Transportation
Authority. There is hereby established an
agency of the state to be known as the New
Hampshire transportation authority. The
management of such agency shall be vested
in a board of 3 directors, who shall be
appointed by the governor with the advice
and consent of the council, one member
shall be an active railroad shipper, one
member whose active executive employment
is in highway passenger transportation and
one member shall be from the general
public. Not more than 2 of such members
shall be of the same political party.
Each member shall hold office for a term
of 3 years and until his successor is
appointed and qualified, except that of
the members first appointed to the board,
one shall be appointed for a term of one
year, one for a term of 2 years and one
for a term of 3 years. The chairman of
the board shall be elected by the board.
Each member of the board shall be
compensated in the amount of \$50 per day
for each day spent in the performance of
duties hereunder, and shall be allowed his
necessary travel and expenses in the
performance of such duties. Members of
the board may be removed from office in
the manner prescribed in RSA 4:1. The
board shall be furnished appropriate
offices in the state house or elsewhere,
as the governor and council shall
determine.

Amend RSA 21-D:3 as inserted by
section 1 of the bill by striking out same
and inserting in place thereof the
following:

21-D:3 Executive Director. There
shall be an executive director of the
agency, who shall be specifically
qualified by previous training and
experience to perform all the duties
assigned to him and who shall be appointed
by the board of directors subject to the
approval of the governor and council. The
executive director shall serve under the
supervision of, and be directly
responsible to, the board of directors,
and shall carry out the instructions of
the board in the management of the affairs
of the agency. He shall be compensated in
the amount prescribed for him in RSA 94;
and he shall serve for a term of 5 years,
and may be removed from office in the
manner prescribed in RSA 4:1. Whenever a
division of the authority is created, a
director for that particular division, who
shall be specially qualified by previous
training and experience to perform all the
duties assigned to him, shall be hired by
the executive director subject to approval
of the board of directors. Each division
of the authority shall be adequately

staffed with such personnel as necessary
hired by the executive director subject to
approval of the board of directors.

Amend RSA 21-E:20 as inserted by
section 1 of the bill by striking out same
and inserting in place thereof the
following:

21-E:20 Appropriation and Order of
Use of Special Railroad Fund. Any moneys
deposited in the special fund established
by RSA 21-E:19 are hereby appropriated to
be expended by the authority with the
approval of governor and council, only for
the following detailed purposes and in the
following listed order of priority:

I. To purchase or pay for the
operation and the maintenance of railroad
properties to be acquired or which have
been acquired pursuant to the provisions
of this chapter.

II. To amortize and pay interest on
any outstanding bonds or loans.

III. To reimburse the general fund
for any amortization or interest payments
made on outstanding bonds or loans.

Amend the bill by striking out section
8 and inserting in place thereof the
following:

8 Railroad Line Destruction. Amend
RSA 365 by inserting after section 24 the
following new section:

365:24-a Preservation of Rail Lines.

1. No person shall tear up and remove
or cause to be torn up and removed any
railroad track, switch, or diamond or any
track related structure, except for
routine or emergency maintenance and
including but not limited to lines which
are in active service, embargoed,
petitioned to be abandoned and abandoned
but excluding private spur, industrial and
storage tracks, without notice to the
commission and such notice to the public
as the commission may direct. Upon
receipt of such notice, the commission
shall conduct a public hearing to
determine whether the proposed action is
consistent with the public good, and may
by order forbid the proposed action.

II. Any person who violated the
provisions of this section or any order of
the commission issued pursuant to this
section shall be guilty of a class B
felony if a natural person or guilty of a
felony if any other person.

9 Effective Date. Sections 1 through
7 of this act shall take effect July 1,
1977 and section 8 of this act shall take
effect upon its passage.

Amendment adopted.

Ordered to third reading.

HB 739, relative to control of
explosives. Ought to Pass with
Amendment. Rep. Tucker for Appropriations.
The amendment makes a small
appropriation to begin the program and
provides for the deposit of fees to
the general fund.

Amendment

Amend RSA 158:9-C, IV as inserted by
section 9 of the bill by striking out same

and inserting in place thereof the following:

IV. All fees received under this section shall be deposited as unrestricted general fund revenue.

Amend the bill by striking out section 14 and inserting in place thereof the following:

14 Appropriation. The sum of \$1,000 is hereby appropriated for the purposes of sections 1, 2 and 3 of this act for the fiscal year ending June 30, 1978.

15 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Ordered to third reading.

HB 1121, relative to public ethics. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The amendment provides for mileage reimbursements to legislative and non-legislative members of the commission. The appropriation shall also be available for the purposes of this act including mailing, minutes of meetings, etc. The amendment also provides for the Secretary of State to furnish suitable forms, all of which will be filed with his office.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to public ethics and making an appropriation therefor.

Amend RSA 91-B:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

91-B:3 Disclosure Required.

I. All public servants shall, no later than 30 days after taking office or employment, file a statement identifying the following:

(a) All offices, directorships and employment of the public servant and his or her spouse.

(b) All financial interests, except interests in the form of savings or checking accounts or share accounts in banking institutions, of the public servant, and his or her spouse in excess of \$5,000, by category only, for example "utility stock" or "real estate."

(c) All financial interests of the public servant, and his or her spouse, involving business with the state of New Hampshire in excess of \$2,000 worth of business within the past 2 years.

II. A statement shall be filed under this section even if the interest to be disclosed is no greater than that of any other member of the group to which the public servant belongs.

III. Any change in the content of such statement shall be filed within 30 days after its occurrence.

IV. All such statements shall be open to public inspection.

Amend RSA 91-B:4 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

91-B:4 Filing. Statements of financial interest required by this chapter shall be filed with the secretary of state who shall provide suitable forms to carry out the requirements of this chapter. Statements filed under this chapter shall be managed pursuant to RSA 8-B.

Amend RSA 91-B:6, I, (d) as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

(d) the member appointed by the chief justice of the supreme court shall serve for 5 years.

Amend RSA 91-B:11 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

91-B:11 Compensation. Members of the commission shall serve without compensation, but shall be reimbursed for mileage. Legislative members shall receive legislative mileage and non-legislative members shall receive mileage at the same rate paid to state employees.

Amend RSA 91-B:15, III as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

III. Notwithstanding RSA 91-A, the hearing shall be held in open session unless otherwise requested by the respondent or a majority of the commission members.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Appropriation. There is hereby appropriated the sum of \$1,000 for the purposes of this chapter. This appropriation is nonlapsing for the biennium beginning July 1, 1977. If this appropriation is insufficient, the speaker of the house and president of the senate shall transfer unexpended funds from joint legislative accounts. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect January 1, 1979.

Rep. Richard Hanson requested a roll call. Sufficiently seconded.

HB 513, creating an office of youth services and an advisory commission on youth and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill, as amended, sets up an agency which will be an information source for agencies and people involved in youth work around the state. The budget for the agency can only be implemented if funds from another source are found.

Amendment

Amend RSA 170-F:4 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

170-F:4 Duties of Agency. In order to insure and better serve the rights of children and youth of this state, the office is authorized and directed to:

I. Devise, develop and promulgate a statewide plan for the establishment and maintenance of suitable local and regional detention homes, group homes and other residential care facilities for youths adjudicated delinquent or a person in need of supervision according to the provisions of RSA 169.

II. Establish, operate and maintain in conjunction with such centers or contract with the political subdivisions of the state, agencies thereof or agencies supported thereby, or other public or private nonprofit corporations, associations, institutions or agencies concerned with youth for the operation and maintenance of youth development and work training programs in order to prevent and control juvenile delinquents, and to advance the moral, physical, mental and social well-being of the youth of this state;

III. Coordinate the efforts of and cooperate with other departments, divisions and agencies throughout the state in order to assist in the rehabilitation and training of those youths who attend or have attended such facilities or are enrolled or have been enrolled in such programs.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Salary. Amend RSA 94:1-a by inserting in proper alphabetical order the following:

Director of youth services	16,427	18,591
----------------------------	--------	--------

Amend the bill by striking out section 11 and inserting in place thereof the following:

The Governor is authorized to draw his warrant for said sums out of any monies in the treasury not otherwise appropriated.

Sums hereby appropriated from general funds shall be reduced by any federal or other funds which may become available for such purpose. The commissioner of the department of health and welfare is authorized to seek funds, with the advice and technical assistance of the governor's commission on crime and delinquency, from discretionary funds available to the administrator of the law enforcement assistance administration to accomplish the purposes of this act.

Amend the bill by striking out sections 3, 4, 5, 6, 7, 8, 9 and 10 and renumbering sections 11 and 12 to read as 3 and 4 respectively.

Amendment adopted.

Ordered to third reading.

HB 640, relative to the regulation of physical therapists. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The bill revises existing statutes relative to registering occupational therapists. The Committee amendment sets the fees at sufficient levels to cover the cost of administering the program and lightens the accounting of revenues.

Amendment

Amend RSA 328-A:5 as inserted by section 8 of the bill by striking out same and inserting in place thereof the following:

328-A:5 Examination. The board shall hold examinations for applicants who comply with the provisions of RSA 328-A:3 and 13. The written examination shall be provided by the professional examination services who will be responsible for reporting examination results to the board. The physical therapy advisory committee shall be responsible for reviewing the examination results and making their recommendations to the board. Examinations shall be held within the state, at least 3 times a year, at such time and place as the board shall determine. An applicant shall pay to the board a fee in an amount sufficient to cover the costs of purchasing and administering the examination. An applicant who fails to pass a satisfactory

examination shall be entitled to 2 reexaminations within a period of 6 months.

Amend RSA 328-A:5-a as inserted by section 9 of the bill by striking out same and inserting in place thereof the following:

328-A:5-a Physical Therapist Assistant Examination. The board shall hold examinations for applicants who comply with the provisions of RSA 328-A:2-a. The examination shall be provided by the professional examination services who will be responsible for reporting examination results to the board. An applicant shall pay to the board a fee in an amount sufficient to cover the costs of purchasing and administering the examination. An applicant who fails to pass a satisfactory examination shall be entitled to reexamination, within a period of 6 months. The board shall register as a physical therapist assistant each applicant who proves to the satisfaction of the board his ability for registration under the terms of this chapter.

Amend RSA 328-A:7 as inserted by section 11 of the bill by striking out same and inserting in place thereof the following:

328-A:7 Renewal of Registration. Applications for renewal of registration shall be filed on or before December 31 of each year accompanied by the renewal fee. All registrations issued under this chapter expire on December 31 each year unless previously suspended or revoked. All renewal registrations granted between January 1 and January 15, inclusive, shall be retroactive to January 1. An application for renewal of registration after January 15 shall only be granted upon reapplication for registration.

Amend RSA 328-A:14 as inserted by section 16 of the bill by striking out same and inserting in place thereof the following:

328-A:14 Powers and Duties of Board. The board in cooperation with the physical therapy advisory committee is authorized to adopt reasonable rules and regulations to carry out this chapter into effect and may amend and revoke such rules and regulations at its discretion subject to RSA 541-A. The board shall keep a record of its proceedings under this chapter and a register of all persons registered under it. The register shall show the names of every living registrant, his last known place of business and last known place of residence and date and number of his registration and certificate, as a registered physical therapist. The board shall, once each year, compile and publish a list of registered physical therapists and registered physical therapist assistants. All fees collected by the board under the provisions hereof shall be deposited in the treasury as unrestricted general fund revenue.

Amend the bill by striking out section 19 and inserting in place thereof the following:

19 Schedule of Fees. Amend RSA 328-A by inserting after section 14 the following new section:

328-A:14-a Fees. The board shall set the fees to be charged under the provisions of this chapter each year as follows:

I. The initial registration fee for physical therapists shall not be less than \$10 nor more than \$25.

II. The renewal fee for physical therapists shall not be less than \$10 nor more than \$25.

III. The initial registration fee for physical therapist assistants shall be not less than \$5 nor more than \$15.

IV. The renewal fee for physical therapist assistants shall be not less than \$5 nor more than \$15.

20 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Ordered to third reading.

HB 609, establishing public guardian offices. Ought to Pass with Amendment.

Rep. Tucker for Appropriations.

The Appropriations Committee amendment clarifies the terminology of the bill and proposes an \$8,000 appropriation for each fiscal year to be used only to match federal funds available for the purpose of the bill.

Amendment

Amend RSA 547-A:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

547-A:3 Appointment of Public Guardians. Upon the recommendation of the guardian advisory council established pursuant to RSA 547-A:6, the judge of the probate courts of Belknap and Merrimack counties shall appoint a person to fill the position of public guardian for each public guardian office. If the judge determines that the needs of the county do not warrant the appointment of a full-time guardian, a part-time public guardian may be appointed. Appointments shall be for a term of 2 years and any person may be reappointed upon recommendation of the guardian advisory council.

Amend RSA 547-A:5 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

547-A:5 Appointment of Co-Guardian. At the request of a relative, friend, or other interested party, that relative, friend, or other interested party may be appointed co-guardian in conjunction with the appointment of a public or private guardian. Both co-guardians shall make themselves readily available to each other to consult, gather and share all relevant information and plan and decide procedures which execute the powers and duties assigned by the appointing court. Disagreements shall be resolved upon petition by decision of the court, prior to which emergency decisions by the

professional guardian shall prevail.

Absence or unavailability of either co-guardian empowers the other to act in the capacity of guardian. Absence and unavailability of both co-guardians without coverage for 31 days or longer automatically requires a hearing before the appointing court.

Amend RSA 547-A:6 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

547-A:6 Establishment of a Guardian Advisory Council. There is hereby established a guardian advisory council to institute values for the highest standards of ethical responsibility, and humane rehabilitative care. The council shall provide guidelines and recommendations to the courts for the most effective use of guardian/conservator services for disabled persons. The council shall consist of at least 10 members to be selected by the chief judge of the probate courts from among elected officers of recognized professional organizations representing the following disciplines: psychiatry, general medicine and/or primary medical care, primary and secondary education, mental retardation, pediatrics, nursing, law, physical medicine, probate jurisprudence, psychology, social work, vocational rehabilitation and financial administration or banking. Members of the council shall serve without compensation, but shall be reimbursed for expenses incurred in carrying out their duties.

Amend RSA 547-A:7 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

547-A:7 Duties of the Guardian Advisory Council.

I. The council shall suggest guidelines for determination of extent of disability, and for determination of recovery from disability which impairs an individual's ability to make and carry out decisions for care of one's own person and impairs an individual's ability to exercise rights, powers and personal responsibilities without creation of specific risk of harm to one's self or others.

II. The council shall suggest guidelines which will assist the courts in determining the type and limits of guardianship or conservatorship appropriate for specific disabilities. It shall attempt to identify treatment and rehabilitative programs, resources and expertise which can restore with least restriction a disabled person to full competence.

III. The council shall assist the judges of the probate courts with recommendations for appointments and reappointments to fill public guardian positions and shall be available for consultation to each probate court. It shall provide guidelines to probate judges as to appropriate qualifications for selection of public guardians or co-guardians. It shall recommend for each

public guardian a professional development program of education and training. The council shall suggest a limit of numbers of wards and types of disability assignable to each guardian.

Amend RSA 547-A:8 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

547-A:8 Compensation. Public guardians and administrative staff in Belknap and Merrimack counties shall be compensated with a fixed salary commensurate with the responsibilities of the position to be set by the advisory council. Administrative costs and salaries shall come from state funds which have been earmarked to cover the costs and salaries of the operation and administration of the offices, or federal funds made available for the purposes of this chapter.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Appropriation. There is hereby appropriated to the division of welfare, department of health and welfare, the sum of \$8,000 for the fiscal year ending June 30, 1978 and a like amount for the fiscal year ending June 30, 1979 for the purposes of this act. Said sums shall be used only to match any federal funds made available for the purposes of this act and may not be transferred or expended for any other purpose. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

Amendment adopted.

Ordered to third reading.

HB 674, relative to conferences of probate judges. Ought to Pass. Rep. Tucker for Appropriations.

This slight change in the statutes will have no additional financial impact.

Ordered to third reading.

HB 862, relative to establishing a family review board for proceedings in contested child support and custody matters. Inexpedient to Legislate. Rep. Tucker for Appropriations.

The intent of the bill is commendable. As written, it would present an undue burden on the court system. A motion will be made to have the bill referred to the Judicial Council for study and a report by January 2, 1978. The sponsors concur. The Committee vote was unanimous.

Rep. Tucker moved that the words, Refer to Judiciary for Interim Study, be substituted for the committee report, Inexpedient to Legislate.

Adopted.

HB 1143, relative to unemployment compensation (RSA 282). Ought to Pass. Rep. Tucker for Appropriations.

The increase of unemployment pay has very little effect on state funds even though we are self-insured as we seldom abolish filled positions. Ordered to third reading.

HB 487, relative to the publication of the Revised Statutes Annotated. Ought to Pass. Rep. Tucker for Appropriations.

This bill allows printing of the Revised Statutes Annotated beyond present recompilation authority. Ordered to third reading.

HB 597, relative to the application and expenditure of federal funds and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill revises the procedure for the expenditure of federal funds by providing that such funds may be received only by authorization of the general court.

Amendment

Amend RSA 14:30-a as inserted by section 4 of the bill by striking out same and inserting in place thereof the following:

14:30-a Committee. There is hereby established a fiscal committee of the general court. Said committee shall consist of 8 members, 5 shall be members of the house appropriations committee appointed by the speaker, one of whom shall be the chairman of the house appropriations committee, 3 shall be members of the senate appointed by the president, one of whom shall be chairman of the senate finance committee. Said committee shall while the general court is in session and during the interim consult with, assist, advise, and supervise the work of the legislative budget assistant, and may at its discretion investigate and consider any matter relative to the appropriations, expenditures, finances, revenues or any of the fiscal matters of the state. The members shall be paid the regular legislative mileage during the interim while engaged in their work as members of said committee.

Reps. Ward, LaMott and Michael Hanson spoke against the amendment.

Amendment lost.

Ordered to third reading.

HB 600, relative to the importation of dogs and cats into the state and the sale of same. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The bill can be administered at little additional cost to the Department of Agriculture. The amendment provides for the deposit of fees to the general fund and allows for a process to protect the consumer against the purchase of defective dogs and cats.

Amendment

Amend RSA 443-A:2 as inserted by section 1 of the bill by striking out same

and inserting in place thereof the following:

443-A:2 Licenses. Applications for licenses shall be made annually in writing to the department of agriculture accompanied by a license fee of \$50. After January 1, the license fee shall be \$25. If after inspection such department finds that the premises, cages and facilities thereon meet the proper standards for health and sanitation and that their use will not result in inhumane treatment of said animals or birds, a license shall be issued. Licenses shall expire on June 30 following issue, and may be renewed on application to the department of agriculture accompanied by a renewal fee of \$50. Such licenses shall be in the form prescribed by the state department of agriculture, shall be publicly displayed at the premises covered thereby and adjacent to animal display cages. Each such license shall be subject to revocation at any time by the department of agriculture if in the judgment of such department the conditions under which it was issued are not being maintained. Each licensee shall be inspected by an employee of the department of agriculture or by a person appointed by the department of agriculture no less frequently than every 6 months. Upon receipt of a written complaint alleging violation of this chapter, the department of agriculture shall investigate said complaint within a reasonable time. All license fees shall be deposited in the state treasury.

Amend RSA 443-A:9, VI as inserted by section 2 of the bill by striking out said paragraph and inserting in place thereof the following:

VI. All dogs and cats imported for resale shall be held 48 hours separated from other animals on premises before being offered for sale.

Amend RSA 443-A as inserted by section 2 of the bill by inserting after section 11 the following new section:

443-A:12 Examination by Licensed Veterinarian. Within 72 hours of sale, the purchaser of a dog or cat from a licensee may have the dog or cat examined by a licensed veterinarian selected by the purchaser and, unless said examination indicates the dog or cat to be free of disease or congenital defects, the purchaser shall be entitled to full refund of the purchase price of the dog or cat upon return of dog or cat to the licensee within 72 hours accompanied by the veterinarian's certificate.

Amendment adopted.
Ordered to third reading.

HB 680, relating to the replacement and road repair of a certain bridge between Walpole, New Hampshire and Bellows Falls, Vermont. Ought to Pass. Rep. Tucker for Appropriations.

Appropriates \$4,000,000 to pay for bridge between Walpole, New Hampshire and Bellows Falls, Vermont.
\$3,000,000 will be federal funds.

Ordered to third reading.

HB 573, providing for the acquisition of certain dams and water rights by the water resources board and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Authorizes the repair to Ballard Pond Dam so that the up and down saw mill can be used and the pond restored. Dam was drained two weeks ago because of excessive leaking.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

providing for the acquisition of a certain dam and water rights by the water resources board and making an appropriation therefor.

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Dam and Water Rights; Acquisition Authorized. Amend RSA by inserting after RSA 482-K the following new chapter:

CHAPTER 482-L

Acquisition of a Certain Dam and Water Rights

482-L:1 Acquisition Authorized. For a consideration of \$1 the New Hampshire water resources board is authorized to accept conveyance from the owner of the following described property for the purpose of improving and controlling certain water rights for the benefit of the state: the dam, dikes and appurtenances containing and controlling the waters of Ballard pond in the town of Derry including flumes, sluiceways, equipment, and apparatus connected with or appurtenant to said dam and dikes, including the right to pass and repass to said dam and dikes for the operation, maintenance, repair, reconstruction and construction of said dam, dikes and appurtenances. The grantors' right, title and interest in the lands above the highwater level of the aforesaid pond, including all islands, which have been conveyed to them are hereby reserved. The ownership, use and maintenance of the Taylor Mill, so called, near the dam on Ballard pond in the town of Derry, including all necessary machinery and controls, is not herein conveyed.

482-L:2 Repairs, etc. Said board after said acquisition shall, from time to time, make repairs and modifications to said dam so acquired or rebuild, as the case may be, so as to best serve the interests of the state.

482-L:3 Tax Exemption. The properties authorized to be acquired by the water resources board by this chapter for the benefit of the state shall be exempt from taxation as long as said properties are held by the state.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Appropriation. The sum of \$52,500 is hereby appropriated for the biennium ending June 30, 1979 to be expended by the water resources board for repairs, modification or rebuilding of the dam at Ballard pond in the town of Derry. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Amendment adopted.

XIII. Public Works and Highways - Reconstruction of Hazen Drive	600,000*
--	----------

Total state appropriation section 1	<u>\$21,609,892</u>
-------------------------------------	---------------------

2 Appropriation, University of New Hampshire. The sums hereinafter detailed in this section are hereby appropriated for the projects specified, including but not limited to the purchasing, constructing, furnishing and equipping thereof, to the trustees of the university of New Hampshire:

I. University system all campuses	
A. Life safety code and handicapped study	\$140,000
II. Durham campus - implementation of energy study	1,374,000
III. Keene campus - construction of liberal arts building	4,950,000
IV. Plymouth campus	
A. Renovation of Rounds hall	748,000
B. Dining hall expansion	<u>282,000*</u>
Total paragraph IV	1,030,000
Total state appropriation section 2	\$7,494,000

* 30 year bonds to be self-amortizing in accordance with RSA 187:10-a.

3 Expenditures, General. The appropriation made for the purposes mentioned in sections 1, and the sums available for those projects, shall be expended by the trustees, commission, commissioner, or department head of the institutions and departments referred to herein, provided that all contracts for projects and plans and specifications therefor shall be awarded in accordance with RSA 228.

4 Land Acquisition. Any land acquired under the appropriations made in sections 1, except such land, if any, as may be acquired under the appropriation for the water resources board, shall be purchased by the commissioner of public works and highways, with the approval of governor and council.

5 Bonds Authorized. To provide funds for the total of the appropriations of state funds made in sections 1 and 2, of this act, the state treasurer is hereby authorized to borrow upon the credit of the state not exceeding the sum of \$29,103,892 and for said purpose may issue bonds and notes in the name and on behalf of the state of New Hampshire in accordance with the provisions of RSA 6-A.

6 Payments. The payment of principal and interest on bonds and notes issued for the projects in sections 1 and 2 shall be made when due from the general funds of the state; provided, however, that the payment of principal and interest on bonds issued for \$53,600 of the projects in section 1, paragraph II, B, the project in section 1, paragraph V, C, (7), and all of the projects in section 1, paragraphs X and XIII shall be made from the highway fund.

7 Liquidation. The state treasurer is authorized to deduct from the fund accruing to the university under RSA 187:24, or appropriation in lieu thereof, for each fiscal year such sums as may be necessary to meet interest and principal payments in accordance with the terms and conditions of the bonds or notes issued for the purposes of section 2.

8 Transfers. The individual project appropriations, as provided in sections 1 and 2, shall not be transferred or expended for any other purposes; provided, however, that the governor and council may transfer any balance estimated to be available upon completion of an individual project to other projects within the same section.

9 Reduction of Appropriations and Bonding Authority.

I. If the net appropriation of state funds for any project provided for by sections 1 and 2 is determined on the basis of an estimate of anticipated federal, local or other funds, and if the amount of such funds actually received or available is less than said estimate, then the total authorized cost for such project and the net appropriation of state funds therefor each shall be reduced by the same proportion as the proportion by which federal, local or other funds are reduced. The amount of bonding authorized by section 8 shall be reduced by the amount that the appropriation of state funds is reduced pursuant to this section.

II. If any federal, local or other funds, not anticipated, become available for any project provided for in sections 1 and 2, they are hereby appropriated and the net appropriation of state funds and the amount of bonding authorized by section 8 shall be reduced by an amount equal to the federal, local or other funds available.

10 Powers of Governor and Council. The governor and council are hereby authorized and empowered:

I. To cooperate with and enter into such agreements with the federal government or any agency thereof, as they may deem advisable, to secure federal funds for the purposes hereof.

II. To accept any federal funds which are, or become available for any project under sections 1 beyond the estimated amounts. The net appropriation of state funds for any project for which such additional federal funds are accepted shall be reduced by the amount of such additional funds, and the amount of bonding authorized by section 8 shall be reduced by the same amount.

11 Expenditures, University of New Hampshire.

I. The appropriations made for the purposes mentioned in section 2 and the sums available for these projects shall be expended by the trustees of the university of New Hampshire. All contracts for the construction of all or any part of said building or facilities shall be let only after competitive sealed bids have been received and only after an advertisement calling for such bids has been published at least once in each of 2 successive calendar weeks in a newspaper of general circulation in New Hampshire or in a trade journal known to be circulated among the contractors from whom bids will be sought with the state of New Hampshire or elsewhere in the area. The first publication of such advertisement shall be not less than 30 days prior to the date the bids will be received. All conditions considered, wherever possible, it is recommended that the services of New Hampshire architectural and construction firms be considered within the discretion of the trustees.

II. AVAILABILITY OF APPROPRIATION. The appropriations made in section 2 are available for all costs incidental to the erection, furnishing, and equipping of these facilities including the necessary extension of utilities and includes the cost of the services of architects, engineers, and other consultants of such kind and capacity as the university board of trustees may, in its discretion, wish to employ on such terms and conditions as the board determines, and include the cost of furnishing and equipping the facilities with moveable equipment and furnishings not affixed to the buildings, and which are not listed in the specifications approved for implementation of the construction plans. These monies shall be spent under the direction of the university board of trustees.

III. REJECTION OF LOW BIDS. If, in the judgment of the trustees of the university, just cause exists indicating the lowest bid should be rejected, then the contract may be awarded to the next lowest bidder.

IV. REJECTION OF ALL BIDS. The board of trustees of the university has the right to reject any and all bids and, if the lowest bid is in excess of the appropriation, the board has the right to negotiate with the low bidder or with the 3 lowest bidders for a contract for the construction upon terms considered most advantageous to the university. If only one bid is received, the board of trustees may negotiate a contract for the construction on terms considered most advantageous to the university and to the state. Any authorization contained in this act which is at variance with the requirements of applicable federal law and regulations shall be controlled by the terms of the federal law and regulations.

12 Appropriation Extended. The appropriation made to the New Hampshire water resources board by 1971, 559:1,X; 1973, 417:2; 1974, 38:1, XII, and 1974, 38:13 for the specified capital expenditures shall be available for expenditure until June 30, 1978.

HB 690, revising RSA 483-A relative to dredge and fill providing greater local participation in the decision-making, allowing towns and cities to designate prime wetlands, sets forth a filing fee, repealing RSA 431 relative to swamplands; and modifying the composition of the wetlands board. Ought to Pass with Amendment. Rep. Tucker for Appropriations. Changes the fees for permits. Guarantees a local input on each permit. Identifies the Wetlands Board.

Amendment

Amend RSA 483-A:1-c as inserted by section 3 of the bill by striking out said section and inserting in place thereof the following:

483-A:1-c Application Fee. Each notice of application submitted to the wetlands board pursuant to this chapter shall be accompanied by an application fee of \$20. The fee shall be payable to the wetlands board. Income produced by such fees shall be utilized to meet operating expenses, and shall be a credit to offset a portion of the operating budget appropriation for the wetlands board.

Amend section 7 of the bill by striking out said section and inserting in place thereof the following:

7 Rehearings and Appeals. Amend RSA 483-A:4 (supp) as inserted by 1967, 215:1

as amended by striking out same and inserting in place thereof the following:
483-A:4 Rehearings and Appeals;
Damages.

I. Any party to or participating in the action or proceedings before the board excepting the conservation commission may apply for a rehearing and may appeal to the superior court for the county where the land in question is located, under the same procedure as is provided for appeals in RSA 31:74-87, inclusive. Each appeal shall contain a careful description of the land involved in the board's decision. Service of the appeal shall be made on any member of the board and the superior court shall have the same jurisdiction to dispose of such appeals as is provided in the above cited sections governing appeals.

II. If, upon appeal of the landowner, the superior court determines that the decision appealed from so exceeds the bounds of the police power as to constitute the equivalent of a taking without compensation and that the land as so regulated meets the public purpose standards of this chapter, and if such ruling is affirmed on appeal or becomes the law of the trial by failure of the state to appeal, the superior court shall then proceed to the assessment of the landowner's damages. Unless the board, at this state, consents to the reversal or modification of its decision by the superior court, that court shall first determine all questions of land title, after notice to all persons interested in the land including notice by publication to any unknown owners, and then shall assess the damages of the landowner or landowners, proceedings as provided in RSA 482:25-28, inclusive, and RSA 481:10, II and III, and may enter judgment against the state accordingly. The interest acquired by the state by virtue of such proceedings shall be a perpetual negative easement that the privately-owned land or interest therein described in the proceedings shall not thereafter be excavated, removed, filled, dredged, canalized or ditched, subject to any such reasonable reservations to the landowner, as the board may have stipulated to, prior to the assessment of damages. The state may, in the alternative, purchase the land or interest therein in fee simple, or other acceptable title, or subject to acceptable reservations and exceptions, by agreement with the landowner. To satisfy any judgment or purchase agreement hereunder, the governor and council, in their discretion, may draw their warrant on the marine fisheries fund, the fish and game fund, any other available appropriation therefor, or on any money in the treasury not otherwise appropriated, or any combination thereof, as they may determine to be just and reasonable, or, in the alternative, they may certify a judgment to the next session of the general court for the passage of an appropriation of money sufficient to satisfy the same. The board may, in the name of the state, accept gifts of land or

interests therein for the purposes of this chapter.

III. The use of the marine fisheries fund or the fish and game fund, under paragraph II, shall require a finding that the expenditure will be of substantial benefit to marine fisheries or to fish and wildlife, as the case may be, and the governor and council shall request the prior opinion of the fish and game commission in each such case.

IV. In the event a permit is granted with respect to any activity proposed to be undertaken in or adjacent to a prime wetland as mapped, designated and filed pursuant to RSA 483-A:7, any resident of the municipality within which such wetland lies, in whole or in part, may appeal said decision to the superior court, in the manner set forth in paragraph I. The filing of a motion for re-hearing with the board pursuant to RSA 31:74 shall automatically stay the effectiveness of its decision. Upon hearing by the superior court, the burden of proof shall lie with the person appealing.

Amend RSA 483-A:4-a as inserted by section 8 of the bill by inserting after paragraph VI the following new paragraph:

VII. Notwithstanding any other provisions of this section to the contrary, the board shall not issue a permit until a recommendation approving the project is received from the selectmen of a town or the council or aldermen of a city, as appropriate.

Amend RSA 483-A:8, II as inserted by section 10 of the bill by striking out said paragraph and inserting in place thereof the following:

II. The wetlands board shall be composed of 5 members of the public appointed by the governor and council, who shall serve for a term of 3 years and until a successor is chosen; one member from the New Hampshire association of conservation commissions appointed by the association for a 3 year term; and the following officials, or persons serving under them and so indicated as permanent designees: director of fish and game, fish and game marine biologist, fish and game fisheries biologist, director of safety services, 4 members of the water resources board including the chairman of the water resources board who shall also be the chairman of the wetland board, executive director of the water supply and pollution control commission, chief aquatic biologist of water supply and pollution control commission, director of comprehensive planning and commissioner of resources and economic development. The board shall elect each year from its own members a vice chairman.

Reps. Claflin, Schreiber, Taylor and Campbell spoke against the amendment.

Reps. Allen Wilson, Palmer and LaMott spoke in favor of the amendment.

A roll call was requested.
Sufficiently seconded.

HB 469, increasing the minimum age for purchase, sale and consumption of alcoholic beverages to 19 years. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill was very difficult to pass judgment on. A look at revenues of the New Hampshire Liquor Commission revealed that between the years of 1968-1975 the increase in beer tax has been an average of 6.75%. In 1974, the first year that the age of majority was 18, the state realized an 11% increase in net profits from the beer tax on a \$316,726 increase. The Committee did not attempt to determine the amount of increased revenue that resulted from lowering the age of majority but the facts indicate that some portion of the increase in revenue is the result of bringing the 18-21 age group into the market. Testimony was given that increasing the drinking age to 19 would have no impact on our state revenues. The Committee felt that this statement was contrary to the facts.

Therefore, the Committee amended HB 469 to address the problem that apparently has arisen in our public schools. The Committee amendment states that it shall be unlawful to possess, consume or be under the influence of an intoxicating beverage on public school property. The amendment does provide, though, that the provisions of this act may be suspended by the school board for a special event on school property.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to possession or consumption of intoxicating beverages and being under the influence of intoxicating beverages on public school property.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Intoxicating Beverages Prohibited at Public Schools. Amend RSA 571-C by inserting after section 2 the following new section:

571-C:3 Intoxicating Beverages on Public School Property.

I. It shall be a misdemeanor for any person to have in his possession or consume any intoxicating beverage on any public school property. It shall also be a misdemeanor for any person to be under the influence of intoxicating beverages on public school property whether or not the intoxicating beverage was consumed on said school property. Public school property shall include the buildings and property included in any public primary, junior high school or secondary or high school. Public school property shall not include the property and buildings of private schools nor shall it include the property and buildings of any post-secondary school of any type including, but not restricted to, any college, university, vocational-technical institute or college, or any post-college educational institution.

II. Notwithstanding the provisions of paragraph I of this section, a local school board may allow the possession and consumption of alcoholic beverages for a special event held on public school property.

2 Effective Date. This act shall take effect 60 days after its passage.

The Speaker declared a quorum present.

SULLIVAN: Barrus, Ingram, Lewko, Scott and George Wiggins, and HB 502 was ordered to third reading.

HB 536, relating to the business profits tax rate, deductions and method of distribution. Ought to Pass with Amendment. Rep. Tucker for Appropriations. This bill as amended would provide approximately 9.25 million dollars to the General Fund.

Amendment

Amend the bill by striking out sections 3 and 4 and renumbering the original section 5 to read as
3.

Amendment adopted.

Rep. James J. White offered an amendment.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Rate of Tax. Amend RSA 77-A:2 (supp) as amended by striking out in line one the word "seven" and inserting in place thereof the following (9) so that said section as amended shall read as follows:

77-A:2 Imposition of Tax. A tax is imposed at the rate of 9 percent upon the taxable business profits of every business organization.

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Allocation of Increase in Revenue. Amend RSA 77-A by inserting after section 19 the following new section:

77-A:20 Allocation of Increase in Revenue. The commissioner of revenue administration shall determine the additional amounts of revenue produced by an increase of one percent in the rate of tax imposed by RSA 77-A:2 for each fiscal

year, and shall certify such amounts to the state treasurer by October 1 of that year for distribution pursuant to RSA 31-A:4. Any other additional increase in revenue shall be allocated to the general fund.

The Assistant clerk read the amendment.

Rep. White spoke to his amendment.

Reps. Clark, Marsh, George Wiggins and Oleson spoke against the amendment.

Reps. Quimby, Lyons and Wallin spoke in favor of the amendment.

(Rep. Marshall French in the Chair)

Rep. Roberts spoke against the amendment.

Question being on the floor amendment.

A roll call was requested.

Sufficiently seconded.

SUPREME COURT OPINION ON HB 567

To the House of Representatives:
The undersigned justices of the supreme court return the following reply to the questions contained in your resolution filed in the supreme court on April 28, 1977.

Your questions are as follows:
"I. Does House Bill 567, as drafted, conflict with Part I, Article 36 of the New Hampshire Constitution?

"II. Does the proposed amendment to House Bill 567 conflict with Part I, Article 36 of the New Hampshire Constitution?

"III. If the answer to question number two is 'yes', how does the proposed amendment to House Bill 567 differ from RSA 490:2, II and III, and from RSA 491:2, II and III?"

House bill 567, entitled "An Act relative to the New Hampshire retirement system cost of living increases," provides for the amendment of RSA ch. 100-A by the addition of the following provision:

"100-A:43 Supplemental Allowances in General. Any . . . member of the New Hampshire retirement system . . . who retires after July 1, 1977 shall be entitled to receive a supplemental allowance, if and when enacted by the legislature, for each month of the biennium. . . .

"This act shall take effect 60 days after its passage."
The amendment to House bill 567 would strike out "all after the enacting clause and (insert) in place thereof":

"100-A:13-a Additional Annuities. As additional compensation for services rendered and to be rendered after July 1, 1977, any (member) of the New Hampshire retirement system . . . who retires after August 1, 1977 shall be entitled to receive an annuity increase if and when enacted by the legislature. . . .

"This Act shall take effect on July 1, 1977."

The constitutionality of these alternative provisions is put into question by part I, article 36, of the New Hampshire Constitution providing:

"Economy being a most essential virtue in all states, especially in a young one, no pension shall be granted but in consideration of actual services; and such pensions ought to be granted with great caution, by the legislature, and never for more than one year at a time."

This court has previously construed article 36 of the New Hampshire Constitution in Opinion of the Justices, 78 N.H. 617, 100 A. 49 (1917), 88 N.H. 511, 192 A. 494 (1937), and 102 N.H. 75, 150 A.2d 816 (1959), among other advisory opinions.

The Constitution of 1784 was adopted following the turbulent revolutionary period at a time when certain particular abuses of various royal agents (and the Committee of Safety) must have been much in mind, as was evidenced by the practice of awarding "boons, bounties and favors." The proposed supplemental and annuity increases to retirees are not within the contemplation of the former "boons, bounties and favors."

Accordingly questions 1 and 2 are answered "No", and it is unnecessary to answer your third question.

COMMITTEE REPORTS

(Consent Calendar)

Rep. Marshall French moved that the House adopt the committee recommendation of Inexpedient to Legislate on SBs 309, 356, 126, 106, 158 and 233, and further moved that the House adopt the committee recommendation of Ought to Pass on SBs 325, 248, 255, 141, 196, 324, 103 and 290, and further moved that the House adopt the committee recommendation of Ought to Pass with Amendment on SBs 217 and 289, and further moved that the House adopt the committee recommendation of Refer to Interim Study committees by the appropriate standing committees on SBs 146, 262, 286, 256 and 257.

SB 158 was withdrawn from the Consent Calendar at the request of Rep. Chambers.

SB 217 was withdrawn from the Consent Calendar at the request of Rep. Krasker.

SB 106 was withdrawn from the Consent Calendar at the request of Rep. Voll.

SB 309 was withdrawn from the Consent Calendar at the request of Rep. Blakeney. Adopted.

SB 356, relative to the scope of the hearings conducted by the appeals board of the health and welfare advisory commission. Inexpedient to Legislate. Rep. Copenhaver for Health and Welfare.

This bill would clarify that the fair hearing process is meant for the applicants and recipients of social services and not those providers of services to recipients. The Committee

felt that the problem of providers appealing complaints was not compelling at this time. The Committee felt that the evidence was insufficient to constitute a change at this time. The vote in Committee was 11-0.

SB 126, relative to police officer's attendance at public functions. Inexpedient to Legislate. Rep. Bodi for Judiciary.

Under present law the mayor of a city or the selectmen of a town have the responsibility to detail one or more police officers to attend public functions. SB 126 would place this decision with the chief of police, superintendent of police or city marshal of any city or town. The Committee felt that this responsibility should remain within the purview of elected officials.

SB 233, relative to legal guardianship of the developmentally disabled. Inexpedient to Legislate. Rep. Cotton for State Institutions.

The Department of Mental Health spoke in strong opposition due to the serious questions raised by SB 233's possible unconstitutionality. These problems are better addressed in SB 363, HB 779 and HB 609. The Committee vote was unanimous.

SB 325, amending the charter of the union school district of Keene to provide that a candidate for school district office shall file his declaration of candidacy no earlier than 45 days and no later than the fifth Monday next preceding the district election. Ought to Pass. Rep. Moore for Education.

This bill allows more time to prepare ballots for school election and would allow for absentee ballots in the City of Keene. Referendum required. Committee vote was 15-1.

SB 248, relative to the taking of alewives and river herring. Ought to Pass. Rep. Wolfson for Fish and Game. This bill removes nets or weirs in taking of alewives between April 15 and May 15.

SB 255, relative to female lobsters. Ought to Pass. Rep. Randall for Fish and Game.

This bill eliminates marking on female lobsters. Committee vote was 17-0.

SB 141, prohibiting the use of minors in pornographic acts, pictures, displays and the sale or custody of any such material in the state. Ought to Pass. Rep. Bodi for Judiciary.

This bill prohibits the use of minors in pornographic acts, pictures, displays and the sale or custody of any such material in the state. Unanimous vote of the Committee.

SB 196, repealing the requirement that prescription drugs be kept in their original container. Ought to Pass. Rep. Daniel Eaton for Judiciary.

This bill repeals the present requirements that controlled drugs prescribed to an individual be kept in the original container in which they were delivered.

SB 324, requiring an annual financial statement from a person, association or corporation conducting horse or dog races or meets. Ought to Pass. Rep. Sanborn for Regulated Revenues.

Present procedure now roughly follows the provisions outlined in this bill as attested to by Racing Commission officials. The bill officially reestablishes existing policy. Vote was 14-0.

SB 103, specifying certain items for the state prison in the 1975 capital budget. Ought to Pass. Rep. Granger for State Institutions.

Bill just changes type of printing equipment to be purchased. No additional money to be spent. Committee vote was 10-0. Referred to Appropriations.

SB 290, relative to the state library acting in an advisory capacity to state institutional libraries. Ought to Pass. Rep. Aeschliman for State Institutions. This bill specifies in the law that the State Library has the responsibility to provide advisory services to the State Institutions. The Library has already been providing these services through federal funds; no new programs will be instituted. Committee vote was unanimous.

SB 289, relative to the issuance of licenses to operators of golf, indoor tennis, racquet and curling clubs. Ought to Pass with Amendment. Rep. Sanborn for Regulated Revenues.

This bill eliminates the necessity of incorporating and strikes out the one year clause to obtain a license. The vote was 14-1.

Amendment

Amend RSA 178:8, I as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

I. An operator, or his designee, of a golf club, which club shall have at least a 9-hole golf links.

Referred to Appropriations.

SB 146, relative to the posting of a bond or certification of assets by every manufacturer of mobile homes to insure warranties. Refer to the Committee on Commerce and Consumer Affairs for Interim Study. Rep. Lamy for Commerce and Consumer Affairs.

The Committee felt this bill should be studied further as it was not sure what bond requirements were needed.

SB 262, creating a New Hampshire athletic trainers board. Refer to the Committee on Executive Departments and Administration for Interim Study. Rep. Close for Executive Departments and Administration.

This bill creates a New Hampshire athletic trainers board for the licensing of athletic trainers who would meet certain requirements. The Committee feels that the Executive Departments and Administration Committee and the special Committee on Licensing established by House Resolution No. 24 should study this bill. Unanimous vote.

SB 286, revising the pharmacy laws. Refer to the Committee on Executive Departments and Administration for Interim Study. Rep. Close for Executive Departments and Administration.

This bill would revise the New Hampshire pharmacy laws, as well as designating the Pharmacy Commission as the regulatory body of the profession. As there is no emergency with respect to the need to institute the proposed changes, the Committee feels the bill should be referred to interim study in order to give greater attention and study to the substantial changes the bill would make in the New Hampshire pharmacy laws. Unanimous vote.

SB 256, relative to the reporting of lobster catch. Refer to the Committee on Fish and Game for Interim Study. Rep. Felch for Fish and Game.

Sections of this bill need further study. Committee vote was 15-1.

SB 257, relative to commercial salt water fishing. Refer to the Committee on Fish and Game for Interim Study. Rep. Stimmell for Fish and Game.

The vote was 14-0. The Committee had no time to study this bill and felt it should go to interim study along with SB 256 which was also sent to interim study on May 25, 1977.

COMMITTEE REPORTS

(Regular Calendar)

SB 4, establishing a board of claims for the state and making an appropriation therefor. Ought to Pass with Amendment. Rep. Parr for Claims, Military and Veterans Affairs.

The intent of the bill is commendable, to provide a means for claims against the State to be considered without waiting for a legislative session, and to preclude sponsoring of legislation for claims of small dollar value, thus saving bill processing costs and legislative time.

The bill provides for appointment of a five person "board of claims", two by the Governor, one (the chairman) by the Chief Justice of the New Hampshire Supreme Court and one each by the President of the Senate and the Speaker of the House. The "board" would convene in each calendar quarter to consider claims against the State; the non-legislative members to receive \$65.00 and reasonable expenses for only one day in each quarter, regardless of the number of days required to process claims, the legislative members to receive only legislative mileage. The "board" shall have final authority to approve claims up to \$10,000, and forward such claims to the Governor for payment; amounts in excess of \$10,000 would be referred to the Fiscal Committee for introduction of legislation in the next regular or special session. The bill includes, among other sections, a step-by-step procedure for filing of claims, processing claims, monetary limits on claims, claimants rights against others, settlement of claims and method of payment for "board" operations. This legislation has been long overdue!

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Statement of Purpose. To provide a forum where certain claims a citizen may have against the state may be heard expeditiously and fairly, the general court by this act establishes a professional fact finding board to receive, investigate and determine whether claims should be compensated and recommend the amount of compensation with the authority to authorize the payment of certain claims not exceeding \$10,000.

2 Board Established. Amend RSA by inserting after chapter 541-A the following new chapter:

CHAPTER 541-B

Board of Claims

541-B:1 Definitions. In this chapter:

I. "Agency" means all departments, boards, offices, commissions, institutions and other instrumentalities of state government, including any official or employee of same when acting in the scope of his elected or appointed capacity, but excluding political subdivisions of the state.

II. "Board of Claims" means any person who files a claim pursuant to this chapter.

III. "Claimant" means any person who files a claim pursuant to this chapter.

IV. "Committee" means the fiscal committee of the general court established by RSA 14:30-a.

V. "Person" means any individual, partnership, association, corporation or political subdivision.

VI. "Political subdivision" means any village district, school district, town, city, county or unincorporated place in the state.

541-B:2 Board Established. There is hereby organized, constituted and established a 5 member board of claims for the state.

541-B:3 Appointment and Qualifications of Board Members.

1. The governor shall appoint 2 competent persons to serve as board members, preferably each shall be a member of the New Hampshire Bar Association.

11. The chief justice of the New Hampshire supreme court shall appoint the chairman of the board. The chairman shall be a judicial referee, if one is available, but if not, then the chairman shall be a member of the New Hampshire Bar Association.

III. The president of the senate shall appoint one member of the senate, and the speaker of the house of representatives shall appoint one member of the house of representatives, to serve as board members.

IV. All members shall be residents of the state and if any member ceases to be a resident of this state a vacancy is created.

541-B:4 Term.

I. Each board member except the legislative members shall serve a 6 year term, however, on the initial appointment the chairman shall be appointed for 6 years and the other 2 appointees shall be appointed to a 4 year term and a 2 year term respectively. The 2 legislative members shall serve a term which is co-terminous with their terms as legislators; provided, however, that a legislative member shall not serve as a board member for a term which exceeds 6 years.

II. (a) In the event of a vacancy on said board for any reason which is created by the 2 members appointed pursuant to RSA 541-B:3, I, the provisions of RSA 21:34-a shall apply.

(b) If the position of chairman of the board becomes vacant, the provisions of RSA 21:34-a shall apply except that the appointment shall be by the chief justice of the New Hampshire supreme court.

(c) A vacancy on the board for any reason which is created by either of the 2 legislative members appointed pursuant to RSA 541-B:3, III, shall be filled by the president of the senate or the speaker of the house of representatives, as appropriate, pursuant to RSA 541-B:3, III.

541-B:5 Disqualification of Board Member. A board member may disqualify himself relative to any matter before the board or if the board votes that any member has or may have a conflict of interest in any matter before the board, that member shall be disqualified to sit as a board member on that particular matter. In the event of any disqualification, the governor by the authority of RSA 21:34-a, the chief justice of the supreme court by the

authority of RSA 541-B:3, II, the president of the senate or the speaker of the house of representatives, as appropriate, by the authority of RSA 541-B:3, III, shall appoint an interim member to the board to serve only as to that matter. The interim member shall have the same qualifications as the disqualified member.

541-B:6 Removal. The governor may at any time remove a board member for cause, including malfeasance, misfeasance, inefficiency in office or incapacity or unfitness to perform his duties. The attorney general or chief justice of the superior court may petition for such removal, setting forth the grounds and reasons therefor. No board member shall be removed without a public hearing before the governor and council upon such petition, giving the member due notice thereof not less than 30 days before the hearing.

541-B:7 Compensation. Each non-legislative member shall not receive more than \$65 and his reasonable expenses in each quarter; the legislative board members shall be entitled to legislative mileage only. Any interim board member appointed shall be compensated in like manner while serving on the board.

541-B:8 Staff. The board shall have the authority, subject to the state personnel regulations and within the limits of the appropriation for such purposes, to employ and fix the compensation of such staff and assistants as it shall deem necessary.

541-B:9 Office. The board shall be provided with suitable office space in which its records, documents and publications shall be kept and with suitable facilities in which it may hold hearings.

541-B:10 Quorum. A full board of 5 members shall be required to constitute a quorum to conduct hearings and a majority vote of the board is required to adopt and approve any matter considered by it.

541-B:11 Jurisdiction. The board shall have exclusive jurisdiction to investigate, conduct hearings and make recommendations on all claims and authorize the payment of certain claims not exceeding \$10,000 against any agency relative to which it is alleged that on equitable principles the state in good conscience should assume and pay damages, except those claims arising under workmen's compensation, unemployment compensation, eminent domain proceedings, RSA 100-A:81, RSA 207:22-25, RSA 229-8-a, and RSA 491:8.

541-B:12 Powers and Duties of the Board.

I. The board shall have the power to adopt and amend all rules of procedure not inconsistent with the constitution or laws of the state, which reasonably may be necessary for the proper performance of its duties and the regulation of the proceedings before it.

II. The board shall not be bound by common law or statutory rules of evidence,

but may admit all testimony having a reasonable probative value. It may exclude evidence which is in the opinion of the board immaterial, irrelevant or unduly repetitious.

III. The board may subpoena witnesses and compel their attendance, and also may require the production of books, papers and documents. Any member of the board may administer oaths or affirmations to witnesses appearing before it. Any person failing or refusing to obey any subpoena or order of the board may be proceeded against in the same manner as for refusal to obey any other subpoena.

IV. The findings and recommendations of the board or any payment of a claim authorized by said board shall only be subject to a judicial appeal by the petitioner in accordance with RSA 541. The board may by unanimous action order a rehearing on any matter before it, if in its opinion there is sufficient equitable reasons on behalf of any party to the proceedings so that a rehearing should be granted; provided, however, no rehearing on any matter shall be permitted after the board has authorized a payment of a claim or submitted a recommendation and proposed bill by the committee.

V. The board shall adopt and have an official seal.

541-B:13 Procedure. The procedure for the filing and adjudication of claims is as follows:

I. The claimant shall first file the claim in writing with the agency involved.

II. When a claim has been filed with any agency, the head of the agency shall make or cause to be made a preliminary investigation and determine whether in his opinion the claim should be submitted to the board.

III. If a basis for the claim is found, the head of the agency shall refer the claim to the secretary of state who shall notify the chairman of the board and the claimant, as soon as practical but in no event in excess of 30 calendar days after the forwarding agency has completed its preliminary investigation of the claim.

IV. The secretary of state shall notify the agency and the claimant of the next scheduled quarterly meeting of the board and the pertinent information as to when the claim has been scheduled for a hearing. The claimant and agency shall have at least 10 days written notice of the date, time and place of the hearing.

V. If the head of the agency finds after a preliminary investigation pursuant to paragraph II, that there is no basis for such a claim, the head of the agency shall notify the claimant, with a copy of the no-basis letter to the secretary of state for transmittal to the board.

VI. If the head of the agency refuses or fails to refer the claim to the board within 30 days after receiving it, the claimant may submit his claim to the board directly, by submitting the claim via the secretary of state but said claimant shall be required to certify the

fact that the claim has been first submitted to the agency.

VII. When a claim has been referred to the board by the agency or submitted directly by the claimant after the agency on which the claim is made refuses or fails to act, the board shall schedule such claim for a hearing no later than the next succeeding quarterly meeting of the board, if the board has met in the current quarter or not enough time is left within said quarter to comply with the notice required pursuant to paragraph IV.

VIII. The claimant may represent himself or he may be represented by an attorney. The attorney general shall represent the agency.

IX. All hearings before the board shall be subject to the provisions of RSA 91-A.

X. The board shall report its findings, recommendations and any payment authorized on all claims referred to it to the committee.

XI. If the board finds any claim warrants a payment in excess of \$10,000, it shall cause a bill to be drafted by the office of legislative services covering its recommendations and shall submit the drafted bill to the committee at the same time it submits its recommendations.

XII. A copy of the board's findings and recommendations shall be submitted to the claimant within 10 days after the board makes its determination.

541-B:14 Recommendations to General Court.

I. When a claim in excess of \$10,000 has been submitted by the board to the committee, said committee shall not hold any further public hearings on the board's finding of facts, recommendations or proposed bill, but the fiscal committee may recommend to the general court any payment to reduce the amount of the recommended award which may be consistent with the fiscal condition of the state.

II. The claim or bill shall not be referred to any other standing or special committee of the general court.

III. The committee is authorized and required to introduce all bills submitted to it by the board into the session of the general court next following such submission whether it be a special or general session. Such a bill shall be introduced in the general court for action at any time that said body is in session notwithstanding any other house, senate or joint rule.

IV. Any member of the general court may offer an amendment relative to the amount of the appropriation requested, but under no circumstances shall the general court refuse to authorize the payment of some amount in the settlement of a board approved and recommended claim and to make an appropriation therefor.

V. No claim or bill relating to such a claim shall be considered by the general court until a recommendation has been made by the board.

VI. If the general court is petitioned by a citizen relative to a

claim pursuant to Part I, Article 32d. of the constitution of New Hampshire, that claim shall be submitted to the agency affected pursuant to the provisions of RSA 541-B:13, and such a claim shall be processed in the manner prescribed by this chapter.

VII. No bill or resolution shall be introduced for legislative action by any member of the general court relative to the payment of any claim that has been denied or rejected by the board.

541-B:15 Claims of \$10,000 or Less. Whenever the board by majority vote finds that payment of \$10,000 or less to a claimant is justified, the board shall authorize the payment thereof without submission of the claim in bill form to the general court. The governor shall draw his warrant for said payment out of any money in the treasury not otherwise appropriated and said sums are hereby appropriated.

541-B:16 Limitation on Action and Claims.

I. All claims arising out of any single incident against any agency for damages in tortious actions shall be limited to an award not to exceed \$50,000.

II. If a claim is filed against the state for time unjustly served in the state prison when a person is found to be innocent of the crime for which he was convicted and receives a full pardon by the governor and council, such a claim shall be limited to an award not to exceed \$20,000.

III. The payment of interest shall not be granted on any award authorized pursuant to this chapter.

IV. Any claim submitted pursuant to paragraph I shall be brought within 6 years of the date of the alleged personal injury or property damage or the wrongful death resulting from personal injury; provided, however, that the agency is notified by mail within 180 days of the alleged personal injury or property damage sustained by the claimant. Such notification may be made either by the claimant or an appropriate representative of same.

541-B:17 Claimants' Rights Against Others. The adjudication by the board on any claim before same shall not deprive the claimant of any other legal rights he may have against another party.

541-B:18 Settlement. Any payment made pursuant to this chapter shall be in full settlement of any liability on behalf of the agency which was subject to the claim and no further action may be instituted in any court of law for recovery of damages against that agency on any matter arising out of that particular claim.

541-B:19 Fees. The board is authorized to establish reasonable fees not to exceed any comparable fees authorized for the superior court for the filing of claims, providing copies of the proceedings, transcripts or records or other documents which may be required by the board.

3 Appropriation.

I. The board shall certify to the governor at the end of each quarter the sum of the operating expenses incurred by the board during that quarter and the governor shall draw his warrant for such sum out of any money in the treasury not otherwise appropriated. Said sum is hereby appropriated for said purposes.

II. The governor is hereby authorized to draw his warrant for the payment of such sum or sums as may be provided under the provisions of RSA 541-B:15 and the same shall be charged to funds not otherwise appropriated, except that if a claim is against a department or agency which has received a legislative appropriation, the same shall be charged to that department or agency. The comptroller shall keep a record of the sums charged against funds not otherwise appropriated as provided above, and shall report the same to the general court, together with a statement of the agency or department or function properly chargeable. The general court, shall, thereupon, by legislation, direct the transfer from the appropriate special funds of such amounts as, in its discretion, should be so transferred, for the reimbursement of the general fund.

4 Repeal. RSA 4:27-a, relative to petitions submitted to the governor for wrongful imprisonment and making an award, is hereby repealed.

5 Effective Date. This act shall take effect July 1, 1977.

Rep. LaMott spoke against the committee report.

Rep. Chandler moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Reps. Parr, Norton, Benton, Ward and Hildreth spoke against the motion.

Rep. Marsh spoke in favor of the motion.

Rep. Gemmill moved the previous question. Sufficiently seconded. Adopted.

Rep. Benton requested a roll call. Sufficiently seconded.

Amendment adopted.

Referred to Appropriations.

SB 170, relative to certain free licenses for all totally and permanently disabled veterans, if disabled while on active duty from a service connected disability. Inexpedient to Legislate. Rep. Whipple for Claims, Military and Veterans Affairs.

The Committee was unanimous that those persons who were unfortunate enough to have become permanently and totally disabled through combat action should be granted privileges and exemptions beyond those granted to persons who become permanently and totally disabled during peacetime military service. This bill, if enacted, would place both categories on the same level of privileges and exemptions. No veterans' organization appeared in support of the bill.

Resolution adopted.

SB 175, providing a penalty for purposely or knowingly covering a fire hydrant with snow or other debris. Ought to Pass with Amendment. Rep. Benton for Claims, Military and Veterans Affairs.

It is imperative that fire hydrants, whether in cities, towns, or by roadside fire reservoirs, be kept clear and available at all times; this bill provides penalties for persons who purposely or knowingly cover hydrants with snow or debris to deny access to fire hydrants. Persons employed by the state and political sub-divisions are excluded.

Amendment

Amend RSA 249:23-a as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

249:23-a Covering Fire Hydrant; Penalty. Any person who shall purposely or knowingly put or place or cause to be

put or placed any snow, ice or other debris which covers a fire hydrant so as to make it inaccessible for immediate use in the event of a fire, shall be guilty of a misdemeanor. For the purpose of this section "person" excludes agents, of the state or any political sub-division engaged in the operation of snow removal from the traveled portion of any class of highway or the adjacent sidewalk.

Amendment adopted.

Ordered to third reading.

SB 145, relative to motor vehicle repair facilities. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

A consumer bill, supported by AAA and the New Hampshire Auto Dealers' Association, this legislation requires that motor vehicle repair facilities provide written estimates, upon request, to customers in advance of services. Guarantees that repair facility shall not charge customer any amount exceeding 10% of estimate, unless prior notice and permission to proceed have been granted. Notice of customer rights must be conspicuously posted in repair facility. Willful violation of provisions constitutes an unfair or deceptive act. Ordered to third reading.

SB 227, relative to the expiration dates of licenses granted to insurance companies, agents and adjusters. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill brings the statutes into conformity with current operating procedures of the department and the data processing division. Ordered to third reading.

SB 354, relative to investment of funds of certain fiduciaries. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill authorizes any bank or trust company affiliate of a bank holding company to invest funds held by it in a fiduciary capacity in common trust funds. Ordered to third reading.

CACR 15, relating to the power of the general court. Providing that no statute may require political subdivisions to provide services unless 100 percent of the funding is provided by the state. Inexpedient to Legislate. Rep. Foley for Constitutional Revision.

While sympathizing with the sponsors of this CACR in the financial problems of the towns, the Committee feels that this might force a broad-base tax on the state. Resolution adopted.

CACR 16, relating to the date the secretary of state shall lay the votes for governor before the senate and house of

representatives. Providing that the secretary of state shall do so the first Wednesday following the first Tuesday in January. Ought to Pass with Amendment. Rep. Morrison for Constitutional Revision.

This CACR is truly a housekeeping measure introduced so that the Legislature will not have to meet on New Year's Day when the first Wednesday in January is January 1. The amendment puts this question on the ballot in 1982.

Amendment

Amend the resolution by striking out paragraphs II and III and inserting in place thereof the following:

II. Resolved, That the above amendment proposed to the Constitution be submitted to the qualified voters of the state at the regular biennial election to be held in November, 1982.

III. Resolved, That the selectmen of the several towns, cities, wards and places in the state are directed to insert in their warrants for the said 1982 election an article to the following effect: To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1977 session of the General Court shall be approved.

Amendment adopted.

242 members answering in the affirmative and 3 in the negative, CACR 16 was ordered to third reading by the necessary three-fifths.

Rep. Carswell wished to be recorded in favor of CACR 16.

CACR 17, relating to constitutional amendments at special sessions. Providing that no constitutional amendment may be proposed at any special session of the general court. Ought to Pass. Rep. Jonas for Constitutional Revision.

The Committee felt that no constitutional amendment is of sufficient emergency to require consideration during a special session, which is supposedly limited to momentous issues.

Rep. Joseph Eaton spoke to the committee report.

Rep. Spiro spoke against the committee report.

Reps. Chandler and Buckman spoke in favor of the committee report.

Rep. Coutermarsh moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass, and spoke to his motion.

Rep. Hess spoke against the motion.

Reps. Quimby and Marshall French spoke in favor of the motion.

Rep. Snell moved the previous question. Sufficiently seconded. Adopted.

Rep. George Wiggins requested a roll call. Sufficiently seconded.

Question being on the adoption of the substituted committee report.

Resolution adopted.

CACR 18, relating to the number of constitutional amendments on any one ballot and the time of their presentment to the voters. Providing that not more than 4 proposed constitutional amendments shall appear on any one ballot and said proposed amendments shall be presented only at the biennial elections. Refer to the Committee on Constitutional Revision for Interim Study. Rep. Slack for Constitutional Revision.

CACR 18 addresses itself to many serious problems concerning constitutional change. The Committee

felt that in view of these complexities that this legislation requires further study so as to determine the potential impact of such legislation. Resolution adopted.

Rep. Marshall French moved that debate be limited to twenty minutes equally divided on all remaining bills. Adopted.

CACR 19, relating to recall of elected officers. Providing that any elective officer, except judicial officers shall be subject to recall by the voters. Inexpedient to Legislate. Rep. Hess for Constitutional Revision.

The Committee felt that this CACR was poorly thought out and that it is unnecessary. Resolution adopted.

CACR 20, relating to qualifications of governor and councilors. Providing that the age requirement be reduced from 30 to 25. Inexpedient to Legislate. Rep. Connolly for Constitutional Revision.

Because the question of reducing the existing minimum age requirement for state office will be presented to the voters in March 1980, the Committee feels that CACR 20 is unnecessary. Resolution adopted.

CACR 21, relating to establishing a unicameral legislature for New Hampshire. Providing that the general court of New Hampshire be unicameral. Refer to the Committee on Constitutional Revision for Interim Study. Rep. Connolly for Constitutional Revision.

The Committee feels that the entire question of House/Senate relations should be studied. Although many members of the Committee disagree with the concept of a unicameral legislature, the majority feels that the Committee should suggest ways to improve our legislative functions. Adopted.

CACR 22, relating to composition of the general court. Providing that the membership of the house of representatives shall be reduced to 300. Inexpedient to Legislate. Rep. Foley for Constitutional Revision.

Sponsor wished to have the bill withdrawn. Resolution adopted.

CACR 23, relating to a citizens' referendum on any general sales or income tax. Providing that sales and income taxes may not take effect until after approval by a majority of qualified voters of the state present and voting on the subject. Inexpedient to Legislate. Rep. Hess for Constitutional Revision.

We were elected to use our best judgment regarding what is best for the state, and each of us is accountable to our constituents.

Tying our hands constitutionally could be a serious error and would lessen our flexibility in dealing with a fiscal crisis. In addition, if all taxes were subject to referendum, it is likely that government would be dissolved completely.
Resolution adopted.

CACR 25, relating to the executive council. Providing that the executive council be abolished and its powers to confirm various appointments be vested in the Senate. Inexpedient to Legislate.
Rep. Slack for Constitutional Revision.

The Committee by a vote of 7-5 recommends that CACR 25 be found inexpedient to legislate. During testimony heard by the Committee, many good points were made for and against this legislation. We, who voted in the majority, do not feel that this situation warrants the abolition of an effective function of our governmental process.

Rep. Chandler spoke in favor of the committee report.
Resolution adopted.

SB 314, permitting the assembly and voluntary participation of public school pupils in the free exercise of religion during a 5 minute period before the start of the official school day. Inexpedient to Legislate. Rep. Foley for Constitutional Revision.

The Committee felt because of the many legal and constitutional problems involved with religion and the public schools, that prayers be left completely out of the public school system.

Rep. Schwaner moved that the words, Ought to Pass, be substituted for the committee report, Inexpedient to Legislate, and spoke to her motion.

Reps. Foley, Slack, Morrison and Eugene Daniell spoke against the motion.

Rep. Ingram spoke in favor of the motion.

The body and intent of SCR 4 is found in a House joint resolution already passed by this body.
Resolution adopted.

HR 31, educating the state board of education relative to the Constitution of New Hampshire. Ought to Pass with Amendment. Rep. Catherine-Ann Day for Education.

The Committee feels that the State Board of Education, in its April 18, 1977 Resolution to refrain from applying for or accepting federal funds for educational programs, has infringed upon the constitutional prerogatives of the General Court and overstepped its legislatively granted authority, which is clearly defined in RSA 186.

In our current fiscal situation, the state can ill afford to lose \$21 million in Federal aid, and the impact upon local districts could be severe. The Committee vote was 11-1.

Amendment

Amend the resolution by striking out the seventh unnumbered paragraph following the title and inserting in place thereof the following:

WHEREAS, the state board of education is attempting to infringe upon the constitutional prerogatives of the general court; and

Amendment adopted.
Resolution adopted.

SB 102, relative to an adult tutorial program and making an appropriation therefor. Ought to Pass. Rep. Keefe for Education.

The Committee felt this bill to be a very worthy one and suggests that the necessary appropriation be included in the Department of Education budget. This will allow determination of priorities to be made within the division of instruction. The vote was 11-1.

Referred to Appropriations.

SB 186, relative to extending the authority of the postsecondary education commission. Ought to Pass with Amendment. Rep. Rep. Chandler for Education.

This bill requires the Postsecondary Education Commission to become involved in the problems of residents of New Hampshire as regards education in veterinary medicine, human medicine, optometry, dentistry, law and other postgraduate fields. The Commission is to conduct studies of the state's needs in regard to the professional services of persons trained in postgraduate fields. Two small grammatical amendments. Vote was 13-0.

Amendment

Amend RSA 188-D:9-a as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

188-D:9-a Duties Regarding Postgraduate Educational Opportunities. The commission is specifically authorized and directed to prepare plans for the provision of educational opportunities for residents of the state in the postgraduate fields including, but not limited to, the following: veterinary medicine, human medicine, optometry, dentistry and law. The commission is further authorized, as may be directed by the governor and the legislative fiscal committee, to enter into contracts with institutions of higher education in other states for the provision of educational opportunities in such postgraduate fields as may be deemed essential and necessary to the state under the declaration of purpose of this chapter. Any such contracts are subject to the approval of the governor and council. In exercising its authority hereunder, the commission is specifically authorized to conduct studies of the needs of the state with respect to professional services of persons trained in any such postgraduate fields. Notwithstanding any other provision of law, the comptroller is authorized to make such disbursements as may be necessary hereunder from the general funds of the state.

Amendment adopted.
Referred to Appropriations.

SB 111, to conform the state statutes and regulations to the requirements of the federal insecticide, fungicide and rodenticide act. Ought to Pass with Amendment. Rep. Rogers for Education.

Bill brings state statutes into conformance with federal statutes.

Amendment

Amend RSA 149-D:9, III, as inserted by section 4 of the bill, by striking out same and inserting in place thereof the following:

III. Such categories of commercial applicators, other than commercial applicators for hire, as the board by regulation excludes solely for the purpose of applying pesticides other than restricted pesticides, in such a manner and location as not to constitute a threat to public health or the environment, and

as determined to be necessary for the efficient administration of this chapter.

Amendment adopted.

Ordered to third reading.

SB 122, prohibiting the manufacture, transportation, possession, or use of virulent hog cholera virus and redefining the word garbage in RSA 144 relative to the feeding of garbage to swine. Ought to Pass with Amendment. Rep. Rogers for Education.

Bill eliminates the need to cook non-animal waste and forbids possession or use of virulent hog cholera virus.

Amendment

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Ordered to third reading.

SB 206, relative to the salary of an unclassified employee as it relates to the salary of a subordinate classified or unclassified employee. Ought to Pass. Rep. Close for Executive Departments and Administration.

This bill permits the Governor and Council to increase the maximum salary of a superior who is an unclassified employee if his maximum salary is less than a subordinate classified or unclassified employee. Unanimous vote. Referred to Appropriations.

SB 234, allowing a member of the retirement system on insurance disability to continue to pay into the retirement system. Ought to Pass. Rep. Close for Executive Departments and Administration.

This bill allows a school district member of the Retirement System to continue to make normal payments and maintain membership in the Retirement System while he is absent without salary due to a disability. Unanimous vote.

Referred to Appropriations.

SB 251, relative to the housing finance agency. Ought to Pass with Amendment. Rep. Close for Executive Departments and Administration.

This bill separates the Housing Finance Agency personnel from those of the Housing Commission (presently one and the same). The agency henceforth would be authorized to secure a comprehensive performance bond. The general obligations limit would be increased to \$300,000,000.

The amendment deletes the section referring to makeup of the Housing Commission and it provides for a conflict of interest clause eliminating dual position holding. Unanimous vote.

Amendment

Amend RSA 204-B:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

204-B:3 Organization of Agency. The powers of the agency shall be in 5 members to be appointed by the governor with the advice and consent of the council. The members who are initially appointed shall be designated to serve terms of one, 2, 3, 4 and 5 years, respectively, from the date of their appointment, but thereafter members shall be appointed as aforesaid for a term of 5 years except that all vacancies shall be filled for the unexpired term. A member shall hold office until his successor has been appointed and qualified. No person who is a member of the New Hampshire housing commission may serve on the agency. One member of the agency shall be a person having experience in the construction of residential real estate; one member shall be a person having experience in residential mortgage banking; and at least one member shall be a person representing the general public who is neither a banker nor real estate broker nor builder. The members shall elect annually from among their number a chairman and vice-chairman, and such other officers as they may determine. The chairman of the agency on June 30, 1977, shall be a member of the finance agency for a term of 5 years and shall no longer be a member of the housing commission. Meetings shall be held at the call of the chairman, executive director or whenever 3 members so request. Three members of the agency shall constitute a quorum, and the affirmative vote of 3 members shall be necessary for any action taken by the agency. No member of the agency shall serve on any other state board, commission, or in any other state agency during his or her term of office as a member of the housing finance agency. No vacancy in the membership of the agency shall impair the right of a quorum to exercise all the rights and perform all the duties of the agency. Members shall receive no salary for the performance of their duties hereunder, but each member shall be reimbursed for his reasonable expenses incurred in carrying out his duties under this chapter.

Amend the bill by striking out section 4 and renumbering section 5 to read as 4

Amendment adopted.

Referred to Appropriations.

SB 185, relative to penalties for violation of fish and game offenses and repealing the taking of trout less than 6 inches in length. Ought to Pass with Amendment. Rep. Stimmell for Fish and Game.

This bill removes the six inch trout limit. Vote was 10-7.

Amendment

Amend section 3 of the bill by striking out same and inserting in place thereof the following:

3 Exceptions to Limit of Size of Trout. The provisions of this act shall have no effect on the size of trout to be taken from the islands of Martha's Vineyard and Nantucket if said islands are annexed to the state of New Hampshire.

4 Effective Date. This act shall take effect June 12, 1977.

Rep. Huggins moved that the words, Inexpedient to Legislate be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Reps. Stimmell, Griffin and Dickinson spoke against the motion.

Rep. Oleson spoke in favor of the motion.

Motion lost.

Amendment adopted.

Ordered to third reading.

SB 310, which changes certain laws which refer to game animals, game birds, fur-bearers and fish to the general category of wildlife. Ought to Pass with Amendment. Rep. Felch for Fish and Game.

This bill clarifies categories of game birds and game animals. Vote was 14-0.

Amendment

Amend RSA 207:1, X as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

X. Game animals: moose, caribou, elk, deer, wild rabbit, hare, bobcat and gray squirrel.

Amend section 12 of the bill by striking out same and inserting in place thereof the following:

12 Exceptions for Taking Certain Birds. Amend RSA 209:8-a as inserted by 1959, 72:2 by striking out said section and inserting in place thereof the following:

209:8-a --Exceptions. A depredation permit is required before any person may kill migratory birds for depredation control purposes. Depredation permit applications for depredation permits shall be submitted to the director of the fish and game department and the appropriate special agent in charge, U. S. fish and wildlife service. Any person may take protected birds for educational or scientific purposes provided such person shall first obtain a written permit from the director of the fish and game for such purpose. Such permit shall be in such form as the director of fish and game shall prescribe and may be suspended or revoked by him at any time. The provisions of RSA 214:30 to 33 inclusive, shall apply to the permits granted under the provisions of this section.

13 Damage by Bird or Animal. Amend RSA 207:26 by striking out said section

and inserting in place thereof the following:

270:26 Killing by Land Owner of Bird or Animal Inflicting Damage. A person may pursue, wound or kill, on land owned or occupied by him, any wild bird or wild animal which he finds in the act of doing actual and substantial damage to poultry or his property, and he may authorize a member of his family or a person employed by him to do so under the provision of written authority or direction from the director.

14 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Ordered to third reading.

SB 71, providing for state assistance to persons suffering from hemophilia and making an appropriation therefor. Ought to Pass. Rep. Eugene Daniell for Health and Welfare.

This bill extends financial assistance to eligible persons suffering from hemophilia in obtaining blood, blood derivatives and concentrates and other efficacious agents (to hemophilia patients) for use in hospitals, medical and dental facilities and at home. Although there are only 45 known cases in the state at this time, treatment is a long tedious process and is very expensive. Such assistance is in, or would be in addition, to any other insurance or funding an afflicted person may have. The Committee vote was 10-0. Referred to Appropriations.

SB 140, relative to the liability of landowners. Ought to Pass. Rep. Lewko for Judiciary.

This bill extends the circumstances under which the duty of care of a landowner, lessee or occupant of premises is regulated by RSA 212:34 by adding the removal of fuel wood to list of specified activities. Ordered to third reading.

SB 159, to implement a special state referendum with respect to state revenue sources and government costs and making an appropriation therefor. Inexpedient to Legislate. Rep. Martin for Legislative Administration.

The format of the referendum precludes any valid insight into the opinions of the citizens of New Hampshire. Furthermore, there is no way that the electorate could become informed about the various issues in time for the response to be useful in the legislative budgetary process. The committee also felt that using this type of opinion poll would be an abrogation of our responsibilities as legislators.

Rep. Aldrich moved that the words, Refer to the Committee on Legislative Administration for Interim Study, be

substituted for the committee report, Inexpedient to Legislate, and spoke to his motion.

Reps. Lyons and James J. White spoke against the motion.

Motion lost.

Resolution adopted.

SB 228, relative to indicating legislative intent in all statutes enacted by the general court. Inexpedient to Legislate. Rep. Martin for Legislative Administration.

The committee agrees with the intent of this bill, but voted it inexpedient to legislate because it does not offer a viable means of implementation. Resolution adopted.

SB 328, restructuring the office of legislative services and creating an office of revisor of the statutes. Majority: Inexpedient to Legislate. Rep. Roderick O'Connor. Minority (Reps. Benton and Parr): Refer to the Committee on Legislative Administration for Interim Study.

Majority: This legislation would require additional help without additional funding. It also reapportions the Legislator Orientation Committee. Duplication of bills would be more common with separate legislative services. Also expertise would be divided until new staff is developed. Minority: The bill has sufficient merit for interim study.

Rep. Benton moved that the Minority report, Refer to the Committee on Legislative Administration for Interim Study, be substituted for the Majority report, Inexpedient to Legislate, and spoke to his motion.

Rep. Lyons spoke against the motion. Motion lost.

Resolution adopted.

ELECTIONS COMMITTEE REPORT

Relative to the challenge by a Donald H. MacFarlane concerning the election of Mr. Terry L. Wiggan of Keene, Cheshire County Dist. 14, and Mr. William Faucher of Hinsdale, Cheshire County, District 3, under RSA Chapter 67, Contested Elections to the Legislature.

In the November 2, 1976, general election, Mr. Terry L. Wiggan, District 14, received 407 votes in the Republican column and 565 votes in the Democratic column totaling 972 votes. The total ballots cast in Ward III in Keene numbered 1,520.

Mr. William Faucher of Hinsdale, Dist. 3, Hinsdale and Winchester, received in Hinsdale 544 votes in the Republican column and 447 votes in the Democratic column totaling 991 votes. The total ballots cast in Hinsdale numbered 1,238.

Mr. Faucher received 722 votes in Winchester. The total ballots cast in Winchester numbered 1,100. A recount of the November 2, 1976, District 3, Hinsdale-Winchester vote was performed by

the New Hampshire Secretary of State's office on Thursday, November 18, 1976, and indicated the following:

The basis for the challenge by Mr. Donald McFarlane is RSA Chapter 59:69 through 59:69b relative to the counting of ballots. Mr. McFarlane is contesting the alleged totaling of votes cast for a candidate of more than one (1) party for the same office on the same ballot. In both elections cited by Mr. McFarlane, this was clearly not the case. One person may only receive one vote per one ballot, and this principle was adhered to in both cases.

In an October 13, 1970, memorandum to then Secretary of State, Robert L. Stark, Attorney General Warren B. Rudman spoke to the very issue raised by Mr. McFarlane. The Secretary of State had made inquiry as to whether a candidate whose name appears in both the Republican and Democratic columns on a ballot is entitled to have his votes added together. In other words, does his total vote consist of the total number of Republican and Democratic ballots cast for him? The Attorney General answered in the affirmative, adding, of course, that the assumption is that the count is based on only one vote per ballot.

Mr. McFarlane is certainly correct in stating that the intent of the Election Laws, RSA 59:69 through 59:69b, was to make clear that it is a violation to total the votes cast for a candidate of more than one party for the same office on the same ballot. However, it appears through the computations of the Secretary of State's office and the evidence before the subcommittee that this was, in fact, not the case.

It is therefore this subcommittee's recommendation that the House reject the challenge in this case

Rep. E. H. Close, Chairman

Rep. Richard D. Hanson

Rep. Daniel J. Healy

Committee report adopted.

SB 112, authorizing payment to the city of Concord for use of solid waste disposal facilities by the state. Ought to Pass. Rep. Richard Hanson for Municipal and County Government.

Since the state owns 15-18% of the land in the City of Concord for which the city must supply services, the intent of this bill is to require that the state, like citizens, be required to pay its pro rata share of the costs for use of the waste disposal facilities.

Referred to Appropriations.

SB 183, relative to the establishment of village districts. Refer to the Committee on Municipal and County Government for Interim Study. Rep. Richard Hanson for Municipal and County Government.

By increasing the amount of petitioners from 10 to 25, the intent of this bill is to insure that more people are involved in the establishment of a village precinct. The Committee feels further study is needed to determine the ramifications of such a requirement.
Adopted.

SB 113, providing for a master plan for state land use in the city of Concord. Ought to Pass. Rep. Galloway for Public Works.

This bill creates a master plan that would result in orderly planning concerning the City of Concord and the State.

Referred to Appropriations.

SB 202, relative to appropriations for the rehabilitation of the memorial bridge in Portsmouth. Ought to Pass. Rep. Joseph McEachern for Public Works.

The Committee voted unanimously that this bill ought to pass. The amount is an increase of \$15,000 to be appropriated for 1977 in order to complete the repairs on Memorial Bridge in Portsmouth that are now being made.

Referred to Appropriations.

SB 322, relative to four-lane highways and rights of way. Inexpedient to Legislate. Rep. Coburn for Public Works.

The Committee unanimously agreed that this bill be inexpedient to legislate. Responsibility should remain with elected officials, rather than an appointed commission. It would also further delay construction.
Resolution adopted.

SB 155, requiring all mobile telephone service companies and radio paging service companies doing business in the state to be regulated by the public utilities commission. Inexpedient to Legislate. Rep. Taylor for Science and Technology.

This bill brings under the Public Utilities Commission mobile radio paging companies and would prohibit the granting of an operating certificate in an area where "competition or duplication" existed. The Committee felt this legislation might stifle competition in a budding new industry, and that the last thing the Public Utilities Commission needs at this point is another set of duties to administer.

Furthermore, the Public Utilities Commission already regulates paging systems if they involve telephone lines. The Federal Communications Commission regulates radio transmitter frequencies, etc.

Rep. William Boucher moved that the words, Ought to Pass, be substituted for the committee report, Inexpedient to Legislate, and spoke to his motion.

Rep. Taylor spoke against the motion. A division was requested.

36 members answering in the affirmative and 232 in the negative, the motion lost.

Resolution adopted.

Rep. Parr wished to be recorded against the motion, Ought to Pass.

SB 294, establishing minimum standards for energy conservation in public buildings. Ought to Pass with Amendment. Rep. Taylor for Science and Technology.

This bill, as amended by the Committee, starts the state in the direction of energy efficiency in state buildings. Further, it "urges" architects, engineers and building contractors to adopt energy efficient standards in the designing of all new buildings, public or private. State buildings authorized by previous legislatures are not affected as per the Committee amendment. Responsibility for promoting these standards is given to the Governor's Council on Energy, the agency requesting the legislation. Periodic reports to the Legislature are required under this bill.

Amendment

Amend RSA 155-C:2, IV as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

IV. "Model Code for Energy Conservation in New Building Construction" means sections 1, 2, 3, 5 and 6 of the document developed by BOCA, ICBO and SBCC for the National Conference of States on Building Codes and Standards and sponsored by the Energy Research and Development Administration.

Amend RSA 155-C:3 as inserted by section 1 of the bill by inserting after paragraph II the following new paragraph:

III. It shall be the responsibility of the governor's council on energy to promote the adoption and use of these standards in all new buildings, public and private, and to monitor the extent to which new buildings comply with their requirements. The council shall prepare a report of its findings by January 1, 1978 and January 1, 1979 to submit to the senate committee on energy and consumer affairs and the house committee on science and technology.

Amend RSA 155-C:5, IV as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

IV. Any state building authorized by a previous session of the legislature shall be exempt from compliance with the standards.

Rep. Taylor explained the committee report.

Rep. Leonard Smith spoke in favor of the committee report.

Rep. Stahl spoke to the committee report.

Amendment adopted.

Referred to Public Works.

SB 79, increasing the permissible amount of assets under the expanded elderly exemption law. Ought to Pass.

Rep. O'Neil for Ways and Means.

Increases the allowable assets under the elderly exemption from \$35,000 to \$50,000.

Ordered to third reading.

SB 217, prohibiting smoke bombs. Ought to Pass with Amendment. Rep. Benton for Claims, Military and Veterans Affairs. The 1975 Legislature outlawed the use and setting off of "stink bombs;" 1977 shall be known as the year in which "smoke bombs" followed stink bombs into disrepute. We wonder what diabolical device will be outlawed by the 1979 session?

Amendment

Amend RSA 644:16-b, II as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

II. With the exception of persons or groups, including law enforcement organizations, who use smoke bombs for training purposes or to protect property or lives, any person who sells, barters, lends or gives to any person a smoke bomb and any person who uses a smoke bomb in a public place shall be guilty of a violation.

Amendment adopted.

Rep. Krasker offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

prohibiting smoke bombs and limiting smoking in places of public assembly to designated areas.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Prohibiting Smoking in Public Places. Amend RSA 155 by inserting after section 41 the following new subdivision: Smoking in Places of Public Assembly 155:42 Smoking in Places of Public Assembly.

I. No person shall smoke in any museum, library, indoor theatre, classroom, concert hall, elevator, public area of a hospital, indoor sports arena and any room in a public building while a meeting open to the general public is in progress. This prohibition shall not apply to any area designated as a smoking area.

II. Any person who violates paragraph I shall be guilty of a violation unless there is no sign displayed conspicuously under RSA 155:43.

155:43 Display of No Smoking Signs. Any person having control over the premises specified in RSA 155:42, I shall conspicuously display one or more "No Smoking" signs in said premises. Any person who violates this section shall be guilty of a violation.

3 Effective Date. This act shall take effect 60 days after its passage.

The Assistant Clerk read the amendment.

Rep. Krasker spoke to her amendment.

Reps. Griffin and Blanchette spoke in favor of the amendment.

Reps. Mann and Wilfrid Boisvert spoke against the amendment.

On a voice vote the Speaker was in doubt and requested a division.

A roll call was requested. Sufficiently seconded. Adopted.

SENATE MESSAGE

REQUEST CONCURRENCE WITH AMENDMENT

HCR 8, establishing a special joint committee to review the fact-finder's report submitted to the Legislature in regard to contract negotiations between the State of New Hampshire and the State Employees Association. (Amendment printed in SJ 5/27)

Reps. Marshall French and Coutermarsh moved that the House nonconcur and that a committee of conference be established.

Adopted.

The Speaker appointed Reps. Roberts, Marshall French, Coutermarsh and Flourde.

SENATE MESSAGE CONCERNING JOINT RULES

REQUESTS CONCURRENCE WITH AMENDMENT

The Senate has voted to adopt the following amendments to the Joint Rules.

Amend the Joint Rules by striking out Joint Rule 10 and inserting in place thereof the following:

10. Final action, excluding action on enrolled bills committee reports, shall be taken by each house on all bills and joint resolutions as follows:

a. In the originating house:

1. On those referred to the Ways and Means Committee which raise or affect statutes raising revenue, no later than the 2nd Thursday in May.

2. On those containing appropriations, including the so-called Budget Bill and Capital Budget Bill, no later than the 3rd Thursday in May.

3. On all others, no later than the 1st Thursday in May.

b. In the non-originating house:

1. On the so-called Budget Bill and Capital Budget Bill no later than the 2nd Monday in June.

2. On all others, no later than the 2nd Thursday in June.

None of the above limitations shall apply to the supplemental budget bill. If any bill or joint resolution is sent to a committee of conference, further action may be taken subsequent to the above dates by the House or Senate.

Further amend the Joint Rules by striking out Joint Rules 30 and 31 and inserting in place thereof the following:

30. Both houses shall take final action including final action on all committee of conference reports, excluding final action on any bill or joint resolution referred for interim study or action on enrolled bills committee reports, on the so-called Budget Bill and Capital Budget Bill not later than the 3rd Tuesday in June, and on all others no later than the 3rd Monday in June.

a. Report of the Committees of Conference on all revenue bills and on the so-called Budget Bill and Capital Budget Bill shall be filed with the clerks of both houses no later than 3:00 p.m. on the 3rd Wednesday in June, and on all others no later than the 3rd Thursday in June.

31. All revenue bills shall be submitted to the Governor for his signature no later than the 3rd Tuesday in June, and all other bills, including the so-called Budget Bill and Capital Budget Bill, no later than the 4th Wednesday in June; and when each house adjourns on the date that all bills and joint resolutions have been submitted to the Governor for his signature, it shall adjourn to the joint call of the President of the Senate and the Speaker of the House.

Rep. Marshall French moved that the House adopt the amendment to the Joint Rules as offered by the Honorable Senate and spoke to his motion.

Rep. Coutermarsh spoke in favor of the motion.

Rep. French requested a division.

290 members having voted in the affirmative and 4 in the negative, the amendment was adopted.

HOUSE JOURNAL 41

Wednesday, 1 June 77

The House met at 1:00 p.m.

Rep. Eugene Daniell requested a quorum count.

The Speaker declared that 150 members were present.

Prayer was offered by House Chaplain, Milton L. Smith, Sr.

Thank You Lord, for the new day. Help us to use such a day wisely and well. It's not easy. Even in Your Book I recall how Cain said to his brother Abel. "Let's go out in the corn patch and converse." And when they got out there, Cain did Abel in (Genesis 4:8, paraphrase). And in response to this You said to Cain, "What have you done?" (Genesis 4:10, paraphrase). We really will be asked, in Your own good time, "What have we done?" with this glorious day - a time filled with great possibilities. O Righteous Father, Keep us intuned to the "Be" - attitudes - humility, sensitivity, discipline, intentionality, compassion, sincerity, reconciliation, courage. Safeguard us from the "seek and destroy" compulsion that "chomps at the bit" in all of us and may we dare to follow the lifestyle of that Man called Jesus who had it all-together. O God, bless us with an all-together lifestyle, pleasing in Your sight. Amen!

Rep. Sarnborn led the pledge of allegiance.

LEAVES OF ABSENCE

COMMITTEE REPORTS

(Regular Calendar)

SB 157, relative to regulation of carnival-amusement equipment by the division of safety services. Ought to Pass with Amendment. Rep. Parolise for Claims, Military and Veterans Affairs.

An excellent, long overdue piece of legislation which will provide greater safety and protection to those who enjoy riding the "Whips", "H-Bomb" and "Thunderbolts" at transient carnivals. Provides that the Director of Safety Services promulgate rules and regulations for the installation, repair, maintenance, operation and inspection of all carnival rides; also requires increased insurance coverage

from carnival operators, should there be an accident.

Amendment

Amend RSA 321-A:5, III, as inserted by section 4 of the bill by striking out same and inserting in place thereof the following:

III. Prior to obtaining any decals, an operator of carnival equipment or an amusement device shall provide to the director, on a form prescribed by him, a certificate of current liability insurance coverage, signed by an authorized agent of an insurance company providing the coverage in a minimum amount of \$300,000 per person and \$1,000,000 aggregate. No authorized agent of the insurance company providing the coverage shall sign such certificate of current liability insurance until the carnival or amusement ride to be insured has been inspected by such company and meets with the safety specifications established by the director pursuant to RSA 321-A:2.

Amend RSA 321-A:7, as inserted by section 4 of the bill by striking out same and inserting in place thereof the following:

321-A:7 Temporary Suspension. The commissioner or director may order, in writing, a temporary suspension of operation of a carnival or amusement ride if it has been determined after inspection to be hazardous or unsafe and a safety inspector may order an immediate suspension of operation of a carnival or amusement ride if his inspection reveals that such ride is hazardous or unsafe. Operation shall not resume until such conditions are corrected to the satisfaction of the director or his designee.

Amend RSA 321-A:8, as inserted by section 4 of the bill by striking out same and inserting in place thereof the following:

321-A:8 Appeals. Any person who is aggrieved by a decision of the director or his designee may petition the director for a review of said decision within 30 days. The director shall, if necessary, order a hearing to be held within 15 days of receipt of such petition. Thereafter, any person aggrieved by a decision of the director or his designee may appeal therefrom in accordance with RSA 541.

Amendment adopted.

Referred to Appropriations.

SB 54, relative to utility collection practices and termination of utility service for nonpayment of charges. Ought to Pass with Amendment. Rep. Lamy for Commerce and Consumer Affairs.

This bill prohibits utilities from attempting to collect any residential charge on past due bills on certain days and hours. The amendment changes the time from 7:00 a.m. to 8:00 a.m. until 3:00 p.m. to call for payment.

Amendment

Amend RSA 358-C:5 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

358-C:5 Utility Collections. No public gas or electrical utility, as defined in RSA 362:2, shall attempt to collect any debt arising out of a residential charge that is past due and remains unpaid before 8 a.m. and after 3 p.m. Monday through Friday. The public utilities commission may promulgate rules to carry out this section provided such rules are not more restrictive to the debtor.

Amendment adopted.

Ordered to third reading.

SB 128, to include licensed pastoral counselors in the category of services authorized under minimum mental illness coverage under major medical and non-major medical accident and health insurance. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill allows consumers to go to pastoral counselors if they choose to and collect from their health insurance.

Rep. Spaulding moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass, and spoke to her motion.

Reps. Hildreth, Crory, Morgan and Wallin spoke against the motion.

Reps. Eugene Daniell and Barrus spoke in favor of the motion.

Rep. LaBonte moved the previous question. Sufficiently seconded. Adopted.

A roll call was requested. Sufficiently seconded.

Referred to Appropriations.

SB 358, relative to the denial of an application for a credit card. Inexpedient to Legislate. Rep. Lamy for Commerce and Consumer Affairs.

This regulation is already on the books in this state and there is also a federal regulation as well. Resolution adopted.

CACR 13, relating to legislative districts. Providing that a town, ward, or place may by referendum request that the legislature divide it into two or more representative or senatorial districts. Ought to Pass with Amendment. Rep. Morrison for Constitutional Revision.

This CACR was passed by a unanimous vote of the Committee. The amendment restricts the referendum and request to representative districts.

Rep. Joseph Eaton explained the committee report.

Amendment

Amend the title of the resolution by striking out same and inserting in place thereof the following:

Relating to:

Legislative Districts. Providing That: A Town, Ward, or Place May by Referendum Request that the Legislature Divide It into Two or More Representative Districts.

Amend the resolution by striking out all after the resolving clause and inserting in place thereof the following:

I. Resolved, That Part Second of the Constitution of New Hampshire be amended by inserting after Article 11 the following new article:

(Art.) 11-A. (Division of Town, Ward or Place; Representative Districts.) Notwithstanding Articles 9 and 11, a law providing for an apportionment to form representative districts under Articles 9

and 11 of Part Second may divide a town, ward, or unincorporated place into two or more representative districts if such town, ward or place, by referendum requests such division.

II. Resolved, That the above amendment proposed to the Constitution be submitted to the qualified voters of the state at the regular biennial election to be held in November, 1978.

III. Resolved, That the selectmen of the several towns, cities, wards and places in the state are directed to insert in their warrants for the said 1978 election an article to the following effect: To take the sense of the qualified voters whether the amendments of the Constitution proposed by the 1977 session of the General Court shall be approved.

IV. Resolved, That the sense of the qualified voters shall be taken by ballot upon the following question submitted to them by the General Court:

Are you in favor of amending the constitution to provide a town, ward, or unincorporated place may be divided into two or more representative districts if requested by a referendum in such town, ward, or place?

V. Resolved, That the Secretary of State be required to print the question to be thus submitted on a separate ballot or on the same ballot that other constitutional questions proposed by the General Court are submitted. Upon the ballot containing the question shall be printed the word "Yes" with a square near it at the right hand of the question; and immediately below the word "Yes" shall be printed the word "No" with a square near it at the right hand of the question; and the voter desiring to vote upon the question shall make a cross in the square of his choice. If no cross is made in a square beside the question, the ballot shall not be counted on the question. The outside of the ballot shall be the same as the regular official ballot except that the words "Questions Relating to Constitutional Amendments proposed by the 1977 General Court" shall be added at the top of the ballot in bold type.

VI. Resolved, That if the proposed amendment is approved by the requisite number of votes, it becomes effective when its adoption is proclaimed by the Governor.

Amendment adopted.

267 members having voted in the affirmative and 16 in the negative, the committee report was adopted by the necessary three-fifths.

Ordered to third reading.

SB 120, relative to including investigators in the office of the attorney general in the definition of law enforcement employees entitled to additional salary increases. Ought to Pass. Rep. Close for Executive Departments and Administration.

This bill would allow investigators in the Attorney General's Office to be included in the definition of law enforcement employees so that they would be entitled to overtime pay for hours worked beyond a 40 hour week. Referred to Appropriations.

SB 306, authorizing the governor to enter into a contract with schools of dental medicine to guarantee openings for qualified New Hampshire students and making an appropriation therefor. Ought to Pass with Amendment. Rep. Lynch for Health and Welfare.

This bill was passed in Committee with amendment. The bill would make available to qualified New Hampshire students wishing to study dental medicine tuition loans to be repaid after graduation. It would allow the Governor to enter into a contract with a school of dental medicine to guarantee openings to a qualified New Hampshire student. Section II of Senate Bill "Resident" meaning was amended. Vote was 13-0.

Amendment

Amend RSA 200-I:1, II as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

II. "Resident" means a resident of this state prior to enrolling in the program.

Amendment adopted.

Referred to Appropriations.

SB 364, relative to training in osteopathic medicine and making an appropriation therefor. Ought to Pass with Amendment. Rep. Knight for Health and Welfare.

This bill will allow and assure eligible qualified New Hampshire residents to be admitted at an accredited school at state expense which the students will pay back after successful completion of the course of study leading to the doctor of osteopathy degree. The Committee voted 13-0 ought to pass as amended. The original bill states that the Governor would be authorized to enter into an agreement with the St. Francis College in Biddeford, Maine. The amendment states that the agreement would be with any accredited school of osteopathic.

Amendment

Amend RSA 332-E:2 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

332-E:2 Agreements Authorized. The governor may enter into an agreement on behalf of the state with any accredited school of osteopathic medicine for the purpose of providing osteopathic medical education to qualified New Hampshire residents. The contract shall provide for

the enrollment of not more than 3 students for each class year. A sum not to exceed \$8,000 shall be paid yearly for each student so enrolled. A total of not more than 3 students for each class year may be enrolled in such school.

Amend RSA 332-E:4 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

332-E:4 Enrollment. The dean of biology of the university of New Hampshire shall certify to the state comptroller before October first of each year the names of those New Hampshire students not exceeding 3 who have enrolled at approved schools of osteopathic medicine and who meet the other requirements of this chapter. The state comptroller shall pay to such schools a sum not exceeding \$8,000 times the number of certified eligible students enrolled under this chapter.

Amend RSA 332-E:1 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

332-E:1 Purpose. It is the purpose of the state of New Hampshire to assure, to the greatest extent possible, the admission of qualified New Hampshire residents to accredited schools of osteopathic medicine providing programs of instruction leading to the doctor of osteopathy degree. It is further the purpose of this legislature to provide an inducement to New Hampshire residents afforded an opportunity to be educated in osteopathic medicine to practice their osteopathic medical profession in New Hampshire at the conclusion of their formal education.

Amendment adopted.

Referred to Appropriations.

SB 139, making an appropriation for office space renovation at the John O. Morton building. Ought to Pass with Amendment. Rep. Galloway for Public Works.

It was unanimously passed that this bill should be amended to read \$160,000, inasmuch as the force account is to supply the labor and services to do the work.

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Appropriation. The sum of \$160,000 is hereby appropriated to the department of public works and highways for the purposes stated in section 1 of this act. The appropriation shall be a charge on the highway fund.

Amendment adopted.

Referred to Appropriations.

SB 366, establishing a 5 member oversight committee to recodify the election laws and making an appropriation therefor. Ought to Pass. Rep. Flanagan for Statutory Revision.

This bill establishes a five member committee to oversee the codification of the election statutes and making an appropriation of \$50,000 for that purpose. Members of the committee shall serve without compensation and are permitted to contract any individual or institution for the accomplishment of the committee's goal. The study is to be completed and submitted in bill form by November of 1978 for consideration by the 1979 session of the general court. Referred to Appropriations.

HOUSE RESOLUTION NO. 47

relative to the New Hampshire - Maine marine boundary dispute.

WHEREAS, there has been a long-standing controversy between the state of New Hampshire and the state of Maine over the location of the marine boundary dividing the respective states' ocean waters and marine lands; and

WHEREAS, the United States Supreme Court has made a ruling on the location of this boundary, ignoring a special master's findings and historical evidence, in such a manner as to be unfair to the state of New Hampshire; and

WHEREAS, this legislature maintains that the only true and just way to resolve this issue is for the legislative bodies of this state and the state of Maine to approve an interstate compact, and then submit it for approval to the United States Congress, as stated in the Constitution; and

WHEREAS, this Legislature went on record in 1973 as favoring the so-called "lights on range" boundary as stated in Chapter 580 of the 1973 laws; and

WHEREAS, it is the belief of the New Hampshire Attorney General that a new boundary could be set if both New Hampshire and Maine agree to it in an interstate compact; and

RESOLVED by the House of Representatives

That the Interstate Cooperation Committee of the House be charged with investigating the history and present status of the problem, and all related issues; and

That the Committee be given the power to negotiate an interstate compact on this problem and all related matters; and

That the Committee shall report to this House no later than October 1, 1977.

WHEREAS, in the early 1970's the residents of Rumney learned of the plans of the owner of a tract of land in Rumney to develop part of a 60 acre tract; and

WHEREAS, Quincy Bog was located in that parcel of land; and

WHEREAS, Quincy Bog provides diverse habitats that are a haven for a great variety of animals and plants, and

WHEREAS, the Rumney Ecological Systems was formed to help save Quincy Bog; and

WHEREAS, thru the efforts of the Rumney Ecological Systems and its supporters and the raised environmental consciousness of the owner-developer an agreement was reached; and

WHEREAS, thru the generosity of the owner-developer and the efforts the people of Rumney, Rumney Ecological Systems took title to the Quincy Bog for the benefit and enjoyment of all people; now, therefore, be it

RESOLVED by the House of Representatives:

That the people of Rumney are to be congratulated for the saving of Quincy Bog and all the parties are to be emulated for the commendable disposition of the issue between the developer's interest and the environmentalist's interest;

FURTHER BE IT RESOLVED that a copy of this resolution be given to the residents of Rumney, New Hampshire.

Rep. Taffe spoke in favor of the resolution.

Resolution adopted.

INTRODUCTION OF SENATE BILL

First, second reading and referral SB 370, exempting from taxation interest on certain out of state bank deposits. (Commerce and Consumer Affairs)

Two-thirds of the Joint Rules Committee having approved its introduction, Reps. Roberts, Marshall French, Lyons, Tucker, Bridges, Griffin, Aller, Martin and Arthur Perkins offered the following:

HOUSE JOINT RESOLUTION NO. 7 relative to state agency expenditures for fiscal year 1978.

WHEREAS, RSA 9:19 bars the expenditure by any state official of any public funds "in excess of the amount voted by the legislature;" and

WHEREAS, all state agencies will incur certain obligations during the final year of this fiscal biennium, payable in the succeeding fiscal year, for which no appropriation will have been made; and

WHEREAS, it is necessary and desirable to permit, by law, the continued operation of essential state functions despite the uncertainty attending the passage of the budget for the upcoming fiscal year; now, therefore, be it

RESOLVED by the Senate and House of Representatives in General Court Convened:

That, notwithstanding the provisions of RSA 9:19, every person having control of public funds appropriated by the general court is hereby authorized to continue to obligate funds during fiscal year 1978 within the following expenditure classifications for normal operating costs of a recurring character, other than the purchase of equipment, for which continuity of expenditure is essential, at the same rate as that authorized for the same purposes by the operating budget act for fiscal year 1977 until a new budget is enacted into law:

That other expenditures for state agencies and institutions, and transfers

under RSA 9:16-17-a, may be made upon the recommendation of the advisory budget control committee with the approval of the governor and council. Other expenditures for the legislative branch may be made upon the recommendation of the advisory budget control committee established by RSA 9:13-a, with the approval of the appropriate presiding officer. The expenditures authorized hereunder shall be subject to the modifications authorized by RSA 9:13-c. The governor, by and with the advice and consent of the council, is authorized to draw his warrants for the sums necessary to discharge obligations authorized hereunder out of any money in the treasury not otherwise appropriated or, in the case of special funds, out of any such special funds. Expenditures obligated by virtue of the authority conferred hereunder shall be charges upon any appropriations subsequently enacted with respect to identical purposes and periods, in the absence of any provision to the contrary in the budget for fiscal year 1978;

That there is hereby created a special joint committee to be composed of 3 members appointed by the speaker of the house and 2 members appointed by the president of the senate to review the problems arising from RSA 9:19 and to recommend to the presiding officers of the house and senate not later than June 1, 1978 such amendments to that statute, and to other statutes governing the expenditure of public funds appropriated by the legislature as it may determine necessary or desirable.

The Assistant Clerk read the resolution.

(Rep. Marshall French in the chair)

INTRODUCTION OF HOUSE BILL

First, second reading and Referral
HB 1192, establishing a tax on games of beano. (Regulated Revenues and Ways and Means)

HB 1193, reinstating Save the Mill Society as a voluntary corporation. (Judiciary)

HB 1194, concerning collecting sewer charges and filling vacancies on the board of sewer commissioners. (Municipal and County Government)

The Speaker requested a quorum count.
255 members responded.

SUSPENSION OF RULES

Reps. Marshall French and Spirou moved that the rules be so far suspended as to permit the Joint Committees on Ways and Means and Regulated Revenues to hold a public hearing on HB 1192, establishing a tax on games of beano, without required notice in the Calendar, and further moved that the rules be so far suspended as to permit the Judiciary Committee to hold a public hearing on HB 1193, reinstating Save the Mill Society as a voluntary corporation, without required notice in the Calendar.

Adopted by the necessary two-thirds.

ENROLLED BILLS AMENDMENT

HB 555, creating a state historical records advisory board and making an appropriation therefor. (Amendment printed in SJ 6/01)

The Assistant Clerk read the amendment.

This amendment brings the title of the bill into conformity with its contents, since the appropriation was amended out. Amendment adopted.

SENATE MESSAGE

The Senate refuses to accept from the House of Representatives the amendments to the following entitled bills sent up from the House of Representatives as under Rule 21 of the Senate, the amendments are not germane to the bills.

SB 217, prohibiting smoke bombs.

SB 185, relative to penalties for violation of fish and game offenses and repealing the taking of trout less than 6 inches in length.

COMMITTEE REPORTS
(Consent Calendar)

Rep. Marshall French moved that the House adopt the committee recommendation of Inexpedient to Legislate on SBs 110, 344, 235, 91, 96, 317, 198 and 199, and further moved that the House adopt the committee recommendation of Ought to Pass on SBs 163, 226, 242, 123, 164, 30, 136, 197, 70, 339, 104, 121, 148, 225, 190, 219, 330, 331, 368, 17, 135, 300, 205 and 33, and further moved that the House adopt the committee recommendation of Ought to Pass with Amendment on SBs 307, 244, 293, 50, 236, 249, 279, 334, 7, 200, 229, 348, 321, 173, 31, 101, 142, 280 and 40, and further moved that the House adopt the committee recommendation of Refer to Interim Study by the appropriate standing committees on SBs 211, 218, 151, 303, 353, 271, 272 and 278.

By request of members, the following bills were removed from the Consent Calendar.

SB 307, relative to deceased funeral directors.

SB 197, permitting a city or town to charge fees for commercial waste.

SB 151, establishing the New Hampshire crime commission.

SB 303, establishing a department of corrections merging therein the state prison, the youth development center, the department of probation, and the board and department of parole.

SB 7, establishing retirement and permanent disability benefits for district court justices.

SB 121, providing for the defense and indemnification of state officers and employees against certain claims.

SB 200, to create a state district court system for Belknap, Carroll and Grafton counties, with full time judges, clerks and other personnel as state supported courts and making an appropriation therefor.

SB 225, making probate judges full time, providing permanent disability and retirement benefits for probate judges, directing the superior court to assign probate judges as marital masters, authorizing the use of lay persons as marital masters in certain cases, and making an appropriation therefor.

SB 50, relative to restructuring the public utilities commission and making an appropriation therefor.

SB 280, relative to motor vehicle inspections.

SB 317, relative to elderly tax exemptions for residential real estate.

SB 321, establishing the office of state negotiations.

Sb 331, relative to rehearings on zoning board of adjustment's decisions.

SB 348, relative to qualifications for admission to practice law and establishing a special fund derived from bar applicant fees for the use of the supreme court.

SB 353, permitting the expenditures of certain unanticipated revenues pursuant to the municipal budget law.

SB 368, permitting a referendum in the city of Berlin.

Consent Calendar motion adopted.

COMMITTEE REPORTS
(Consent Calendar)

SB 110, relative to possession of account books and making of payments by a school district treasurer. Inexpedient to Legislate. Rep. Valley for Education.

By a vote of 12-0, the Education Committee opposed this bill on the grounds that the present system of maintaining school district account books is working well. Extensive testimony (15 witnesses) indicated that the bill will seriously disrupt current procedures throughout the state and could conceivably lead to additional costs for many communities.

SB 344, providing for the appointment of pro tempore members of the personnel commission. Inexpedient to Legislate. Rep. Donna McEachern for Executive Departments and Administration.

Committee found no real need for this bill, and several practical problems. Unanimous vote.

SB 235, establishing a study commission on child abuse and neglect and

making an appropriation therefor. Inexpedient to Legislate. Rep. Helen Wilson for Health and Welfare.

Federal law already allows the Division of Welfare to set up advisory committees and that one is in the process of being formed to study child abuse and neglect. The committee voted inexpedient to legislate 12-0.

SB 91, relative to confidentiality of legislative budget assistant working papers and access to records and documents to perform post-audit functions. Inexpedient to Legislate. Rep. Wallin for Legislative Administration.

This bill was filed, in part, to take care of a situation which once occurred and has already been taken care of. Better office security will prevent further such problems. Other portions of the bill open records which are now deemed confidential. No convincing testimony was offered to do this.

SB 96, establishing an optional procedure to make emergency expenditures under the municipal budget law. Inexpedient to Legislate. Rep. Packard for Municipal and County Government.

This bill by-passes all present procedures and gives the budget committee sole discretion over emergency expenditures without prior approval of the Department of Revenue Administration or the Board of Education, as presently required, which the Committee feels could result in many unnecessary problems.

SB 198, restricting boating on Pow Wow River in Kingston. Inexpedient to Legislate. Rep. Claflin for Resources, Recreation and Development.

Bill withdrawn at request of sponsor and overwhelming opposition at hearing.

SB 199, relative to failing to obey inspection requirements. Inexpedient to Legislate. Rep. Sing for Transportation. The problem this bill seeks to remedy is one of common sense. A provision in our Motor Vehicle Laws allows a police officer to decide whether it is the owner or the driver of a vehicle who should be ticketed when an uninspected vehicle is stopped on a public way. There have been instances when officers have not used common sense. SB 199 seeks to make only the owner of the stopped vehicle subject to ticketing. The Committee, while sympathizing with this bill's intent has seen that many times it is not the owner's fault that an uninspected vehicle is being driven.

SB 163, relative to the fee for the renewal of land surveyors' certificates of registration. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs. This bill changes the fee which is required for land surveyors.

SB 226, relative to credit life insurance and credit accident and health insurance. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill increases the maximum term of credit from 10 to 15 years.

SB 242, relative to partnerships, associations and corporations holding an insurance agent's license. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill eliminates the provision restricting certain partnership, associations or corporations from being entitled to an insurance agent's license.

SB 123, relative to the power of certain colleges to grant degrees. Ought to Pass. Rep. Chandler for Education. The bill grants several small colleges limited degree granting powers subject to continuing approval of the postsecondary education commission. Vote was 13-0.

SB 164, to amend the charter of St. Mary's-in-the-Mountains. Ought to Pass. Rep. Taffe for Education.

This bill amends the charter of St. Mary's-in-the-Mountains (the White Mountain School) by empowering the school to provide for the education of boys as well as girls and by changing the quorum requirement for all meetings of the school's trustees from three to a majority of the trustees. Committee vote was 13-0.

SB 30, enabling regional refuse disposal districts to create capital reserve funds. Ought to Pass. Rep. Rogers for Environment and Agriculture. Bill allows regional landfill districts to set up capital reserve funds for replacement of equipment and buildings necessary for efficient operation.

SB 136, relative to the change of use of land subject to the current use tax. Ought to Pass. Rep. Rogers for Environment and Agriculture.

This bill tightens some loopholes in the current use law by making the change of use tax due at the time of change rather than waiting until April 1 of the following year. Vote was 17-1.

SB 70, relative to the appointment and duties of the New Hampshire retirement system trustees. Ought to Pass. Rep. Close for Executive Departments and Administration.

This bill would remove the retirement system from the Division of the Treasury and make it a separate agency. The Assistant State Treasurer would become the executive secretary. The bill would also change the makeup of the Retirement Board by removing

the Treasurer and Comptroller and filling those vacancies by two trustees, appointed by the Governor and Council, who are not members of the Retirement System. Unanimous vote. Referred to Appropriations.

SB 339, relative to withdrawal from the New Hampshire retirement system. Ought to Pass. Rep. Close for Executive Departments and Administration.

This seems like a reasonable request. It sets up a general procedure for withdrawal from the state retirement system. Unanimous vote. Rep. Splaine abstained under Rule 16.

SB 104, relative to the stocking of fish by the fish and game department. Ought to Pass. Rep. Polak for Fish and Game.

The bill allows fish and game clubs and other interested people to assist the Fish and Game Department in stocking fish. Vote was 16-1.

SB 148, continuing the public defender system in Merrimack and Hillsborough counties for 2 years and extending the same program to Rockingham county. Ought to Pass. Rep. Martin for Judiciary.

This bill continues the public defender system in Merrimack and Hillsborough counties and extends the same program to Rockingham county. Testimony indicated that the program has worked very well to date and it will be of great benefit to Rockingham County. Vote was 12-0. Referred to Appropriations.

SB 190, relative to the registration of lobbyists. Ought to Pass. Rep. Roderick H. O'Connor for Legislative Administration.

SB 190 augments HB 427, already passed by the House, by prohibiting a lobbyist from acting as a legislative counsel until his financial statements are updated. Unanimous vote of committee.

SB 219, permitting a town on an optional fiscal year basis to hold a second session of the annual meeting. Ought to Pass. Rep. Drewniak for Municipal and County Government.

The original legislation which permitted towns to operate on an optional fiscal year neglected to provide for a second business session after the regular town meeting. This bill simply corrects the oversight giving uniform procedures to towns on both fiscal years.

SB 330, relative to protests in zoning ordinance change. Ought to Pass. Rep. Beverly Gage for Municipal and County Government.

This bill provides: 1. that in the event a protest petition relative to a zoning change is submitted by 20% of the affected landowners, then a 2/3 vote is necessary to effect the

change; and 2. that the petition be filed at least 24 hours prior to the meeting so those signatures can be checked.

SB 17, permitting nonprofit social clubs holding a liquor license to charge members and guests to cover entertainment costs. Ought to Pass. Rep. Sanborn for Regulated Revenues.

This bill permits non-profit clubs to assess a cover charge when live entertainment is employed as is now permitted by commercial cocktail lounge licensees. Vote was 14-0.

SB 135, relative to public forest lands. Ought to Pass. Rep. Claflin for Resources, Recreation and Development.

Gives Department of Resources and Development additional authority to protect forests from pests and other damaging agents. Removes requirement to deposit certain revenue in the forest improvement and recreational fund.

SB 300, relative to the registration of unauthorized dams. Ought to Pass. Rep. Claflin for Resources, Recreation and Development.

This bill requires the owner of an unauthorized dam to register it with the Water Resources Board. If the dam is on a great pond, the Water Resources Board will hold a hearing concerning the effective management of the dam.

SB 205, exempting certain motor vehicles and building equipment from public highway weight, height and width limitations. Ought to Pass. Rep. Dupont for Transportation.

Our public highway building equipment and motor vehicles that are owned, leased or rented by the state or its political subdivisions and used for winter highway maintenance, are of necessity exceeding width and load limits to serve our people. This bill exempts these vehicles from these width and weight limitations. The Committee unanimously believes this is necessary for adequate highway service.

SB 33, relative to the duties and responsibilities of the property appraisal division of the department of revenue administration. Ought to Pass. Rep. Wallin for Ways and Means.

Relieves Department of Revenue Administration from investigating assessment practices of cities and towns.

SB 244, concerning vocational - technical colleges. Ought to Pass with Amendment. Rep. Chandler for Education.

This bill changes all references in the statutes from vocational-technical institutes to vocational-technical colleges as they are now called. Amendment strikes out paragraph which has already been changed by HB 304 which has been passed by House and Senate. Vote was 14-0.

Amendment

Amend the bill by striking out section 7 and renumbering sections 8, 9, and 10 to read as
7 , 8 and 9 , respectively.

SB 293, relative to wood processing mills. Ought to Pass with Amendment. Rep. Rogers for Environment and Agriculture.

This bill streamlines the registration of mills. The location of wood-processing mills is important information to have in forest fire prevention work.

Amendment

Amend RSA 224-A:4, I inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

I. Every owner of a wood processing mill having registered his mill pursuant to RSA 224-A:3, shall annually after the initial year of registration renew his permit to operate said mill on forms provided by the department giving such pertinent information as the department may require. The department shall issue a renewal permit or identification sticker denoting registration renewal each year upon application of the owner of a duly registered mill. There shall be no fee for renewal permits. No mill may, however, be operated after the initial year of registration until such renewal permit is received.

SB 236, relative to a single retirement rate, service retirement benefits and vested rights under the New Hampshire retirement system. Ought to Pass with Amendment. Rep. James Hercheck for Executive Departments and Administration.

This bill establishes single rates of member contribution to the retirement system to be applied without regard to the age or sex of the member, and makes changes in service retirement benefits and vested rights. Committee amendment retains full credit benefits for teachers who continue to work after age of retirement eligibility and gives other group I members a 3/4 credit instead of their present 1/2 credit with the intent of narrowing this inequity.

Amendment

Amend RSA 100-A:16, I (a) as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon its employment classification at the rate determined in accordance with the following table. With respect to the rates listed in the following table for employees and teachers, the percentages are applicable to that portion of earnable compensation in excess of the maximum amount of taxable wages under the Federal Insurance Contributions Act, as from time to time in effect, with 3/4 of such employee rate and the full teacher rate being applicable to that portion of earnable compensation which is not in excess of such amount. These rates are applicable without regard to age or sex of the member:

Employees	8.55
Teachers	9.20
Permanent Policemen	9.20
Permanent Firemen	9.30

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made. Referred to Appropriations.

SB 249, relative to the definition of rule in the administrative procedures act. Ought to Pass with Amendment. Rep. Close for Executive Departments and Administration.

Bill redefines rule to insure that regulation and standard are included as equivalent words to rule. The amendment exempts the recruiting

functions of the Personnel Department and the Divisions of Purchase and Property and institutional collections of the Department of Administration and Control from the notice and hearings requirement of the Administrative Procedures Act. Unanimous vote of the Committee.

Amendment

Amend RSA 541-A:3, IV, (d) and (e) as inserted by section 3 of the bill by striking out same and inserting in place thereof the following:

(d) rules adopted by the personnel commission under RSA 98, except for provisions of RSA 98:13, X relative to the recruitment, selection and appointment of employees and except for the provisions of RSA 98:13, XV.

(e) rules adopted by the department of administration and control under RSA 8, except for provisions relative to the division of purchase and property established by RSA 8:14 and the division of institutional collections established by RSA 8:39.

SB 279, relative to group health insurance coverage for certain retired state employees. Ought to Pass with Amendment. Rep. Close for Executive Departments and Administration.

This bill will allow those in active service who are not members of the retirement system to be entitled to Blue Cross/Blue Shield coverage upon retirement, which is a change from the present law. Unanimous vote.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Group Insurance Coverage Provided. Any person who is, on the effective date of this act, actively employed on a full-time basis by the state of New Hampshire and who withdrew from or elected not to become a member of the New Hampshire retirement system, pursuant to RSA 100-A, shall, upon separation from state service, be entitled to the benefits provided by RSA 101-A and shall be subject to all applicable rules and regulations promulgated thereunder provided that such person meets the eligibility requirements of the group insurance carrier and further provided that such person would be eligible to retire under the requirements of the New Hampshire retirement system even though such person is not a member of said system.

2 Retired Employees' Benefits. Amend RSA 101-A:6 (supp) as inserted by 1963, 327:1 as amended by inserting in line 4 after the word "employee" the following (and his spouse) so that said section as amended shall read as follows:

101-A:6 Group Hospitalization, Hospital Medical Care, Surgical Care and Other Medical and Surgical Benefits. The state shall pay the full premium for each state employee and permanent temporary or

permanent seasonal employee as defined in RSA 98-A:3 including spouse and minor, fully dependent children, if any, and each retired employee and his spouse or retired employee's beneficiary, only if an option was taken at the time of retirement and the employee is not now living, toward group hospitalization, hospital medical care, surgical care and other medical benefits plan, or a group plan offering benefits as good or better than the "Blue Cross/Blue Shield Plan D", if such plan is accepted in place of the present state plan within the limits of the funds appropriated at each biennial session and providing any change in plan or vendor is approved by the fiscal committee of the general court prior to its adoption. Funds appropriated for this purpose shall not be transferred or used for any other purpose.

3 Effective Date. This act shall take effect upon its passage.

SB 334, relative to the transfer of the Manchester and Nashua policemen to the New Hampshire retirement system and making an appropriation therefor. Ought to Pass with Amendment. Rep. Close for Executive Departments and Administration.

Amendment states that the state will not be liable for any of the unfunded accrued liability caused by bringing in these police departments. Committee feels that the state should not be responsible for communities' decisions. Unanimous vote of Committee.

Amendment

Amend paragraph I, as inserted by section 1 of the bill, by striking out same and inserting in place thereof the following:

I. The board of trustees of the New Hampshire retirement system is hereby authorized to negotiate an acceptable method of payment by the city of Manchester of the cost which would result if permanent policemen of Manchester who are members of the New Hampshire policemen's retirement system are transferred to the New Hampshire retirement system group II effective December 31, 1977. Said cost shall consist of employer normal contributions from July 1, 1945 to December 31, 1977; and the unfunded accrued liability from July 1, 1945 to June 30, 1977, plus interest at 6 percent until December 31, 1977, as determined in the actuarial report of George B. Buck Consulting Actuaries, Inc., dated November 22, 1976. Upon written agreement between the board of trustees and the city of Manchester the agreement shall be submitted to the fiscal committee of the general court for its approval and to the governor and council for their approval.

Amend paragraph I, as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

1. The board of trustees of the New Hampshire retirement system is hereby authorized to negotiate an acceptable method of payment by the city of Nashua of the cost which would result if permanent policemen of Nashua who are members of the New Hampshire policemen's retirement system are transferred to the New Hampshire retirement system group II effective December 31, 1977. Said cost shall consist of employer normal contributions from July 1, 1945 to December 31, 1977; and the unfunded accrued liability from July 1, 1945 to June 30, 1977, plus interest at 6 percent until December 31, 1977, as determined in the actuarial report of George B. Buck Consulting Actuaries, Inc., dated May 20, 1977. Upon written agreement between the board of trustees and the city of Nashua the agreement shall be submitted to the fiscal committee of the general court for its approval and to the governor and council for their approval.

Amend section 3 of the bill by striking out the same and inserting in place thereof the following:

3 Appropriation; Manchester. Provided that written agreement between the board of trustees and the city of Manchester of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council by December 31, 1977 there is hereby appropriated for the purposes of section 1 of this act for fiscal year ending June 30, 1978 for the state's share of the normal contribution the sum of \$28,304 and the fiscal year ending June 30, 1979 for the state's share of the normal contribution the sum of \$59,437. The governor is authorized to draw his warrant for said sums from any money in the general fund not otherwise appropriated.

Amend section 4 of the bill by striking out same and inserting in place thereof the following:

4 Appropriation; Nashua. Provided that written agreement between the board of trustees and the city of Nashua of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council by December 31, 1977 there is hereby appropriated for the purposes of section 1 of this act for fiscal year ending June 30, 1978 for the state's share of the normal contribution the sum of \$15,428 and the fiscal year ending June 30, 1979 for the state's share of the normal contribution the sum of \$33,941. The governor is authorized to draw his warrant for said sums from any money in the general fund not otherwise appropriated.

Referred to Appropriations.

SB 229, revising the laws of corporations. Ought to Pass with Amendment. Rep. Pappas for Judiciary. This bill makes several changes in the laws relating to corporations. It eliminates the role of the Attorney

General in the filing of corporation documents. It provides for consensual meetings of stockholders, directors and incorporators and it authorizes a corporation to have fewer than three directors if there are fewer than three shareholders. The bill deletes references to "sworn affidavits" and replaces them with the phrase "signed under the penalties of perjury." The bill also deletes the requirement of filing for the issuance of stock after incorporation and provides for easier dissolution. The Committee felt that this bill brings our statutes up-to-date and that it is much needed. This bill was supported by the Secretary of State's office and the Attorney General's office. It was also supported by the New Hampshire Bar Association.

Amendment

Amend the bill by striking out section 39 and inserting in place thereof the following:

39 Reregistration; Additional Costs Imposed. Amend RSA 300:10-b (supp) as inserted by 1967, 64:2 by striking out said section and inserting in place thereof the following:

300:10-b Reregistration. If any such foreign corporation shall again wish to register to do business in this state it shall make a new application for such registration, pay all past due annual returns with filing and annual maintenance fees as provided in RSA 300:5-a and, in addition, pay the required fees for said registration.

40 Effective Date. This act shall take effect 60 days after its passage.

SB 173, establishing the New Hampshire municipal bond bank as a public body corporate and politic for the purpose of facilitating the borrowing of money by counties, cities, towns and districts and making an appropriation therefor. Ought to Pass with Amendment. Rep. Bednar for Municipal and County Government.

Municipal bond banks have been proven useful and successful in several other states. In view of New Hampshire's current fiscal situation in which state funds are being cut to cities and towns while municipal facilities and improvements require increasingly large capital outlays and federal mandates such as the federal Safe Drinking-Water Act are requiring cities and towns to comply with more and more regulations, bond banks can provide some relief.

By combining small bond issues into a larger sum under one financial agency, which can provide the expertise and overseeing respected in the market, bonds can be marketed easier and at less cost - saving up to 6% of the bond principal.

This bill would create a New Hampshire municipal bond bank to provide technical financial assistance and the advantages of bond bank marketing on a voluntary basis to any municipality or municipal subdivision which wishes to participate. The amendment simply corrects an oversight relative to bond anticipation and brings the bill into compliance with existing law.

Amendment

Amend RSA 35-A:4 as inserted by section 1 of the bill by inserting after paragraph VIII the following new paragraph:

IX. The bank and its corporate existence shall continue until terminated by law, provided, however, that no such law shall take effect so long as the bank shall have bonds, notes and other obligations outstanding, unless adequate provision has been made for the payment thereof. Upon termination of the existence of the bank, all its rights and properties shall pass to and be vested in the state. No net earnings of the bank may inure to the benefit of any person, entity or body other than the state.

Amend RSA 35-A as inserted by section 1 of the bill by striking out section 31 and renumbering the original sections 32 through 40 to read as

31 , 32 , 33 , 34 , 35 , 36 , 37 , 38 , and 39 respectively.

Referred to Appropriations.

SB 31, relative to the form and use of walking disability identification on motor vehicles. Ought to Pass with Amendment. Rep. James Murray for Transportation.

The House has already passed a bill which allows for the attachment of stickers on the plates of people with walking disabilities. SB 31 specifies exactly the kind of sticker and where it shall be placed. This is to ensure proper usage of the sticker.

Amendment

Amend RSA 260:18-a, 1 as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

1. The director shall furnish without charge for every motor vehicle owned by a person with a walking disability who furnishes satisfactory proof of such disability to said director and who has an operator's license to operate said vehicle, a decal using the international accessibility symbol. The size of the decal shall be the same size as a registration decal and shall be placed in the lower right hand corner of the number plate.

Amend RSA 249:4-a as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

Parking Privileges for Persons with Walking Disability. Any motor vehicle carrying the identification decal issued to a person with a walking disability

under RSA 260:18-a shall be allowed free parking time in any city or town for a continuous period of not more than 24 hours at one time.

SB 101, relative to allowable uses of written reports filed after an accident. Ought to Pass with Amendment. Rep. Shepard for Transportation.

The passage of this bill will bring the accident report statute of the Motor Vehicle Laws in alignment with the United States Constitution. This law forbids an accident report filed by the person involved from being used against said person in a criminal case. This guarantees a person's constitutional rights in this area.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT
relative to allowable uses of written reports filed after an accident and relative to restoration of licenses to certain drivers.

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Restoration of License. Amend RSA 262-A:69-m as inserted by 1975, 429:2 by striking out in line 2 the word "may" and inserting in place thereof the following (shall) so that said section as amended shall read as follows:

262-A:69-m Restoration of License. Notwithstanding any other provision of law to the contrary, the director of motor vehicles shall in his discretion reissue a license to a resident, or restore operating privileges to a non-resident, whose license or privilege to operate has been revoked for failure to submit to a test pursuant to the implied consent law prior to the expiration of ninety days when such person is not found guilty of a violation of RSA 262-A:62.

3 Effective Date. This act shall take effect 60 days after its passage.

SB 142, amending the definition of moped in the motor vehicle laws. Ought to pass with amendment. Rep. Tavitian for Transportation.

This bill merely clarifies some vague phrasing in the moped statute. This bill is supported by the Department of Safety.

Amendment

Amend RSA 259:1, XIII-a as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

XIII-a "Mopeds" means any two-wheeled or three-wheeled pedal vehicle with an automatic transmission and a helper motor, internal combustion or electric, which is rated at no more than 2 brake horse power, has a cylinder capacity not exceeding 50 cubic centimeters and has a maximum design

speed of less than 30 miles per hour on level ground.

SB 40, repealing certain provisions currently included on tangible property inventory blanks. Ought to Pass with Amendment. Rep. McLane for Ways and Means.

Makes four technical changes relative to annual taxation inventory blanks prepared by selectmen.

Amendment

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Repeal. RSA 74:4, IV, relative to an owner's statement of the latest assessed value of homestead residences is hereby repealed.

5 Effective Date. This act shall take effect 60 days after its passage.

SB 211, permitting certain school districts to withdraw from supervisory union 53. Refer to the Committee on Education for Interim Study. Rep. Valley for Education.

SB 211 concerns a method by which a school district might withdraw from a Supervisory Union. The subject matter is germane to that of another bill which the House sent to interim study. The Education Committee would like to study the two bills together. The vote was 12-2.

SB 218, concerning a statewide public school system performance evaluation. Refer to the Committee on Education for Interim Study. Rep. Henry B. Richardson.

On April 20th the House referred a similar bill to the Education Committee for interim study by a vote of 222 to 62. The Committee would like to study this bill along with others. Committee vote was 15-0.

SB 271, exempting certain governmental entities from the payment of motor vehicle road tolls. Refer to the Committee on Transportation for Interim Study. Rep. Erler for Transportation.

Because of the complexity of this issue the Committee feels this should be relegated to interim study.

SB 272, requiring notification of the owners of certain abandoned motor vehicles. Refer to the Committee on Transportation for Interim Study. Rep. York for Transportation.

This bill has good intentions but the Committee feels it would have to go to interim study to get adequate coverage.

SB 278, relative to exempting certain motor vehicles from motor vehicle registration fees. Refer to the Committee on Transportation for Interim Study. Rep. Erler for Transportation.

This bill, though simple on its face, has serious implications. The Committee feels it deserves much more study.

SB.307, relative to deceased funeral directors. Ought to Pass with Amendment. Rep. Lamy for Commerce and Consumer Affairs.

This bill adds that a widow or widower may continue to operate a deceased funeral director's business (if a certified person is employed) and holds a certificate of registration from the board. The amendment adds widowers after widow.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Widows or Widowers to Continue Funeral Business. Amend RSA 325:37 by inserting in line 7 after the word "determine." the following (The widow or widower of a licensed funeral director or the wife or husband of one who is incapacitated may continue to operate his or her business providing she or he employs a person who holds the required certificate or certificates, has passed such examinations as the board requires to engage in funeral directing and holds a certificate of registration from the board.) so that said section as amended shall read as follows:

325:37 Deceased Funeral Director. The board may by a special rule or by regulation permit the continuance of the business of a deceased funeral director duly registered as such by the board, under the active supervision of a person or persons holding the required certificate or certificates, for the benefit of the widow or widower and family, for the estate or for persons interested in the estate of the decedent during such a period of time and in such manner and under such conditions as the board may determine. The widow or widower of a licensed funeral director or the wife or husband of one who is incapacitated may continue to operate his or her business providing she or he employs a person who holds the required certificate or certificates, has passed such examinations as the board requires to engage in funeral directing and holds a certificate of registration from the board.

2 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Rep. Marshall French moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Rep. French withdrew his motion.
Question being on the committee report.
Ordered to third reading.

SB 197, permitting a city or town to charge fees for commercial waste. Ought to Pass. Rep. Rogers for Environment and Agriculture.

This bill adds the words "commercial waste" to the present statutes.
Rep. Felch offered an amendment.

Amendment

Amend Section 2 of the bill by striking out same and inserting in place thereof the following:

2 Effective Date. This act shall take effect upon its passage.

The Assistant clerk read the amendment.
Reps. Felch and Greene spoke in favor of the amendment.
Amendment adopted.
Ordered to third reading.

SB 50, relative to restructuring the public utilities commission and making an appropriation therefor. Ought to Pass with Amendment. Rep. Bosse for Executive Departments and Administration.

The bill, as amended, retains the Public Utilities Commission with three commissioners, establishes a code of ethics for commissioners, prohibits certain future employment, prohibits ex-parte communications with certain exceptions, requires continuing education, establishes the offices of Executive Director, General Counsel and Consumer Affairs Director, increases the salaries of the commissioners, and requires that the commissioners be full-time employees. Unanimous vote of the Committee members present, 15-0.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT
increasing the salaries of and establishing

a code of ethics for the public utilities commission, increasing the unclassified staff of said commission and making an appropriation therefor.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Commissioners to Serve Full Time.
Amend RSA 363:1 by striking out said section and inserting in place thereof the following:

363:1 Authority, Term. There shall be a public utilities commission composed of 3 commissioners who shall be full-time employees and who shall engage in no other gainful employment during their terms as members. Their term of office shall be for 6 years and until their successors are appointed and qualified.

2 Code of Ethics Established: Certain Behavior Prohibited. Amend RSA 363 by inserting after section 11 the following new subdivisions:

Code of Ethics, Prohibited Activities
363:11-a Ethical Conduct Required.
In addition to any other type of behavior or activity of a commissioner that is prescribed by this chapter, a commissioner shall conduct himself and his affairs in accordance with a code of ethics that shall include, but not be limited to, the following elements:

I. Avoidance of impropriety and the appearance of impropriety in all his activities;

II. Performance of his duties impartially and diligently;

III. Avoidance of all ex-parte communications concerning a case pending before the commission;

IV. Abstention from public comment about a matter pending and require similar abstention on the part of commission personnel;

V. Require staff and personnel, subject to authority direction, to observe the standards of fidelity and diligence that apply to the commissioners;

VI. Initiate appropriate disciplinary measures against commission personnel for unprofessional conduct;

VII. Disqualify himself from proceedings in which his impartiality might be reasonably questioned;

VIII. Inform himself about his personal and fiduciary interests and make a reasonable effort to inform himself about the personal financial interests of his spouse and children;

IX. Regulate his extra-curricular activities to minimize the risk of conflict with his official duties;

X. Refrain from solicitation of funds for any political, educational, religious, charitable or civic purpose although a commissioner may be listed as an officer, director, trustee of such organizations; and

XI. Refrain from financial or business dealings which would tend to reflect adversely on his impartiality, although he may hold investments which do not come under the purview of his regulatory responsibilities, such as a family business.

363:11-b Certain Speeches
Authorized. A commissioner may speak, write or lecture concerning the regulatory process in New Hampshire but shall be reimbursed only for actual expenses incurred therein.

363:11-c Prohibition on Future Employment. No commissioner or staff member of the commission shall accept any employment with any utility under the control of the commission until 2 years after he shall become separated from said commission.

363:11-d Prohibition on Certain Communications. All ex-parte communications with the commissioners or the staff of the commission from any other person concerning any investigation,

inquiry, complaint proceeding or rule-making proceeding are hereby prohibited; provided, however, that such prohibition shall not be deemed to prohibit written communications to the commissioners, copies of which are filed with the Executive Director and the office of the legislative utility consumers council.

363:11-e Penalty. Any person violating the provisions of RSA 363:11-a, RSA 363:11-b, RSA 363:11-c or RSA 363:11-d shall be guilty of a misdemeanor if a natural person, or a felony if any other person.

Continuing Education

363:11-f Continuing Education Required. All commissioners shall involve themselves in continuing education for a minimum number of hours annually. Such continuing education shall be in the field of public utility regulation and related matters and the minimum number of hours required shall be determined by the chairman.

3 Three New Positions Established. Amend RSA 363 by inserting after section 12 the following new subdivisions:

Executive Director

363:12-a Executive Director; Appointment, Term. There shall be an executive director of the commission appointed by the governor and council upon the recommendation of the commissioners. The executive director shall serve at the pleasure of the commissioners.

363:12-b Duties. The executive director shall, subject to the supervision of the commissioners, exercise the full administrative power of the commission. Said executive director shall work through and report directly to the chairman.

363:12-c Compensation. The executive director shall receive the annual salary prescribed by RSA 94:1-4.

General Counsel

363:12-d General Counsel; Appointment, Term. There shall be a general counsel to the commission who shall be an attorney who is a member of the New Hampshire Bar. Said counsel shall be appointed by the Commissioners and he shall serve in a full-time capacity at their pleasure.

363:12-e Duties. Said counsel shall perform legal work in connection with the commission's jurisdiction over public utilities in the state. In addition, he shall serve in an advisory capacity to the commissioners and staff of the commission; represent the commission in any prosecution of a violator of a utility regulatory statute and, when so requested, provide assistance to the attorney general in presenting appeals made from decisions of the commission to the supreme court. The counsel shall also perform such other duties as the commissioners may decide.

363:12-f Compensation. The general counsel shall receive the annual salary prescribed by RSA 94:1-4.

Consumer Affairs Director

363:12-g Consumer Affairs Director. There shall be a consumer affairs director

of the commission who shall be appointed by the commissioners to serve, in a full-time capacity for a 5 year term and until his successor is appointed and qualified.

363:12-h Duties. The consumer affairs director shall perform the functions of an ombudsman in disputes or complaints by a consumer against a regulated utility. He shall report directly to the commissioners and perform any other consumer related duties which the commissioners may assign.

363:12-i Compensation. The consumer affairs director shall receive the annual salary prescribed by RSA 94:1-4.

4 Certain Salaries Provided. Amend RSA 94:1-a (supp) as inserted by 1969, 500:12 as amended by inserting in proper alphabetical order the following:

Executive director,		
Public utilities		
commission	15,389	17,552
General counsel,		
Public utilities		
commission	17,552	22,100

5 Certain Salaries Increased. Amend RSA 94:1-a (supp) as inserted by 1969, 500:12 as amended by striking out the lines reading:

"Public utilities commission,		
chairman	17,552	19,713"
"Public utilities		
commissioners	16,831	18,992"

and inserting in proper alphabetical order the following:

(Public utilities

7 Effective Date. This act shall take effect July 1, 1977.

Amendment adopted.

Rep. Marshall French moved that the words, Refer to Interim Study Committee, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Rep. French withdrew his motion.
Rep. Cornelius spoke in favor of the committee report.

Referred to Appropriations.

SB 151, establishing the New Hampshire crime commission. Refer to the Committee on Crime and Delinquency from a commission established by the Governor's 1973 executive order to a legislatively established agency known as the New Hampshire Crime Commission. The new agency would be responsible for developing policy that would concern all facets of New Hampshire law enforcement including criminal and juvenile justice programs, as well as advising the Governor and Legislature of important matters pertaining to the prevention of crime. Also, certain titles of administrative positions were changed and responsibilities and duties broadened.

Because of the importance and complexity of the pending legislation, the Committee feels interim study is appropriate.

Adopted.

SB 303, establishing a department of corrections merging therein the state prison, the youth development center, the department of probation, and the board and department of parole. Refer to the Committee on Executive Departments and Administration for Interim Study. Rep. Close for Executive Departments and Administration.

This bill provides for a unified direction of policies, programs and personnel in corrections and authorizes positions for a commissioner of corrections and two deputies and directors of each division. There would also be established an advisory council of seven persons to consult with and advise the commissioner.

Due to the far reaching significance of consolidating major state agencies, the fact that crime commission personnel appeared before the Committee only at the last minute, and the fact that the Commission then submitted eight pages of complicated amendments, the Committee feels it should study further the implications of this important legislation.

Adopted.

SB 7, establishing retirement and permanent disability benefits for district court justices. Ought to Pass with Amendment. Rep. Currier for Judiciary.

This bill establishes retirement benefits for full time district court judges. As amended by the Committee, these judges will make contributions to the retirement fund. Other full

time judges in New Hampshire have retirement benefits.

Amendment

Amend RSA 502-A:6-a, II as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

II. As additional compensation for services rendered and to be rendered, any justice of a district court who is not permitted to engage in the practice of law under RSA 502-A:21, who retires upon becoming 70 years old after having served as a justice for at least 7 years, or who retires after becoming 65 years old after having served as a justice for at least 10 years shall receive annually during the remainder of his life an amount equal to 3/4 of the currently effective annual salary of the office from which he is retired, to be paid in the same manner as the salaries of the justices of the court are paid. Any justice who is a member of the state retirement system at the time of the adoption of this statute shall forthwith cease to be a member of that system; the accumulated contributions made by the individual and the employing unit shall be paid out of the state retirement trust fund to the employing unit and thereafter a contribution from such justice to the employing unit shall be made on a weekly basis in the same amount as had theretofore been made to the state retirement fund. Any justice not presently a member of the state retirement system shall make such contribution to the employing unit on a weekly basis as shall be agreed upon between such justice and the employing unit, but, in no event, shall such contribution exceed the amount presently being contributed by justices who are members of the state retirement system.

Amendment adopted.

Question being on the adoption of the committee report.

On a voice vote the Speaker was in doubt and requested a roll call.
Sufficiently seconded.

SB 121, providing for the defense and indemnification of state officers and employees against certain claims. Ought to Pass. Rep. Lewko for Judiciary.

This bill provides for the defense of any state employee against claims for damages for negligent or wrongful acts committed while in scope of his employment by the Attorney General if, in his opinion, such act was not wanton or reckless. The State shall pay all costs of such defense and indemnify the employee for any costs incurred by him as a result of such claim. The State shall insure itself against these claims.

Rep. Arthur Perkins moved that SB 121 be made a special order for 2:00 p.m. today, and spoke to his motion.

Adopted.

SB 200, to create a state district court system for Belknap, Carroll and Grafton counties, with full time judges, clerks and other personnel as state supported courts and making an appropriation therefor. Ought to Pass with Amendment. Rep. Martin for Judiciary.

This bill establishes a pilot program for full-time district courts in Belknap and Grafton Counties. The Committee amendment inserts a "sunset" clause so that four years after the program begins (1979) the program will automatically terminate unless the Legislature adopts a recommendation, from the House and Senate Judiciary Committee, that the program be continued.

Amendment

Amend the bill by striking out section 8 and inserting in place thereof the following:

8 Review. The state district court system created in RSA 502-B shall terminate July 1, 1983 unless referred to

the house and senate judiciary committees and readopted by the general court and reenacted into law.

9 Effective Date.

I. Sections 1, 2 and 8 of this act shall take effect July 1, 1979, except as otherwise provided in this section.

II. Appointments of judges under RSA 502-B:3 as inserted by section 1 of this act may be made after March 1, 1979, and shall be made prior to April 15, 1979. The chief judge shall be appointed prior to April 30, 1979. The administrator authorized by RSA 502-B:4, III as inserted by section 1 of this act may be appointed after April 30, 1979.

III. Sections 5 and 6 of this act shall take effect July 1, 1979.

IV. Sections 4 and 7 of this act shall take effect January 1, 1978.

V. Section 3 of this act shall take effect July 1, 1978.

Motion adopted and SB 225 was Indefinitely Postponed.

The Speaker called for the Special Order.

SB 121, providing for the defense and indemnification of state officers and employees against certain claims. Ought to Pass. Rep. Lewko for Judiciary.

This bill provides for the defense of any state employee against claims for damages for negligent or wrongful acts committed while in scope of his employment by the Attorney General if, in his opinion, such act was not wanton or reckless. The State shall pay all costs of such defense and indemnify the employee for any costs incurred by him as a result of such claim. The State shall insure itself against these claims.

Rep. Arthur Perkins offered an amendment.

Amendment

Amend RSA 99-D:2 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

99-D:2 Defense and Indemnification. If any claim is made or any civil action is commenced against a present or former officer, trustee, official or employee of the state or any agency thereof, including any justice of the district, municipal, superior or supreme court, or the clerks thereof, seeking equitable relief or claiming damages for the negligent or wrongful acts and said officer, trustee, official or employee requests the state to provide representation for him, and the attorney general determines that the acts complained of were committed by said officer, trustee, official or employee while acting within the scope of official duty and that said acts were not wanton or reckless, the attorney general shall represent and defend such person with respect to such claim or throughout such action, or shall retain outside counsel so to represent or defend such person, and the state shall defray all costs of such representation or defense, to be paid from funds not otherwise appropriated. In such case the state also shall protect, indemnify and hold harmless such person from any costs, damages, awards, judgments or settlements arising from said claim or suit. The attorney general shall not be required to consider the request of such person that representation be provided for him unless within 7 calendar days of the time such person is served with any summons, complaint, process, notice, demand, or pleading he shall deliver the original or a copy thereof to the attorney general. No property either real or personal of the state of New Hampshire shall be subject to attachment or execution to secure payment of or to satisfy any obligations of the state created under this chapter. Upon entry of final judgment in any action brought under

this chapter the attorney general shall present judgment to the general court for the requisite appropriation. The attorney general, or outside counsel retained under this chapter, shall have the authority to settle any claim brought under this chapter by compromise and the attorney general shall present said settlement to the general court for the requisite appropriation.

The Assistant Clerk read the amendment.
Rep. Perkins spoke to the amendment.
On a voice vote the Speaker was in doubt and requested a roll call.

SB 348, relative to qualifications for admission to practice law and establishing a special fund derived from bar applicant fees for the use of the supreme court. Ought to Pass with Amendment. Rep. Pappas for Judiciary.

This bill establishes a special fund made up of fees charged to applicants for the bar to establish, administer and enforce standards of character and fitness of such applicants. The committee unanimously felt that due to the increasing amount of applicants, especially from out-of-state, that investigation as to their qualifications is a necessity. This bill was introduced at the request of

Chief Justice Kenison and was felt that if the Supreme Court has the authority to set standards, they should be allowed to investigate.

Amendment

Amend RSA 6:12-b, as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

6:12-b Special Fund. The treasurer shall establish a special fund which shall not lapse, comprised of fees charged by the supreme court of applicants for admission to the bar for the purpose of establishing, administering and enforcing standards of character and fitness of such applicants. The supreme court is hereby authorized to draw on the special fund for such sums as it shall find to be appropriate for such purposes. This section does not affect the supreme court's authority to establish and collect fees from applicants for the New Hampshire bar examination to defray the cost of administering the bar examination, nor does it affect the disposition of such examination fees.

SB 321, establishing the office of state negotiations, Ought to Pass with Amendment. Rep. Roderick Allen for Labor, Human Resources and Rehabilitation.

This is a much needed measure to expedite negotiations in the State. The bill establishes an Office of State Negotiations, with the state negotiator serving as the executive officer of the state negotiating committee. Would bring expertise and more effective effort to the collective bargaining process with the state and the state employees.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 New Subdivision. Amend RSA 273-A by inserting after section 16 the following new subdivision:

Office of State Negotiations

273-A:17 Office Established. There is hereby established an office of state negotiations. The governor and council shall appoint a state negotiator who shall serve for a term of 4 years and until his successor is appointed and qualified. A

vacancy in such position shall be filled for the unexpired term. Said officer shall report to the state negotiating committee established by RSA 273-A:9. Notwithstanding RSA 21:33-a, I the term of office for the first such term shall end on January 9, 1979. Thereafter the term of office for such position shall commence on January tenth of every fourth year.

273-A:18 "Duties." The state negotiator shall serve as executive officer to the state negotiating committee and shall carry out such duties as may be assigned by such committee. These duties shall include but are not limited to:

I. The compilation of data and the carrying out of all research needed to provide timely and accurate information appropriate to the negotiating process;

II. The conduct of negotiations with representatives of bargaining units;

III. The preparation of recommendations to the state negotiating committee; and

IV. The maintenance of all official files, minutes and records of the state negotiating committee.

2 Appropriations.

I. There is hereby appropriated to the state negotiating committee to carry out the purposes of this act, the sum of \$37,445 for the fiscal year ending June 30, 1978 and \$38,866 for the fiscal year ending June 30, 1979. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

II. The appropriations in paragraph I shall be allocated as follows:

	Fiscal 1978	Fiscal 1979
Salary of state negotiator	\$18,272	\$18,993
Personal Services	7,143	7,423
Benefits	3,812	3,962
Current Expenses	7,380	7,650
In-state travel	294	294
Out-of-state travel	544	544
Total	\$37,445	\$38,866

Estimated source of funds

for office of state negotiations	
General Fund	\$37,445
Total	\$37,455

3 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Rep. Skinner offered an amendment.

Amendment

Amend RSA 273-B:1 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

273-B:1 Office Established. There is hereby established an office of state negotiations. The governor and council shall appoint a state negotiator who shall serve for a term of 2 years and until his successor is appointed and qualified. A vacancy in such position shall be filled for the unexpired term. Said officer shall report to the state negotiating committee established by RSA 273-A:9.

Notwithstanding RSA 21:33-a, I the term of office for the first such term shall end on January 9, 1979. Thereafter the term of office for such position shall commence on January tenth of every second year.

SB 317, relative to elderly tax exemptions for residential real estate. Inexpedient to Legislate. Rep. Timothy O'Connor for Municipal and County Government.

The elderly tax exemption has already been revised in prior legislation this session and the Committee feels that this bill has no additional provisions that would better serve the elderly. The 10-year residency requirement could, in fact, be a handicap.

SB 331, relative to rehearings on zoning board of adjustment's decisions. Ought to Pass. Rep. Mann for Municipal and County Government.

The intent of this bill is to clarify existing law by setting a definite time limit of 30 days for selectmen to hold a rehearing. Ordered to third reading.

SB 353, permitting the expenditures of certain unanticipated revenues pursuant to the municipal budget law. Refer to the Committee on Municipal and County Government for Interim Study. Rep. Drewniak for Municipal and County Government.

The intent of this bill is to authorize towns to expend monies which become available during the year and are not a part of the budget. This is necessary to utilize federal funds which must be spent within a certain time; however, this legislation would create an open-end budget and could be used to circumvent the intent of the town meeting. Study is necessary to work out a solution to both problems.

Rep. Leonard Smith moved that the words, Ought to Pass, be substituted for the committee report, Refer to the committee on Municipal and County Government for Interim Study, and spoke to his motion.

SB 280, relative to motor vehicle inspections. Ought to Pass with Amendment. Rep. Sing for Transportation.

This bill is designed to aid our citizens; to give them a fair chance of getting a vehicle inspected when coming into our state from another state. This is for citizens whose inspection stickers have expired while out-of-state. The amendment defines uninspected and late inspected vehicles.

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Definitions Added. Amend RSA 259:1 by inserting after paragraph XXXVI the following new paragraphs:

XXXVII. "Late Inspected Vehicle" is a motor vehicle, trailer or semi-trailer which was inspected in the immediately prior inspection period but has not been inspected during the current inspection period for such motor vehicle, trailer or semi-trailer.

XXXVIII. "Uninspected Vehicle" is a motor vehicle, trailer or semi-trailer:

(a) that has never been inspected previously, or

(b) that has been inspected previously but was not inspected during another entire intervening inspection period.

3 New Penalty. Amend RSA 260 by inserting after section 15 the following new section:

260:15-a Penalty, Late Inspected Vehicle. The penalty for operation of late inspected vehicle shall be issuance of a defective equipment tag under RSA 260:14-b.

4 Penalty Amended. Amend RSA 260:16 by striking out section and inserting in place thereof the following:

260:16 --Penalty for Failing to Obey Inspection Requirements. The operator or owner of any uninspected vehicle failing to comply with the requirements of the director relative to inspection shall be fined not more than \$25, and the director may refuse to register, or revoke the registration of, any uninspected vehicle, or any vehicle which is unsafe or unfit to be operated.

5 Effective Date. This act shall take effect 60 days after its passage.

Rep. James Murray stated there was an error in the committee amendment.

(Rep. Close in the Chair)

Amendment adopted.

Rep. Murray offered an amendment.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Definitions Added. Amend RSA 259:1 by inserting after paragraph XXXVI the following new paragraphs:

XXXVII. "Late Inspected Vehicle" is a motor vehicle, trailer or semi-trailer which was inspected in the immediately prior inspection period but has not been inspected during the current inspection period for such motor vehicle, trailer or semi-trailer.

Rep. Murray spoke to his amendment. Amendment adopted. Question being on the committee report. Ordered to third reading.

SB 105, relative to registration fees for foreign non-profit corporations. Inexpedient to Legislate. Rep. Norton for Claims, Military and Veterans Affairs.

The sponsor of the bill did not appear; from the scanty information available the Committee could not ascertain that a change should be made in the present "foreign registration" fee structure.

(Speaker in the Chair)

Rep. Benton moved that consideration of SB 105 be made a special order for Wednesday, June 8 and spoke to his motion. Adopted.

SB 258, permitting veterans of the Viet Nam conflict the use of armories for meetings and requiring not less than 90 consecutive days of service to qualify for tax exemption. Ought to Pass with Amendment. Rep. Levesque for Claims, Military and Veterans Affairs.

Based on the "interpretation of service tax exemptions" by the Department of Revenue Administration, the Committee could see no cogent reason for enacting section 2 of the bill, as pertains to the 90-day period of service; section 1 of the bill permits Viet Nam veteran organizations, when chartered by Congress, to have access to the use of state armories, as veterans organizations of other wars already have.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

permitting veterans of the Viet Nam conflict the use of armories for meetings.

Amend section 2 of the bill by striking out same and renumbering section 3 to read as follows:

2

Rep. Catherine-Ann Day spoke against the amendment.

Rep. Benton spoke in favor of the amendment.

Amendment adopted.

Ordered to third reading.

SB 275, providing for mandatory distribution of instructions on safely installing solid fuel heating appliances. Refer to the Committee on Commerce and Consumer Affairs for Interim Study. Rep. Lamy for Commerce and Consumer Affairs.

The Committee felt this should be studied to find out just what is meant by the term, "dealers," and should dealers have to comply.

Adopted.

SB 64, relative to homestead rights for mobile home owners. Ought to Pass with Amendment. Rep. Morrison for Constitutional Revision.

This bill passed by a unanimous vote of the Committee would provide rights similar to those in the "Homestead Law" to owners of mobile homes.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to the attachment, execution and levying upon execution of the interest of an owner of a mobile home by creditors other than those possessing an interest therein under a mortgage, pledge, or security agreement or lien created by statute or rule of law.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 No Homestead Right for Mobile Homes. Amend RSA 480:1 (supp) as amended by striking out section and inserting in place thereof the following:

480:1 Amount. Every person is entitled to \$2,500 worth of his homestead, or of his interest therein, as a homestead; provided, however, that the homestead right created by this chapter shall not exist in any mobile home, including house trailers and trailers; nor shall a homestead right exist in the land upon which any such mobile home is situated whether or not the real estate is owned by the owner of such mobile home.

2 Execution on Mobile Homes. Amend RSA 528:2 by striking out said section and inserting in place thereof the following:

528:2 Goods. Goods and chattels taken on execution shall be safely kept by the officer, at the expense of the debtor, 4 days at least; shall be advertised for sale, by posting notices of the time and place of sale at 2 of the most public places in the town where the sale is to be, 48 hours before the expiration of said 4 days; and shall be sold at auction to the highest bidder. For the purposes of this chapter, mobile homes shall be deemed to be included within the terms "goods and chattels" and "personal property" as said terms are used herein.

3 Proceeds. Amend RSA 528:4 by striking out said section and inserting in place thereof the following:

528:4 Proceeds of Sale. The money arising from the sale of unencumbered personal property under RSA 528:2 shall be applied by the officer to the payment of charges and the satisfying of the executions levied thereon, in the order in which the attachments thereon, if any, were made, otherwise in the order in which the executions were delivered to him, and the balance, if any, shall be returned to the debtor; provided, however, that in the event that a mobile home which at the time of sale is used and occupied as the principal place of residence of the debtor is sold pursuant to RSA 528:2, there shall first be paid to the debtor an amount equal to that which a person is entitled to under RSA 480:1 and the same amount to his or her spouse, if any, out of the proceeds of the sale of the mobile home.

4 Levy by Seizure. Amend RSA 528:8 by inserting in line one after the word "pledge" the following (, security interest) so that said section as amended shall read as follows:

528:8 Levy by Seizure. Personal property subject to mortgage, pledge, security interest or lien may be taken on execution in the same manner that it may be attached, and may be sold in the same manner as other personal property; and the creditor and officer shall have the same right to demand an account of the amount due, and to hold the property, if no account or a false account is given, as in case of an attachment.

5 Proceeds. Amend RSA 528:9 by striking out said section and inserting in place thereof the following:

528:9 Proceeds of Sale. The proceeds of any sale conducted under this chapter of personal property subject to mortgage, pledge, security interest or lien shall first be applied to pay the sum paid or tendered to the mortgagee, pledgee, secured party or holder for satisfaction of the debt of debts secured by any such mortgage, pledge, security interest or lien and interest thereon and the balance, if any, shall be applied by the officer conducting any such sale in accordance with RSA 528:4.

6 What Attachable. Amend RSA 511:26 by striking out said section and inserting in place thereof the following:

511:26 Interest Attachable. Any personal property not exempt from

attachment, subject to a mortgage, pledge, security interest or lien, may be attached as the property of the mortgagor, pledgor, debtor, or general owner, the attaching creditor or officer paying or tendering to the mortgagee, pledgee, secured party or holder the amount for which the property is holden, as ascertained in the mode provided by RSA 511:27.

7 Account. Amend RSA 511:27 by striking out said section and inserting in place thereof the following:

511:27 Account. The creditor or officer may demand of the mortgagee, pledgee, secured party, or holder of an account, on oath, of the amount due upon the debt or demand secured by such mortgage, pledge, security interest or lien, and the officer may retain the property in his custody, without tender or payment until the account is given.

8 Refusal to Account. Amend RSA 511:28 by striking out said section and inserting in place thereof the following:

511:28 --Refusal. If the account is not given within 15 days after demand, or if a false account is given, the property shall be holden discharged from such mortgage, pledge, security interest or lien.

9 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Ordered to third reading.

SCR 2, to petition the Congress of the United States to call a convention to propose an amendment to the Constitution of the United States which guarantees that a student has the right to attend the public school nearest his home. Majority: Ought to Pass with Amendment. Rep. Joncas for Constitutional Revision. Minority (Reps. Foley, Hess and Morrison): Inexpedient to Legislate.

Majority: The majority of the Committee feels it is better to put Congress on notice of their feelings than to go the Constitutional Convention route.

Minority: The problem of busing to achieve racial integration is not a problem in New Hampshire, nor does it appear that it will be. Recent court decisions have limited the use of busing but the minority of the Committee feels that in cases where necessary the courts should be able to use this method. Also, contrary to the testimony of the sponsors, busing does not lend to poor education. All major studies (as of July 1976) show that, at the worst, busing leaves the quality of education at the same level.

Amendment

Amend the title of the resolution by striking out same and inserting in place thereof the following:

SENATE CONCURRENT RESOLUTION NO. 2
to petition the Congress of the United
States to propose an amendment to
the Constitution of the United

States which guarantees
that a student has the
right to attend the
public school
nearest his
home.

Amend the resolution by striking out
all after the resolving clause and
inserting in place thereof the following:

That the legislature of the State of
New Hampshire, hereby, and pursuant to
Article V of the Constitution of the
United States, makes application to the
Congress of the United States to propose
an amendment to the Constitution of the
United States to the effect that: The
right of students to attend the public
school nearest their place of residency
within the school district in which they
reside shall not be denied or abridged for
reasons of race, color, national origin,
religion, or sex; And be it further

Resolved, that attested copies of this
concurrent resolution be sent to the
presiding officers of each House of the
Congress and to each member of the New
Hampshire delegation in Congress, and that
printed copies thereof, showing that said
concurrent resolution was adopted by the
legislature of New Hampshire, be sent to
each House of each legislature of each
state of the United States.

Rep. Foley moved that SCR 2 be laid
upon the table.

On a voice vote the Speaker was in
doubt and requested a roll call.
Sufficiently seconded.

(Speaker in the Chair)

SB 189, establishing a coastal resources management program and making an appropriation therefor. Ought to Pass with Amendment. Rep. Rogers for Environment and Agriculture.

This bill provides for a Division of Coastal Resources Management within the Office of Comprehensive Planning. It also provides for a local referendum by the affected towns before the act is accepted. The amendments establish an advisory committee of citizens from the coastal area and make several technical changes in the original legislation.

Amendment

Amend RSA 271-B:1, VII (b) as inserted by section 1 of the bill by striking out said subparagraph and inserting in place thereof the following:

(b) To achieve a wise and balanced use of land and water resources of the coastal area, giving full consideration to ecological, cultural, historic and aesthetic values, and to needs for social and economic development, and to the national interest and national defense;

Amend RSA 271-B:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

271-B:3 Division of Coastal Resources Management, and Advisory Committee, Established.

I. There is hereby established within the state office of comprehensive planning a division of coastal resources management. The purpose of such establishment is to implement the state coastal resources management program.

II. The director of the division, shall be a classified employee equal in labor grade status to existing division directors within the office of comprehensive planning. The program manager shall possess qualifications which include but are not limited to the following:

(a) A master's degree, from a recognized college or university, in resource planning or management; or community development or public administration with undergraduate training

in the natural sciences; 4 years experience in planning, resource management, business administration, or community development, 2 years of which must have been in a supervisory capacity; or a related bachelor's degree with a minimum of 7 years experience in planning resource management, business administration, of community development, 2 years of which must have been in a supervisory capacity; and

(b) A substantial knowledge of federal and New Hampshire state laws relating to resource planning and management; and

(c) A substantial knowledge of administrative principles necessary to plan, develop and administer a coastal resource management program; and

(d) A substantial knowledge of the methods and techniques necessary to survey, collect and utilize data for the purpose of implementing this chapter.

III. There is hereby established a Coastal Resources Management Advisory Committee, hereinafter referred to as the committee, which shall be composed of 5 members as provided hereinbelow.

IV. At least 3 of said members of the committee shall be year-round residents in the primary or secondary zone, and the remaining number of said members, if any, shall be year-round residents of the tertiary zone. Two or more of said members shall not be residents of the same municipality. One each of said members shall be qualified, experienced and representative of one of the following:

(a) municipal government in the primary zone municipalities;

(b) economic development in the coastal zone;

(c) environmental protection or conservation in the coastal zone;

(d) outdoor recreation in the coastal zone; and

(e) one shall be representative of the general public, who shall serve as chairman.

V. The governor and council shall appoint each member within 30 days after receipt of notice from the secretary of state that such appointment is required, and with due regard to the qualifications required for each appointee as set forth in RSA 271-B:3, IV. Each such member shall serve for a term of 5 years, and until his or her successor is appointed and qualified, with the exception of the initial appointments from each group which shall be for the following terms;

(a) The appointment pursuant to RSA 271-B:3, IV (a), one year;

(b) The appointment pursuant to RSA 271-B:3, IV (b), 2 years.

(c) The appointment pursuant to RSA 271-B:3, IV (c), 3 years;

(d) The appointment pursuant to RSA 271-B:3, IV, (d), 4 years; and

(e) The appointment pursuant to RSA 271-B:3, IV, (e), 5 years.

Vacancies shall be filled for the expired term and in the manner prescribed herein.

VI. Said members shall serve without compensation but shall be entitled to receive mileage and expenses when performing the duties of the commission as set forth herein below.

VII. In addition to any other authority or duty set forth in this chapter or as otherwise provided by statute, the commission shall:

(a) Consult with and advise the director of the office of comprehensive planning and the program manager with respect to the programs and operations of the division, and for said purposes shall meet with the director and program manager not less frequently than quarterly.

(b) Convene at the request of the commission chairman not later than 10 days following receipt by the chairman of a written request therefor from 3 or more members of the commission or from the director.

(c) Submit annually to the director a written report of the activities of the commission relevant to the program, and which will be included in the annual report of the division pursuant to RSA 271-B:4, VIII.

Amend RSA 271-B:4, VIII (d) as inserted by section 1 of the bill by striking out said subparagraph and inserting in place thereof the following:

(d) Any aspect of the program or the chapter which is proving difficult to accomplish, with proposals for courses of action to alleviate the situation; and

(e) Activities of the coastal resources management advisory committee as they relate to the program.

Amend RSA 271-B:7, I (o) as inserted by section 1 of the bill by striking out said subparagraph and inserting in place thereof the following:

(o) Preempt or impede the higher priority uses in geographic areas of particular concern pursuant to RSA 271-B:9, II.

Amend RSA 271-B:9, II (l) and (m) as inserted by section 1 of the bill by striking out said subparagraphs and inserting in place thereof the following:

(l) Water supply source. Uses shall be consistent with the characteristics enumerated in RSA 271-B:9, I (a) and (j). Uses of highest priority shall be public water supply, wildlife and forest management, and research and education. Uses of lowest priority shall be waste disposal, mineral extraction, recreation, and all water uses (except public water supply).

(m) Aquifer recharge areas. Uses shall be consistent with the characteristics enumerated in RSA 271-B:9, I (a) and (j). Uses of highest priority shall be recreation, wildlife and forest management, communications and utilities transmission, public water supply, and research and education. Uses of lowest priority shall be solid waste disposal and mineral extraction.

Amend RSA 271-B:9, VII (e) as inserted by section 1 of the bill by striking out said subparagraph and inserting in place thereof the following:

(e) Make subject to review and approval, disapproval, or modification and approval by the division any decision made by a state, substate regional, or municipal unit of government or agency to permit a development proposal or activity which is located in whole or in part within an area of particular concern under the jurisdiction of the program, and which is a use other than a highest priority use, as specified in RSA 271-B:9, II.

Amend RSA 271-B:13, III as inserted by section 1 of the bill by striking out said paragraph and inserting in place thereof the following:

III. Notwithstanding RSA 271-B:13, I, any person having an interest in land affected by any management standard adopted pursuant to this chapter, may within 90 days after promulgation thereof petition the superior court for the county in which the said land is located to determine whether such standard exceeds the limit of the police power, and constitutes taking without compensation. The burden of proof shall be upon the petitioner. If the court finds the order to be an unreasonable exercise of the police power, the court shall enter a finding that such order shall not apply to the land of the petitioner; provided, however, that such findings shall not affect any land other than that of the petitioner. The division shall cause a copy of such finding to be recorded within 10 days from the date of the finding in the proper registry of deeds.

Rep. Norton moved that the words, Refer to Interim Study Committee, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Reps. Wolfson and Richards spoke in favor of the motion.

Rep. Greene spoke against the motion.

Rep. Barrus requested a quorum count. The Speaker declared a quorum present.

Rep. Barrus spoke against the motion. Rep. Cunningham spoke in favor of the motion.

Question being on the Norton motion to substitute, Refer to Interim Study Committee.

Rep. Cunningham requested a roll call. Sufficiently seconded.

Adopted.

Referred to Appropriations.

SB 130, relative to transfers of classification in the retirement system. Inexpedient to Legislate. Rep. Hoar for Executive Departments and Administration.

The subject matter of this bill is identical to that of HB 284 as amended which is currently before the Senate. Committee recommends laying this upon the table in case HB 284 runs into trouble.

Rep. Close moved that SB 130 be laid upon the table.

Adopted.

SB 16, relative to the extent of medical treatment which a licensed podiatrist may perform. Ought to Pass. Rep. Sara Townsend for Health and Welfare.

The Committee felt that there was a great need for podiatrists (licensed) as there are only sixteen in the state. This bill would allow the state to attract new doctors (podiatrists) from outstanding training programs. It also removes certain restrictions of parental administration of drugs with certain exceptions and surgical treatment except amputation. Vote was 13-0.

Rep. Griffin offered an amendment.

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Rules; Certain Exemptions. Amend RSA 315:4 (supp) as amended by striking out said section and inserting in place thereof the following:

315:4 Rules and Regulations.

I. The board may adopt such rules and regulations and blanks and forms of procedure as it may deem necessary to carry out the provisions of this chapter. The board shall also establish rules and regulations for determining procedures which may be carried out by the podiatrist in his office and in the hospital setting.

II. Any podiatrist who has been practicing podiatry or chiropody continuously in New Hampshire on or before January 1, 1947, shall be exempt from rules or regulations imposing requirements for continuing education as regards surgical procedures. However, such podiatrist who has not been trained in surgical procedures or who is exempt from continuing education regarding the same or both shall not perform any surgical procedures. Nothing herein shall be construed to prohibit any podiatrist who has been practicing podiatry continuously in New Hampshire on or before January 1, 1947, from performing surgical procedures

if he has been properly trained to perform such and meets the continuing education requirements set up for those not exempted from such by this section.

The Assistant clerk read the amendment. Reps. Griffin, Krasker and Wilson spoke in favor of the amendment. Amendment adopted. Ordered to third reading.

SB 56, establishing an adoptive care act. Majority: Ought to Pass. Rep. Nighswander for Health and Welfare. Minority: (Rep. Eugene Daniell): Inexpedient to Legislate.

Majority: This bill sets up a system of subsidy so that financial hardship will not be a reason for the non-adoption of hard-to-place children. It also establishes a new Chapter in the RSA (170:R "Adoptive Care Act") to be administered by the Division of Welfare. It was felt by the Committee that it would help children and would save the state some monies as the state would not be paying large amounts for housing and care of these children. The Director or his designee may make or require subsidy payments to an adoptive family, where an adoptive family has the capability of providing permanent family relationship in all areas except financial. Committee vote was 10-2.

Minority: This bill permits the state to put the expense of educating handicapped children on local communities. Until the state assumes this burden no such bill should be passed.

Rep. Eugene Daniell moved that the Minority report, Inexpedient to Legislate, be substituted for the Majority report, Ought to Pass, and spoke to his motion.

Rep. Nighswander spoke against the motion.

Rep. Desnoyer moved that SB 56 be referred to the Committee on Health and Welfare for Interim Study and spoke to his motion.

Reps. Lynch and Madeline Townsend spoke against the motion.

Rep. Beard moved the previous question. Sufficiently seconded. Adopted.

Rep. Nighswander requested a roll call. Sufficiently seconded.

SB 288, relative to nursing home administrators. Majority: Ought to Pass. Rep. Blanchette for Health and Welfare. Minority: (Rep. Eugene Daniell) Ought to Pass with Amendment.

CARROLL: Roderick Allen, Dickinson, Found, Howard, Keller, Kenneth MacDonald and Kenneth Smith.

Majority: This bill relates to the Board of Examiners of nursing home administrators. It updates the present rules and regulations of the Board. It first brings income more in line with the appropriation from the general fund and also to more adequately reflect the expenses incurred. It also gives the Board more flexibility in responding to any changes in expenses. The Committee vote was 9-1.

CHESHIRE: Callahan, Chase, Close, Daniel Eaton, Faucher, Fillback, Galloway, Irvin Gordon, Krause, Ladd, Lynch, Marshala, Moore, Russell, Terry, Vrakatisis and Whipple.

Minority: This bill establishes a dangerous new precedent in that it allows a regulatory board to set its own fees for examinations and licensing. The amendment eliminates this privilege while permitting up to a 100% increase in existing charges.

COOS: Burns, Cooney, Fortier, Bradley Haynes, Horton, Huggins, Keough, George Lemire, Oleson, Poulin, Theriault, Alcide Valliere, Willey and Wiswell.

Adopted.

HOUSE BILL RECALLED

Rep. Marshall French moved that the House recall HB 79, relative to the location of cemeteries, from the Governor's desk.

Adopted.

SUSPENSION OF RULES

Rep. Marshall moved that the rules be so far suspended as to permit consideration of a committee report without the required notice in the Calendar on SB 294, establishing minimum standards for energy conservation in public buildings.

Adopted by the necessary two-thirds.

COMMITTEE REPORT

SB 294, establishing minimum standards for energy conservation in public buildings. Ought to Pass with Amendment. Rep. McLaughlin for Public Works.

This bill establishes minimum standards for new and renovated public buildings, including the university system. The ultimate goal is to reduce energy consumption statewide by 5% of projected 1980 consumption.

Amendment

Amend RSA 155-C:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

155-C:3 CONSTRUCTION STANDARDS.

I. Any building designed, constructed or renovated by the state or any of its agencies, including the university system, shall conform to standards not less than those established by the "Model Code for Energy Conservation and New Building Construction," and amendments thereto.

II. It shall be the responsibility of the governor's council on energy to promote the adoption and use of these standards in all new buildings, public and private, and to monitor the extent to which new buildings comply with their requirements. The council shall prepare a report of its findings by January 1, 1978 and January 1, 1979 to submit to the senate committee on energy and consumer affairs and the house committee on science and technology.

Amendment adopted.

Referred to Appropriations.

SUSPENSION OF RULES

Rep. Nighswander moved that the rules be so far suspended as to permit consideration of a committee report without the required notice in the Calendar on HB 1193, reinstating Save the Mill Society as a voluntary corporation.

Adopted by the necessary two-thirds.

COMMITTEE REPORT

HB 1193, reinstating Save the Mill Society as a voluntary corporation. Ought to Pass. Rep. Martin for Judiciary.

This bill reinstates the Save the Mill Society of Laconia as a voluntary, nonprofit organization. Due to an

administrative error this organization did not file with the Secretary of State by the statutory deadline, therefore, it has been dissolved. Passage of HB 1193 would merely reinstate the charter and allow it to continue to function. There was no opposition at the hearing. Committee vote was unanimous. Ordered to third reading.

SENATE MESSAGE

REQUEST CONCURRENCE WITH AMENDMENT
HB 691, relative to a program for a special education. (Amendment printed SJ 5/25)

Rep. William Boucher moved that the House concur.

Adopted.

RECONSIDERATION

The President appointed Sens. Rock, Smith and Downing.

SB 54, relative to utility collection practices and termination of utility service for nonpayment of charges.

The President appointed Sens. Bossie, Jacobson and Saggiotes.

ENROLLED BILLS AMENDMENTS

HB 613, relative to investments by savings banks in unsecured loans.

This amendment renumbers the paragraph inserted as a result of the prior insertion of a paragraph by HB 322.

Amendment

Amend section 3 of the bill by striking out lines 2 and 3 and inserting in place thereof the following:

graph VII the following new paragraph:

VIII. In loans pursuant to an open-end credit plan, based on the Adopted.

HB 366, requiring results of second reading votes be included as part of questions proposing constitutional amendments.

This amendment adds the words "as amended" to the amending clause of section 1.

Amendment

Amend section 1 of the bill by striking out line 1 and inserting in place thereof the following:

1 Second Reading Vote. Amend RSA 59:12 as amended by inserting in line 4 after the Adopted.

HB 1031, to allow local units of government to enter interlocal agreements for the performance of any legal municipal function.

This amendment corrects an inaccurate internal reference to a paragraph in the bill.

Amendment

Amend RSA 53-A:3, III as inserted by section 1 of the bill by striking out line 3 and inserting in place thereof the following:

in addition to items enumerated in paragraph II, contain the following: Adopted.

COMMITTEE REPORTS (Consent Calendar)

Rep. Marshall French moved that the House adopt the committee recommendation of Inexpedient to Legislate on SBs 10, 184, 346, 209, 291, 182, 231, 237 and 326, and further moved that the House adopt the committee recommendation of Ought to Pass on SBs 147, 153, 132, 221, 174, 187, 117, 193, 162, 203, 238, 240, 263, 270, 299, 223 and 177, and further moved that the House adopt the committee recommendation of Ought to Pass with Amendment on SBs 131, 118, 337, 167, 265, 308, 127, 222, 315, 201, 232 and 176, and further moved that the House adopt the committee recommendation of Refer to Interim Study Committees by the appropriate standing committees on SBs 149, 210, 318, 363, 138, 195, 302, 53, 84 and 150.

By request of members the following bills were removed from the Consent Calendar.

SB 337, relative to family day care.

SB 149, protecting the welfare of certain adults by providing protective services.

SB 162, relative to the number of sets of special number plates that may be issued to a member of the general court.

SB 127, relative to vacancies in the office of mayor of Nashua.

SB 223, relative to the winter maintenance of Diamond Pond road in the towns of Colebrook and Stewartstown.

SB 182, authorizing voter registration by mail.

SB 231, relative to changing party affiliation in Manchester.

SB 232, relative to voting lists in the city of Manchester.

SB 237, concerning the affidavit used in case of a voter challenge.

SB 326, defining the term "inhabitant" for purposes of certain elections.

SB 53, relative to vanpooling.

Adopted.

SB 10, relative to prejudgment attachments. Inexpedient to Legislate. Rep. Dianne Herchek for Judiciary.

This bill deals with attachment of real estate. During the public hearing there wasn't any testimony either for or against the bill. The Committee felt that there must not have been a real need for this due to the lack of interest in it.

SB 184, relative to the time involved for a final disposition of a neglected child and providing that the placement of a neglected child, person in need of supervision or delinquent child shall not be at state expense. Inexpedient to Legislate. Rep. Ayles for Judiciary.

The Committee did not feel that this bill should pass what would relieve the State of any future liability for expense of any neglected child and that the present RSA 169:7 should remain in force.

SB 346, relative to liens on mobile home park owners. Inexpedient to Legislate. Rep. Daniel Eaton for Judiciary.

This bill would have removed the teeth in present law that tax collectors use for collection.

SB 209, relative to the publication of tax sale notices. Inexpedient to Legislate. Rep. Drewniak for Municipal and County Government.

This bill would change the whole tax collecting procedure relative to tax sales and would be difficult to administer. Although, admittedly, there are some problems in collections where property changes hands, the Committee feels this bill would potentially create more problems than it solves.

SB 291, permitting a local option to adopt property tax exemption for property improvements and rehabilitation. Inexpedient to Legislate. Rep. Emile Boisvert for Municipal and County Government.

This Committee has already voted a similar house bill inexpedient and maintains that a practice of allowing tax deferments for property improvements is too difficult to

administer and would become arbitrary and unequally applied.

SB 147, relative to posting a bond or certification of assets by manufacturers, importers or distributors of motor vehicles to insure warranties. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

Bill requires that manufacturers, importers and distributors of motor vehicles (rated load one and one-half tons or less) comply with present consumer protection division regulations relative to posting bond or certification of assets to insure warranties.

Any consumer aggrieved by breach of express or implied warranties on vehicles is entitled to damages, costs and attorney's fees. Attorney General is authorized to seek injunctive relief against any manufacturer, importer or distributor who fails to certify assets or post a surety bond.

SB 153, relative to units of measure in the sale of wood. Ought to Pass. Rep. Lamy for Commerce and Consumer Affairs.

This bill permits wood waste (edgings, slabs and clippings) etc., and standing or fallen trees to be sold in any manner agreeable to the parties concerned provided the term "cord" is not used.

SB 132, relative to the compensation and benefits of certain permanent policemen in case of death or disability. Ought to Pass. Rep. Close for Executive Departments and Administration.

The present law relative to benefits of policemen while on temporary assignment is ambiguous. This bill specifies that a policeman who is loaned to another law enforcement department other than his own and who dies or suffers a disability while on assignment, will be compensated as if he had been working for his own department. Unanimous vote.

SB 221, requiring the office of state planning to estimate annually the resident population of cities and towns within the state. Ought to Pass. Rep. Close for Executive Departments and Administration.

Bill sets up procedure for annual estimates of resident population for municipalities. It allows dissatisfied municipalities to obtain a special census. Unanimous vote of Committee.

SB 174, relative to placing a neglected child under the supervision of the director of the division of welfare.

Ought to Pass. Rep. Knight for Health and Welfare.

Presently for a child to be eligible for AFDC-FC the courts must award custody of the child to the Division of Welfare. Many circumstances do not require total control and custody often causes problems with inter-family supervision. Adding the word "supervision" allows temporary relief. In order to receive federal funds there must be a judicial determination that supervision is necessary. The Committee voted 10-0.

SB 187, relative to the New Hampshire - Vermont interstate school compact. Ought to Pass. Rep. Marshall French for Interstate Cooperation.

Vote (7-0) was unanimously in favor.

SB 117, relative to the statute of limitations on an action for paternity. Ought to Pass. Rep. Ayles for Judiciary. This bill increases the length of time to file an action for paternity from one to two years. Important for the Division of Welfare in establishing paternity.

SB 193, permitting public service as an alternative sentence for conviction of certain crimes. Ought to Pass. Rep. Poulin for Judiciary.

This bill allows a person convicted under certain statutes to be required to perform public service of a sort that will foster respect for those interests violated by his conduct.

SB 203, relative to the employment of attorneys to assist the Hillsborough county attorney. Ought to Pass. Rep. Callahan for Municipal and County Government.

This is simply permissive legislation allowing the Hillsborough County Attorney to hire assistants contingent on the positions being funded by the county delegation.

SB 238, relative to waiving competitive bidding for the city of Manchester under certain conditions. Ought to Pass. Rep. Arnold Perkins for Municipal and County Government.

The intent of this bill is to allow by 2/3 vote of the mayor and aldermen a waiver of competitive bidding in those instances, such as securing insurance, when negotiation would better serve the interests of the city and its citizens. Under the present charter, the city has no such option.

SB 240, permitting towns to appropriate money for day care centers. Ought to Pass. Rep. Richard Hanson for Municipal and County Government.

This is simply permissive legislation to allow towns to appropriate money for day care centers for those towns

which have encountered problems in securing federal matching funds without explicit statutory permission.

SB 263, establishing a procedure to discontinue certain capital reserve funds. Ought to Pass. Rep. Callahan for Municipal and County Government.

This is a simple bill to establish a procedure for towns and municipalities to discontinue certain reserve funds. Presently, these funds must remain earmarked and locked in trust even though they were not expended.

SB 270, relative to municipal immunity. Ought to Pass. Rep. Mann for Municipal and County Government.

Current law does not provide municipalities with immunity from damages arising out of natural acts such as wind and weather. As a result, courts have held municipalities liable in some tort claims. The intent of this bill is to protect municipalities from claims arising from such natural forces.

SB 299, authorizing the establishment of municipal development districts. Ought to Pass. Rep. Pepitone for Municipal and County Government.

This is permissive legislation to allow cities to establish municipal development districts for purposes of urban renewal and commercial development. By creating such districts, cities can take advantage of tax increment financing and federal and state funding while retaining local governmental control over the project by assigning management duties to an existing city department or a specially formed corporation.

SB 177, relative to preventive measures for forest and brush fires. Ought to Pass. Rep. Clafin for Resources, Recreation and Development.

Improves preventive measures for forest and brush fires.

SB 131, relative to the sales of furnace and stove oil. Ought to Pass with Amendment. Rep. Lamy for Commerce and Consumer Affairs.

All distillate heating oil sold shall be by liquid measure or net weight.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT
relative to the sales of distillate heating oil.

Amend RSA 359-A:33, I as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

I. All distillate heating oil sold at retail shall be sold by liquid measure or by net weight in accordance with the provisions of RSA 359-A:20.

Amend the introductory subparagraph of RSA 359-A:33, II as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

II. In the case of each delivery of such liquid fuel not in package for and in an amount greater than 10 gallons, in the case of sale by liquid measure, or 100 pounds, in the case of sale by weight, there shall be rendered to the purchaser at the time of delivery a printed delivery ticket which shall clearly state the following:

SB 118, relative to reporting all resources received by a welfare recipient. Ought to Pass with Amendment. Rep. Nighswander for Health and Welfare.

This bill brings the state law into conformity with the federal law stating that anyone required to report the receipt of property must report the sale of any property, wages, income or resources with a value of \$30.00 or more in any one month to the Director of the Division of Welfare. The federal law requires that all resources must be taken into account when assistance is required. The Committee vote was 10-1.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Exception Removed. Amend the concluding paragraph of RSA 167:17 (supp) as amended by striking out said paragraph and inserting in place thereof the following: No person who is required to report the receipt of property, wages, income or resources by this section shall within any one month sell, assign, transfer, encumber or otherwise dispose of any property with a total value of \$30 or more without the consent of the director of the division of welfare.

SB 167, relative to the enforcement of court ordered child support payments. Ought to Pass with Amendment. Rep. Daniel Eaton for Judiciary.

This bill rectifies various problems encountered by the Superior Court in enforcement of child support orders.

Amendment

Amend RSA 99:14 as inserted by section 3 of the bill by striking out same and inserting in place thereof the following:

99:14 Wage Assignments.

Notwithstanding any provision of law to the contrary, the wages of any state employee or official may be assigned or attached to satisfy an order of the superior court relative to payments for child support entered pursuant to RSA 458:35-a. The clerk of the court entering such order, or the probation department, or the division of welfare shall forward a copy of such order to the person responsible for approving the wage manifest for the employee who shall comply with such order within 15 days of the receipt thereof.

SB 265, concerning the selection and exemption of jurors. Ought to Pass with Amendment. Rep. Martin for Judiciary.

The bill, as amended, moves the juror selection month from May to April. It further continues the exemption for people over 70 years of age. Committee vote was 12-0.

Amendment

Amend RSA 500-A:23 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

500-A:23 Alternate Juror. In the trial in the superior court of any case, civil or criminal, when it appears to the presiding justice that there is reason for the selection of an additional or alternate juror or jurors, said juror or jurors shall at the direction of the presiding justice be drawn, selected and empaneled in the same manner as the regular jurors. Such additional or alternate jurors shall be sworn with and seated near the jury, with equal opportunity for seeing and hearing the proceedings, and shall attend at all times upon the trial with the jury and shall obey all orders and admonitions of the court to the jury and, when the jurors are ordered kept together in any case, said alternate jurors shall be kept with them. Said alternate jurors shall be liable as a regular juror for failure to attend the trial or to obey any order or admonition of the court to the jury, shall receive the same compensation as other jurors and except as hereinafter provided shall be discharged upon final submission of the case to the jury. If before the final submission of the case to the jury one or more jurors become incapacitated or disqualified or dies, his place shall be taken upon the order of the court, by an alternate juror who shall become one of the jury and serve in all respects as though selected as an original juror.

Amend the bill by striking out section 3 and renumbering the original section 4 to read as:

SB 308, including stairway inclined lifts and chair devices within the statutory definition of elevators. Ought to Pass with Amendment. Rep. Polly Johnson for Labor, Human Resources and Rehabilitation.

Would include stairway inclined lifts in public buildings under inspection category of "elevators" subject to the American Standard Safety Code.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

including stairway inclined lifts within the statutory definition of elevators and prescribing safety standards for such lifts.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Definition. Amend RSA 157-B:2, IV (supp) as inserted by 1967, 310:1 by striking out said paragraph and inserting in place thereof the following:

IV. "Elevator" means a hoisting and lowering mechanism equipped with a car or platform which moves on guides in a substantially vertical direction; or a stairway inclined lift which moves in guides in an inclined direction; and includes the doors, wells, enclosures, means, and appurtenances required for its operation.

Safety Standards Prescribed. Amend RSA 157-B by inserting after section 18 the following new section:

157-B:19 Stairway Inclined Lift. Any installation of a stairway inclined lift shall be subject to section 504 of the 1965 American Standard Safety Code for Elevators, Dumbwaiters, Escalators and Moving Walks.

3 Effective Date. This act shall take effect 60 days after its passage.

SB 222, authorizing the town of Peterborough to appropriate money and authorize borrowing for water purposes at special town meetings. Ought to Pass with Amendment. Rep. Drewniak for Municipal and County Government.

This bill puts to referendum a special authorization for Peterborough to appropriate and borrow money relative to its water system. Amendments have been added to insure compliance with general law regarding issuance of bonds or notes and to give Haverhill's Mountair Lakes District authority to exceed its debt limit to purchase a water works.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

authorizing the town of Peterborough to appropriate money and authorize borrowing for water purposes at special town meetings and authorizing the Mountain Lakes district in the town of Haverhill to exceed its debt limit for a certain purpose.

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Exemption from General Law Requirements Conferred. Notwithstanding any provisions of general law heretofore or hereafter enacted, and regardless of whether any general law hereafter enacted includes a provision generally repealing acts or parts of acts inconsistent therewith, the town of Peterborough may, at any duly called special town meeting, raise or appropriate money or authorize

the issue of bonds or notes for any purpose which involves the improvement, maintenance or operation of its water system and which is then authorized by law, or may reduce or rescind any appropriation previously made for any such purpose, without regard to the number of voters present at the special town meeting and without obtaining any permission or approval from the superior court; provided, however, that no exemption is hereby conferred concerning the requirements of RSA 33:8 that there be a 2/3 vote for the issue of bonds or notes. No other provisions of general or special laws, whenever enacted, which are applicable to the town and which define the powers or procedures by which it may appropriate money or incur indebtedness shall be affected hereby.

Amend the bill by striking out all after section 2 and inserting in place thereof the following:

3 Exceeding Debt Limit in Mountain Lakes District. At any annual or special district meeting of the Mountain Lakes district in the town of Haverhill by a 2/3 affirmative vote of those present and voting, the district may exceed its debt limit for that one year for the purpose of purchasing a water works.

4 Effective Date. Sections 2 and 3 of this act shall take effect upon its passage, and the remainder of the act shall take effect as prescribed in section 2.

SB 315, relative to mobile home foundations. Ought to Pass with Amendment. Rep. Drewniak for Municipal and County Government.

The intent of this bill is to insure that municipalities cannot require mobile homes to be put on foundations which could be structurally detrimental to the trailer. The amendment clarifies the language of the bill to insure that requirements for proper foundations are not precluded.

Amendment

Amend RSA 31:116 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

31:116 Mobile Home Foundations. No town shall impose requirements that mobile homes be placed on other than the structural carriers designed for that purpose.

Amend RSA 47:22-b as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

47:22-b Mobile Home Foundations. The authority granted to cities to establish minimum construction standards for mobile homes shall not extend to imposing requirements that mobile homes be placed on other than the structural carriers designed for that purpose.

SB 201, relative to the special license for a passenger vessel operating on state waters. Ought to Pass with Amendment. Rep. Cunningham for Regulated Revenues.

This will permit vessels licensed to sell liquor and beverages to serve while the vessel is in port and the Committee believes it is a reasonable extension of the existing special license now granted to these vessels. The vote was 13-1.

Amendment

Amend section 2 of the bill by striking out same and inserting in place thereof the following:

2 Effective Date. This act shall take effect upon its passage.

SB 176, to amend the law relative to taxation on legacies and successions. Ought to Pass with Amendment. Rep. McLane for Ways and Means.

Bill exempts from 15% legacy tax the decedent's share of a jointly owned and occupied homestead if such homestead passes to a brother or sister.

Amendment

Amend RSA 86:6, III as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

III. The decedent's share of a homestead which, for a period of at least one year immediately preceding the date of death of the decedent, was jointly owned and occupied as a place of residence by the decedent and by the brother or sister or both of the decedent, shall be exempt from the tax imposed in paragraph I if said homestead passes to or for the use of said brother or sister or both.

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Effective Date. This act shall take effect June 30, 1977.

SB 210, recodifying the probate laws of the state and incorporating some of the provisions of the uniform probate code. Refer to the Committee on Judiciary for Interim Study. Rep. Dianne Herchek for Judiciary.

This bill recodifies the probate laws of the state and incorporates certain provisions of the Uniform Probate Code. This is a very comprehensive piece of legislation and it requires a considerable amount of review. The Committee felt that at this time it did not have adequate time to give it the attention it deserves.

SB 318, relative to alternative civil proceeding to declare material obscene and to terminate its dissemination. Refer to the Committee on Judiciary for Interim Study. Rep. Ayles for Judiciary.

The Committee finds problems with some of the definitions and language of parts of this bill and recommends it

be studied with the possible amendment to include obscenity statutes.

SB 363, revising guardianship procedures. Refer to the Committee on Judiciary for Interim Study. Rep. Carpenito for Judiciary.

This bill is a complex and complete revision of all present guardianship laws. It is the unanimous opinion of the Committee that this bill be referred to interim study to afford a more deliberate and careful review of the state's guardianship statutes.

SB 138, relative to an alternative form of county government. Refer to the Committee on Municipal and County Government for Interim Study. Rep. Richard Hanson for Municipal and County Government.

The Committee is studying a series of similar bills directed at relieving state representatives from their duties as members of a county delegation and making county government more direct and feels this bill should be considered with the others.

SB 195, defining and restricting the meaning of "owners" as used in zoning changes. Refer to the Committee on Municipal and County Government for Interim Study. Rep. Mann for Municipal and County Government.

Manchester Water Works owns 21% of the town of Auburn and pays 25 - 26% of the taxes which gives them a substantial voice, through protest petitions, in the town's zoning regulations. This bill would protect the town from such control by one landowner but would leave the Water Works with little voice over its holdings. The problem needs further investigation for a satisfactory solution to both sides as well as for its effects on other cities and towns.

SB 302, relative to the time for completing improvements of subdivisions for vesting rights thereafter. Refer to the Committee on Municipal and County Government for Interim Study. Rep. Emile Boisvert for Municipal and County Government.

Since this bill requires such a drastic change in existing law in extending the exemption from subdivision regulations from 3 to 6 years and instituting vested rights, the Committee would like to study this legislation further.

SB 84, authorizing limited police powers to title investigators, fire investigators and licensing officers of the department of safety. Refer to the Committee on Transportation for Interim Study. Rep. York for Transportation.

The Committee saw that the granting of limited police powers is a complex issue and needs more study.

SB 150, providing an appeal procedure for persons denied a license to operate a motor vehicle for failure to pass a visual acuity examination. Refer to the Committee on Transportation for Interim Study. Rep. Clark for Transportation.

This matter is so complex it demands more study.

Rep. Marshall French moved that debate be limited to twenty minutes equally divided on all bills.

Adopted.

COMMITTEE REPORTS

The Speaker called for the Special Orders

SB 105, relative to registration fees for foreign non-profit corporations. Inexpedient to Legislate. Rep. Norton for Claims, Military and Veterans Affairs.

The sponsor of the bill did not appear; from the scanty information available the Committee could not ascertain that a change should be made in the present "foreign registration" fee structure.

Rep. Chambers moved that the words, Ought to Pass with Amendment, be substituted for the committee report, Inexpedient to Legislate, and spoke to her motion.

Rep. Benton spoke in favor of the motion.

Adopted.

Rep. Chambers offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to registration fees for certain foreign non-profit corporations doing business with the state.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Foreign Nonprofit Corporations; Registration Fee Established. Amend the introductory paragraph of RSA 300:3 (supp) as amended by striking out said paragraph and inserting in place thereof the following:

Every foreign corporation (except foreign insurance companies, to whom this chapter shall not apply, and except holders of certificates of approval issued under the provisions of RSA 181:26 and 28, and corporations otherwise specifically required to register with and consent to service of process upon a state official desiring to do business in this state, shall pay a registration fee of \$100 and shall pay an annual maintenance fee of \$150 payable to the secretary of state on the first business day of April following the date of registration and on the first business day of April thereafter, provided, that a foreign corporation that

has received its certificate of authority pursuant to the provisions of RSA 300:4 at any time between December first of the preceding year and April first, shall not be required to pay said maintenance fee during that year and provided further that a foreign nonprofit corporation proposing to do business in this state under a contract to be approved by the governor and council for the benefit of New Hampshire citizens shall be required only to pay the registration fee provided in RSA 292:5 and continuously maintain in this state.

2 Foreign Nonprofit Corporations; Registration. Amend RSA 292 by inserting after section 5-a the following new section:

292:5-b Foreign Nonprofit Corporations; Registration, Fees. A foreign nonprofit corporation established for any of the purposes set forth in RSA 292:1 or a substantially similar purpose, desiring to do business in this state under a contract to be approved by the governor and council and in furtherance of such purpose for the benefit of citizens of this state, may register as a foreign corporation by making application as provided in RSA 300:4 and paying the fee provided in RSA 292:5. Any such foreign nonprofit corporation shall file the decennial return and pay the fee provided in RSA 292:25-29. A true and certified copy of the corporate charter shall be presented to the secretary of state by the registered agent upon demand and at no cost to the secretary of state. Failure to comply with such demand shall subject the corporation to the provisions of RSA 300:10-a.

3 Effective Date. This act shall take effect 60 days after its passage.

The Clerk read the amendment.

Amendment adopted.

Ordered to third reading.

COMMITTEE REPORTS

(Bills Withdrawn from Consent Calendar)

SB 337, relative to family day care. Ought to Pass with Amendment. Rep. Copenhagen for Health and Welfare.

Rep. Polly Johnson spoke against the amendment.

Rep. Howard moved that SB 337 be made a Special Order for the afternoon.

Rep. Eugene Daniell spoke against the motion.

Rep. Spirou amended the motion to read Thursday, June 9.

Reps. Daniell and Helen Wilson spoke in favor of the Spirou amendment.

Amendment adopted.

SB 337 was made a Special Order for Thursday, June 9.

SB 149, protecting the welfare of certain adults by providing protective services. Refer to the Committee on Judiciary for Interim Study. Rep. Dianne Hercek for Judiciary.

Rep. Arthur Perkins moved that SB 149 be made a Special Order for 2:00 p.m., and spoke to his motion.

Motion adopted.

SB 162, relative to the number of sets of special number plates that may be issued to a member of the general court. Ought to Pass. Rep. Wallin for Legislative Administration.

The bill removes the limitation of two sets of legislative plates to members of the general court. The plates may be attached only to vehicles registered in the name of a member of the general court or spouse or to any vehicle while being operated by such member. Does not add additional persons who may have special plates.

Rep. Chandler moved that SB 162 be Indefinitely Postponed, and spoke to his motion.

Reps. Wallin, Parr and Lyons spoke against the motion.

Rep. Eugene Daniell spoke in favor of the motion.

Rep. Baker spoke to the motion.

Rep. Stimmell moved the previous question. Sufficiently seconded. Adopted.

A roll call was requested. Sufficiently seconded.

COMMUNICATION

Governor Meldrim Thomson, Jr.
State House

Dear Governor Thomson:

On behalf of the members of the House and more particularly those on the

Regulated Revenues and Ways and Means Committees, I am writing to request that you ask your legislative counsel to appear before the Joint Rules Committee at the earliest possible time to request approval for the introduction of additional revenue measures.

Your public statements have indicated that you favor additional revenue raising measures which have not yet been presented to the General Court; the proposed increase in the residents tax is an obvious example.

I know that Marshall French, who is Chairman of the Joint Rules Committee, will be willing to convene a meeting of the committee in prompt response to your request. So that we can complete our business in an orderly manner, I urge you to request this meeting as soon as possible.

Sincerely,
George B. Roberts, Jr.
Speaker of the House

The Clerk read the communication.

SENATE MESSAGE

REQUESTS CONCURRENCE WITH AMENDMENT

HB 498, relative to the state's burden of proof in recommitment hearings for the criminally insane. (Amendment printed in 6/7)

Rep. Arthur Perkins moved that the House concur with the Senate amendment. Adopted.

COMMITTEE REPORTS (cont'd)

SB 127, relative to vacancies in the office of mayor of Nashua. Ought to Pass with Amendment. Rep. Bednar for Municipal and County Government.

The amended bill makes a sincere effort to solve a problem in Nashua. The amendment provides for a referendum in 30 days to determine if the voters of Nashua wish to vote on a line of succession for the office of mayor in the November election. This bill, as amended, sets up a procedure, if adopted by the voters, for filling a vacancy in the office of mayor either by absence, illness, death, or by other causes.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Vacancy in Office of Mayor. Amend 1913, 427 part 1, 43 by striking out said section and inserting in place thereof the following:

SECT. 43. In case a vacancy occurs in the office of mayor by death, resignation, illness, or otherwise, the president of the board of aldermen shall act as temporary mayor, if there are 6 months or less remaining in the term of mayor. If there is 6 months and a day remaining in the term of mayor, the president of the board of aldermen shall act as mayor until a mayor shall be chosen by special election to fill the unexpired term. The

acting mayor shall have the same powers and duties in all respects as if elected mayor by the people, except for appointment and removal powers, and upon his qualifying as acting mayor he shall not participate in any decisions made by the board of aldermen. The remuneration paid to the acting mayor shall be the same as that paid to the president of the board of aldermen. In the event of the mayor's absence from the city, or temporary disability from sickness or other causes for a period not exceeding 30 days, the president of the board of aldermen shall assume the post of acting mayor for that period only and as acting mayor shall have all the powers and perform all the duties of the mayor during the continuance of the latter's absence or disability but shall not participate in any aldermanic duties while serving as acting mayor and shall not have appointment and removal powers.

2 Special Election for Mayor. Amend 1913, 427 part 1 by inserting after section 43 the following new section:

SECT. 43-a. In case a vacancy occurs in the office of mayor by death, resignation, illness, or otherwise and there is at least 6 months and one day remaining in the term of mayor, there shall be held a special election to fill the unexpired term of the mayor not later than 45 days after such vacancy occurs or not later than 45 days after this section takes effect, whichever comes later. However, if such a vacancy occurs within 6 months or less of the next regular municipal election, then said vacancy shall be filled in that regular municipal election. The city clerk shall make all the necessary preparations for the conduct of such special election and the regular election officers shall conduct such special election during the hours to be determined by the board of aldermen. All nominations for the office of mayor shall be handled in the same manner as nominations for mayor at a regular municipal election.

3 Referendum. At a municipal election to be held in the city of Nashua within 30 days after the effective date of this act, the city clerk then in office shall cause the following question to be presented to the qualified voters: "Are you in favor of amending the Nashua city charter relating to vacancies in the office of mayor pursuant to the provisions of an act of the general court of 1977?" Beneath this question shall be printed the word "Yes" and the word "No" with a square immediately opposite such word in which the voter may indicate his choice. If a majority of the voters present and voting on the question shall signify their approval thereof, this act shall be declared to have been adopted. The city clerk of the city of Nashua shall, within 10 days after said election, certify to the secretary of state the result of the vote on this question.

4 Effective Date. Section 3 of this act shall take effect upon its passage and if the act is adopted as provided in said

section, the remainder of the act shall take effect as provided therein.

Amendment adopted.

Rep. Sing explained the bill.

Reps. Levesque, Bednar, Wilfrid

Boisvert and Richard Hanson spoke in favor of the bill.

Rep. L. Penny Dion spoke against the bill.

Rep. Dion moved that SB 127 be laid upon the table.

Motion lost.

SB 223, relative to the winter maintenance of Diamond Pond road in the towns of Colebrook and Stewartstown. Ought to Pass. Rep. Fortier for Public Works.

This bill increases the reimbursement to \$1000 per mile from \$500 per mile that was authorized in 1967. It pertains to 4.33 miles of road in the towns of Colebrook and Stewartstown.

Rep. Huggins offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to the winter maintenance of Diamond Pond road in the towns of Colebrook and Stewartstown and relative to the date of re-opening roads closed for the winter in the town of Stewartstown.

Amend the bill by striking out all after section 2 and inserting in place thereof the following:

3 Re-Opening Date. Notwithstanding any provision of law to the contrary, the selectmen of the town of Stewartstown shall not be required to re-open any town road closed for the winter until May 15.

4 Effective Date. This act shall take effect 60 days after its passage.

HOUSE RESOLUTION NO. 48
establishing a committee to study
legislation affecting
municipalities.

RESOLVED by the House of
Representatives:

That there is hereby established a committee to study the present laws relating to all municipalities; and

That the committee shall be made up of 9 members of the house municipal and county government committee appointed by the speaker of the house; and

That the committee shall receive legislative mileage in the performance of their duties in connection with this study; and

That the committee's report, together with recommendation for new legislation, shall be submitted to the 1979 session of the general court by December 1, 1978.

The Assistant clerk read the resolution.
Adopted.

The subcommittee on Resolutions and Screening having approved its admittance, Rep. Tucker offered the following:

HOUSE RESOLUTION NO. 49

WHEREAS, the Broadway Musical "Annie" won a total of seven awards during Sunday night's Tony Awards ceremony; and

WHEREAS, one of those seven awards was for "Best Actress in a Musical"; and

WHEREAS, the winner of that award was Dorothy Loudon of Claremont, New Hampshire; and

WHEREAS, Miss Loudon has a long and distinguished career as an actress; and

WHEREAS, this award on Sunday is well-deserved and long overdue in coming; now, therefore, be it

RESOLVED, that the House of Representatives do commend Dorothy Loudon for the many hours of joy and entertainment she has given to the many thousands who have watched her perform; and be it further

RESOLVED, that a copy of this Resolution be sent to Miss Loudon at her home in Claremont.

Adopted.

Its admittance having been approved by the Subcommittee on Resolutions and Screening, Rep. Spaulding offered the following:

HOUSE RESOLUTION NO. 50
concerning state health planning
and resource development
decision-making.

WHEREAS, the legislature joins the National Conference of State Legislatures in its support of the goal and purposes of the National Health Planning and Resources Development Act of 1974, P.L. 93-641 and shares that organization's concerns with the specific structures and processes created by the act to achieve those objectives; and

WHEREAS, state government should be responsible for the establishment and structuring of health planning and resource development decision-making mechanisms at the state level; and

WHEREAS, in order to ensure consistency with state laws and policies and to facilitate public accountability rather than autonomous decision-making, state elected officials should have a major role in the federal health planning and decision-making process; and

WHEREAS, if the states are to have their traditional major public policy role in the allocation of health resources, greater flexibility is required than presently exists under P.L. 93-641 to establish organizational structures appropriate to the individual needs of the states; and

WHEREAS, P.L. 91-641 as enacted is extremely weak in insuring clear lines of public accountability for developing health plans and making decisions affecting the delivery of health care services; and

WHEREAS, we are deeply concerned about the authority extended to the executive branch of the federal and state government to control the decisions and structures which will determine health care services for individuals in our communities and states; and

WHEREAS, we believe that federal regulations should be sensitive to the diversity and unique needs of the separate states; now, therefore, be it

RESOLVED by the House of Representatives:

That in order to achieve this objective, we call upon the federal government to insure that state elected officials are consulted prior to the development of future regulations affecting the health care field; and

That copies of this resolution be forwarded to the New Hampshire Congressional delegation and to the regional office of the Public Health Service, United States Department of Health, Education and Welfare.

The Assistant clerk read the resolution.

Adopted.

COMMITTEE REPORTS (Regular Calendar)

SB 297, establishing a study committee to study a unified public school system for the state. Ought to Pass with Amendment. Rep. Henry B. Richardson for Education.

The bill establishes a study committee on a unified public school system. The amendment clarifies the powers of the Supervisory Unions as cited in RSA 186:11. Committee vote was 11-4.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

establishing a study committee to study a unified public school system for the state and prohibiting supervisory unions to do certain acts.

Amend the bill by striking out section 6 and inserting in place thereof the following:

6 Certain Powers of Supervisory Unions Limited. Amend RSA 186:11, I (supp) as amended by inserting in line 7 after the word "corporation." the following (; provided, however, that such supervisory unions shall not have the power to procure land or to construct or purchase buildings.) so that said section as amended shall read as follows:

1. SUPERVISORY UNIONS. Combine the several school districts in the state into not more than 60 supervisory unions consisting of one or more school districts. Such supervisory unions legally organized shall be corporations, with power to sue and be sued, to hold and dispose of real and personal property for the establishment of facilities for administration and any instructional purposes, and to make necessary contracts in relation to any function of the corporation; provided, however, that such supervisory unions shall not have the power to procure land or to construct or purchase buildings. In forming such unions the state board shall continue the unions theretofore formed, when that is the reasonable thing to do, and shall dissolve supervisory unions and form new unions when it finds that such an action promotes the best interests of the schools.

7 Effective Date. This act shall take effect July 1, 1977.

Amendment adopted.

Rep. Huggins moved that the words, Inexpedient to Legislate, be substituted for the committee report, Ought to Pass with Amendment, and spoke to his motion.

Reps. William Boucher, Snell and Catherine-Ann Day spoke against the motion.

Rep. Oleson spoke in favor of the motion.

Question being on the motion to substitute.

The Speaker requested a quorum count. The Speaker declared a quorum present.

Rep. Huggins withdrew his motion to substitute.

Question being on the adoption of the committee report.

Ordered to third reading.

SB 81, relative to the penalty of wilful trespass involving forest product. Ought to Pass with Amendment. Rep. Rogers for Environment and Agriculture.

This bill changes the penalty of wilful trespass involving forest products from a violation to a misdemeanor.

Amendment

Amend RSA 539:1 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

539:1 Forest Product. Whoever shall cut, fell, destroy, injure or carry away, wilfully and unlawfully, any tree, timber, log, wood, pole, underwood or bark, standing or being on the land of another person, or shall aid therein, shall forfeit to the person injured, for every tree, timber, log, wood, pole, underwood or bark so cut, felled, destroyed, injured or carried away, 5 times the value thereof; and shall be guilty of a misdemeanor.

Amendment adopted.

Rep. Greene moved that SB 81 be made a Special Order for later in the day. Adopted.

SB 156, relative to the director of divisions in the department of resources and economic development. Majority: Ought to Pass. Rep. Trachy for Executive Departments and Administration. Minority (Reps. Bosse, Aldrich, Donald Smith, James Herchek and Geraldine Watson): Inexpedient to Legislate.

Majority: This bill provides for an administrative change in the terms of office of the Director, Division of Forests and Director, Division of Parks and Recreation. Presently, these Directors are nominated by the Commissioner of the Department of Resources and Economic Development for a four year term, subject to Governor and Council approval. Under this bill these two directors would be nominated by the Commissioner to an open term, subject to performance and good behavior, with the approval of the Governor and Council. This bill recognizes special qualifications and experience necessary, and these positions would now be recognized as professional career positions. Division of Economic Development not affected. Unanimous support of DRED advisory commission.

Minority: General principles of responsive government argue against tenured appointments to unclassified policy-making positions. Division directors of the various agencies are the key personnel in implementing government philosophy through the bureaucracy. Common sense requires that these individuals be subject to periodic reappointment to insure they reflect the will of the electorate. Vote was 10-7.

Rep. Bosse moved that the Minority report, Inexpedient to Legislate, be substituted for the Majority report, Ought to Pass, and spoke to his motion.

Reps. Hoar and James Herchek spoke in favor of the motion.

Reps. Sara Townsend and Marshall French spoke against the motion.

Rep. Hoar moved that SB 156 be laid upon the table.

Motion lost.

Question being on the Bosse motion, Inexpedient to Legislate.

Rep. Chandler requested a roll call. Sufficiently seconded.

SB 149, protecting the welfare of certain adults by providing protective services. Refer to the Committee on Judiciary for Interim Study. Rep. Dianne Herchek for Judiciary.

This bill provides for protective services for certain adults who may suffer from incapacity or limited mental, emotional or physical function which may result in harm or hazard to himself or others, or who may be

neglected, abused or exploited. The Committee felt this piece of legislation required more attention than it could adequately give it at this time.

Rep. Henry Richardson moved that the words, Ought to Pass with Amendment, be substituted for the committee report, Refer to the Committee on Judiciary for Interim Study, spoke to his motion and yielded to Rep. Arthur Perkins who spoke to the committee report.

Motion adopted.

Rep. Arthur Perkins offered an amendment.

Amendment

Amend RSA 161-B:2 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

161-B:2 Definitions. In this chapter:

I. "Adult" means any person who is 18 years of age or older who is found to manifest a degree of incapacity by reason of limited mental or physical function which may result in harm or hazard to himself or others or who is a person unable to manage his estate.

II. "Director" means the director of the division of welfare, department of health and welfare.

III. "Protective services" means services and action which will, through voluntary agreement or through appropriate court action, prevent neglect, abuse or exploitation of adults. Such services shall include, but not be limited to, supervision, guidance, counseling and, when necessary, assistance in the securing of sanitary and nonhazardous living accommodations, and mental and physical examinations. However, protective services shall not include voluntary commitment to the state hospital or the state school unless said commitments are made pursuant to RSA 135-B or RSA 171-A.

IV. "Abuse" means intentional use of physical force, non-accidental injury as the result of acts or omissions, mental anguish, or unreasonable confinement.

V. "Neglect" means a pattern of conduct rather than an action or omission which results in deprivation of services that are necessary to maintain minimum mental and physical health.

VI. "Exploitation" means the illegal or improper use of an incapacitated adult or his resources for another profit or advantage.

Amend RSA 161-B:3 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

161-B:3 Investigation of Complaints. The director or his authorized representative shall investigate complaints concerning adults who are reported as neglected, abused, exploited or living in hazardous conditions unless the director or his authorized representative determines that the complaint is frivolous or without a factual basis.

The Clerk read the amendment.
Amendment adopted.
Ordered to third reading.

COMMITTEE REPORTS (cont.)

SB 194, to permit the state to accept the retrocession of jurisdiction in and over the Veterans Administration Hospital in Manchester, New Hampshire. Ought to Pass with Amendment. Rep. Marshall French for Interstate Cooperation.

Amendment changes the words "all or part of the jurisdiction in and over the" Veterans Administration Hospital, Manchester, New Hampshire heretofore acquired by the federal government to the law enforcement jurisdiction. Committee vote was 8-1.

Amendment

Amend section 1 of the bill by striking out same and inserting in place thereof the following:

1 Acceptance of Jurisdiction over the Veterans Administration Hospital. Notwithstanding any other provision of law, the governor, upon advice and consent of council, if he deems it desirable and in the public interest, may accept on behalf of the state of New Hampshire the retrocession of the law enforcement jurisdiction concurrent with the federal government in and over the Veterans Administration hospital, Manchester, New Hampshire, heretofore acquired by the federal government.

Amendment adopted.

Referred to Appropriations.

SB 343, making an appropriation for the American and Canadian French cultural exchange commission. Inexpedient to Legislate. Rep. Marshall French for Interstate Cooperation.

In light of financial crunch that we are in and the fact that this bill was not funded in the last session the Committee felt that it should be reported inexpedient to legislate. Vote was 7-2.

Resolution adopted.

SB 59, relative to cease and desist orders issued by the water supply and pollution control commission. Ought to Pass. Rep. Pappas for Judiciary.

This bill provides for the recordation, in the registry of deeds in the appropriate county, of any cease and desist order issued by the Water Supply and Pollution Control Commission. The Commission shall record the order and such order shall run with the land. The Committee felt that this will make the affected party aware and to report it in the appropriate county. This further makes the order against the land, which prevents it becoming null and void if ownership of the land changes. Ordered to third reading.

SB 87, prohibiting adult persons of the same sex from consorting in a lewd or licentious manner in a public place. Inexpedient to Legislate. Rep. Martin for Judiciary.

This bill addresses itself to the problem of public displays of objectionable behavior only by homosexuals. The Supreme court has ruled that discrimination based on homosexuality is unconstitutional. Furthermore, there are existing statutes that prohibit this kind of behavior by heterosexuals and homosexuals. The Committee felt that this bill was poorly drafted and unnecessary. Vote was 11-2.

Rep. Martin moved that SB 87 be laid upon the Table.
Adopted.

SB 207, relative to foreclosure sales. Ought to Pass. Rep. Arthur Perkins for Judiciary.

The bill updates the law pertaining to foreclosure under power of sale mortgages by: expanding publication of notice to include a paper of statewide circulation; requiring specific language to the debtor informing him of his right to enjoin the sale; permitting sale to take place on one parcel of land when there are several parcels subject to the mortgage; it would under certain circumstances permit foreclosing upon personalty; simultaneously with the real estate. Ordered to third reading.

SB 168, adopting a safe drinking water act for New Hampshire. Ought to Pass. Rep. Dickinson for Resources, Recreation and Development.

This bill adopts a safe drinking water act for the state which permits the state to implement Public Law 93-23 the federal safe drinking water act. Reconciles the language of state regulations dealing with public water supply systems with the federal requirements. Ordered to third reading.

SUSPENSION OF RULES

Rep. Morgan moved that the rules be so
far suspended as to permit consideration
of a committee report without the required
notice in the Calendar on SB 370,
exempting from taxation interest on
certain out of state bank deposits.

Adopted by the necessary two-thirds.

COMMITTEE REPORT

SB 370, exempting from taxation
interest on certain out of state bank
deposits. Ought to Pass. Rep. Morgan for
Commerce and Consumer Affairs.

Rep. Plourde offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

exemption from tax interest on certain out of state bank deposits and relative to the term of legislative members to the bank advisory board.

Amend section 2 of the bill by striking out same and inserting in place thereof the following:

2 Advisory Board. Amend RSA 383:20 (supp) as inserted by 1961, 278:1 as amended by striking out said section and inserting in place thereof the following:

383:20 Appointment and Term. The advisory board shall consist of 9 members, 6 members to be appointed by the governor with the advice and consent of the council from nominations made from each of the following groups, namely, mutual savings banks, the trust companies, the guaranty savings banks, cooperative banks (including building and loan associations), consumer finance companies with principal offices in New Hampshire, and the state chartered credit unions, each of whom shall select a panel of 3 persons representing its type of institution and from each of the 6 panels thus selected one person shall be appointed to the advisory board. The terms of office of said members shall be for 6 years each. In addition, the speaker of the house shall appoint 2 members, who shall be members of the house, and the president of the senate shall appoint one member, who shall be a member of the senate, said 3 members shall serve for a term of 2 years which shall be coterminous with their elected term in the house or senate, as applicable. Each member of the board shall serve until his successor has been appointed and qualified and vacancies shall be filled for the unexpired term in the same manner in which the original appointments were made. The advisory board shall also act as a committee to study the banking laws and make such recommendations as they see fit to any future session of the legislature. The chairman shall be elected by the board from its members annually at the first regular semi-annual meeting. A vice-chairman and clerk shall be elected at the same meeting and the clerk may be other than a member of the board. Special meetings may be held at different places about the state.

3 Effective Date. This act shall take effect upon its passage.

The Assistant clerk read the amendment.

Rep. Plourde spoke to his amendment. Amendment adopted.

Rep. Morgan explained the committee report.

Rep. Plourde further explained the committee report.

Question being on the adoption of the committee report.

Reps. McLane and Wallin spoke in favor of the committee report.

Committee report adopted.

Ordered to third reading.

ENROLLED BILLS AMENDMENT

SB 290, relative to the state library acting in an advisory capacity to state institutional libraries.

This amendment makes a grammatical correction by changing "institution" to "institutional" where it is used as an adjective.

Amendment

Amend RSA 201-A:2, VI as inserted by section 1 of the bill by striking out line 9 and inserting in place thereof the following:

Institutional library services and publish statistics on a regular basis; Adopted.

Rep. Marshall French moved that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time, and when the House adjourns today it be to meet tomorrow at 10:00 a.m. Adopted.

Adopted.

The House adjourned at 4:30 p.m.

HOUSE JOURNAL 44

Thursday, 9 June 77

The House met at 10:00 a.m.

The Speaker requested a quorum count.
The Speaker declared a quorum present.

Prayer was offered by guest chaplain Rev. Christopher J. Emerson of the United Church of Warner, New Hampshire.

O Lord our God, silence the agendas of our minds. Help us to cease, for however brief a moment, the churnings of our minds. We pray, O God, that the decision-makers of this great Legislature will receive your Spirit today as welcome Advisor. We pray that these men and women will not rest until right becomes righteousness, until mores become morals, until virtue is crowned by faith.

O Lord, be alive to this assembly as the standard of justice and the measure of peace. We pray this day in full faith that your Word will be established above and beyond all our efforts. In the name of Jesus Christ. Amen!

Rep. Rounds led the pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Burrows, Forsaith Daniels, Waters, Hunt, St. George, Nelson, Emile Boisvert, Wallace, Dostilio and Bellemore, the day, illness.

Reps. Welch, Roland Boucher, Emma Wheeler, Sabbow, Callahan, Gemmill, Duhaime, Alter, Walter Desmarais, Dennis Ramsey, Van Loan, Wiviott, Soucy, Orcutt and Chapman, the day, important business.

Reps. Seamans and Crotty, the day, illness in the family.

INTRODUCTION OF GUESTS

Christoph Lintermanns of Mexico, guest of Reps. Splaine and Burchell; Fourth grade class of St. Catherine's School of Manchester and teachers, Sister Evelyn, Sister Rachael and Miss Maureen Cullity and parents, guests of Rep. Catherine-Ann Day; Peter Terry, brother and guest of Rep. Terry; Clair Binet and friends, guest of the House; Pamela Russell, daughter of Rep. Russell.

COMMITTEE REPORTS

(Consent Calendar)

Rep. Marshall French moved that the House adopt the committee recommendation of Inexpedient to Legislate on SBs 274, 254, 338, 172, 214, 261, 268, 357, 88 and 169, and further moved that the House

adopt the committee recommendation of Ought to Pass on SBs 349, 285 and 134, and further moved that the House adopt the committee recommendation of Ought to Pass with Amendment on SBs 276, 220, 369, 350, 171 and 282, and further moved that the House adopt the committee recommendation of Refer to Interim Study committees by the appropriate standing committees on SBs 336, 335, 316 and 283.

At the request of members the following bills were removed from the Consent Calendar.

SB 335, relative to the establishment of a section of graphic services.

SB 220, requiring a mandatory jail sentence for any felony in which a deadly weapon is used.

SB 349, granting zoning powers to the Lower Bartlett water precinct village district and ratifying the annual meetings of the Lower Bartlett water precinct village district for 1976 and 1977.

SB 283, relative to motor vehicles declared to be totally damaged.

Adopted.

COMMITTEE REPORTS

(Consent Calendar)

SB 274, relative to licensing automobile insurance appraisers. Inexpedient to Legislate. Rep. Lamy for Commerce and Consumer Affairs.

The Committee did not see any need for this bill.

SB 254, eliminating the one year full pay provision for totally disabled classified state employees. Inexpedient to Legislate. Rep. Cornelius for Executive Departments and Administration.

Any change in benefits for state employees should be part of the collective bargaining process. Since the issue addressed by this bill was never raised by the state in the course of negotiations, the Committee voted unanimously that making it the subject of legislation was contrary to the spirit of the collective bargaining law.

SB 338, relative to investigations of the state fire marshal. Inexpedient to Legislate. Rep. Laycock for Executive Departments and Administration.

The Committee feels that the state fire marshal is the proper agency to investigate fires resulting in death. Unanimous vote.

SB 172, relative to parental responsibility. Inexpedient to Legislate. Rep. Carpenito for Judiciary. This bill is in direct contradiction to the concept of our present juvenile justice system. It is designed to:

1. Mandate the publication of the name of any juvenile delinquent guilty of any second offense. Under present law, juvenile courts may release names of juveniles to persons having a

legitimate interest in the case. This bill would remove the present law's protection from indiscriminate public inspection.

2. This bill would create a new crime, the "Crime of Negligent Contribution to a Child's Delinquency." Parents of a child who may have committed an act of vandalism would also be subject to prosecution for "committing" this new crime. These parents would be charged with a misdemeanor.

3. This bill also establishes another new crime. The parents of any child who is a habitual truant would be guilty of a misdemeanor. The Committee felt that this type of a sledgehammer approach was not the way to solve the problem of truancy.

4. This bill removes the present \$500 limitation on a parent's liability for damages caused by a child's delinquent acts. The sponsors of this bill were unable to estimate the number of families that may be forced into bankruptcy by the complete removal of this limitation. Further, if these family bankruptcies are caused by a new crime (the "negligent contribution to a child's delinquency"), should the bankrupt families be allowed to receive welfare?

On April 21 the House killed two bills that attempted to dismantle the juvenile justice system in a similar manner. The Committee felt that it would be inconsistent and unwise to pass this bill that would have such a sweeping and debilitating effect on our system of juvenile justice.

SB 214, prohibiting the possession or sale of devices used to defraud communications companies. Inexpedient to Legislate. Rep. Martin for Judiciary.

This problem is currently addressed in present statutes dealing with theft of services. RSA 637:8, III, already establishes specific legislative intent as it specifically mentions the Telephone Company.

SB 261, relative to the service of writs and other processes. Inexpedient to Legislate. Rep. Currier for Judiciary.

This bill could have a substantial impact on county budgets which the Committee did not have time to analyze. Service of process is an important part of civil proceedings, and the Committee did not feel it wise to restructure service requirements at this time.

SB 268, relative to the rights of law enforcement officers. Inexpedient to Legislate. Rep. Martin for Judiciary.

This bill would establish a bill of rights for policemen and create a hearing procedure to adjudicate disputes for grievances of law enforcement officers.

The Committee felt that these kinds of administrative problems within police departments would be aggravated by this kind of legislation.

Furthermore, this entire bill would apply to only one police department in this state.

Committee vote was 10-1 with Reps. Currier, Healy and Eaton taking Rule 16.

SB 357, relative to sovereign immunity of the state. Inexpedient to Legislate. Rep. Aller for Judiciary.

The Committee feels that the doctrine of sovereign immunity is well entrenched, and need not be incorporated into the statutes.

SB 88, relative to workmen's compensation coverage for domestic and casual employees. Inexpedient to Legislate. Rep. Robert Wheeler for Labor, Human Resources and Rehabilitation.

If the repeal of the current coverage were enacted, New Hampshire would be taking a backward step. It would eliminate a responsible insuring mechanism and leave absolutely nothing in its place.

SB 169, relative to parking permits for handicapped persons. Inexpedient to Legislate. Rep. Tavitian for Transportation.

The Committee unanimously feels that the subject matter of this bill has been adequately covered by SB 31 which the Committee passed.

SB 285, relative to the accelerated Federal-Aid highway construction program. Ought to Pass. Rep. Bibbo for Public Works.

This bill is merely a bookkeeping measure.

SB 134, relative to reforestation of land. Ought to Pass. Rep. Claflin for Resources, Recreation and Development.

Changes Director of Resources Development to the Director of Forests and Lands in compatibility with other statutes.

Simplifies acceptance of land by the state, eliminating present provisions allowing the donor to recover the land in a specified number of years.

SB 276, concerning the penalties for using unapproved insurance policy forms. Ought to Pass with Amendment. Rep. Lamy for Commerce and Consumer Affairs.

This bill enforces a stiffer fine for the companies using unapproved policy forms.

Amendment

Amend RSA 412:4 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

412:4 Penalty. If any insurer shall issue any policy in violation of the provisions of this chapter, or any policy which it has been forbidden to issue by the commissioner under the provisions hereof, the commissioner may, upon

hearing, suspend or revoke said insurer's certificate of authority or license for a period not to exceed 3 years, or impose an administrative fine not to exceed \$10,000 for each violation in lieu of such suspension or revocation.

SB 369, authorizing the town of Littleton to exceed its bonded indebtedness to cover present indebtedness of the Littleton water and light department. Ought to Pass with Amendment. Rep. Pepitone for Municipal and County Government.

An audit by the Department of Revenue Administration revealed that poor bookkeeping and management has brought the water and light departments near bankruptcy. The departments are being restructured but need additional bonding to get them out from under excessive monthly payments which hinder regular operations. The bill as amended sets out the guidelines to be followed as well as requiring a majority vote referendum.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Debt Limit Extended.

Notwithstanding the provisions of RSA 33 or any other law to the contrary, the town of Littleton is hereby authorized to exceed its bonded indebtedness by \$450,000 to cover the present indebtedness of the Littleton water and light department.

2 Borrowing Authorized.

1. The town of Littleton is authorized to borrow up to \$450,000 on a 10 year basis and the amortization of the principal and interest of such debt shall be repaid from water rents to be charged users of the water department.

II. The rents of the water department shall also be increased sufficiently to repay an additional electric department investment in the water department of approximately \$604,000 over a maximum period of 20 years.

3 Commissioners Responsibility. To cover the funding authorized under section 2 of this act the commissioners of the water and light department shall impose adequate user charges in both the electric department and the water department to sustain annual operating expenses of each department. Also, the commissioners shall submit operating and capital budgets to the annual or any special town meeting for approval of the voters.

4 Referendum. This act shall not take effect unless it is adopted by a majority vote of those present and voting at a special town meeting in the town of Littleton to be warned and held within 60 days of the passage of this act. The selectmen shall include in the warrant for said special meeting the following article "To see if the town will vote to adopt the provisions of 'An Act authorizing the town of Littleton to borrow the sum of \$450,000 for the purpose of liquidating part of the

water department debt to the electric department.'" An official ballot shall be used for the voting on said article. If a majority of those present and voting on this question vote in the affirmative, this act shall be declared to have been adopted. Within 10 days after said referendum the town clerk shall certify to the secretary of state the results of said vote.

5 Effective Date.

I. Section 4 of this act shall take effect upon passage.

II. Section 1 thru 3 shall take effect as provided in section 4.

SB 350, authorizing games of chance at agricultural fairs and nonprofit fundraising activities and permitting local officials to receive reports of beano games. Ought to Pass with Amendment. Reps. Kenneth MacDonald and James Humphrey for Regulated Revenues.

This bill is long overdue. The Committee felt this bill would make legal what has been done illegally for many years. The bill allows for home rule as amended and specifically prohibits the so-called "one-arm bandits."

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 New Chapter. Amend RSA by inserting after RSA 287-C the following new chapter:

CHAPTER 287-D Games of Chance

287-D:1 Definitions. In this chapter:

I. "Game of chance" means any game involving gambling as defined by RSA 647:2, IV or any lottery prohibited by RSA 647:1 but shall not include any game involving the use of a slot machine or any other device in the nature of a slot machine.

II. "Nonprofit organization" means:

(a) Any nonprofit organization, association or corporation registered with the United States Internal Revenue Service and having an IRS nonprofit organization number; or

(b) Any police, firemen's, veterans', civic, fraternal or church organization, association or corporation whether or not it has an IRS nonprofit organization number.

287-D:2 Games of Chance Authorized.

A nonprofit organization may conduct games of chance to promote the purpose for which it was organized, in the manner hereinafter provided and not otherwise:

I. All nonprofit organizations seeking a license to operate games of chance shall have been organized in good faith and actively functioning as a nonprofit organization in this state for a period of not less than 2 years prior to its application for a license.

II. No one may apply for a license for the operation of games of chance without first obtaining written permission

of the owner of the property where the games will be conducted. Such permission shall be acknowledged before a notary public or a justice of the peace and shall be obtained on a form supplied by the chief of police of said city or town.

III. Application for a license to operate any game of chance shall be issued by the chief of police of said city or town where the games of chance may be operated. The chief of police may issue only one license to each applicant per year to operate games of chance for a period not to exceed 10 days.

IV. The license shall authorize games of chance of a specified type on specified dates at specified times and at a specified location.

V. The license shall not be transferable.

VI. All games of chance conducted by nonprofit organizations shall be operated solely by members thereof.

VII. The chief of police may issue to a nonprofit organization a license to conduct said games after satisfying the requirements of paragraph II.

VIII. Games of chance may be conducted at agricultural fairs and other locations where nonprofit fundraising activities are conducted.

287-D:3 Equipment; Wagering; Prizes.

I. No game of chance shall be conducted with any equipment except such as is owned absolutely or used without payment of any compensation therefor by the licensee or as is rented at a fixed fee only from a dealer in such equipment who has his principal place of business in this state and who has registered with the secretary of state in such manner and on such form as the secretary of state prescribes.

II. Any and all devices and equipment used to conduct said games of chance shall be subject to inspection by duly authorized law enforcement officials.

III. No mechanism or device, which can be used to regulate odds, will be permitted to operate said games of chance and no progression in any form shall be permitted in the operation of any such game.

IV. A player of any game of chance and only a player shall activate any and all devices used for the purposes of wagering on said games of chance.

V. No single wager by a player, on any game of chance, shall exceed the amount of \$1.

287-D:4 Agency Not Permitted. No nonprofit organization shall act as an agent for conducting a game of chance, where it is unlawful for the nonprofit organization's principal to conduct such a game.

287-D:5 Fees and Reports.

I. An applicant for a license under this chapter shall apply to the chief of police, and upon payment of a fee of \$25 and if the applicant meets all other requirements of this chapter, a license shall be issued. The fee shall be paid to the city or town treasurer for the use of the city or town.

II. The chief of police issuing a license under paragraph I may request the applicant to submit an accounting in such form as he shall determine of all receipts and expenditures of the applicant in connection with any game of chance conducted under this chapter. Any such request shall be clearly stated on the license when issued. Any nonprofit organization or any officer or employee of such organization shall be guilty of a violation for failing to submit any report requested pursuant to this section.

SB 171, relative to dredge and fill and the location and certain specifications of wharves and piers. Ought to Pass with Amendment. Rep. Claffin for Resources, Recreation and Development.

Makes certain exemptions in cases of dredge and fill projects which are minor in nature, and generally shapes up procedure.

Amendment

Amend section 1 of the bill by striking out same and inserting in place thereof the following:

1 Title of Chapter. Amend the title of RSA 483-A by striking out same and inserting in place thereof the following:

CHAPTER 483-A

Fill and Dredge in Wetlands

Amend RSA 483-A:1 as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

483-A:1 Excavating and Dredging Permit; Certain Exemptions.

I. No person shall excavate, remove, fill or dredge any bank, flat, marsh, or swamp in and adjacent to any waters of the state without written notice of his intention to excavate, remove, fill or dredge to the water resources board. Said notice shall be sent by registered mail to the water resources board at least 30 days prior to such excavating, removing, filling or dredging with a detailed plan drawn to scale of the proposed project. At the time of filing with the water resources board, said person shall also file 3 copies of said notice, with a detailed plan, if a major project, but accompanied with a map showing the exact location of the proposed project with the town or city clerk. The town or city clerk shall forthwith send a copy of the said notice to the selectmen, mayor or city manager, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed two dollars, the copies of said notice shall be made reasonably accessible to the public.

II. The replacement or repair of existing structures in or adjacent to any waters of the state which does not involve excavation, removal, filling or dredging in any waters or of any bank, flat marsh or swamp is exempt from the provisions of this chapter.

Amend section 3 of the bill by striking out same and inserting in place thereof the following:

3 Placing Fill and Structures in Public Waters. Amend RSA 482:41-e (supp) as inserted by 1967, 307:1 as amended by striking out said section and inserting in place thereof the following:

482:41-e Artificial Fill and Structures; Exemptions.

I. No person, firm, corporation or governmental entity shall place or cause to be placed any fill, or erect or cause, or permit the erection of any structure in any area below the mean high water level of any public waters or below the artificially created high water level of public-owned water bodies in this state with the intent or with the effect of creating or forming filled land thereby adjacent to such water bodies, or erect, or cause, or permit the erection of any structure in any such area, except as provided in this subdivision. For the purposes of this subdivision, public waters are defined as all natural ponds of more than 10 acres and all tidal waters from the mean high tide line to the extent of state sovereignty. Public-owned water bodies are defined as those bodies of water whose artificial high water level is maintained by the state's exercise of its flowage rights on these ponds. The provisions of this subdivision shall apply to the construction of wharves or piers. The provisions of this subdivision shall not apply to such other minor improvements of shore lines as the wetlands board, by regulations promulgated in the manner set forth in RSA 483-A:4-a, II, may allow.

II. No grant or right shall be required for replacement or repair of any existing wharf or pier that does not increase the size of the structure, and no grant or right shall be required for wharves or piers that are placed in the water at the beginning of the boating season and are removed thereafter provided that such structure does not require placing fill or dredging of excavating the lake bed, or that such structure does not require a covering, roof or canopy.

SB 282, relative to the use of binder chains on certain motor vehicles transporting construction equipment. Ought to Pass with Amendment. Rep. Arline Dion for Transportation.

This bill requires any motor truck, trailer or semi-trailer transporting construction equipment with not less than two 3/8 inch or greater chains, two 1/2 inch steel cables and binders, and two turnbuckles of comparable strength that are properly placed to secure the load. This is to prevent a serious accident.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to vehicles transporting construction equipment and relative to exempting out of state vehicles from a user's license until July 1, 1979.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Vehicles Carrying Construction Equipment. Amend RSA 263 by inserting after section 68-c the following new section:

263:68-d Securing Construction Equipment on Vehicles.

I. No motor truck, trailer or semi-trailer, while being used to transport construction equipment shall be operated on the highways of the state unless such load on each such unit is not bound by:

(a) not less than 2 chains and binders made of not less than 3/8 inch wire, or

(b) not less than 2 steel cables and binders, or

(c) not less than 2 turnbuckles of comparable strength to the devices in subparagraphs (a) and (b).

II. Such chains, cables or turnbuckles shall be held firmly in place and shall be properly placed to secure the load.

2 Interim Study Authorized, User License Suspended. All vehicles used exclusively to carry passengers for pleasure purposes and registered exclusively in another state shall be exempted from the requirements of a user's license established by RSA 265:22, III until July 1, 1979, and the general court shall conduct an interim study of the impact of diesel-powered passenger vehicles on revenues under the road toll statutes.

3 Effective Date. This act shall take effect 60 days after its passage.

SB 336, relative to home warranties. Refer to the Committee on Commerce and Consumer Affairs for Interim Study. Rep. Lamy for Commerce and Consumer Affairs. The Committee was not sure warranty provisions covering construction of new homes are needed. It felt this should be looked into in interim study.

SB 316, establishing a surrogate parent program in New Hampshire. Refer to the Judicial Council for Interim Study. Rep. Currier for Judiciary.

The concept in this bill is meritorious but must be carefully coordinated with the guardianship statutes. Since the time the Committee considered this bill, it appeared that the guardianship statutes might undergo substantial changes, it was felt that this bill should be examined further.

The Speaker called for the Special Orders.

SB 337, relative to family day care. Ought to Pass with Amendment. Rep. Copenhaver for Health and Welfare.

After lengthy discussion the Committee felt that this bill ought to pass as amended.

Previously all persons caring for only one child, not their own or related, had to qualify for a license from the Division of Welfare before legally being able to care for the one child. The amendment will allow up to three unrelated children before licensure would be required. Committee voted 14-0.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Exceptions Expanded. Amend RSA 170-E:2 (supp) as inserted by 1975, 471:2 by inserting in line 11 after the word "organizations." the following (In addition, family day care homes in which no more than 3 unrelated children or any number of children from one family are cared for regularly for any part of the day, but less than 24 hours, are excluded from the requirement of licensure under this chapter, unless the family day care home elects to comply with the provisions of this chapter and be licensed.) so that said section as amended shall read as follows:

170-E:2 Exceptions. The definitions in RSA 170-E:1, X or XII do not apply to kindergarten or nursery schools or other daytime programs operated by public or private elementary school systems or secondary level school units or institutions of higher learning; facilities operated in connection with a shopping center or service, ski areas, bowling alleys, Sunday schools or other similar facilities where transient children are cared for temporarily while parents or custodians of the children are occupied on the premises or are in the immediate vicinity and readily available; special activities programs, including athletics, craft instruction and similar activities conducted on an organized and periodic basis by civic, charitable and governmental organizations. In addition, family day care homes in which no more than 3 unrelated children or any number of children from one family are cared for regularly for any part of the day, but less than 24 hours, are excluded from the requirement of licensure under this chapter, unless the family day care home elects to comply with the provisions of this chapter and be licensed.

2 Effective Date. This act shall take effect 60 days after its passage.

Rep. Spirou moved that debate be limited to twenty minutes equally divided on all bills.

Rep. Eugene Daniell spoke to the motion.

Rep. Scamman amended the Spirou motion to read four minutes on all proposed amendments.

Amendment adopted.

Motion adopted.

Question being on the Committee Amendment.

Amendment adopted.

Rep. Howard offered an amendment

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Advisory Committee. Amend RSA 170-E by inserting after section 20 the following new section:

170-E:21 Advisory Committee. There shall be a 23 member advisory committee to advise the state division of welfare on general and specific policies involved in providing child care in child caring agencies. Members of the committee shall receive no per diem but shall be entitled to expenses including mileage when in the performance of their duties. The members, their terms, and their appointers are as follows:

I. The chief of the bureau of child and family services, division of welfare, shall serve as chairman of the committee for as long as he shall hold his position but he shall have no vote in any decision.

II. The director of the division of welfare shall appoint the following members with the approval of the governor and council:

(a) For a 3-year term, a member of the bureau of maternal and child health, division of public health services;

(b) For a 3-year term, a member of the department of education;

(c) For a 3-year term, a member from the fire marshal's office, department of safety;

(d) For an initial one-year term and thereafter 3-year terms, a member from the New Hampshire Association for the Education of Young Children;

(e) For a 2-year term, a member from the child and family services of New Hampshire or from New Hampshire Catholic social service, with the first 2-year term going to the member from the child and family services of New Hampshire and thenceforward alternating every 2 years between the 2 organizations;

(f) For an initial one-year term and thereafter, 3-year terms, a member from head start.

III. The Speaker of the house shall appoint 2 members for 3-year terms.

IV. The President of the senate shall appoint one member of the senate for a 3-year term.

V. The New Hampshire bar association shall select an attorney for a 3-year term.

VI. For a 3-year term, one member of a nonprofit day care center is to be selected by a random drawing from among such centers.

VII. For a 2-year term, one member of a proprietary day care center is to be selected by a random drawing from among such centers.

VIII. For a 2-year term, one member of a family day care home is to be selected by a random drawing from among such homes.

IX. For one-year terms, 9 parent-consumer members who make use of child caring agencies as follows: one who has a child in head start, 3 who have children at nonprofit day care centers, 3 who have children at proprietary day care centers and 2 who have children at family day care homes. All 9 are to be selected by random drawing from among the appropriate groups.

3 Effective Date. Section 1 of this act shall take effect 60 days after its passage and section 2 shall take effect 90 days after its passage.

SB 348, relative to qualifications for admission to practice law and establishing a special fund derived from bar applicant fees for the use of the supreme court. Ought to Pass with Amendment. Rep. Pappas for Judiciary.

This bill establishes a special fund made up of fees charged to applicants for the bar to establish, administer and enforce standards of character and fitness of such applicants. The committee unanimously felt that due to the increasing amount of applicants, especially from out-of-state, that investigation as to their qualifications is a necessity. This bill was introduced at the request of Chief Justice Kenison and was felt that if the Supreme Court has the authority to set standards, it should be allowed to investigate.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

establishing a special fund derived from bar applicant fees for the use of the supreme court.

Amend RSA 6:12-b as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

6:12-b Special Fund. The treasurer shall establish a special fund which shall not lapse, comprised of fees charged by the supreme court of applicants for admission to the bar for the purpose of establishing, administering and enforcing standards of character and fitness of such applicants. The supreme court is hereby authorized to draw on the special fund for such sums as it shall find to be appropriate for such purposes. This section does not affect the supreme courts's authority to establish and collect fees from applicants for the New Hampshire bar examination to defray the cost of administering the bar examination, nor does it affect the disposition of such examination fees.

Amend the bill by striking out section 2 and renumbering section 3 to read as 2.

Amendment adopted.

Ordered to third reading.

SB 85, relative to the authority to levy tolls on the eastern New Hampshire turnpike, the central New Hampshire turnpike, and the New Hampshire turnpike system. Majority: Refer to the Committee on Public Works for Interim Study. Rep. Desnoyer for Public Works. Minority (Rep. James J. White): Inexpedient to Legislate.

Majority: The Committee wished to give consideration to this bill and HB 967, which is similar. Both bills are germane to the issue.

Minority: This bill as written negates the existing policy which has proven its value and worth.

The Governor and Council, in reviewing all aspects of possible toll increases, have acted with detachment and integrity.

Rep. James J. White moved that the words, Ought to Pass with Amendment, be substituted for the Majority report, Refer to the Committee on Public Works for Interim Study, and spoke to his motion.

Reps. Marshala, Spirou and Marshall French spoke in favor of the motion.

Motion adopted.

Reps. James J. White and Marshala offered an amendment.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Toll Committee Established. Amend RSA by inserting after chapter 258 the following new chapter:

CHAPTER 258-A

Toll Review Committee

258-A:1 Committee Established. There is hereby established a 7-member toll review committee made up as follows:

I. Four members of the house of representatives appointed by the speaker;

II. Three members of the senate appointed by the president of the senate.

258-A:2 Duties. It shall be the duty of the toll review committee to review all proposed increases in tolls on all New

Hampshire turnpikes and report on same to both houses of the general court.

258-A:3 Term; Vacancies. The term of office of members of the toll review committee shall be 2 years and shall run concurrently with sessions of the general court. Any vacancies on the committee shall be filled for the remainder of the term by an appointment by the speaker of the house or senate president as applicable.

258-A:4 Compensation. Compensation for members of the toll review committee shall be only whatever is received by members of committees of the general court.

2 Eastern New Hampshire Turnpike Tolls. Amend RSA 256:8 by striking out said section and inserting in place thereof the following:

256:8 Tolls. Tolls or charges which are reviewed and reported on by the toll review committee and which are deemed necessary and reasonable for the use of any part of said highway or any part of the right-of-way and other property acquired pursuant to the provisions hereof and which are approved by the general court by concurrent resolution shall be collected from persons operating motor vehicles thereon or otherwise making use of said right of way. The tolls collected shall be deposited with the state treasurer who shall keep the same in a separate account, and the operating expenses and maintenance of the turnpike shall be paid from said account. From the balance remaining after payment of operation and maintenance, the governor, with the approval of the council, shall pay the interest and principal on the bonds issued hereunder. Fourteen days previous to the time said interest and principal is payable, the state treasurer shall examine the existing balance and if such balance is insufficient to make the payment, then he shall notify the governor who will immediately draw his warrant on the highway fund to cover any deficit and if the funds in both of the above accounts are insufficient the governor will draw his warrant upon the state's general fund to the amount necessary to meet the payments. The full faith and credit of the state is pledged to the payment of the principal of and the interest on the bonds as they become due and payable. Any funds paid out from the state's general fund for the above purposes shall be reimbursed from the collection of tolls as soon as such funds are available. Any funds that have been or may be expended for the completion of the turnpike by the department of public works and highways shall be repaid to said department when, in the opinion of the governor and council, sufficient funds are available. Any excess income may be used for further toll road extensions in accordance with RSA 256:1 (m). During the construction of the turnpike the governor may, if necessary, draw his warrant upon the highway fund to pay interest due on any bonds that have been issued in accordance with the provisions of this chapter; such

payment is to be repaid to the highway fund from the collection of tolls.

3 New Hampshire Turnpike System Tolls. Amend RSA 256-C:8 (supp) as inserted by 1971, 520:1 by striking out said section and inserting in place thereof the following:

256-C:8 Tolls. Tolls or charges which are reviewed and reported on by the toll review committee and which are deemed necessary and reasonable for the use of any part of the New Hampshire turnpike system or any part of the right-of-way and other property acquired in connection therewith and which are approved by the general court by concurrent resolution shall be collected from persons operating motor vehicles thereon or otherwise making use of said right-of-way. The tolls collected shall be deposited with the state treasurer who shall keep the same in a separate account for the New Hampshire turnpike system and the operating expenses and maintenance costs of the system shall be paid from said account. From the balance remaining after payment of operating expenses and maintenance costs, there shall be paid the interest and principal on the bonds issued to finance the system. Fourteen days previous to the time any such interest or principal is payable, the state treasurer shall examine the existing balance and, except as otherwise provided in RSA 256-C:9, if such balance is insufficient to make the payment, then he shall notify the governor who will immediately draw his warrant on the highway fund to cover any deficit and if the funds in both of the above accounts are insufficient the governor will draw his warrant upon the state's general fund to the amount necessary to meet the payments. Any funds paid out from the state's highway fund or general fund for the above purposes shall be reimbursed from the collection of tolls as soon as such funds are available. Any funds that have been or may be expended for any portion of the system by the department of public works and highways shall be repaid to said department when, in the opinion of the governor and council, sufficient funds are available. Any excess income may be used for further system extensions in accordance with RSA 256-C:4, II (m). No provision of this chapter shall constitute a covenant with bondholders with respect to the charging, collection or disposition of tolls.

4 Central New Hampshire Turnpike Tolls. Amend RSA 257:7 by striking out said section and inserting in place thereof the following:

257:7 Tolls. Tolls or charges which are reviewed and reported on by the toll review committee and which are deemed necessary and reasonable for the use of any part of said highway or any part of the right-of-way and other property acquired pursuant to the provisions hereof and which are approved by the general court by concurrent resolution shall be collected from persons operating motor vehicles thereon or otherwise making use

of said right-of-way. The tolls collected shall be deposited with the state treasurer who shall keep the same in a separate account, and the operating expenses and maintenance of the turnpike shall be paid from said account. From the balance remaining after payment of operation and maintenance, the governor with the approval of the council, shall pay the interest and principal on the bonds issued hereunder. Fourteen days previous to the time said interest and principal is payable, the state treasurer shall examine the existing balance and if such balance is insufficient to make the payment, then he shall notify the governor who will immediately draw his warrant on the highway fund to cover any deficit and if the funds in both of the above accounts are insufficient the governor will draw his warrant upon the state's general fund to the amount necessary to meet the payments. The full faith and credit of the state is pledged to the payment of the principal of and the interest on the bonds as they become due and payable. Any funds paid out from the state's general fund for the above purposes shall be reimbursed from the collection of tolls as soon as such funds are available. Any funds that have been or may be expended for the completion of the turnpike by the department of public works and highways shall be repaid to said department when, in the opinion of the governor and council, sufficient funds are available. Any excess income may be used for further turnpike extensions in accordance with RSA 257:1 (m). During the construction of the turnpike the governor may, if necessary, draw his warrant upon the highway fund to pay interest due on any bonds that have been issued in accordance with the provisions of this chapter; such payment is to be repaid to the highway fund from the collection of tolls.

5 Current Tolls and Charges Approved. All tolls and charges which the governor and council approved and which are currently being collected in accordance with RSA 256:8, RSA 256-C:8, and RSA 257:7 are hereby deemed necessary and reasonable and shall continue in force and shall continue to be collected until the rate of such tolls and charges is changed by the general court in accordance with this act.

6 Review of Bonding. In addition to the duties assigned the toll review committee by section 1 of this act, such committee shall also undertake a review of the feasibility of toll road bonding and report on same to the joint fiscal committee before July 1, 1978.

7 Effective Date. This act shall take effect 60 days after its passage.

Rep. White requested the reading of the amendment be dispensed with if there were no objections.

Rep. White explained the amendment.

Rep. Coutermarsh spoke in favor of the amendment.

Rep. Elmer Johnson spoke against the amendment.

Rep. Johnson requested a roll call. Sufficiently seconded.

SB 277, amending the state industrial development act and reclassifying a portion of Pennichuck brook. Majority: Inexpedient to Legislate. Rep. Claflin for Resources, Recreation and Development. Minority (Reps. Dickinson, Oleson and Kevin Sullivan): Ought to Pass with Amendment.

Majority: The sponsor submitted no testimony to the Committee on the body of the bill - even upon request by the Chairman to do so.
The amendment to the bill reintroduces HB 742 which the House sent to interim study. The interim study committee is already at work on HB 742. Evidence received by the Committee subsequent to the hearings on HB 742 only substantiates the position taken by the Committee originally. Daily, more questions have been raised for which answers have not yet been provided. The pressure for immediate action on a matter which involves conflicts with state and national policies and may set questionable precedents is in itself suspect and only underscores the need for further study.
Provisos to meet emergencies already exist in the statutes.

Minority: This bill, as amended, enables the Pennichuck Water Works to increase the water supply to meet the demand of the citizens of Nashua and a section of Merrimack, while removing the primary objection of the minority to the original Pennichuck proposal made in HB 742. As amended, the project would not conflict with a regional water supply system which may well be needed in the future.

COMMITTEE REPORTS

SB 182, authorizing voter registration by mail. Inexpedient to Legislate. Rep. Arline Dion for Statutory Revision

This bill, as written and amended, eliminates the provision of RSA 55:24 requiring a voter who desires to register as absentee to be either temporarily absent from the community or physically disabled. If enacted, SB 182 would permit a voter to register by mail, with notarization, at any time within the statutory requirements. It is the opinion of a unanimous majority of the Committee that such action would be conducive to voter fraud and would create more problems than convenience.

Rep. Raymond K. Conley, Jr. moved that SB 182 be laid upon the table.
Adopted.

SB 231, relative to changing party affiliation in Manchester. Inexpedient to Legislate. Rep. Flanagan for Statutory Revision.

Establishes a referendum for the city of Manchester for the purpose of exempting that city from the statutory requirements regarding change of party affiliation prior to a primary. If such referendum passes, voters in the city of Manchester will be able to change party affiliation until twenty days prior to the day of the primary. SB 231 attempts to provide for the city of Manchester a provision which HB 167 establishes statewide. The effect of such legislation is somewhat contrary to the established goals of the Committee as it creates a precedent conducive to piecemeal rather than uniform election statutes.

Rep. Raymond K. Conley, Jr. moved that SB 231 be laid upon the table.
Adopted.

SB 232, relative to voting lists in the city of Manchester. Ought to Pass with Amendment. Rep. Flanagan for Statutory Revision.

Establishes a referendum for the city of Manchester whereby, if passed, records of all persons registered to vote in the city of Manchester shall be kept on voter identification cards. The referendum will also include a provision making the annual register a computerized list. Statutes are also enacted regarding the presentation of naturalization papers by naturalized citizens.

Amendment

Amend 1915, 327:18 as inserted by section 3 of the bill by striking out same and inserting in place thereof the following:

SECT. 18. If an applicant for registration is a naturalized citizen, the registrars may require him to produce for inspection his papers of naturalization and to make oath that he is the identical person named therein, and shall, if satisfied that the applicant has been legally naturalized, make upon his papers a memorandum of the date of such inspection. If papers of naturalization

have been once examined and record thereof made on the voter identification cards, the registrars need not again require their production. Any person who attempts fraudulently to have his name entered on the voter identification cards shall be liable to a fine not exceeding \$50 for each such attempt.

Rep. Raymond K. Conley, Jr. moved that SB 232 be laid upon the table.
Adopted.

SB 237, concerning the affidavit used in case of a voter challenge. Inexpedient to Legislate. Rep. Flanagan for Statutory Revision.

Eliminates the literacy requirement from the challenge of voter statute RSA 69:16. This same act was accomplished in HB 1185 as drafted by the Statutory Revision Committee.

Rep. Raymond K. Conley, Jr. moved that SB 237 be laid upon the table.
Adopted.

SB 326, defining the term "inhabitant" for purposes of certain elections. Inexpedient to Legislate. Rep. Flanagan for Statutory Revision.

Definition of legal voter. Approaches definition in 54:1 of inhabitant for purposes of voting. Inhabitant must be domiciled and have his home as his principal place of abode in the town in which he seeks to register. The determination of domicile is a question of fact and intent. Suggestions are proposed as possible measurement of such. SB 326 deals with the same material as HB 1186 as proposed by the Statutory Revision Committee but does not deal with the problem of the six month resident.

Rep. Raymond K. Conley, Jr. moved that SB 326 be laid upon the table.
Adopted.

COMMITTEE REPORTS

(Bills withdrawn from Consent)

SB 335, relative to the establishment of a section of graphic services. Refer to the Committee on Executive Departments and Administration for Interim Study. Rep. Close for Executive Departments and Administration.

Although the basic concept has merit this bill appears to raise serious complications and requires further study.

Rep. Close moved that the words, Ought to Pass with Amendment, be substituted for the committee report, Refer to Interim Study, and spoke to his motion.

Adopted.
Rep. Close offered an amendment.

Amendment

Amend section 4 of the bill by striking out same and inserting in place thereof the following:

4 Study. The provisions of this act shall expire on July 1, 1979 unless same is renewed by the 1979 general court. The legislative fiscal committee, with the assistance of the legislative budget assistant, shall study the provisions, implementation and cost effectiveness of this act and report its findings and recommendations to the 1979 general court on or before February 1, 1979.

5 Effective Date. This act shall take effect July 1, 1977.

The Assistant clerk read the amendment.

Rep. Close spoke to his amendment.

Reps. Sara Townsend and Stimmell spoke in favor of the amendment.

Amendment adopted.

Question being on the committee report.

Adopted.

Referred to Appropriations.

SB 220, requiring a mandatory jail sentence for any felony in which a deadly weapon is used. Ought to Pass with Amendment. Rep. Martin for Judiciary.

This bill addresses an issue that the judiciary dealt with in HB 248. The Committee amended this bill with the same amendment that the Committee and the House passed on March 15. The bill, as amended, expands the definitions of firearms under which the present statute dealing with the felonious use of firearms applies; and further clarifies the crimes to which the present statute refers. Committee vote was 11-0.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

relative to firearms in the commission of felonies.

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Use of Firearm in Commission of Felony. Amend RSA 159:2 (supp) as amended by striking out said section and inserting in place thereof the following:

159:2 Use of Firearm in Commission of Felony. If any person shall commit or attempt to commit a felony when armed with a pistol, revolver, rifle, shotgun, or any other firearm, he shall, in addition to the punishment provided for the crime, be guilty of a class B felony. For any subsequent offense, any person shall be guilty of a class A felony. The additional sentence of imprisonment hereby provided shall not be served concurrently with any other term; and no part of such additional term of imprisonment shall be suspended. The provisions of RSA 651 relative to parole shall not apply to any sentence imposed pursuant to this section.

Rep. Aller moved that SB 220 be laid upon the table.

Motion lost.

Question on the adoption of the committee amendment.

Amendment adopted.

Rep. Dickinson offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

requiring a mandatory jail sentence for any felony in which a firearm is used.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Use of Firearm in Commission of a Felony. Amend RSA by inserting after chapter 650 the following new chapter:

CHAPTER 650-A

Felonious Use of Firearms

650-A:1 Felonious Use of Firearms. A person is guilty of a class B felony if he commits or attempts to commit any felony when armed with a pistol, revolver, rifle, shotgun or any other firearm. For any subsequent offense, a person shall be guilty of a class A felony.

2 Mandatory Sentence for Felonious Use of Firearm. Amend RSA 651:2 by inserting after paragraph II-a the following new paragraph:

II-b. A person convicted of the felonious use of a firearm, as provided in RSA 650-A:1, shall be given a mandatory sentence which shall be exclusive of any sentence imposed for conviction of the felony which was committed when the person was so armed and shall not be served concurrently with such sentence. Such mandatory sentences shall not be suspended in whole or in part and shall be imposed without eligibility for parole, probation or release.

3 Repeal. RSA 159:2, relative to committing a crime when armed with a pistol or revolver, is hereby repealed.

4 Effective Date. This act shall take effect 60 days after its passage.

Rep. Dickinson spoke to his amendment.

Rep. Arthur Perkins spoke against the amendment.

Rep. Felch and Elmer Johnson spoke in favor of the Dickinson amendment.

Rep. Carpenito spoke against the Dickinson amendment.

Question being on the Dickinson amendment.

Rep. Dickinson requested a roll call. Sufficiently seconded.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Purpose. The legislature hereby declares that the operation of responsible democratic government requires that the fullest opportunity be afforded to the people to petition their government for the redress of grievances and to express freely to any officials of the legislative branch their opinions on legislation and on current issues; and that, to preserve and maintain the integrity of the governmental decision-making process in the state, it is necessary that the identity, expenditures, and activities of certain persons who engage in efforts to influence any member, officer or employee of the legislative branch on matters within their official jurisdictions,

either by direct communication to such person, or by solicitation of others to engage in such efforts, be publicly and regularly disclosed in a timely fashion.

2 Chapter Revised. Amend RSA 15 as amended by striking out said chapter and inserting in place thereof the following:

15:1 Definitions. In this chapter:

I. "Lobbyist" means any person who in a representative capacity and for consideration communicates with any member, officer or employee of the general court for the purpose of influencing any official action by such member, officer or employee. This includes any person who engages in lobbying activity in connection with his regular employment.

II. "Lobbying organization" means any organization which seeks to influence any official action by any member, officer or employee of the general court whether or not it employs a lobbyist.

15:2 Exceptions. The following are not considered lobbyists:

I. A person whose only lobbying activity is appearing before a legislative committee in open session.

II. A person whose only lobbying activity is communicating with his own state representative or state senator.

III. An elected or appointed official or employee of the United States government, state of New Hampshire or any other governmental body when acting solely in connection with matters relating to his official and public duties.

15:3 Registration.

I. Each lobbyist shall, prior to engaging in any lobbying activity, record with the secretary of state the following information:

(a) the full name and address of the lobbyist and of the person or organization he represents, and

(b) the period of time for which the lobbyist has been engaged and the manner of compensation, whether salary, fee for service, commission or other arrangement, and

(c) the official action sought to be influenced including the legislative services request (LSR), bill, resolution or rule numbers, if known.

II. Each lobbying organization shall, prior to engaging in any lobbying activity, record with the secretary of state the following information:

(a) the full name and mailing address of the organization, and

(b) the full name and address of the officers of the organization, and

(c) the full name and addresses of its lobbyists, if any, and

(d) the official action sought to be influenced including the legislative services request (LSR), bill, resolution or rule numbers, if known, and

(e) the number of members in the organization and the amount of money or other items of value that the organization plans to devote to lobbying activities, and

(f) the principal source of funds for the organization. If more than 10 percent of the organization's funds are

derived from contributions from any one person, organization or activity, the name and address of such person or organization and a description of such activity, and the amount derived therefrom shall also be recorded.

II. Any change in information under this section shall be updated by the lobbyist or lobbying organization within 30 days after its occurrence.

IV. All registration reports that have been filed under this section shall be published in the calendars of the house and senate no later than January 15 of each odd-numbered year. Registration reports filed subsequent to the first publication and changes to any registration report shall be published monthly in the calendars of the house and senate.

V. Each person who engages in lobbying activity which is incidental to his employment may satisfy the registration requirements of this section if the lobbying organization files as part of its own registration any information relative to the incidental lobbyist.

15:4 Registration Fee. Any person or organization registering under RSA 15:3 shall annually pay a fee of \$25.

15:5 Reports, Filing.

I. Each lobbyist and each lobbying organization which does not employ a lobbyist shall record under oath with the secretary of state on March 1 of each year and bi-monthly thereafter, the following information with respect to lobbying activity during the preceding 2 months:

- (a) the total amount of compensation and reimbursement, and
- (b) names of and amounts paid to consultants, experts and other persons, except full-time permanent employees, engaged by the lobbyist or his employer or by the lobbying organization, and
- (c) the amount spent on advertising, mailing and other informational efforts, and
- (d) the amount spent on any member, officer or employee of the general court for food, refreshments, entertainment and lodging, and
- (e) the amount spent on gifts, contributions and other things of value, and
- (f) the name of any member, officer or employee of the general court for whose immediate benefit any amount in excess of \$50 was expended in (c), (d) and (e) above, and
- (g) the appropriate legislative services request (LSR), bill, resolution or rule numbers for or against which they have lobbied.

II. The information recorded under this section and RSA 15:3 shall be available and open to public inspection during normal business hours.

III. The reporting requirements established by paragraph I of this section terminate when a lobbyist or lobbying organization records with the secretary of state a termination statement, certifying that the lobbyist or lobbying organization

is no longer engaged in lobbying activity.

IV. Each person who engages in lobbying activity which is incidental to his employment may satisfy the requirements of this section if the lobbying organization files as part of its own report any information relative to the incidental lobbyist.

15:6 Penalty.

I. Whoever knowingly violates any provision of this chapter, shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

II. Any person may petition the superior court for an injunction to compel obedience to the provisions of this chapter. Such petition may be filed in the superior court for the county in which the defendant named therein resides, or, if such defendant is a nonresident, then in the superior court for any county in which the named defendant does business. In connection with any such petition for injunction, it shall not be necessary to prove an adequate remedy at law does not exist. The court may award reasonable attorney's fees to the prevailing party.

III. Any person convicted under this section may be prohibited from any lobbying for a period of not more than 2 years following conviction.

IV. In addition to any penalties imposed by this chapter, any person who fails to file an itemized statement as required by RSA 15:3 or 15:5 shall be prohibited from registering as a lobbyist for any current or subsequent year until such itemized statement is filed for the previous year or years.

3 Effective Date. This act shall take effect 60 days after its passage.

Rep. Hess requested the Clerk dispense with the reading of the amendment if there was no objection, and explained her amendment.

Amendment adopted.

Ordered to third reading.

COMMITTEE REPORTS (Regular Calendar)

HB 567, relative to the New Hampshire retirement system cost of living increases. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill provides that cost of living allowances shall be paid in 24 monthly installments rather than the present 12 monthly payments and includes 1977 normal contribution to the retirement fund.

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Certain Footnote Removed. Amend 1976, 35:1 by striking out said section and inserting in place thereof the following:

35:1 Supplemental Appropriation. In addition to any other sums appropriated, the sum of \$978,581 for fiscal year 1977, is hereby appropriated to the state treasurer to be expended as follows:

Fiscal 1977

State treasury:

Retirement division:

91 Normal contribution \$978,581

Estimated source of funds for

retirement division:

General fund \$978,581

3 Effective Date. This act shall
take effect June 30, 1977.

Amendment adopted.

Ordered to third reading.

SB 4, establishing a board of claims
for the state and making an appropriation
therefor. Ought to Pass with Amendment.
Rep. Tucker for Appropriations.

The Committee amendment eliminates the
unnecessary authorization for staffing
and office space.

Amendment

Amend RSA 541-B:8 and RSA 541-B:9 as
inserted by section 2 of the bill by
striking out said sections and renumbering
RSA 541-B:10, 11, 12, 13, 14, 15, 16, 17,
18 and 19 to read as follows:

541-B:8 , 541-B:9 , 541-B:10 ,
541-B:11 , 541-B:12 , 541-B:13 ,
541-B:14 , 541-B:15 , 541-B:16 and
541-B:17 , respectively.

Amend RSA 541-B:12, VI, as inserted by
section 2 of the bill by striking out said
paragraph and inserting in place thereof
the following:

VI. If the general court is
petitioned by a citizen relative to a
claim pursuant to Part I, Article 32d, of
the Constitution of New Hampshire, that
claim shall be submitted to the agency
affected pursuant to the provisions of RSA
541-B:11, and such a claim shall be
processed in the manner prescribed by this
chapter.

Amend paragraph II as inserted by
section 3 of the bill by striking out same
and inserting in place thereof the
following:

II. The governor is hereby authorized
to draw his warrant for the payment of
such sum or sums as may be provided under
the provisions of RSA 541-B:13 and the
same shall be charged to funds not
otherwise appropriated, except that if a
claim is against a department or agency
which has received a legislative
appropriation, the same shall be charged
to that department or agency. The
comptroller shall keep a record of the
sums charged against funds not otherwise
appropriated as provided above, and shall
report the same to the general court,
together with a statement of the agency or
department or function properly
chargeable. The general court, shall,
thereupon, by legislation, direct the
transfer from the appropriate special
funds of such amounts as, in its
discretion, should be so transferred, for
the reimbursement of the general fund.

Rep. Chandler moved that SB 4 be
indefinitely postponed, and spoke to his
motion.

Reps. Benton, Norton and Tucker spoke
against the motion.

Rep. Benton requested a roll call.
Sufficiently seconded.

Amend section 10 of the bill by inserting after RSA 100-A:45, as inserted by said section, the following new section: 100-A:46 Salary. The annual salary of the executive secretary shall be that prescribed by RSA 94:1-4.

Amendment adopted.

Ordered to third reading.

SB 71, providing for state assistance to persons suffering from hemophilia and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This is a good program which we cannot afford to fund. The sponsor and others felt that if passed, unfunded, we might encourage third party coverage for this disease.

Amendment

Amend the bill by striking out section 2 and renumbering section 3 to read as 2.

Amendment adopted.

Rep. Spaulding spoke to the committee report.

Ordered to third reading.

SB 82, relative to the director of forest and lands and the director of parks. Ought to Pass. Rep. Tucker for Appropriations.

Changes the name of the director to coincide with that of the department. This also clarifies the present statute.

Ordered to third reading.

SB 83, relative to wild turkeys. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Allows for the mechanics of establishing a method of revenue from the wild turkey program as well as protecting the interests of all present flock owners.

Amendment

Amend the bill by striking out section 5 and inserting in place thereof the following:

5 Wild Turkey Hunters. Amend RSA 214 by inserting after section 1-b the following new section:

214:1-c Wild Turkey Permit Required. No person shall at any time hunt, shoot, pursue, kill or take wild turkey in this

state without first procuring, in addition to the applicable hunting license required by RSA 214:1, a permit to do so under RSA 214:9, XI, for the same period. Said permit must be permanently affixed to the back of said hunting license and signed across the face in a permanent manner with the applicant's signature.

6 Wild Turkey Permit Fee. Amend RSA 214:9 by inserting after paragraph X the following new paragraph:

XI. If the applicant wishes to hunt wild turkeys, \$5, and the Concord office of the fish and game commission shall thereupon issue a wild turkey permit which shall entitle the licensee to hunt, shoot, kill and take, except by the use of traps, no more than one wild turkey per permit.

7 Disposition of Monies. Amend RSA 206 by inserting after section 35-a the following new section:

206:35-b Wild Turkey Permit Revenues. The state treasurer shall establish a separate account to which shall be credited all monies collected by the fish and game department from issuance of wild turkey permits under RSA 214:9, XI. The monies in said account shall be used only for purchase or propagation of wild turkeys, and is hereby appropriated for said purposes. Said funds shall be expended for the purposes hereof as determined by the director with the approval of the commission.

8 Effective Date. This act shall take effect 60 days after its passage.

Amendment adopted.

Ordered to third reading.

SB 93, clarifying the legislative intent of RSA 149-G:2 concerning the extent to which the state shall assume contractual obligations for the design of municipal sewage disposal systems. Ought to Pass. Rep. Tucker for Appropriations.

This closes a loophole in the present law.

Ordered to third reading.

SB 99, relative to supervision of bail bondsmen by the insurance commissioner. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill will allow for a centralized office to register bail bondsmen. The function will be provided by the Insurance Department with no additional general fund appropriation.

Amendment

Amend RSA 598-A:1-a as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

598-A:1-a Fees.

I. A person proposing to become bail or surety and registered as a professional bondsman shall pay to the insurance commissioner an initial application fee of \$400, said fee shall be deposited in the general fund by the state treasurer as unrestricted revenue.

II. Thereafter, an annual renewal fee of \$100 for the registration in each county of the state where a professional bondsman seeks to post bail shall be due and payable to the insurance commissioner on December 30 for the ensuing year. Said fee shall be deposited in the general fund by the state treasurer as unrestricted revenue.

Amendment adopted.

Ordered to third reading.

SB 102, relative to an adult tutorial program and making an appropriation therefor. Ought to Pass. Rep. Tucker for Appropriations.

This bill will allow the adult tutorial program to continue by providing for seven of the 10 county coordinator positions. All testimony and witnesses were in full support of this worthwhile program which has organized 943 volunteers to aid more than 1000 adults, ages 25 and over, learn reading and other basic life-coping skills. Furthermore, the program pays for itself by helping illiterate adults with those skills necessary for any form of employment and thereby removing them from the welfare rolls. The committee heartily endorsed SB 102 by a vote of 17-2.

Ordered to third reading.

SB 103, specifying certain items for the state prison in the 1975 capital budget. Ought to Pass. Rep. Tucker for Appropriations.

Changes the wording of the footnote to allow for the purchase of a correct style printing press. No additional money involved.

Ordered to third reading.

SB 112, authorizing payment to the city of Concord for use of solid waste disposal facilities by the state. Inexpedient to Legislate. Rep. Tucker for Appropriations.

This bill opens the door for more problems than this legislature can handle in the rest of the session. By unanimous vote of the Committee, Inexpedient to Legislate.

Resolution adopted.

SB 113, providing for a master plan for state land use in the city of Concord. Ought to Pass. Rep. Tucker for Appropriations.

Provides the mechanics for state and city cooperation of land use in the city of Concord.

Ordered to third reading.

SB 114, authorizing the inclusion of dog races in sweepstakes and drawings conducted by the sweepstakes commission. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill will allow dog races to be included in special sweepstakes and drawings. Projections given indicate

that a special greyhound race would net \$500,000 for the state. The Committee vote was unanimous.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

authorizing the inclusion of dog races in sweepstakes and drawings conducted by the sweepstakes commission and making an appropriation therefor.

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Appropriation. There is hereby appropriated the sum of \$125,000 to the sweepstakes commission for the purposes of this act. Of the sum appropriated, \$100,000 shall be expended for current expenses and \$25,000 shall be expended for the promotion of the program authorized by this act and related ticket sales. The sum appropriated shall not lapse until June 30, 1978 and shall be a charge against the sweepstakes fund established under RSA 284:21-j.

5 Effective Date. This act shall take effect upon its passage.

Amendment adopted.

Ordered to third reading.

SB 120, relative to including investigators in the office of the attorney general in the definition of law enforcement employees entitled to additional salary increases. Ought to Pass. Rep. Tucker for Appropriations.

This bill includes investigators in the Attorney General's office to be allowed overtime pay as is presently being done with other state enforcement officers.

Ordered to third reading.

SB 139, making an appropriation for office space renovation at the John O. Morton building. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The amendment guarantees the necessary funds for the proper renovation and reactivation of the John O. Morton building since the Department of Safety has moved out.

Amendment

Amend the bill by striking out section 2 and inserting in place thereof the following:

2 Appropriation. The sum of \$260,000 is hereby appropriated to the department of public works and highways for the purposes stated in section 1 of this act. The appropriation shall be a charge on the highway fund.

Amendment adopted.

Ordered to third reading.

SB 148, continuing the public defender system in Merrimack and Hillsborough counties for 2 years and extending the same program to Rockingham county. Ought to Pass. Rep. Tucker for Appropriations. Cost/benefit studies in other states have shown that the public defender system definitely saves state dollars in the administration of justice. The program should be continued and extended to Rockingham County. The level of indigent defender claims in that county indicate that a full-time public defender would accrue a savings to the indigent defender fund. Ordered to third reading.

SB 157, relative to regulation of carnival-amusement equipment by the division of safety services. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The Committee feels that there is a need for this bill. The amendment eliminates the staffing as the committee felt that the additional staff in the operating budget of the Division of Safety Services will be sufficient to carry out this function. Unanimous vote of the Committee.

Amendment

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Repeal. RSA 321-A:3 relative to expenses incurred in registering carnival - amusement operators, is hereby repealed.

Amend RSA 321-A:5, I, as inserted by section 4 of the bill by striking out same and inserting in place thereof the following:

I. In addition to any other registration requirements imposed by law, all carnival or amusement operators doing business or intending to do business in this state shall annually register with the director, except that this chapter shall not apply to any such operator regulated under RSA 225-A. The fees for such registration shall be established by the director in compliance with RSA 541-A.

Amend the bill by striking out section 5 and inserting in place thereof the following:

5 Appropriations. There is hereby appropriated to the department of safety division of safety services the sum of \$2,000 for fiscal year 1978 and a like amount for fiscal year 1979 for the purposes of this act. The governor is authorized to draw his warrant for said sums out of any money in the general fund not otherwise appropriated.

Amend the bill by striking out section 6 and inserting in place thereof the following:

6 Effective Date. This act shall take effect 30 days after its passage.

Amendment adopted.

Ordered to third reading.

SB 161, making a supplemental appropriation to the department of administration and control. Ought to Pass. Rep. Tucker for Appropriations.

An appropriation of \$12,000 for fiscal year 1977 to the Department of Administration and Control for the current expenses of the Morton building.

Ordered to third reading.

SB 173, establishing the New Hampshire municipal bond bank as a public body corporate and politic for the purpose of facilitating the borrowing of money by counties, cities, towns and districts and making an appropriation therefor. Ought to Pass. Rep. Tucker for Appropriations.

Municipal bond banks have been proven useful and successful in several other states. In view of New Hampshire's current fiscal situation in which state funds are being cut to cities and towns while municipal facilities and improvements require increasingly large capital outlays and federal mandates such as the federal Safe Drinking-Water Act are requiring cities and towns to comply with more and more regulations, bond banks can provide some relief.

By combining small bond issues into a larger sum under one financial agency, which can provide the expertise and overseeing respected in the market, bonds can be marketed easier and at less cost -- saving up to 6% of the bond principal.

This bill would create a New Hampshire municipal bond bank to provide technical financial assistance and the advantages of bond bank marketing on a voluntary basis to any municipality or participate. The amendment simply corrects an oversight relative to bond anticipation and brings the bill into compliance with existing law.

Ordered to third reading.

SB 186, relative to extending the authority of the postsecondary education commission. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This sets up a group which will formulate procedures relative to contracts with schools in various post-graduate fields. No cost to state. Vote was unanimous.

Amendment

Amend RSA 188-D:9-a as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

188-D:9-a Duties Regarding Postgraduate Educational Opportunities. The commission is specifically authorized and directed to prepare plans for the provision of educational opportunities for residents of the state in the postgraduate fields including, but not limited to, the following: veterinary medicine, human medicine, optometry, dentistry and law. The commission is further authorized, as

may be directed by the governor and the legislative fiscal committee, to enter into contracts with institutions of higher education in other states for the provision of educational opportunities in such postgraduate fields as may be deemed essential and necessary to the state under the declaration of purpose of this chapter. Any such contracts are subject to the approval of the governor and council. In exercising its authority hereunder, the commission is specifically authorized to conduct studies of the needs of the state with respect to professional services of persons trained in any such postgraduate fields.

Amendment adopted.

Ordered to third reading.

SB 189, establishing a coastal resources management program and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The amendment removes \$740,000 in the biennium which the Committee feels is much more needed in other programs.

Amendment

Amend section 2 of the bill by striking out same and renumbering sections 3 and 4 to read as follows:

2 and 3 respectively.

Amendment adopted.

Ordered to third reading.

SB 194, to permit the state to accept the retrocession of jurisdiction in and over the Veterans Administration hospital in Manchester, New Hampshire. Ought to Pass. Rep. Tucker for Appropriations.

Ordered to third reading.

SB 202, relative to appropriations for the rehabilitation of the Memorial Bridge in Portsmouth. Ought to Pass. Rep. Tucker for Appropriations.

Corrects an error in previous legislation and appropriates additional money necessary to allow for the completion of the renovation of the bridge.

Ordered to third reading.

SB 206, relative to the salary of an unclassified employee as it relates to the salary of a subordinate classified or unclassified employee. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

Permits Governor and Council to increase maximum salary of the superior if his maximum salary is less than a subordinate classified or unclassified employee.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Unclassified Employees Added.

Amend RSA 94:1-a, II (supp) as inserted by

1975, 505:28 by striking out said paragraph and inserting in place thereof the following:

II. Officials named in this section shall be placed in the corresponding steps in the new salary ranges as their length of service justifies and in accordance with RSA 94:3. Racing commissioners, sweepstakes commissioners, and the state entomologist only excepted, any official whose salary upon placement in the new salary range is less than that of a subordinate classified employee shall be placed at the next higher step in range above said classified employee and shall be entitled to any increase provided for herein until the maximum provided herein is reached. However, in the event that the maximum of the unclassified position is less than the salary of said subordinate classified or unclassified employee excluding any position the salary of which can be adjusted as a result of board eligibility or certification, the governor and council is authorized to increase the maximum of the unclassified position in an amount to provide a differential of not more than \$1,000.

Amendment adopted.

Ordered to third reading.

SB 216, providing for the replacement of the Cannon Mountain aerial tramway; making an appropriation therefor; and, establishing a special account for the income from tramway service charges for operating costs and amortization of the appropriation. Ought to Pass. Rep. Tucker for Appropriations.

Much needed and timely capital improvement in the park system.
Ordered to third reading.

SB 223, relative to the winter maintenance of Diamond Pond road in the towns of Colebrook and Stewartstown. Ought to Pass. Rep. Tucker for Appropriations. Allows for the upgrading of the payment by the state for the towns' winter maintenance of Diamond Pond road. Also changes the spring opening date of Stewartstown roads to May 15. Ordered to third reading.

SB 234, allowing a member of the retirement system on insurance disability to continue to pay into the retirement system. Ought to Pass. Rep. Tucker for Appropriations.

This bill allows a member of the retirement system to continue his membership in and to make his normal contributions to the retirement system during the time he is absent from work without pay if absence is due to disability for which he is entitled to receive insurance payments. Unanimous vote of Committee. No fiscal impact on general fund.
Ordered to third reading.

SB 236, relative to a single retirement rate, service retirement benefits and vested rights under the New Hampshire retirement system. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill establishes single rates of member contributions to the N.H. State Retirement System without regard to the age or sex of the member. It also equalizes the vested deferred retirement benefits for all employees in the state retirement system and increases the credit for years of service for state employees from one-half to three-quarters.

Amendment

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Effective Date. This act shall take effect July 1, 1979.

Amendment adopted.

Rep. Margaret Ramsay explained the committee report.

Ordered to third reading.

SB 251, relative to housing finance agency. Ought to Pass. Rep. Tucker for Appropriations.

No financial impact to the State.
Ordered to third reading.

SB 253, relative to the examination, certification and registration of arborists and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The amendment raises the necessary funds to make the arborists responsible for their own program as is the case with other boards.

Amendment

Amend RSA 222:9 as inserted by section 1 of the bill and inserting in place thereof the following:

222:9 Enforcement. The arborist board shall be responsible for and shall arrange for the enforcement of the provisions of this chapter by using duly authorized state law enforcement officers and local and state police officers. The arborist board or these duly authorized agents may enter upon any public or private property where arborist work is being performed to inspect the work and may request the credentials of any or all employees to see that each is in the employ of a registered New Hampshire arborist. If any corporation, firm, or person is in violation of this chapter or the rules and regulations of the arborist board, the board may, after opportunity for a hearing, revoke, suspend, or modify certificates or registration; or may in the name of the state, through the attorney general, apply in any court of competent jurisdiction for an order enjoining such violation or for an order enforcing compliance with this chapter and rules and regulations of the board. Upon

filing of a verified petition, the court upon certified affidavit that a person has violated this chapter, may issue a restraining order enjoining such violation. If it is established that such a person has violated or is violating this chapter, the court may enter a decree perpetually enjoining such violation or enforcing compliance with this chapter. In case of violation of any order or decree issued under this section, the court may punish the offender for contempt of court.

Amend RSA 222:10 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

222:10 Fees. The following fees shall be deposited as unrestricted revenue to the general fund:

I. A fee of \$10 shall accompany each application for examination for certification and shall not be returnable.

II. Upon successful qualification, the applicant shall submit an additional fee of \$25 to cover the initial certificate.

III. A fee of \$25 shall accompany a request for renewal of each certificate.

IV. A fee of \$5 shall be charged for the replacement of each lost certificate.

Amend RSA 222:12 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

222:12 Appropriation. There is hereby appropriated to the division of forests and land management, department of resources and economic development, as a class 92 account, PAU number 03, 03, 06, 01, the sum of \$3,000 for the fiscal year ending June 30, 1979 for the purpose of RSA 222:2. The governor is authorized to draw his warrants for said sums out of any money in the treasury not otherwise appropriated.

Amendment adopted.

Resolution adopted.

SB 324, requiring an annual financial statement from a person, association or corporation conducting horse or dog races or meets. Ought to Pass. Rep. Tucker for Appropriations.

This bill requires race tracks to submit certain financial documentation to the racing commission and is needed in light of the fact that we now provide tax exemptions to tracks with limited fiscal solvency. Unanimous vote of the Committee.

Ordered to third reading.

SB 334, relative to the transfer of the Manchester and Nashua policemen to the New Hampshire retirement system and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

This bill transfers the remaining officers in the New Hampshire Permanent Policemen's retirement system to the New Hampshire Retirement System. The amendment limits the state obligation to the amount agreed upon by the Senate Finance Committee. The Committee vote was 18-1.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Manchester Transfer.

I. The board of trustees of the New Hampshire retirement system is hereby authorized to negotiate an acceptable method of payment by the city of Manchester of its share of the cost which would result if permanent policemen of Manchester who are members of the New Hampshire policemen's retirement system are transferred to the New Hampshire retirement system group II effective December 31, 1977. Said cost shall consist of employer normal contributions from July 1, 1945 to December 31, 1977, and the unfunded accrued liability from July 1, 1945 to June 30, 1967 plus interest at 6 percent annually from June 30, 1977 until December 31, 1977 as determined in the actuarial report of George B. Buck Consulting Actuaries, Inc., dated November 22, 1976. Upon written agreement between the board of trustees and the city of Manchester the agreement shall be submitted to the fiscal committee of the general court for its approval and to the governor and council for their approval.

II. On December 31, 1977, provided that written agreement between the board of trustees and the city of Manchester of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council, all permanent policemen who are employed by the city of Manchester and who are members of the New

Hampshire permanent policemen's retirement system (RSA 103) on December 31, 1977, shall be transferred to the New Hampshire retirement system group II (RSA 100-A) effective December 31, 1977. Upon transferring, a member may make up the deficient member contributions required in a manner acceptable to the board of trustees, which may include insurance policies to cover said member contributions, or make no payment and receive a deduction of equivalent actuarial value in his retirement allowance.

III. Members so transferred under paragraphs I and II this section shall make contributions as provided in RSA 100-A:16 and at the time of retirement, death, disability, or termination, shall be considered to have been full police members of group II of the New Hampshire retirement system for the entire periods of their creditable service under either system and may be eligible for all benefits provided under RSA 100-A for police members of group II.

2 Nashua Transfer.

I. The board of trustees of the New Hampshire retirement system is hereby authorized to negotiate an acceptable method of payment by the city of Nashua of its share of the cost which would result if permanent policemen of Nashua who are members of the New Hampshire policemen's retirement system are transferred to the New Hampshire retirement system group II effective December 31, 1977. Said cost shall consist of employer normal contributions from July 1, 1945 to December 31, 1977; and the unfunded accrued liability from July 1, 1945 to June 30, 1967 plus interest at 6 percent annually from June 30, 1977 until December 31, 1977 as determined in the actuarial report of George B. Buck Consulting Actuaries, Inc., dated May 20, 1977. Upon written agreement between the board of trustees and the city of Nashua the agreement shall be submitted to the fiscal committee of the general court for its approval and to the governor and council for their approval.

II. On December 31, 1977, provided that written agreement between the board of trustees and the city of Nashua of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council, all permanent policemen who are employed by the city of Nashua and who are members of the New Hampshire permanent policemen's retirement system (RSA 103) on December 31, 1977, shall be transferred to the New Hampshire retirement system group II (RSA 100-A) effective December 31, 1977. Upon transferring, a member may make up the deficient member contributions required in a manner acceptable to the board of trustees, which may include insurance policies to cover said member contributions, or make no payment and receive a deduction of equivalent actuarial value in his retirement allowance.

III. Members so transferred under paragraphs I and II this section shall make contributions as provided in RSA 100-A:16 and at the time of retirement, death, disability, or termination, shall be considered to have been full police members of group II of the New Hampshire retirement system for the entire periods of their creditable service under either system and may be eligible for all benefits provided under RSA 100-A for police members of group II.

3 Appropriation; Manchester.

Provided that written agreement between the board of trustees and the city of Manchester of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council by December 31, 1977 there is hereby appropriated for the purposes of section 1 of this act for fiscal year ending June 30, 1978 for the state's share of the normal contribution the sum of \$28,304 and of the unfunded accrued liability the sum of \$43,849 and for fiscal year ending June 30, 1979 for the state's share of the normal contribution the sum of \$59,437 and the unfunded accrued liability the sum of \$87,698. The governor is authorized to draw his warrant for said sums from any money in the general fund not otherwise appropriated.

4 Appropriation; Nashua. Provided that written agreement between the board of trustees and the city of Nashua of an acceptable method of payment has been obtained and approved by the fiscal committee of the general court and by governor and council by December 31, 1977 there is hereby appropriated for the purposes of section 2 of this act for fiscal year ending June 30, 1978 for the state's share of the normal contribution the sum of \$15,428 and of the unfunded accrued liability the sum of \$25,546 and for fiscal year ending June 30, 1979 for the state's share of the normal contribution the sum of \$33,941 and of the unfunded accrued liability the sum of \$51,092. The governor is authorized to draw his warrant for said sums from any money in the general fund not otherwise appropriated.

5 Effective Date. This act shall take effect July 1, 1977.

Amendment adopted.

Ordered to third reading.

SB 366, establishing a 5 member oversight committee to recodify the election laws and making an appropriation

therefor. Ought to Pass with Amendment.
Rep. Tucker for Appropriations.

This bill authorizes the establishment of an oversight committee to study and recodify the election laws of the state. Unanimous vote of Committee.

Amendment

Amend section 1 of the bill by striking out same and inserting in place thereof the following:

1 Committee Established. The secretary of state and the attorney general or his designee, with 3 members of the general public to be appointed by said secretary and attorney general, or his designee, shall constitute a 5 member oversight committee to have the election laws of the state of New Hampshire studied and recodified. This committee may contract with any individual or institution to prepare the study and recodification within the limitation of the funds appropriated for this purpose. The committee shall have the study completed and the proposed recodification in bill form by November, 1978, for legislative action by the 1979 session of the general court. The members of this oversight committee shall serve without compensation but are entitled to the same mileage as paid to state employees when performing duties in connection with the work of the committee. The secretary of state shall serve as chairman of the committee and the attorney general, or his designee, as vice-chairman.

Amend section 2 of the bill by striking out same and inserting in place thereof the following:

2 Appropriation. The sum of \$35,000 is hereby appropriated for the biennium ending June 30, 1979, for purposes of section 1 of this act. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

Amendment adopted.

Ordered to third reading.

SB 50, increasing the salaries of and establishing a code of ethics for the public utilities commission, increasing the unclassified staff of said commission and making an appropriation therefor. Ought to Pass with Amendment. Rep. Tucker for Appropriations.

The Committee amendment cleans up the budget to reflect actual cost and places the attorney under the attorney general.

Amendment

Amend the bill by striking out section 3 and inserting in place thereof the following:

3 Two New Positions Established. Amend RSA 363 by inserting after section 12 the following new subdivisions:

Executive Director

363:12-a Executive Director; Appointment, Term. There shall be an executive director of the commission

appointed by the governor and council upon the recommendation of the commissioners. The executive director shall serve at the pleasure of the commissioners.

363:12-b Duties. The executive director shall, subject to the supervision of the commissioners, exercise the full administrative power of the commission. Said executive director shall work through and report directly to the chairman.

363:12-c Compensation. The executive director shall receive the annual salary prescribed by RSA 94:1-4.

Consumer Affairs Director.

363:12-d Consumer Affairs Director. There shall be consumer affairs director of the commission who shall be appointed by the commissioners to serve, in a full-time capacity for a 5 year term and until his successor is appointed and qualified.

363:12-e Duties. The consumer affairs director shall perform the functions of an ombudsman in disputes or complaints by a consumer against a regulated utility. He shall report directly to the commissioners and perform any other consumer related duties which the commissioners may assign.

363:12-f Compensation. The consumer affairs director shall receive the annual salary prescribed by RSA 94:1-4.

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Certain Salaries Provided. Amend RSA 94:1-a (supp) as inserted by 1969, 500:12 as amended by inserting in proper alphabetical order the following:

Amend the bill by striking out section 7 and inserting in place thereof the following:

7 Attorney General to Supply Legal Services to Commission. Amend RSA 7 by inserting after section 10 the following new section:

7:10-a Legal Services to Commission. The attorney general shall assign one attorney or assistant attorney general to devote his entire time to provide legal services required by the public utilities commission. Such legal services should include advice to commissioners and staff, prosecution of violators of utility regulatory statutes and representation of the commission in appeals from commission decisions where necessary to provide adequate defense of the challenged decision.

8 Effective Date. This act shall take effect when Martha's Vineyard becomes part of New Hampshire.

Amendment adopted.

Ordered to third reading.

SB 128, to include licensed pastoral counselors in the category of services authorized under minimum mental illness coverage under major medical and non-major medical accident and health insurance. Ought to Pass. Rep. Tucker for Appropriations.

Rep. Neil McIver moved that SB 128 be made a Special Order for 5:00 p.m., and spoke to his motion.

Rep. Hildreth spoke against the motion. Rep. Barrus spoke in favor of the motion.

On a voice vote, the Speaker was in doubt and requested a division.

117 members having answered in the affirmative and 95 in the negative, the motion passed.

SB 306, authorizing the governor to enter into a contract with schools of dental medicine to guarantee openings for qualified New Hampshire students and making an appropriation therefor. Inexpedient to Legislate. Rep. Tucker for Appropriations.

This is an extremely worthy bill that is a new program competing for limited openings. SB 186 will cover studies relative to placements for N.H. students. Admission is difficult but N.H. students are still able to compete and the committee felt we could wait another session for the funding of the post-secondary commission recommendation as outlined in SB 186.

Rep. Spaulding moved that the words, Ought to Pass, be substituted for the committee report, Inexpedient to Legislate, and spoke to her motion.

Reps. Scranton, Snell and Scamman spoke against the motion.

Rep. Cunningham spoke in favor of the motion.

Rep. Lyons spoke to the motion.

Rep. George Wiggins requested a roll call. Sufficiently seconded.

COMMITTEE REPORTS (cont'd.)

SB 208, relative to prepaid legal insurance. Ought to Pass with Amendment. Rep. Lamy for Commerce and Consumer Affairs.

In its amended form, this bill would permit the establishment of legal service corporations to provide prepaid legal insurance, similar to the present law's provisions for medical service corporations. The bill would also address a critical problem facing New Hampshire's small businesses which are having difficulty obtaining product liability insurance, by adjusting certain aspects of law governing product liability lawsuits and by establishing a study commission made up of representatives of all interested parties, to monitor the effectiveness of the law and to recommend further changes.

Amendment

Amend the title to the bill by striking out the same and inserting in place thereof the following:

AN ACT

relative to prepaid legal insurance and to the availability of product liability insurance.

Amend section 2 of the bill by striking out same and inserting in place thereof the following:

2 New Chapter. Amend RSA by inserting after RSA 507-B the following new chapter:

CHAPTER 507-C

Product Liability Actions

507-C:1 Definitions. As used in this chapter:

I. "Product liability action" means any action brought for or on account of personal injury, death or property damage or other damage caused by or resulting from the development, manufacture, construction, design, formula, preparation, assembly, testing, warning, instructing, advertising, marketing, certifying, packaging, or labeling of any product. The term includes all such actions, regardless of the legal theory relied upon, whether strict liability in tort, negligence, breach of warranty, breach of or failure to discharge a duty to warn or instruct, misrepresentation, concealment, non-disclosure or any other theory whatsoever.

II. "Risk" means any risk, danger, hazard, defect, condition or adverse effect or side effect of the product in question.

III. "User" means a purchaser, or any individual who uses or consumes the product. Where the user is under legal disability, the term also includes the user's legal representative. Where the user is an employee who has been using the product while acting within the scope of employment, the term also includes the employee's employer or co-employee. The term also includes any person who, while acting on behalf of the user, was in possession and control of the product in question.

507-C:2 Limitation of Product Liability Actions. Notwithstanding any other provision of law, all product liability actions must be commenced within the following time limits and not otherwise:

I. Within 3 years of the time the injury is, or should, in the exercise of reasonable diligence, have been discovered by the plaintiff; and

II. (a) No later than 12 years after the manufacturer of the final product parted with its possession and control or sold it, whichever occurred last; or

(b) Where the defendant is a lessor, bailor or licensor of a product who is under a legal duty to inspect, maintain, repair, modify, alter or improve the product in question, no later than 12 years after the time at which the defendant ceases to have the use, possession or control of the product or ceases to be under the legal duty to inspect, maintain, repair, modify or improve it; or

(c) Where the plaintiff's action is based upon a legal duty imposed by any governmental regulatory agency to alter, repair, recall, inspect or issue warnings or instructions about the product or otherwise to take any action or precaution for the benefit of the injured party, which legal duty arose after the defendant parted with possession and control of the product or sold the product, whichever came last, no later than 6 years after defendant first incurred the legal duty. This subparagraph does not shorten the time period established in subparagraphs (a) and (b) of this paragraph.

III. Where the action is brought to recover indemnity or contribution for damages paid to or claimed by another, the action must be commenced within the same period established in RSA 507-C:2, I, II, plus 90 days.

IV. The limitation periods established in RSA 507-C:2, I, II and III do not apply to actions based on the defendant's fraudulent misrepresentation, concealment or nondisclosure, nor to any actions based upon a written contractual obligation which provides for a different period of limitation, nor to actions brought under RSA 382-A:2-313, 2-314 or 2-315 which do not seek damages for or on account of injury to person or property.

507-C:3 Modification or Alteration of Products. In any product liability action, the defendant may be held liable only for harm that would have occurred if the product had been used in its unaltered and unmodified condition and shall not be held liable for harm arising in any part from alteration or modification of the product by another. For the purpose of this section, alteration or modification includes failure to observe routine care and maintenance, but does not include ordinary wear and tear or alterations or modifications made in accordance with specifications or instructions furnished by the defendant.

507-C:4 Discoverability of Risk. In product liability actions brought by or in consequence of harm to a user, it is an affirmative defense that the risks complained of by the plaintiff were not discoverable using prevailing research and scientific techniques under the state of the art and were not discoverable using procedures required by any federal or state regulatory authority charged with supervision or licensing of the product in question. Discoverability of risks shall be measured as of the time the manufacturer parted with possession and control of, or sold the product in question, whichever occurred last.

507-C:5 Applicability. This chapter applies to all product liability actions accruing after its effective date and, as to such actions, shall supersede any inconsistent provision of law. In addition, this chapter applies to causes of action accruing prior to its effective date upon which no action has been instituted as of its effective date, except that the time for bringing such

actions as specified in RSA 507-C:2 shall be computed from the effective date of this chapter.

3 Commission to Study Product Injury Reparations.

I. A commission to study product injury reparations is hereby established, consisting of the following members: The insurance commissioner, the commissioner of resources and economic development and no more than 13 other members to be appointed as follows: 2 who represent manufacturers or sellers of products, to be appointed by the Business and Industry Association of New Hampshire; 2 who are members of the legal profession, to be appointed by the New Hampshire Supreme Court; 2 who represent the insurance industry, to be appointed by the New Hampshire Product Liability Stabilization Committee; 2 senators to be appointed by the president of the senate; 3 members of the house of representatives to be appointed by the speaker of the house; and 2 representatives of the general public, to be appointed by the governor. The insurance commissioner shall be the chairman of the commission.

II. The commission shall monitor the effectiveness of section 2 of this act in improving the availability and affordability of product liability insurance; shall review other existing laws and practices which bear on the availability and affordability of such insurance; and shall recommend such changes as may be necessary to increase availability and affordability of such insurance, while at the same time allowing just compensation to those suffering injury from products.

III. On or before January 1, 1979, the commission shall prepare and submit its report to the governor, the president of the senate and the speaker of the house.

4 Effective date. This act shall take effect 60 days after its passage.

Reps. Eugene Daniell and Bosse spoke against the amendment.

Rep. Ward spoke in favor of the amendment.

Rep. Ward requested a quorum count.

The Speaker declared a quorum present.

Reps. Crory and Coutermarsh spoke in favor of the committee report.

Rep. Blanchette spoke against the amendment.

A roll call was requested.

Sufficiently seconded.

Rep. Hess abstained from voting under Rule 16.

The commissioner shall adopt rules to establish specific standards, including standards of full and fair disclosure, that set forth the manner, content and required disclosure for the sale of all policies of prepaid legal insurance which may be sold in this state by commercial and nonprofit insurance companies, which shall be in addition to, and in accordance with, applicable laws of this state which may cover but shall not be limited to:

The Assistant Clerk read the amendment. Rep. Krasker explained her amendment. On a voice vote the Speaker was in doubt and requested a division.

241 having voted in the affirmative and 70 in the negative, the amendment was adopted.

Ordered to third reading.

SB 269, relative to school committee elections in the city of Manchester. Ought to Pass with Amendment. Rep. Catherine-Ann Day for Education.

This bill allows primary and runoff elections for school committee in the City of Manchester, subject to local referendum. The vote in Committee was 11-4.

Amendment

Amend the bill by striking out sections 6 and 7 and inserting in place thereof the following:

6 Ballot Form. Amend 1913, 337:5 as amended by 1951, 316:1 by striking out said section and inserting in place thereof the following:

Sect. 5 There shall not be any party designation whatsoever on a separate school ballot to be used at said election, provided, however, that the city clerk shall cause school ballots to be printed as part of the official primary ballot, and said school ballot shall be located to the right of said official ballot and shall be separated therefrom by a wide marginal line and designated at the top thereof in bold type "school board ballot." The city clerk shall also cause a separate school ballot to be printed and available at the polls for the use of independent voters.

7 Election of School Committee. Amend 1909, 323:1 as amended by 1931, 270:1, 1957, 437:3 and 1963, 427:3 by striking out said section and inserting in place thereof the following:

Section 1. At every primary hereafter held in said city of Manchester there shall be elected from each ward one member of the board of school committee, unless there are more than 2 candidates in a ward, in which case the 2 candidates obtaining the most votes in the election at the primary shall be candidates at the biennial municipal election in November. Each shall hold office for the term of 2 years from the first Tuesday of January next following their election. The salary of each member of said school committee shall be determined by the board of mayor and aldermen.

Amend the bill by striking out section 9 and inserting in place thereof the following:

9 Referendum. At the municipal election to be held in the city of Manchester in November, 1977, the city clerk then in office shall cause to be included on the ballot then used the following question: "Shall the provisions of an act of the general court of 1977 relative to allowing non-partisan elections for school committee at the primary in the city of Manchester be adopted?" Beneath this question shall be printed the word "Yes" and the word "No" with a square immediately opposite such word in which the voter may indicate his choice. If a majority of the voters present and voting on the question shall signify their approval thereof, this act

shall be declared to have been adopted. The city clerk of the city of Manchester shall, within 10 days after said election, certify to the secretary of state the result of the vote on this question.

Amendment adopted.
Ordered to third reading.

SB 180, improving the manner of creating and maintaining condominiums and providing for full disclosure in condominium sales. Ought to Pass. Rep. Aller for Judiciary.

This bill supersedes the existing condominium law, RSA 479-A, and provides a new procedure for the creation, alteration and termination of condominiums. It was requested by the Attorney General. The Committee vote was unanimous.
Ordered to third reading.

SB 181, amending certain provisions of the land sales full disclosure act. Ought to Pass. Rep. Poulin for Judiciary. This bill lowers the threshold of registration, clarifies remedies for the consumer and strengthens enforcement procedures. Also included are provisions that specify the damages for which compensation will be made, and that require a subdivider to place deposits in escrow. Generally, it allows for more scrutiny of land sales by the Attorney General's Office.
Ordered to third reading.

SJR 3, requesting the judicial council to study the problems of collection on judgments and issuance of executions and to propose corrective legislation. Ought to Pass. Rep. Aller for Judiciary. This resolution requests that the Judicial Council study the problems of collection on judgments and issuance of executions and recommend corrective legislation. The Committee vote was unanimous.
Ordered to third reading.

HB 1194, concerning collecting sewer charges and filling vacancies on the board of sewer commissioners. Ought to Pass with Amendment. Rep. Richard Hanson for Municipal and County Government. This bill would only apply to the metropolitan city of Manchester. It seems to be of the best interest to pass this for their benefit.

Amendment
Amend the title by striking out same and inserting in place thereof the following:

AN ACT
concerning collecting sewer charges in municipalities with over 80,000 population.

Amend the bill by striking out sections 1 and 2 and inserting in place thereof the following:

1 Collection of Sewer Charges in Municipalities with Over 80,000 Population. Amend RSA 252 by inserting after section 13 the following new section:
252:13-a --Municipalities with Over 80,000 Population.

I. Municipalities with over 80,000 population may elect to commit all sewer charges under RSA 252:9 and 10, or any delinquent portion thereof, to the collector of taxes with a warrant under hands and seal of the mayor and aldermen requiring him to collect them; and he shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes. Said warrants shall be committed to the tax collector on one or more dates per year, said dates being established by ordinance.

II. All penalties accruing under the provisions of this section shall start to run on the first day after the due date of any bill.

2 Municipalities with Less Than 80,000 Population. Amend RSA 252:13 by striking out said section and inserting in place thereof the following:

252:13 Collection of Assessments or Rentals. In municipalities with less than 80,000 population, they shall be committed to the collector of taxes with a warrant under the hands and seal of the mayor and aldermen requiring him to collect them; and he shall have the same rights and remedies and be subject to the same liabilities in relation thereto as in the collection of taxes.

Amendment adopted.
Ordered to third reading.

SB 144, amending the definition of a "dam" in the RSA chapter on dams and flowage. Ought to Pass. Rep. Dickinson for Resources, Recreation and Development. This bill clarifies the definition of a dam in the statutes. Vote was unanimous.
Ordered to third reading.

HB 1192, establishing a tax on games of beano. Inexpedient to Legislate. Reps. McLane and Cunningham for Ways and Means and Regulated Revenues.

There was no support on either Committee for passage of this bill. The vote was 18-7 against interim study. Projected revenue at 5% was \$500,000 but accurate information on gross receipts and attendance was unavailable.

Rep. Rounds moved that the words, Refer to the Committee on Regulated Revenue for Interim Study, be substituted for the committee report, Inexpedient to Legislate, and spoke to his motion.

Reps. Splaine, McLane, Eugene Daniell, James J. White and Wallin spoke against the motion.

Reps. Chandler, Quimby and Cunningham spoke in favor of the motion.

Rep. Rounds requested a roll call. Sufficiently seconded.

Rep. Barka abstained from voting under Rule 16.

SB 128, to include licensed pastoral counselors in the category of services authorized under minimum mental illness coverage under major medical and non-major medical accident and health insurance. Ought to Pass. Rep. Tucker for Appropriations.

This bill provides the option of seeking the services of licensed pastoral counselors under the minimum mental illness coverage under the major medical and non-major medical accident health insurance. This pertains only to the licensed pastoral counselors and not to clergy at-large.

Rep. Neil McIver offered an amendment.

Amendment

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Coverage for Services of Licensed Pastoral Counselors. Amend RSA 415:18-a, I (supp) as inserted by 1975, 349:1 as amended by striking out said paragraph and inserting in place thereof the following:

I. Every insurer shall provide to each group or to the portion of each group comprised of policyholders of such insurance who are residents of this state and whose principal place of employment is in this state, coverage for expenses arising from the treatment of mental illnesses and emotional disorders which, in the professional judgment of psychiatrists, psychologists and licensed pastoral counselors, are subject to significant improvement through short-term therapy, and benefits for expenses arising from diagnosis and evaluation of all other mental illnesses and emotional disorders. Such benefits shall be at least as favorable to the certificate holder as the minimum benefits specified in paragraphs II, III and IV.

2 Coverage for services of Licensed Pastoral Counselors. Amend RSA 415:18-a, IV (supp) as inserted by 1975, 349:1 as amended by striking out said paragraph and inserting in place thereof the following:

2 Coverage for services of Licensed Pastoral Counselors. Amend RSA 415:18-a, IV (supp) as inserted by 1975, 349:1 as amended by striking out said paragraph and inserting in place thereof the following:

IV. In the case of policies or certificates providing benefits for hospital and medical expenses on a major medical basis, benefits shall be subject to deductibles and coinsurance at least as favorable as those which apply to the benefits for any other illness, provided that benefits payable for expenses incurred in any consecutive 12-month period may be limited to an amount not less than \$3,000 per covered individual, and to a lifetime maximum of not less than \$10,000 per covered individual. In this paragraph, covered major medical expenses include the reasonable charges for services and treatment in an inpatient, outpatient or partial hospitalization basis by a psychiatrist, a psychologist, a licensed pastoral counselor, a licensed general hospital, a public or licensed mental hospital, or a community mental health center approved by the division of mental health department of health and welfare.

3 Licensed Pastoral Counselor Defined. Amend RSA 415:18-a, V by inserting after subparagraph (b) the following new subparagraph:

(c) "Licensed pastoral counselor" means an individual who is licensed under RSA 330-B and who by virtue of professional education and experience would be eligible for fellowship in the American Association of Pastoral Counselors.

4 Limitation of Coverage. Amend RSA 415:18-a by inserting after paragraph V the following new paragraph:

VI. No services provided by a licensed pastoral counselor to a member of

his congregation shall be covered under the provisions of this chapter. Nothing in this chapter shall be construed as allowing a parish, church or temple to provide religious ministrations to their parishioners or members under the provisions of this chapter which would normally be the responsibility of the clergy, religious or other religious staff duly called and employed by such congregations.

5 Coverage for Services of Licensed Pastoral Counselors. Amend RSA 419:5-a, I (supp) as inserted by 1975, 349:2 as amended by striking out said paragraph and inserting in place thereof the following:

I. Every hospital service corporation, and every other similar corporation licensed under the laws of another state shall provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state and whose principal place of employment is in this state, coverage for expenses arising from the treatment of mental illnesses and emotional disorders which, in the professional judgment of psychiatrists, psychologists and licensed pastoral counselors are subject to significant improvement through short-term therapy, and benefits for expenses arising from diagnosis and evaluation of all other mental illnesses and emotional disorders. Such benefits shall be at least as favorable to the certificate holder as the minimum benefits specified in paragraphs II and III.

6 Coverage for Services of Licensed Pastoral Counselors. Amend RSA 419:5-a II (supp) as inserted by 1975, 349:2 as amended by striking out said paragraph and inserting in place thereof the following:

III. In the case of policies or certificates providing benefits for hospital expenses on a major medical basis, benefits shall be subject to deductibles and coinsurance at least as favorable as those which apply to the benefits for any other illness, provided that benefits payable for expenses incurred in any consecutive 12-month period may be limited to an amount not less than \$3,000 per covered individual, and to a lifetime maximum of not less than \$10,000 per covered individual. If such a policy or certificate is issued jointly with a medical service corporation licensed under RSA 420 or a health service corporation licensed under RSA 420-A, the limit on benefits payable for expenses incurred by any covered individual in any consecutive 12-month period and the limit on lifetime benefits may apply to the total benefits for mental illnesses and emotional disorders provided under such policy or certificates for such individual. In this paragraph, covered major medical expenses include the reasonable charges for services and treatment on an inpatient, outpatient or partial hospitalization basis by a licensed general hospital, a public or licensed mental hospital, or a community

mental health center approved by the division of mental health, department of health and welfare; except that such expenses may exclude charges arising from the professional services of a psychiatrist or a psychologist who customarily bills patients directly rather than to a hospital or community mental health center.

7 Licensed Pastoral Counselor Defined. Amend RSA 419:5-a, IV by inserting after subparagraph (b) the following new subparagraph:

(c) "Licensed pastoral counselor" means an individual who is licensed under RSA 330-B and who by virtue of professional education and experience would be eligible for fellowship in the American Association of Pastoral Counselors.

8 Coverage Limited. Amend RSA 419:5-a by inserting after paragraph VI the following new paragraph:

VIII. No services provided by a licensed pastoral counselor to a member of his congregation shall be covered under the provisions of this chapter. Nothing in this chapter shall be construed as allowing a parish, church or temple to provide religious ministrations to their parishioners or members under the provisions of this chapter which would normally be the responsibility of the clergy, religious or other religious staff duly called and employed by such congregations.

9. Coverage for Services of Licensed Pastoral Counselors. Amend RSA 420:5-a, I (supp) as inserted by 1975, 349:3 as amended by striking out said paragraph and inserting in place thereof the following:

I. Every hospital service corporation, and every other similar corporation licensed under the laws of another state, shall provide to each group, or to the portion of each group comprised of certificate holders of such insurance who are residents of this state and whose principal place of employment is in this state, coverage for expenses arising from the treatment of mental illnesses and emotional disorders which, in the professional judgment of psychiatrists, psychologists, and licensed pastoral counselors, are subject to significant improvement through short-term therapy, and benefits for expenses arising from diagnosis and evaluation of all other mental illnesses and emotional disorders. Such benefits shall be at least as favorable to the certificate holder as the minimum benefits specified in paragraphs II and III.

10 Coverage for Services of Licensed Pastoral Counselors. Amend RSA 420:5-a, III (supp) as inserted by 1975, 349:3 as amended by striking out said paragraph and inserting in place thereof the following:

III. In the case of policies or certificates providing benefits for medical expenses on a major medical basis, benefits shall be subject to deductibles and coinsurance at least as favorable as those which apply to the benefits for any

other illness, provided that benefits payable for expenses incurred in any consecutive 12-month period may be limited to an amount not less than \$3,000 per covered individual, and to a lifetime maximum of not less than \$10,000 per covered individual. If such a policy or certificate is issued jointly with a hospital service corporation licensed under RSA 420 or a health service corporation licensed under RSA 420-A, the limit on benefits payable for expenses incurred by any covered individual in any consecutive 12-month period and the limit on lifetime benefits may apply to the total benefits for mental illnesses and emotional disorders provided under such policy or certificate for such individual. In this paragraph, covered major medical expenses include the reasonable charges of a psychiatrist or psychologist who customarily bills patients directly.

11 Licensed Pastoral Counselor Defined. Amend RSA 420:50-a, IV by inserting after subparagraph (b) the following new subparagraph:

(c) "Licensed pastoral counselor" means an individual who is licensed under RSA 330-B and who by virtue of professional education and experience would be eligible for fellowship in the American Association of Pastoral Counselors.

12 Coverage Limited. Amend 420:5-a by inserting after paragraph IV the following new paragraph:

V. No services provided by a licensed pastoral counselor to a member of his congregation shall be covered under the provisions of this chapter. Nothing in this chapter shall be construed as allowing a parish, church or temple to provide religious ministrations to their parishioners or members under the provision of this chapter which would normally be the responsibility of the clergy, religious or other religious staff duly called and employed by such congregations.

SUPREME COURT OPINION ON HB 584

To the House of Representatives:

The undersigned justices of the supreme court submit the following answers to your questions with respect to House Bill 584 contained in your resolution adopted May 5, 1977, and filed with the court on May 9, 1977. Interested parties were permitted to file memoranda until May 23, 1977. None were received.

House Bill 584 would impose a 5% tax on the net income of resident individual taxpayers derived from the sale or exchange of capital assets as determined by reference to federal law.

Your first question is whether net income derived from the sale or exchange of capital assets may be taxed at a rate differing from the rate of tax imposed on gross income derived from the receipt of certain interests and dividends?

House Bill 584 proposes to impose a tax at the rate of 5% on net income derived from capital gains. RSA ch. 77 (commonly known as the Interest and Dividends Tax) now imposes a tax at the rate of 4 1/4% on gross income derived from the latter sources. The legislature has broad discretionary powers to classify subjects of taxation. Opinion of the Justices, 115 N.H. 306, 308, 339 A.2d 450, 451 (1975). Classifications made for just reasons do not violate any provisions of our constitution. Opinion of the Justices, 112, N.H. 32, 34, 287 A.2d 756, 757 (1972). Part II, article 5 of our constitution only requires that all subjects of taxation within a given class be taxed at a uniform rate. Opinion of the Justices, 111 N.H. 131, 134, 276 A.2d 817, 819 (1971). The question is therefore whether capital gains are sufficiently distinguishable from interest and dividends as to make it apparent that there is just reason to tax capital gains at a rate different from the rate imposed by RSA ch. 77 on income derived from certain interests and dividends. Opinion of the Justices, 110 N.H. 117, 122, 262 A.2d 290, 294 (1970).

Section 1, paragraph III of the proposed statute defines "(gains) from the sale or exchange of capital assets" as "the net gain as determined for federal income tax purposes, after due allowance for losses and holding periods, (a) from sales or exchanges of capital assets or assets treated as capital assets, other than notes, bonds or other obligations of the state of New Hampshire or any other political subdivisions thereof, or its or their respective agencies or instrumentalities, or (b) from transactions or events taxable to the taxpayer as such sales or exchanges, and being the net amount includable in the taxpayer's adjusted gross income, with respect to all such sales, exchanges, transactions, or events, under the provisions of the Internal Revenue Code in effect for the taxable year."

Basically, capital gains represent the appreciation in value of certain property of a taxpayer, realized upon the sale or exchange of that property. I.R.C. SS 1221 - 1223; 3B J. Mertens, Federal Income Taxation S 22.01 (1973).

Interest, on the other hand, is a form of compensation "for the use, or forbearance, or detention of money." 1 J. Mertens, supra S 6A.01. Dividends, such as are taxed pursuant to RSA 77:4, are also dissimilar to capital gains in that they represent a distribution of the earnings

and profits of a corporation, partnership, or other association, rather than an appreciation in value of the taxpayer's investment. See *Conner v. State*, 82 N.H. 126, 132, 130 A. 357, 360 (1925). It is apparent, therefore, that capital gains are a form of income sufficiently distinguishable from interest and dividends as to justify classifying them separately for purposes of taxation. The reason for imposing a higher tax on capital gains than on interest and dividends is a matter for the legislature. *Estate of Kennett v. State*, 115 N.H. 50, 53, 333 A.2d 452, 454 (1975). In view of the very different characteristics of these two classes of income, the legislature may find a rational basis for taxing capital gains at a higher rate. *Opinion of the Justices*, 101 N.H. 549, 558, 137 A.2d 726, 732 (1958); see *Opinion of the Justices*, 110 N.H. 117, 124, 262 A.2d 290 296 (1970).

Our answer to your first question is therefore "Yes." New income derived from the sale or exchange of capital assets may be taxed at a rate differing from the rate of tax imposed on gross income derived from the receipt of certain interest and dividends.

Your second question is whether the rate of a capital gains tax must be uniform with the rate of any other state tax now levied, such as the business profits tax. The capital gains tax proposed by House Bill 584 is to be imposed on the net gains of every resident individual derived from the sale or exchange of capital assets within or without New Hampshire. The business profits tax (RSA ch. 77-A) is imposed on the net business profits of every business organization attributable to operations within New Hampshire. *Scott & Williams, Inc. v. Board of Taxation*, 117 N.H. (No. 7323 decided March 31, 1977).

We are of the opinion that the tax proposed by House Bill 584 would differ in essential characteristics from the business profits tax. This being so, we are of the opinion that the tax proposed by this bill may be at a rate differing from that of the business profits tax without violating our constitution. *Opinion of the Justices*, 111 N.H. 136, 140, 276 A.2d 821, 823 (1971). Our answer to your second question is "no," the proposed tax on capital gains of individuals proposed by House Bill 584 need not be at the same rate as the business profits tax imposed by RSA ch. 77-A.

We must point out, however, that capital gains can be a part of the total business profits income taxable under the business profits tax to every business organization in this state. RSA 77-A:1 III. As we read House bill 584 in its present form, resident individuals could be taxable on some capital gains both under RSA ch. 77-A and under the tax proposed by the present bill. See, e.g., RSA 77-A:1 III (d); RSA 77-A:1 III (c),

(e) (Supp. 1975). Hence consideration should be given to avoid double taxation of capital gains income under both of these taxes. *Opinion of the Justices*, 110 N.H. 117, 123, 262 A.2d 290, 295 (1970); *Concord Inv. Corp. v. N.H. Tax Comm'n*, 114 N.H. 105, 108, 109, 316 A.2d 192, 194-95 (1974).

Your third question concerns the constitutionality of various provisions included in the proposed statute. Section 2 paragraph II provides that those taxpayers whose net capital gains do not exceed \$100, or \$200 in the case of a husband and wife, shall not be required to file any return under the proposed chapter. Section 5 provides exemptions in the amount of \$100 for individual taxpayers and \$200 for spouses filing jointly. This section further provides an additional exemption of \$100 for any individual sixty-five years of age or older, as well as an additional exemption of \$100 for any individual who is blind. Although exemptions may, theoretically, produce inequalities in the tax burden, the legislature clearly has the power to grant a reasonable exemption, on a uniform basis. *Opinion of the Justices*, 105 N.H. 22, 24, 192 A.2d 22, 23 (1963); *Opinion of the Justices*, 82 N.H. 561, 570-73, 138 A. 284, 289-90 (1927).

The \$100 exemption and the \$200 exemption for married couples, from filing and from the tax if taxable, violate no constitutional provisions. The additional exemption for those who have reached the age of sixty-five is also valid. The elderly, whose income generally drops once they retire, constitute a recognized class of people for whom relief from the burdens of taxation is justified. *Opinion of the Justices*, 110 N.H. 206, 207-08, 266 A.2d 111, 113 (1970); *Opinion of the Justices*, 105 N.H. 22, 24, 192 A.2d 22, 23-24 (1963). The additional exemption granted to those individuals who are blind is likewise valid, as their disability may limit their ability to earn income, and may also cause them to incur additional expenses. *Id.* at 24, 192 A.2d at 24; see *Opinion of the Justices*, 111 N.H. 136, 142, 276 A.2d 821, 824 (1971).

Section 7 I of the proposed statute provides for an exemption and deduction from net capital gains of any amount arising from the sale or exchange of an individual's or a married couple's principal residence. This section applies only when the individual or either of the spouses has attained sixty-five years of age and has used the property as the principal residence for at least five of the eight years immediately preceding the date of sale or exchange. The section further limits the availability of this exemption and deduction by allowing it for only the first such sale or transaction made by an eligible taxpayer after the effective date of the statute.

As discussed previously, the legislature may, without violating our constitution, classify separately persons

sixty-five years of age and older for purposes of reasonable tax relief. Inclusion of the capital gain realized from sale or exchange of a principal residence for purposes of the capital gains tax might impose on the elderly, with limited sources of income, an unduly harsh tax burden. Relief to these people from such a tax burden is therefore reasonable. Similar relief is provided by section 121 of the Internal Revenue Code. Providing this exemption and deduction only for gains arising from the sale or exchange of a principal residence also falls within the bounds of the legislature's broad discretion to classify property for purposes of taxation. Opinion of the Justices, 110 N.H. 206, 207-08, 266 A.2d 111, 113 (1970). It is evident that property used as a principal residence is unlike any other property which a taxpayer may own and from which capital gains might be realized. The sale or exchange of such property may produce rather substantial gains, and the legislature may choose not to discourage elderly persons who wish to sell their homes and move to smaller quarters. Principal residences therefore constitute a reasonable distinct class of property for which the legislature may allow a tax exemption and deduction not allowed for any other property. Opinion of the Justices, 111 N.H. 136, 142, 276 A.2d 821, 824 (1971). The proposed exemption of section 7 I therefore violates no constitutional provision.

Paragraph I of section 3 of the proposed statute provides, "(i)f property (in this section called 'old residence') used by the taxpayer as his principal residence is sold by him after the effective date of this chapter, and, within a period beginning 18 months before the date of such sale and ending 18 months after such date, property (in this section called 'new residence') is purchased and used by the taxpayer as his principal residence, gain (if any) from such sale shall be recognized only to the extent that the taxpayer's adjusted sales price (as defined in paragraph II) of the old residence exceeds the taxpayer's cost of purchasing the new residence." This nonrecognition of gain differs from the exemption from taxation under section 7 and applies to all taxpayers regardless of age.

Again, the separate classification of principal residences is a reasonable one for purposes of this special nonrecognition of gain section. A similar provision is contained in section 1034 of the Internal Revenue Code. That provision was enacted for the purpose of relieving taxpayers of the tax burden they might face in situations when they were forced to acquire a new residence due to a change in family size or due to a change in their place of employment. J. Chomnie, *Federal Income Taxation* § 141m at 435 (2d ed. 1973). The legislature may properly provide for such relief through the

nonrecognition of gain provision contained in section 3 of the proposed statute. Opinions of the Justices, 114 N.H. 174, 178, 317 A.2d 568, 570-71 (1974).

Section 6 of the proposed statute provides for a credit in the amount of taxes paid to another state as follows: "A credit against the tax imposed under this chapter shall be allowed for a tax paid to another state with respect to any gain from the sale or exchange of real property located in that state which had not been held for investment, income producing or any business purpose by a taxpayer subject to the tax imposed by this chapter. The credit allowed herein shall not exceed the lesser of (a) the tax paid to the other state with respect to such gain or (b) that proportion of the total tax due under said chapter which the amount of gain taxed in both this and another state and qualifying for this credit bears to the entire net gain of the taxpayer for the same taxable year for which a return is filed under said chapter." It also provides for a redetermination of the tax in certain instances.

The state may validly impose a tax on the capital gains income of a resident, even though such gains are derived from the sale or exchange of real property located in another state. *Conner v. State*, 82 N.H. 126, 132, 130 A. 357, 360-61 (1925). The credit granted by the proposed section 6 amounts, in essence, to an exemption from tax liability with respect to certain capital gains. Opinion of the Justices, 97 N.H. 533, 536, 81 A.2d 845, 848 (1951); *Keys v. Chambers*, 209 Ore. 640, 645, 307 p.2d 498, 501 (1957). As such, it is necessary that the exemption granted be just and reasonable. Opinion of the Justices, 82 N.H. 561, 573, 138 A. 284, 290 (1927). The purpose behind allowing a credit for taxes paid another state is to alleviate the burden of double taxation on the same income. *Concord Inv. Corp. v. N.H. Tax Comm'n*, 114 N.H. 105, 108, 109, 316 A.2d 192, 194-95 (1974); *Keys v. Chambers* supra. The ceiling on the credit allowed serves to ensure that the taxpayers affected nevertheless bear an appropriate tax burden in this state. *State v. Robinson Land and Lumber Co.*, 262 Ala. 146, 151, 77 So.2d 641, 646 (1954). Credits are only allowed for taxes paid on gains derived from the sale or exchange of real property which was not held for investment, income producing, or other business purposes. As the realization of gain from the sale or exchange of such real property may be merely incidental to the primary purpose for which it was held, the grant of some tax relief by way of the credit provisions in section 6 is just and reasonable.

Section 12 of the proposed statute provides for abatement of the whole or any part of the capital gains tax assessed "(f) or good cause, or when the commissioner judges the tax is uncollectible." Similar provisions are contained elsewhere in our tax statutes.

RSA 76:16 provides for abatement of local taxes "for good cause shown." RSA 77:25 provides for abatement of the interest and dividends tax "in the case of undue hardship or when, in the judgment of the commission, such abatement should be made." Provisions for the abatement of taxes have been included in our statutes for over one hundred fifty years. In Briggs' Petition, 29 N.H. 547 (1854), the court held that "poverty and inability to pay are good cause...to abate taxes." Id. at 552. The court interpreted the phrase "for good cause shown" to mean an abatement was necessary if justice required that it be made. Id. at 551. Abatement of taxes for those who are unable to pay them is a form of relief from the burden of taxation, id. at 552, and may be provided for by the legislature without violating any provision of our constitution. Opinion of the Justices, 105 N.H. 22, 24, 192 A.2d 22, 23 (1963); State v. Railway, 84 N.H. 313, 315, 150 A. 14, 15 (1930).

For the reasons given with respect to each of the sections of the proposed statute which was the object of your inquiry, the answer to your third question is "no." There are no provisions of our constitution which would be violated by the terms of these sections.

As to your fourth question, whether House bill 584 is otherwise constitutional on its face, we do not consider it is within our province to give a detailed answer. Considering the complexity of the bill and the absence of memoranda, we have not undertaken to study all its provisions in every detail to ascertain whether any provision other than those specifically covered by your questions may be objectionable. With that qualification we answer "yes", House Bill 584 appears constitutional on its face except for the double taxation problem previously mentioned in conjunction with our answer to your second question.

HOUSE RESOLUTION NO. 51
memorializing the New Hampshire
Senate regarding certain
House bills.

WHEREAS, the New Hampshire Legislature is charged by Pt. 1, Art. 33 of the State Constitution with the responsibility "for making such laws as the public good may require;" and

WHEREAS, the existence within the Legislature of two separate and distinct bodies requires from the membership of each of them mutual cooperation and respect in order to properly discharge this constitutional responsibility; and

WHEREAS, the elected representatives of the people in the House of Representatives in discharging their responsibility for fashioning laws for the public good, have after public hearing and careful deliberation passed and messaged to the Senate for its consideration many House bills of major importance; and

WHEREAS, the passage of certain of these important bills represents the first time in this decade that significant legislation on public ethics, lobbying and land use has been sent by the House of Representatives to the Senate for its consideration; and

WHEREAS, it appears that many of these bills will not be reported out of the Senate committees considering them, which, although permissible under the rules of the Senate, is unfortunate in light of the importance the House clearly attaches to the legislation which it presents to the Senate for its consideration

Now Therefore, Be It Resolved by the House of Representatives in General Court Convened:

That the members of the House of Representatives respectfully request that their colleagues in the Senate bring all House bills presently being held in Senate committees before the full membership of the Senate for consideration and record vote.

The Clerk read the resolution.

Rep. Marshall French spoke in favor of the resolution.

Unanimously adopted.

UNANIMOUS CONSENT

Rep. Hoar addressed the House by unanimous consent.

Rep. Ward moved that the House concur with the Senate amendment and spoke to her motion.

Adopted.

The subcommittee on Resolutions and Screening having approved its admittance, Reps. Roberts, Marshall French and Spiro offered the following:

HOUSE RESOLUTION NO. 53
establishing a special house committee to review the fact-finders report submitted to the legislature in regard to contract negotiations between the State of New Hampshire and the State Employees Association.

WHEREAS, RSA 273-A (the Public Employees Labor Relations Act) was enacted into law in the 1975 session to foster harmonious and cooperative relations between the public employers and their employees; and

WHEREAS, the state is presently engaged in negotiations with the State Employees Association as the bargaining agent for the state's employees; and

WHEREAS, RSA 273-A:12 requires that, in the event of an impasse in negotiations, a fact-finder shall report his findings and recommendations first to the governor and council for their approval or rejection, and if his recommendations are rejected, to the legislature for its approval or rejection; and

WHEREAS, an impasse in negotiations between the State Employees Association and the state of New Hampshire has occurred; and

WHEREAS, the fact-finder's report was duly transmitted to the governor and council on April 14, 1977 and his recommendations were rejected at that meeting; and

WHEREAS, the fact-finder's report has been transmitted to the legislature for appropriate action under RSA 273-A:12, and

WHEREAS, the conclusion of an equitable and workable collective bargaining agreement between the state and its employees is of paramount importance; now therefore be it

RESOLVED by the House of Representatives:

That there is hereby created a special house committee to be composed of 7 members of the house to be appointed by the speaker, no more than 4 of whom shall be from the majority party, to review the fact-finder's report and to recommend appropriate action to the house no later than June 16, 1977.

COMMUNICATION

George Roberts, Jr.
Speaker of the House

Dear Mr. Roberts:

With a sad heart I pen this letter. The past four years have been the most exciting years of my life, but the time has come for me to make a decision. For a time I thought it possible for me to resume my duties and serve my constituents to the best of my abilities but I see now that my personal obligations will take a long period of time, therefore, I have decided in the best interest of my Town and State I must resign.

I want to thank you and your staff for all the kindness and respect extended to me.

Painfully yours,
Grace DeCesare,
Representative
Salem, N. H.

The Assistant clerk read the communication.

HOUSE JOURNAL 45

Monday, 13 June 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain Milton L. Smith, Sr.

Lord, we are concerned and ashamed that so often gold and silver, power and noise shut out the simple compassion of the human heart. Help us to care, as You care, for the little people who have no lobbyists, for the minority groups who sorely need justice. May it be the boast of our state government that not only the strong are heard, but also the weak; not only the powerful, but the helpless; not only those with influence, but also those who have nothing but a case and an appeal. In Jesus' name we pray. Amen!

Rep. Oleson led the Pledge of Allegiance.

HOUSE JOURNAL 46

Wednesday, 15 June 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain

Milton L. Smith, Sr.

Good morning Lord. Thank You for a new day. Someone has said, "Some minds are like concrete -- all mixed up and permanently set." We know how this can happen because it happens to us all at times. Lord, let our minds be open and willing to determine what is the best, the very best, for our state as we attempt to make sense out of these last few busy and hectic days. Let us use care and concern in our decision making so we can be sure in our own hearts and minds that we have done our very best and are in tune with Your will. Even at this moment we are mindful of the death of Rep. John W. Sing. How precious each moment suddenly seems to each of us. O Lord, guide us to use our time wisely and well. Let Your will be made known in our lives and labor. Support Nancy Ann Sing with Your love and strength and encourage us to be a supporting and loving community in this sad time. Your will be done. Amen!

Rep. Benton spoke in favor of reconsideration.

Reconsideration prevailed.

Rep. Benton moved that the House concur in the Senate amendment to HB 261.
Adopted.

ENROLLED BILLS AMENDMENT

SB 123, relative to the power of certain colleges to grant degrees.

Amendment

Amend section 1 of the bill by striking out line 6 and inserting in place thereof the following:

The Assistant Clerk read the amendment.
This amendment corrects the use of the wrong word in section 1 of the bill.
Adopted.

The Sergeant-at-Arms announced the Secretary of State, who read a veto message from the Governor.

VETO MESSAGE ON HB 7

To the Honorable Members
of the General Court

I am returning herewith HB 7 with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

At the present time, the New Hampshire membership of the New England Board of Higher Education is made up of three members namely, the President of the University of New Hampshire, a member of the Legislature and a citizen of the state, all three of whom are appointed by the Governor.

I would point out that under current law two-thirds of the members represent the general public and only one member represents the education establishment.

This bill would add to the board the Chancellor of the University System, the Presidents of Keene and Plymouth State Colleges and two representatives of private colleges designated by the New Hampshire College and University Council.

The activities of a board heavily weighted in favor of professional educators could eventually result in a drive for higher taxes with little or no input from the taxpayer.

In my judgment, to mandate membership of six of the eight positions simply by reason of office or designation is not good legislation. It will reduce drastically the direction that should be available from New Hampshire citizens at large by reason of appointments made by their elected representatives.

I regret that I had to veto this bill. I was in favor of adding the

Chancellor to the Board as was originally planned. For this reason I asked the leadership to recall the bill so that it could be revoked. Unfortunately, that was not done.

I hope that the Legislature upon further consideration will agree with me that a board representative of the people is to be preferred to our predominately professional.

Sincerely,
Meldrim Thomson, Jr.

Question being shall HB 7, increasing the number of resident New Hampshire members of the New England Board of Higher Education, pass notwithstanding the Governor's veto.

The Speaker requested a quorum count.
216 members answering, the Speaker declared a quorum present.

Question being shall HB 7 pass notwithstanding the Governor's veto.

VETO MESSAGE ON HB 311

To the Honorable Members
of the General Court

I am returning herewith HB 311, together with my objections thereto as provided in Part II, Article 44, of the New Hampshire Constitution.

Present law allows local conservation commissions seven days within which to decide whether they wish to intervene in action taken by the special board. After timely notice is filed, a conservation commission has another 30 days to conduct its own thorough review of the application and file a report of the same with the special board.

Over the past several years, the special board has reviewed between 1,000

and 1,500 applications per year. Of that number, there is an annual average of only 100 applications in which conservation commissions have intervened. Most applicants now must wait approximately two to three weeks to have their applications considered by the special board. This legislation, if enacted into law, would delay action upon all applications for yet another week, regardless of conservation commission intervention.

Of the 160 conservation commissions now established, only a handful customarily intervene in special board application procedures.

We should not enact into law legislation which would create further delay on all dredge and fill applications, the vast majority of which are for minor repairs to docks and the like.

Present law correctly places the burden upon the local commissioners who are elected to that office because of their intimate knowledge and concern for the needs of conservation in their respective localities.

This bill would alter the balance between the purpose of the conservation commissions and the desire of members of the citizenry for a prompt and efficient governmental action and, therefore, should not become law.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 796

To the Honorable Members
of the General Court

I am returning herewith HB 796 with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

This bill would further liberalize the penal laws of our state to include inmates of county houses of correction in the approved absences program.

According to the latest statistics available, the average length of incarceration in our houses of correction is but 55 days on a statewide basis. Under the terms of this bill, any inmate would be eligible for an approved absence during the last 90 days of his sentence or if he has served one half of his minimum sentence. This bill is wholly unnecessary under existing law which permits any inmate to go to his family if a death is imminent or to the funeral of a member of his family or to receive medical treatment if he himself is critically ill or for any other imperative and extraordinary purpose as the superior court judge or the Governor may order.

Under this bill, it would be highly questionable whether the standards and safeguards contained in the proposed statute could be implemented on a safe and consistent basis by the superintendents of county houses of correction and the various county commissioners who would now be authorized to establish approved absences of house of correction inmates. Certainly, this cannot be accomplished without substantial increases in qualified personnel and expenditures which would necessarily be imposed upon the counties as a result of this bill.

RSA 623-A:1 now authorizes the Warden of the State Prison with the approval of the Board of Prison Trustees to establish rules permitting approved absences of eligible inmates who are in his official custody. The state prison absence program has been applicable to inmates at Shea Farm exclusively, and has been successful only because of a stringent selection system starting with a graduated-step basis with close follow-up and supervision.

At my request, a number of county sheriffs throughout the state were contacted with respect to this bill, and they all strenuously objected to this bill becoming law. It simply would be unworkable on the county level, and there is neither the money nor the personnel to supervise and follow up any inmate released under this program.

Although serious crimes in New Hampshire decreased some 11 percent in 1976, the hard fact remains that for the three-year period 1973-1976, serious crimes increased an alarming 42 percent.

This would indicate, therefore, that primary emphasis would be better aimed toward attempts to further tighten our penal codes rather than to liberalize them as HB 796 requests.

After its serious reflection, I respectfully urge the Legislature to sustain this veto.

Sincerely,
Meldrim Thomson, Jr.

Question being shall HB 796, establishing an approved absence program in houses of correction pass notwithstanding the Governor's veto.

VETO MESSAGE ON HB 848
To the Honorable Members
of the General Court

I am returning House Bill 848 together with my objections thereto as provided in Part II, Article 44 of the New Hampshire Constitution. This bill requires that optometrists and ophthalmologists report all cases of vision examination results of 20/70 or less in the better eye after correction to the Bureau of Blind Services.

It is my understanding that most optometrists and ophthalmologists in fact report this information to the Bureau but with the knowledge and consent of their patients. The Bureau, in turn, uses this information to contact the individual and to see if any services or assistance are needed.

While I recognize the value of this kind of information, I object to the continuous encroachment of state bureaucracy and mandatory reporting requirements upon the private affairs of our citizens. The Bureau could just as well accomplish their goals by publicizing their services and objectives rather than having legislation passed that mandates the reporting of further information.

I also wish to point out that this bill appears to be unenforceable against ophthalmologists but would apparently constitute a misdemeanor in the event that an optometrist did not comply. This happens to be a quirk in the present laws as they apply to the two occupations (RSA 327 and 329) and thus have an inequity in the type of penalty to two different types of doctors for the same offense.

If patients realize that they are going to be reported, they may be hesitant to seek the necessary care. I do not feel that this type of service needs to be legislated.

Sincerely,
Meldrim Thomson, Jr.

Question being shall HB 848, requiring optometrists and ophthalmologists to report all discovered cases of bad vision to the bureau of blind services, pass notwithstanding the Governor's veto.

VETO MESSAGE ON HB 667

To the Honorable Members
of the General Court

I am returning HB 667 with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

This bill would establish a completely new chapter licensing and regulating all privately-owned recreational campgrounds and would create a new bureaucracy that is not needed and cannot be implemented as this bill is presently written.

The Division of Public Health Services, which would be required to carry out this new law, has neither the funds nor the personnel to investigate, license and regulate the some 300 campgrounds that are in New Hampshire.

There are already adequate health and pollution control laws and regulations that campground operators must comply

with, and I do not believe that many of these owners need to be licensed and regulated to the extent that this bill would go.

Although the bill exempts federal and state-owned parks and campgrounds, it does not exempt campgrounds and parks owned by cities and towns or by counties. These municipal facilities do not need to be licensed and regulated by a state bureaucracy.

Finally, the bill also provides for an advisory board which is narrow in scope and without the capability for effective input from the camping public.

For these reasons, I urge that you sustain this veto.

Sincerely,
Meldrim Thomson, Jr.

Question being shall HB 667, regulating recreational campgrounds, pass notwithstanding the Governor's veto.

HOUSE JOURNAL 47

Monday, 20 June 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain Milton L. Smith, Sr.

God our Father, You are creative beyond our understanding and imagination. You make the giant stars and the tiny atom. You make the galaxy to turn and the flower to bloom. And we confess that we often are unsure of what our purpose is in this mysterious creation, so we pray for light. Help us now to see our individual call to purpose You have ordained. Give us the strength to do Your will, as loved and accepted persons, as best we know and understand it to be. We can do no more - we can do no less and still be true to ourselves and to You. In the Master's Name. Amen!

Rep. Bellemore led the Pledge of Allegiance.

COMMITTEE REPORTS

(Regular Calendar)

SB 371, to repeal charters of certain corporations. Ought to Pass with Amendment. Rep. Close for Executive Departments and Administration.

This bill provides for the repeal by the Legislature of charters of those corporations which have not filed reports and fees required by law. As amended, the Secretary of State would be provided the authority to repeal the charters of corporations failing to file fees and reports and make unnecessary the requirement to bring before the Legislature for appropriate committee hearings and legislative approval, at the end of the session under suspension of rules, a more than 100 page bill.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

to repeal charters of certain corporations and relative to the periodic repeal of corporate charters by the secretary of state.

Amend section 1 of the bill by striking out the following named corporations:

Amherst Country Club, Inc. (Amherst, 1964)

Andrews Properties, Inc. (Portsmouth, 1975)

Bagshaw, W. H., Co. Inc. (Nashua, 1949)

Blackadar Insurance Agency, Inc. (Plaistow, 1972)

Bouchie, Guy X., & Son, Inc. (Hinsdale, 1970)

Dabl's, Inc. (Ossipee, 1972)

D.D.L. Corp. (Ossipee, 1972)

D.D.L. Real Estate, Inc. (formerly Cowell's Real Estate, Inc.) (Ossipee, 1970)

Economy Drug, Inc. (Nashua, 1954)

G & T Realty, Inc. (Portsmouth, 1971)

HY-Carbo Steel Co. Inc. (Nashua, 1950)

J & S Bakers, Incorporated (Milford, 1974)

Lamoureux, G. P., Heating Oils, Inc. (Dover, 1975)

New Hampshire Outdoorsman, Inc., The (Seabrook, 1973)

Panbro Sales of New Hampshire Corp. (Concord, 1972)

Pine Valley Builders, Inc. (Hooksett, 1973)

Plaistow Auto Supply, Inc. (Plaistow, 1972)

Process Industries, Inc. (Dover, 1957)

Ralacon, Inc. (Laconia, 1974)

Spruceland Corporation (Stoddard, 1970)

Woodlands Village, Inc. (Meredith, 1975)

Amend section 1 of the bill by inserting in the proper alphabetical sequence the following:

Christian Science Society of Antrim, N.H. (Antrim, 1952)

Da-Cord Realty, Inc. (Manchester, 1956)

Amend the bill by striking out section 5 and inserting in place thereof the following:

5 Forfeiture of Charter. Amend RSA 294:119 by striking out said section and inserting in place thereof the following:

294:119 Forfeiture of Charter for Nonpayment. If any such corporation shall for 2 consecutive years neglect or refuse to pay any fee due under the provisions of this chapter, the charter of such corporation shall be forfeited. The secretary of state shall forward notice of said forfeiture by certified mail to the corporation at its mailing address of record, together with an excerpt of RSA 294:119-a and 119-b.

6 Reinstatement Procedure. Amend RSA 294 by inserting after section 119 the following new sections;

294:119-a Reinstatement of Charter.

Any corporation which has its charter forfeited pursuant to RSA 294:119 may, within 90 days after the mailing of the notice of forfeiture, reinstate itself as a corporation by the payment of any fees in arrears, plus interest at the rate of 10 percent per annum, and by filing with the secretary of state any annual returns required by law. The corporation shall also file a statement under oath, signed by the clerk or secretary of such corporation, that it desires that its

charter or certificate of incorporation shall remain in full force and effect.

294:119-b Disposition of Property.

Any corporation having its charter forfeited pursuant to RSA 294:119 shall, nevertheless, continue as a body corporate for 3 years after the date of mailing of the notice of forfeiture, for the purpose of presenting and defending suits by or against it and of gradually closing and settling its concerns and distributing its assets, including the disposition and transfer of all or any part of the property and for no other purpose; provided that for the purpose of any suit or action by or against any such corporation, pending at the end of said 3 years, such corporation shall continue as a body corporate until 90 days after final judgment or decree in such suit or action.

294:119-c Powers of Superior Court. During the 3-year period following the mailing of a notice of forfeiture, the superior court shall have the power at any time when it shall be made to appear, upon the petition of any interested party, that the protection of proprietary or other rights requires the doing of any act or thing by or in behalf of any such corporation, to order the doing of such acts or things, and for this purpose may appoint and authorize an agent to act for and in the name of such corporation and any action so ordered and done shall be effective corporate action.

7 Preservation of Remedies. Amend RSA 294:120 by striking out said section and inserting in place thereof the following:

294:120 Remedies Preserved. No remedy against any corporation, its stockholders or officers for any liability previously incurred shall be impaired by a forfeiture pursuant to RSA 294:119.

8 Warning of Forfeiture. Amend RSA 294:107-a (supp) as inserted by 1967, 63:2 by striking out said section and inserting in place thereof the following:

294:107-a Notification of Neglect. The secretary of state shall biennially notify every business corporation which shall have failed to file its annual return and to pay the filing fee for 2 consecutive years of such delinquency, and shall notify by mail such corporation that its charter shall be forfeited.

9 Effective Date.

I. Sections 1 through 4 of this act shall take effect upon its passage.

II. Sections 5 through 8 of this act shall take effect 60 days after its passage.

Amendment adopted.

Ordered to third reading.

HB 1197, imposing a tax on amusement and vending machines and making an appropriation therefor. Inexpedient to Legislate. Rep. McLane for Ways and Means

An arbitrary return to the old machinery tax on a certain class of the business community did not seem fair to this committee. Revenue estimate was \$1,000,000. Committee vote was 14-0.

Rep. McLane spoke to the committee report.

Rep. Marshall French requested a roll call. Sufficiently seconded.

HB 584, imposing a tax on capital gains. Majority: Ought to Pass with Amendment. Rep. McLane for Ways and Means; Minority: (Rep. Wallin) Refer to the Committee on Ways and Means for Interim Study.

Majority: This tax would affect those people who are more able to pay and have cash in hand by reason of the definition of capital gains.

The principal homestead is exempt.

The definition of capital gains is the same as in the federal law. Committee vote was 8-6.

Minority: While the minority supports the concept of a capital gains tax HB 584 is poorly drawn and needs further work. Further, there are other excellent bills dealing with capital gains on land which have been sent to interim study which should be melded into a total capital gains tax.

Rep. Wallin moved that the report of the Minority, Refer to the Committee on Ways and Means for Interim Study, be substituted for the report of the Majority, Ought to Pass with Amendment, and spoke to her motion.

Rep. McLane moved that HB 584 be laid upon the Table.

A roll call was requested. Sufficiently seconded.

HB 1196, imposing a tax on inhabitants and workers and making an appropriation therefor. Majority: Inexpedient to legislate. Rep. McLane for Ways and Means; Minority (Rep. Quimby) Ought to pass with amendment.

Majority: A regressive tax that would hurt the poor. Vote 9-4 against a \$5. increase, 10-3 against a \$10. increase which would have provided \$9.2 million in revenue.

Minority: Because of the shortage in new revenue, to balance a reasonable budget, of some \$17.5 million an increase in this tax on residents between ages 18 and 65 seems one of our few remaining alternatives.

Rep. Quimby moved that the report of the Minority, Ought to Pass with Amendment, be substituted for the report of the Majority, Inexpedient to Legislate, and spoke to his motion.

Resolution adopted.

Reps. Willey and Gary Dionne wished to be recorded against HB 1196

HB 1200, establishing a tax on carbonated beverages not otherwise taxed. Majority: Ought to Pass with Amendment. Rep. McLane for Ways and Means; Minority: (Rep. McLane) Ought to Pass with Amendment. Majority: The Committee killed the soda pop bill 5-8 and amended the entire bill to include the wine bill as it came out of Regulated Revenues, without multiple licensing. The estimated revenue for the biennium on the wine bill is \$2,000,000 and the pop tax was estimated at \$18,000,000. Minority: This is a reasonable, viable source of funds. Four other states have a similar tax. The amendment insures that only carbonated drinks, not Kool-aid, are included. The \$8 million estimated revenue is needed.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

authorizing certain stores to sell table wine.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Table Wine Sales. Amend RSA 178 by inserting after section 2-d the following new sections:

178:2-e Off-Sale License for Table Wine. Off-sale licenses shall be issued only for grocery and drug stores as defined in RSA 181:1 not holding an on-sale permit or license. No licensee shall hold more than 2 licenses under this section at any one time. Such licenses shall authorize the licensee, under conditions and terms established by the commission, to sell table wines as defined by the provisions of RSA 178:2-b, for consumption only off the premises designated in the license and not to other licensees for resale. Such sales shall be made only in the immediate container in which the wine was received by the off-sale licensee and all wines sold under the provisions of this section shall be purchased from the commission on forms provided by said commission. The sales price of such wines shall not be lower than comparable prices in state stores. Sales may be made by any licensee the same hours as established by the commission for the sale of beer. The fee of this off-sale license shall be \$100 per year and the commission may suspend or revoke said off-sale license together with any other permits or licenses issued by the commission to the licensee for violations noted in the sale of alcoholic beverages on the premises.

2 Appropriation. The sum of \$215,000 is hereby appropriated for the fiscal year ending June 30, 1978 and \$215,000 for fiscal year ending June 30, 1979, to the state liquor commission to implement the provisions of section 1 of this act. This appropriation is in addition to any other appropriation for the state liquor commission. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

3 Effective Date. This act shall take effect 60 days after its passage.

Rep. McLane explained the amendment.

Rep. Aller requested a division.

Rep. Marshall French requested a roll call. Sufficiently seconded.

Rep. Nardi abstained from voting under Rule 16.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

authorizing certain stores to sell table wine and establishing a tax on carbonated beverages.

Amend the bill by striking out all after Section 2 and inserting in place thereof the following:

3 New Chapter. Amend RSA by inserting after chapter 78-C the following new chapter:

CHAPTER 78-D

Carbonated Beverage Tax

78-D:1 Definitions -- As used in this chapter:

I. "Bottled soft drinks" shall include any and all non-alcoholic carbonated beverages such as soda water, ginger ale, coca cola, lime cola, pepsi cola, doctor pepper, root beer, carbonated water, which are closed and sealed in glass or any other type of container or bottle, whether manufactured with or without the use of any syrup. The term

"bottled soft drinks" shall not include milk of any kind or natural undiluted fruit juice or vegetable juice or any powdered material with or without a sweetener added, to which either water alone or water and sweetener are added to make a non-carbonated drink.

II. "Natural undiluted fruit juice" shall mean the liquid resulting from the pressing of fruit with or without sweetener being added, or the liquid resulting from the reconstitution of natural fruit juice concentrate by the restoration of water to dehydrated natural fruit juice with or without sweetener being added.

III. "Natural undiluted vegetable juice" shall mean the liquid resulting from the pressing of vegetables with or without sweetener being added or the liquid resulting from the reconstitution of natural vegetable juice with or without sweetener being added.

IV. "Sweetener" shall mean sugar only, artificial or natural which singularly flavors the taste of a natural undiluted fruit juice or natural undiluted vegetable juice.

V. "Soft drink syrups" shall include the compound mixture of the basic ingredients practically and commercially usable in making, mixing or compounding soft drinks by the mixing thereof with carbonated water, among such syrups being such products as coca cola syrup, chero cola syrup, pepsi cola syrup, doctor pepper syrup, root beer syrup, or any other prepared syrups sold or used for the purpose of mixing soft drinks commercially at soda fountains, restaurants or similar places.

VI. "Person" shall mean and include an individual, firm, partnership, association or corporation.

VII. "Wholesale dealer" includes only those persons who sell any bottled soft drink or soft drink syrup to retail dealers for the purpose of resale.

VIII. "Retail dealer" includes every person other than a wholesale dealer mixing, making, compounding or manufacturing any drink from a soft drink syrup or a person selling such syrup.

IX. "Distributor" shall mean any person who manufactures, bottles, produces or purchases for sale to retail dealers any bottled soft drink or soft drink syrup.

X. "Commissioner" means the commissioner of revenue administration and where the meaning of the context requires, all deputies and employees duly authorized by him.

78-D:2 Carbonated Beverage Tax. A tax is hereby imposed upon the wholesale distribution of carbonated soft drinks at the uniform rate of \$.15 per gallon of liquid soft drink or \$.15 per quantity of syrup that, when mixed with recommended quantities of carbonated water and other additives, would produce a gallon of liquid soft drink. The tax shall be collected and paid by the wholesaler of carbonated soft drinks based on monthly reports filed with the department of

revenue administration as hereinafter provided.

78-D:3 Reports. Every person subject to the tax imposed by this article shall on or before the 15th day of each month make to the commissioner such reports of such person's operations for preceding month necessary to verify such person's liability under this chapter as the commissioner may require, and shall, from time to time as the commissioner may require by due notice of 15 days, make such additional reports necessary to verify such person's liability under this article as the commissioner may deem necessary. For good cause shown, the commissioner may extend the time for filing said reports for a period not exceeding 30 days.

78-D:4 Taxpayer Records. Every wholesaler of carbonated soft drink products shall:

I. Keep such records as may be necessary to determine the amount of its tax liability under this chapter.

II. Preserve such records for the period of 3 years or until any litigation or prosecution hereunder is finally determined.

III. Make such records available for inspection by the commissioner or his authorized agents, upon demand, at reasonable times during regular business hours. Whoever violates any of the provisions of this section shall be guilty of a misdemeanor, if a natural person, or guilty of a felony if any other person.

78-D:5 Affixing of Tax Stamps or Tax Crown.

I. The payment of the taxes herein provided shall be evidenced by the affixing of soft drink tax stamps or tax crowns to the original containers or bottles in which any bottled soft drink or syrup is placed, received, stored or handled. Such stamps or crowns, of the appropriate denomination, shall be affixed to each container of syrup and to each bottled soft drink by the person who under the provisions of this chapter is required to pay the tax thereon, within 24 hours after such person has such bottled soft drink or syrup in his possession for the first time. The provisions of this paragraph shall not apply to syrup used by bottlers in the manufacture of bottled soft drinks, or to bottled soft drinks or syrups which are transported through this state and which are not sold, delivered, used or stored herein, if transported in accordance with such rules and regulations as may be promulgated by the commissioner, or to any bottled drink or syrup which is manufactured in this state and sold to a purchaser outside this state.

II. Except as otherwise provided in this section, it shall be unlawful for any person to sell, use, handle or distribute any bottled soft drink or soft drink syrup to which the tax stamps or tax crowns required by this section are not affixed, and any person who shall violate this provision shall be guilty of a misdemeanor.

78-D:6 Failure to Make Returns; False Returns or Records. The following acts or omissions are unlawful:

I. Failing to make any return or declaration required by this chapter;

II. Making, causing to be made, or permitting to be made any false or fraudulent return or declaration or false statement in any return or declaration, with intent to defraud the state or to evade payment of the tax or any part of the tax imposed by this chapter;

III. Making, causing to be made, or permitting to be made any false entry in books, records or accounts with intent to defraud the state or to evade the payment of the tax or any part of the tax imposed by RSA 78-D or keeping, causing to be kept, or permitting to be kept more than 1 set of books, records or accounts with such intent. Whoever violates any of the provisions of this section shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

78-D:7 Adjustments; Procedure. The commissioner is empowered to determine whether there has been error in the assessment of the tax imposed by this chapter, in accordance with the following provisions:

I. The taxpayer may demand such a determination, in writing, within 3 years after the tax was due;

II. The commissioner may, on his own motion, undertake such a determination upon written notice to the taxpayer given within 3 years after the tax was assessed and paid, whichever is later;

III. After hearing, if requested by the taxpayer, the commissioner shall affirm or shall increase or decrease the tax heretofore assessed. Any increase ordered by the commissioner shall be assessed against the taxpayer and shall carry 10 percent interest from the date originally due. Any decrease ordered by the commissioner shall, with 10 percent interest from the date the tax was paid, be credited against any unpaid tax then due from the taxpayer and any balance due the taxpayer shall be certified to the state treasurer who shall pay the balance to the taxpayer, but such credit and payment together may not exceed the amount of the tax originally paid.

78-D:8 Appeal. Within 30 days after notice of any adjustment or tax by the commissioner under RSA 78-D:7, a taxpayer may appeal the commissioner's determination either by written application to the board of taxation or by petition to the superior court in the county in which the taxpayer resides or if not a resident of the state, in the county where it has a place of business or resident agent. The board of taxation or the superior court, as the case may be, shall determine the correctness of the commissioner's action de novo.

78-C:9 Administration.

I. This chapter shall be administered and enforced by the department of revenue administration. The commissioner as authorized by the governor and council,

subject to personnel statutes, shall appoint such additional technical, clerical and other personnel as he shall deem necessary to carry out the provisions of this chapter.

II. The commissioner shall collect the taxes, interest, and penalties imposed under this chapter and shall pay them to the state treasurer.

III. The expenditures authorized by paragraph I shall be a charge against the moneys collected pursuant to this chapter; provided, however, that until such time as moneys received pursuant to this chapter equal the cost of administering the same, the expenditures shall be a charge against the general fund. The governor is authorized to draw his warrants for the sums so authorized out of any money in the treasury not otherwise appropriated.

IV. The commissioner may make such reasonable rules and regulations as are necessary to carry out the provisions of this chapter. The commissioner may institute actions in the name of the state to recover any tax, interest on tax, or the penalties imposed by this chapter.

78-C:10 Powers of Commissioner. In the collection of the tax imposed by this chapter, the commissioner shall have all the powers granted to tax collectors under RSA 80 for the collection of taxes, and he shall have all the duties imposed upon tax collectors by RSA 80 that are applicable thereto.

78-C:11 Hearings. The commissioner may take the oath of any person in the course of any hearing authorized by this chapter. In connection with hearings, the commissioner and taxpayer shall have the power to compel the attendance of witnesses and the production of books, records, papers, vouchers, accounts or other documents. The commissioner and taxpayer may take the depositions of witnesses residing within or without the state pertaining to a matter under this chapter, in the same way as depositions of witnesses are taken in civil actions in the superior court. Fees of witnesses shall be the same as those allowed to witnesses in superior court, and in the case of witnesses summoned by the commissioner, such fees shall be considered as an expense of the administration of this chapter.

78-C:12 Form of Notice. Any notice required by this chapter to be given by the commissioner to a taxpayer shall be by certified mail and in the case of hearings, shall be given at least 10 days before the date thereof.

78-D:13 Seizure and Sale of Soft Drinks and Soft Drink Syrups by Commissioner; Forfeiture; Collection of Tax. Whenever the commissioner or any of his duly authorized agents shall discover any soft drinks or soft drink syrups, subject to tax as provided by this chapter and upon which the tax has not been paid as herein required, the commissioner or his duly authorized agent is hereby authorized and empowered forthwith to

seize and take possession of such soft drinks or soft drink syrup, which shall thereupon be deemed to be forfeited to the state and the commissioner may within a reasonable time thereafter by a notice posted upon the premises where such seizure was made, or by publication in some newspaper having circulation in the county wherein such seizure is made, at least 5 days before the day of sale, sell such forfeited soft drinks or soft drink syrups; and from the proceeds of such sale shall collect the tax due thereon together with a penalty of 50 percent thereof and the cost incurred in such proceedings, and pay the balance, if any, to the person in whose possession such soft drinks or soft drink syrups were found: Provided, however, that such seizure and sale shall not be deemed to relieve any person from any penalty provided herein for violation of any provision of this chapter. Such sale shall be made in the county where most convenient and economical. All moneys collected under the provisions of this section shall be paid into the state treasury and treated as other taxes collected under this chapter.

78-D:14 Penalty. Any person who violates any of the provisions of this chapter or any lawful rule or regulation promulgated by the commissioner under authority of this chapter, for the violation of which no other penalty is provided by law, shall be guilty of a misdemeanor if a natural person, or guilty of a felony if any other person.

4 Effective Date. This act shall take effect 60 days after its passage.

Reps. McLane, Bridges, Eugene Daniell, Wallin and Quimby spoke in favor of the amendment.

Reps. Lawton, Scamman and Coutermarsh spoke against the amendment.

Rep. Marshall French requested a roll call. Sufficiently seconded.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

authorizing certain stores to sell table wine establishing a tax on beverages and relative to the operation of state liquor stores on Sundays and making an appropriation therefor.

Amend the bill by striking out all after section 3.

Amend section 4 of the bill by striking out same and inserting in place thereof the following:

4 Sunday Sales. Amend RSA 177 by striking out same and inserting in place thereof the following:

177:2-c Sunday Opening. The authority of the liquor commission to make rules and regulations relative to sale of liquor shall include the right to provide that no more than 13 stores may be open for business on any Sunday except January first, Easter, July fourth or Christmas day, whenever such days fall on a Sunday. Each employee shall be compensated 1-1/2 times his regular rate of pay for the actual number of hours worked. Employees may be assigned by the liquor commission and deployed to any store operating on a Sunday schedule; provided, however, no employee shall be required to work more than 2 Sundays during any month. No store shall open for business on a Sunday prior to 1:00 p.m. and shall be closed by 8:00 p.m.

5 Appropriation. The sum of \$103,000 is hereby appropriated to the state liquor commission for the fiscal year ending June 30, 1978, and a like sum for the fiscal year ending June 30, 1979, for the purpose of compensating the employees pursuant to section 3 of this act. This appropriation is in addition to any other funds appropriated to the state liquor commission. The governor is authorized to draw his warrant for said sum out of any money in the treasury not otherwise appropriated.

6 Effective Date. This act shall take effect July 1, 1977.

Rep. James J. White explained the amendment.

Reps. Tucker and Bridges spoke in favor of the amendment

Rep. Sanborn spoke against the amendment.

Rep. LaMott requested a roll call. Sufficiently seconded.

ENROLLED BILLS AMENDMENTS

SB 71, providing for state assistance to persons suffering from hemophilia and making an appropriation therefor. (Amendment printed in SJ 6/20)

The change in the title deletes the reference to an appropriation which was deleted by a House amendment.

The Assistant Clerk read the amendment. Amendment adopted.

SB 222, authorizing the town of Peterborough to appropriate money and authorize borrowing for water purposes at special town meetings. (Amendment printed in SJ 6/20)

This amendment clarifies the application of section 1 of the bill, which affects only Peterborough. The remainder of the bill does not affect Peterborough.

The Assistant Clerk read the amendment. Amendment adopted.

HB 726, relative to the local approval for the development of any public airport. (Amendment printed in SJ 6/20)

This amendment corrects a technical error in the amending language of section 1 of the bill. The word "subparagraph" is changed to properly read "paragraph".

The Assistant Clerk read the amendment. Amendment adopted.

SB 16, relative to the extent of medical treatment which a licensed podiatrist may perform. (Amendment printed in SJ 6/20)

This amendment corrects 2 grammatical errors in the grandfather clause of the bill and also amends the title to reflect the sections added to the bill by amendments.

The Assistant Clerk read the amendment. Amendment adopted.

HB 1149, relative to the preparation of a town budget under the municipal

budget act and budgets for counties, school districts and village districts. (Amendment printed in SJ 6/20)

This amendment corrects an oversight in the amending language of section 2 of the bill.

The Clerk read the amendment. Amendment adopted.

SB 174, relative to placing a neglected child under the supervision of the director of the division of welfare.

Amend RSA 169:10 as inserted by section 2 of the bill by inserting in line 4 after the word "disposition." the following:

Any child placed under this section with someone other than a relative or in a public institution shall be placed only in a facility, foster home, group home or similar home or facility that is licensed pursuant to RSA 170-E.

This amendment brings SB 174's amendment of RSA 169:10 into conformity with the version of that section already adopted in HB 621.

The Clerk read the amendment. Amendment adopted.

SB 177, relative to preventive measures for forest and brush fires.

Amend section 16 of the bill by striking out lines 1 and 2 and inserting in place thereof the following:

16 Penalty. Amend RSA 224:36 (supp) as amended by striking out said section and inserting in place thereof the following:

Amend RSA 224:44-c as inserted by section 19 of the bill by striking out line 11 and inserting in place thereof the following:

come and employment for our citizens

These amendments correct an error in the source note in the amending language of section 16 and a grammatical error in section 19.

The Clerk read the amendment. Amendment adopted.

SB 193, permitting public service as an alternative sentence for conviction of certain crimes.

Amend section 1 of the bill by striking out line 3 and inserting in place thereof the following:

VI-a. A person convicted of a violation of RSA 634:2 or of RSA 644:3 may be

This amendment corrects an error in numbering the new paragraph inserted by section 1 of the bill.

The Clerk read the amendment. Amendment adopted.

SB 167, relative to the enforcement of court ordered child support payments. (Amendment printed in SJ 6/20)

Adopted.

SB 149, protecting the welfare of certain adults by providing protective services. (Amendment printed in SJ 6/20)
Adopted.

HB 1064, relative to listing all exemptions on the annual inventory form. (Amendment printed in SJ 6/20)
Adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 7

The committee of conference to which was referred Senate Bill 7, An Act establishing retirement and permanent disability benefits for district court justices, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend RSA 502-A:6-a, as inserted by section 1 of the bill, by striking out same and inserting in place thereof the following:

502-A:6-a Permanent Disability; Retirement of Justices.

I. The word "justice" as used in this section shall mean a justice of a district court who is not permitted to engage in the practice of law under RSA 502-A:21.

II. Any justice who becomes unable to perform his duties because of permanent disability shall be retired from regular service for the remainder of his term. A justice who desires to retire because of inability to perform his duties shall certify to the governor and council his disability to perform his duties and the governor and council, if they find him unable to perform his duties because of permanent disability, shall order his retirement from regular service. If a justice who is permanently disabled to perform his duties shall be unable or unwilling to certify his disability, the administrative committee of the district and municipal courts shall certify in writing his disability to the governor and council, who shall, if they find him after due notice and hearing unable to perform his duties because of permanent disability, order his retirement from regular service. A justice retired from regular service because of permanent disability shall receive the same benefits as he would have received had he retired at full retirement age, and such retirement shall terminate his regular service. The governor and council upon retirement of any justice under this paragraph shall appoint his successor.

III. As additional compensation for services rendered and to be rendered, any justice of a district court, who retires upon becoming 70 years old after having served as a justice for at least 7 years, or who retires after becoming 65 years old after having served as a justice for at least 10 years shall receive annually during the remainder of his life an amount equal to 3/4 of the currently effective annual salary of the office from which he is retired, to be paid in the same manner as the salaries of the justices of the court are paid. Any justice who is a member of a state retirement system at the

time of the adoption of this statute shall forthwith cease to be a member of that system; the accumulated contributions made by and on behalf of such justice shall be paid out of the state retirement trust fund to the employing unit of the justice and thereafter a contribution from such justice to the employing unit shall be made on a weekly basis in the same amount as had theretofore been made to the state retirement fund. Any justice not a member of a state retirement system shall make such contribution to the employing unit on a weekly basis as shall be agreed upon between such justice and the employing unit, but, in no event shall such contribution exceed the amount presently being contributed by justices who are members of a state retirement system. Notwithstanding the limitations set forth herein regarding minimum years of service at time of retirement, any person who, on the effective date of this act, is a justice of a district court shall be entitled to the retirement benefits set forth herein upon his retirement at age 70.

IV. If a justice dies in office, his widow, as long as she remains unmarried, or if he leaves no widow, or at her death or remarriage, then his children under the age of 18 years, shall annually be entitled to 1/2 of the currently effective annual salary payable for the office last held by the deceased justice, as additional compensation for the services of the justice. If there is more than one child under the age of 18 years, the compensation shall be divided equally among them.

V. If a justice dies after having terminated his service and after becoming entitled to compensation under this section, or after having been retired because of permanent disability, his widow, as long as she remains unmarried, or if he leaves no widow, or at her death or remarriage, then his children under the age of 18 years, shall annually be entitled to 1/2 of the currently effective annual salary payable for the office last held by the deceased justice, as additional compensation for the services of the justice. If there is more than one child under the age of 18 years, the compensation shall be divided equally among them.

The Speaker called for the special order.

Shall SB 56, establishing an adoptive care act, be recalled from the Governor's desk?

Rep. Blanchette spoke to her motion.
Reps. Marshall French, Chambers and Carswell spoke in favor of the motion.
Adopted.

RECONSIDERATION

Rep. Blanchette moved that the House reconsider its action whereby it ordered to third reading and passed SB 56.

Reconsideration prevailed.

Rep. Blanchette offered a floor amendment.

Amendment

Amend RSA 170-F:6, II as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

II. The expense for the support given under this chapter shall be borne by the county, city or town legally chargeable for the support of the adopted child if said child were a charge of the county, city or town.

Amend RSA 170-F:8 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

170-F:8 Funds. The director is authorized to make payments under this section from appropriations for the care of children in foster homes, to seek and accept funds from other sources including federal, private and other public funding sources and to require the county, city or town, which was legally chargeable for the support of the adoptive child, when said child was the charge of the county, city, or town, to make payments to carry out the purposes of this chapter. The amount

expended by any county, city, or town for any subsidy shall not exceed the amount which had been paid by the county, city or town before said child was adopted. This section shall be construed to mean that any increase in the level of payment for foster care by the county, city or town may be considered in setting the subsidy. In no event shall any county, city or town be liable for a subsidy under this chapter if it is not legally responsible for said child's foster care.

Rep. Blanchette requested to dispense with the reading of the amendment, and explained the amendment.

Reps. George Wiggins and Marshall French spoke in favor of the amendment.
Amendment adopted.

Ordered to third reading.

SUSPENSION OF RULES

Adopted by the necessary two-thirds.

Reps. French, Coutermarsh, Chambers and Griffin moved that SB 56 be read a third time and passed.

Adopted.

Third reading and final passage
SB 56, establishing an adoptive care act.

Reps. Roberts, Chambers, Close, Skinner, Kidder, Coutermarsh and Plourde offered the following:

HOUSE CONCURRENT RESOLUTION NO. 10 regarding contract negotiations between the State of New Hampshire and the State Employees Association.

WHEREAS, collective bargaining between the State of New Hampshire and the State Employees Association has reached the stage where the legislature must, pursuant to RSA 273-A:12 III, vote to accept or reject the compromise package proposed by a neutral party; and

WHEREAS, the legislature has determined that certain elements of the neutral party's proposed compromise package are not in the best interest of the state as a whole; and

WHEREAS, the legislature has determined that certain other elements of the neutral party's compromise package should be adopted as the state's negotiating position at the bargaining table; and

WHEREAS, the law requires the legislature to accept or reject as a whole the compromise package proposed by the neutral party;

Now Therefore Be It Resolved by the house and senate that the compromise package proposed by the neutral party is hereby rejected; and

Be It Further Resolved that the state's negotiating team is hereby instructed to attempt to conclude a

collective bargaining agreement with the State Employees Association on the basis of the neutral party's recommendations in regard to Issues No. 2- 11(h), 11 (j) - (l), 12 and 13; and

Be It Further Resolved that the state's negotiating team is hereby instructed to reject any form of "agency shop" for state employees (Issue No. 1) and to seek to substitute therefore a provision allowing the union to charge the actual cost of its services (except contract negotiations) to union members, provided however that this provision should be effective only for the first year of the collective bargaining agreement and should be subject to renegotiation at the end of the first year of the agreement; and

Be It Further Resolved that the state's negotiating team is hereby instructed to agree to the inclusion in the collective bargaining agreement of a provision regarding volunteer firefighter leave (Issue No. 11) (i) on the basis of the neutral party's proposed compromise only if this provision is effective only for the first year of the agreement and is subject to renegotiation at the end of the first year of the agreement; and

Be It Further Resolved that the state's negotiating team is hereby instructed not to agree to the inclusion of any savings clause (Issue No. 11 (m)) in the collective bargaining agreement that does not enumerate the additional benefits to be incorporated thereby into the agreement; and

Be It Further Resolved that the state's negotiating team is hereby instructed to include in its bargaining proposal shift differentials (Issue No. 11 (n)) large enough to provide sufficient incentive for recruiting and retaining adequate numbers of qualified staff at state institutions, and to adjust the state's proposal regarding salary schedule (Issue No. 11 (a)) accordingly:

Adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 171

The committee of conference to which was referred Senate Bill No. 171, An Act relative to dredge and fill and the location and certain specifications of wharves and piers, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Title of Chapter. Amend the title of RSA 483-A by striking out same and inserting in place thereof the following:

CHAPTER 483-A

Fill and Dredge in Wetlands

2 Notice of Excavating and Dredging and Certain Exemptions. Amend RSA 483-A:1 (supp) as amended by striking out said section and inserting in place thereof the following:

483-A:1 Excavating and Dredging Permit; Certain Exemptions.

I. No person shall excavate, remove, fill, dredge or construct any structures in or on any bank, flat, marsh, or swamp in and adjacent to any waters of the state without written notice of his intention to construct, excavate, remove, fill or dredge to the water resources board. Said notice shall be sent by registered mail to the water resources board at least 30 days prior to such constructing, excavating, removing, filling or dredging with a detailed plan drawn to scale of the proposed project. At the time of filing with the water resources board, said person shall also file 3 copies of said notice, with a detailed plan, if a major project, but accompanied with a map showing the exact location of the proposed project with the town or city clerk. The town or city clerk shall forthwith send a copy of the said notice to the selectmen, mayor or city manager, the municipal planning board, if any, and the municipal conservation commission, if any, and may require an administrative fee not to exceed \$2. The copies of said notice shall be made reasonably accessible to the public.

II. The replacement or repair of existing structures in or adjacent to any waters of the state which does not involve excavation, removal, filling or dredging in any waters or of any bank, flat, marsh or swamp is exempt from the provisions of this chapter.

3 Placing Fill and Structures in Public Waters. Amend RSA 482:41-e (supp) as inserted by 1967, 307:1 as amended by striking out said section and inserting in place thereof the following:

482:41-e Artificial Fill and Structures; Exemptions.

I. No person, firm or corporation shall place or cause to be placed any fill, or erect or cause, or permit the erection of any structure in any area below the mean high water level of any public waters or below the artificially created high water level of public-owned water bodies in this state with the intent or with the effect of creating or forming filled land thereby adjacent to such water bodies, or erect, or cause, or permit the erection of any structure in any such area, except as provided in this subdivision. For the purposes of this subdivision, public waters are defined as all natural ponds of more than 10 acres and all tidal waters from the mean high tide line to the extent of state sovereignty. Public-owned water bodies are defined as those bodies of water whose artificial high water level is maintained by the state's exercise of its flowage rights on these ponds. The provisions of this subdivision shall not apply to such minor improvements of shore lines as the board, by regulations promulgated in the manner set forth in RSA 483-A:4-a, may allow.

II. No grant or right shall be required for replacement or repair of any existing wharf or pier that does not increase the size of the structure. No grant or right shall be required for minor wharves or piers as defined by regulation of the board pursuant to paragraph I that are placed in the water at the beginning of the boating season and are removed thereafter, provided that such structure does not require placing fill or dredging or excavating the lake bed, or that such structure does not require a covering, roof or canopy.

4 Administration. Amend RSA 483-A:4-a, I and IV (supp) as inserted by 1970, 22:3 as amended by striking out said paragraphs and inserting in place thereof the following:

483-A:4-a Administrative Provisions.

I. The board may adopt reasonable rules and regulations to govern its proceedings and otherwise to carry out the purposes of this chapter. The requirement of public hearing in RSA 483-A:2 may not apply to such minor projects and to such minor improvements of the shoreline of those waters subject to the jurisdiction of this chapter as the board may by reasonable general regulation provide; and as to such projects, authority may be delegated to a subcommittee or the staff of the board.

IV. Upon written notification by a municipal conservation commission that it intends to investigate any notice received by it pursuant to RSA 483-A:1, the board shall suspend action upon such notice and shall not make its decision on the notice of a minor project nor hold a hearing on it, if a major project, until it has received a written report from the conservation commission, or until 30 days from the date of receipt of the notice, whichever occurs earlier. In connection with any local investigation, a conservation commission may hold an informational meeting, the record of which shall be made a part of the record of the board. If notification by a local conservation commission, pursuant to this section, is not received by the board within 7 days following the date the notice is filed with the town or city clerk, the board shall not suspend its normal action, but shall proceed as if no notification has been made. However, the municipal conservation commission may request an additional 7 days and the board shall grant such a request if such request is received within 7 days following the date of which the notice was originally filed with the town or city clerk. If such request for additional time is made by telephone, it shall be immediately confirmed by a written request.

Further amend RSA 483-A:4-a (supp) as inserted by 1970, 22:3 as amended by inserting after paragraph IV the following new paragraph:

V. The board shall, within 180 days of the effective date of this act, adopt regulations establishing criteria for approval and disapproval of applications

under this chapter and with respect to all other substantive duties imposed by this chapter. Such regulations and any subsequent regulations shall be adopted only after 2 public hearings, notice of which shall be published at least 30 days in advance in a newspaper or newspapers of general circulation in the state, which notice shall include a brief description of the substance of such regulations. The board shall make written findings of fact in support of all decisions made on applications involving projects other than minor projects and improvements as defined pursuant to RSA 483-A:4-a.

5 Effective Date. This act shall take effect upon its passage.

Conferees on the Part of the Senate:

COMMITTEE OF CONFERENCE REPORT ON SB 236

The committee of conference to which was referred Senate Bill 236, An Act relative to a single retirement rate, service retirement benefits and vested rights under the New Hampshire retirement system, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend the bill by striking out sections 1 and 2 and inserting in place thereof the following:

1 Single Retirement Rate. Amend RSA 100-A:16, I, (a) (supp) as inserted by 1967, 134:1 as amended by striking out said subparagraph and inserting in place thereof the following:

(a) The member annuity savings fund shall be a fund in which shall be accumulated the contributions deducted from the compensation of members to provide for their member annuities together with any amounts transferred thereto from a similar fund under one or more of the predecessor systems. Such contribution shall be, for each member, dependent upon its employment classification at the rate determined in accordance with the following table. With respect to the rates listed in the following table for employees and teachers, the percentages are applicable to that portion of earnable compensation

in excess of the maximum amount of taxable wages under the Federal Insurance Contributions Act, as from time to time in effect, with 1/2 of such rate being applicable to that portion of earnable compensation which is not in excess of such amount.

	Member Prior	Member Upon Attainment to Age 62 Of Age 62
Employees	9.20	6.90
Teachers	9.20	6.90
Permanent		
Policemen	9.30	9.30
Permanent		
Firemen	9.30	9.30

The board of trustees shall certify to the proper authority or officer responsible for making up the payroll of each employer, and such authority or officer shall cause to be deducted from the compensation of each member, on each and every payroll of such employer for each and every payroll period, the percentage of earnable compensation applicable to such member. In determining the amount earnable by a member in a payroll period, the board may consider the rate of compensation payable to such member on the first day of a payroll period as continuing throughout the payroll period and it may omit deduction from compensation for any period less than a full payroll period if such person was not a member on the first day of the payroll period, and to facilitate the making of deductions it may modify the deduction required of any member by such an amount as shall not exceed 1/10 of one percent of the annual earnable compensation upon the basis of which such deduction is made. The amounts deducted shall be reported to the board of trustees. Each of such amounts, when deducted, shall be paid to the retirement system at such times as may be designated by the board of trustees and credited to the individual account, in the member annuity savings fund, of the member from whose compensation the deduction was made.

2 Service Retirement Benefits. Amend RSA 100-A:5, I, (b) and (c) (supp) as inserted by 1967, 134:1 as amended by striking out said subparagraphs and inserting in place thereof the following:

(b) Upon service retirement, an employee member of group I shall receive a service retirement allowance which shall consist of: (1) a member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement; and (2) a state annuity payable prior to his attainment of age 65 which, together with his member annuity, shall be equal to (i) 1/60 of his average final compensation multiplied by the number of years of his creditable service rendered prior to July 1, 1977 not in excess of 30 years, plus (ii) 1/120 of such compensation multiplied by the number of years of his creditable service rendered prior to July 1, 1977 in excess of 30 years, plus (iii) 1/60 of such

compensation multiplied by the number of years of his creditable service rendered after July 1, 1977 and prior to age 62, plus (iv) 1/80 of such compensation multiplied by the number of years of his creditable service rendered after July 1, 1977, and after age 62. After his attainment of age 65, his state annuity shall be reduced by the sum of (i) 1/120 of his average final compensation not in excess of the applicable Social Security breakpoint for each year of his creditable service rendered prior to July 1, 1977 not in excess of 30 years, plus (ii) 1/240 of such compensation for each year of his creditable service rendered prior to July 1, 1977 in excess of 30 years, plus (iii) 1/120 of such compensation for each year of his creditable service rendered after July 1, 1977 prior to age 62, plus (iv) 1/160 of such compensation for each year of creditable service rendered after July 1, 1977 and after age 62; provided that such reduced retirement allowance, together with his primary insurance amount, shall not be less than the service retirement allowance the member was receiving prior to his attainment of age 65. For the purpose of the above, Social Security breakpoint shall mean \$4,200 with respect to each year of prior service and shall mean the maximum amount of taxable wages under the federal insurance contributions act as from time to time in effect with respect to each year of membership service.

(c) Upon service retirement, a teacher member of group I shall receive a service retirement allowance which shall consist of: (1) a member annuity which shall be the actuarial equivalent of his accumulated contributions at the time of retirement; and (2) a state annuity payable prior to his attainment of age 65 which, together with his member annuity, shall be equal to (i) 1/60 of his average final compensation multiplied by the number of years of his creditable service rendered prior to July 1, 1977, plus (ii) 1/60 of such compensation multiplied by the number of years of his creditable service rendered after July 1, 1977 and prior to age 62, plus (iii) 1/80 of such compensation multiplied by the number of years of his creditable service rendered after July 1, 1977 and after age 62. After his attainment of age 65, his state annuity shall be reduced by the sum of (i) 1/120 of his average final compensation not in excess of the applicable Social Security breakpoint for each year of his creditable service rendered prior to July 1, 1977, plus (ii) 1/120 of such compensation for each year of his creditable service rendered after July 1, 1977 prior to age 62, plus (iii) 1/160 of such compensation for each year of creditable service rendered after July 1, 1977 and after age 62; provided that no such reduction shall be made in respect to any teacher for his years of creditable service between July 1, 1945 and July 1, 1950 and for those years of creditable

service between July 1, 1950 and July 1, 1957, with respect to which he did not elect a refund of past contributions under RSA 192:21, and further provided that such reduced retirement allowance, together with his primary insurance amount, shall not be less than the service retirement allowance the member was receiving prior to his attainment of age 65. For the purposes of the above, Social Security breakpoint shall mean \$4,200 with respect to each year of prior service and shall mean the maximum amount of taxable wages under the federal insurance contributions act as from time to time in effect with respect to each year of membership service.

Amend the bill by striking out all after section 3 and inserting in place thereof the following:

4 Appropriation.

I. There is hereby appropriated for the fiscal year ending June 30, 1978 for the normal contribution and accrued liability associated with this act, the following sums: \$29,031 from general funds; \$10,640 from highway funds; and \$2,040 from fish and game funds. The governor is authorized to draw his warrant for said sums out of the appropriate fund.

II. There is hereby appropriated for the fiscal year ending June 30, 1979 for the normal contribution and accrued liability associated with this act, the following sums: \$31,936 from general funds; \$11,703 from highway funds; and \$2,244 from fish and game funds. The governor is authorized to draw his warrant for said sums out of the appropriate fund.

5 Effective Date. This act shall take effect July 1, 1977.

Conferees on the Part of the Senate:

Sen. C. R. Trowbridge
Sen. Paul E. Provost
Sen. James A. Saggiotes

Conferees on the Part of the House:

Rep. Stuart D. Trachy
Rep. Michael C. Hanson
Rep. Maura Carroll
Rep. L. Penny Dion
Adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 249

The committee of conference to which was referred Senate Bill No. 249, An Act relative to the definition of rule in the administrative procedures act, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as amended by the Senate, and pass the bill as so amended:

Amend the bill by striking out section 4 and inserting in place thereof the following:

4 Readoption of Edited Rules. Amend 1975, 309:4-a as inserted by 1977, 249:1 by striking out said section and inserting in place thereof the following:

309:4-a Readoption of Rules for Initial Publication. An agency may readopt any rule which has been edited for form and verbiage and which has been filed before the initial publication of the compilation of rules pursuant to RSA 541-A:5, I without meeting the notice and hearing requirements of RSA 541-A:3, I, provided that the director of legislative services shall notify the chairman of the legislative committee having jurisdiction over the subject matter that editorial changes in form and verbiage have been made to the rule. All rules readopted pursuant to this section shall not be effective until they are approved by the president of the senate and the speaker of the house, or by a person or persons designated in writing by each such officer to approve such rules in his absence. Rules so adopted and approved shall be refiled and certified in accordance with RSA 541-A:4, I and shall become effective in accordance with RSA 541-A:4, II.

5 Uniform System of Drafting and Numbering Rules. Amend RSA 541-A:4 by inserting after paragraph II the following new paragraphs:

III. The director of legislative services shall have the authority to require each agency to conform to a uniform system of drafting and numbering for its rules, and he may require any agency to rewrite any rule submitted for filing to conform to this uniform system before that rule may be filed.

IV. The director of legislative services may require the attorney general to determine if a statement issued by an agency falls within the definition of "rule" under RSA 541-A:1, IV, or "emergency rule" under RSA 541-A:3, IV, and his determination shall be binding on the agency, subject to an action for declaratory judgment in the Merrimack county superior court.

6 Repeal. RSA 541-A:5, IV relative to the authority of the director of legislative services to require to conform to a uniform system of drafting and numbering rules is hereby repealed.

7 Effective Date. This act shall take effect 60 days after its passage.

COMMITTEE OF CONFERENCE REPORT ON SB 334

The committee of conference to which was referred Senate Bill No. 334, An Act relative to the transfer of the Manchester and Nashua policemen to the New Hampshire retirement system and making an appropriation therefor, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend the bill by striking out paragraph I of section 1 and inserting in place thereof the following:

I. The board of trustees of the New Hampshire retirement system is hereby authorized to negotiate an acceptable method of payment by the city of Manchester of its share of the cost which would result if permanent policemen of Manchester who are members of the New Hampshire policemen's retirement system are transferred to the New Hampshire retirement system group II effective December 31, 1977. Said cost shall consist of employer normal contributions from July 1, 1945 to December 31, 1977; and the unfunded accrued liability from July 1, 1945 to June 30, 1967 plus interest at 6 percent annually from June 30, 1977 until December 31, 1977 as determined in the actuarial report of George B. Amendment

Amend RSA 75:10, II as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

II. "Residence" means the real estate which a person owns and occupies as his principal place of abode, and for no other purpose, together with any land or buildings appurtenant thereto, including a house trailer if used for such purpose.

Amend RSA 75:11, I, III and VI as inserted by section 2 of the bill by striking out same and inserting in place thereof the following:

I. The owner of record of any residence located in an industrial or commercial zone may apply on or before April 15 of each year to the selectmen or assessors, on a form prepared by the selectmen or assessors, for a special appraisal of the residence for that year, based upon its value at its current use as

a residence. After the initial application, re-application may be made on a form which shall be sent to the applicant by the assessing officials with the inventory blank. If any owner shall satisfy the assessing officials that he was prevented by accident, mistake or misfortune from filing said application on or before April 15, said officials may receive said application at a later date and classify the residence hereunder; but no such application shall be received after the local tax rate has been approved by the commissioner of revenue administration for that year.

III. Prior to July 1 each year, the assessing officials shall determine if previously classified residences have been reapplied or have undergone a change in use. A list of all classified residences and their owners in each town or city shall be filed by the respective assessing officials each year. Such list shall be part of the invoice and subject to inspection as provided in RSA 76:7.

VI. The selectmen or assessors shall make such a special appraisal of any eligible residence whose owner correctly applies in accordance with paragraph I, and shall assess the tax for that year on the special appraisal.

VII. Whenever the owner of a residence which has been classified as an eligible residence shall fail to reapply for a current use assessment, the property shall be assessed at its RSA 75:1 value for that year.

COMMITTEE OF CONFERENCE REPORT ON SB 167

The committee of conference to which was referred Senate Bill No. 167, An Act relative to the enforcement of court ordered child support payments, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as passed by the Senate, and pass the bill as so amended:

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 New Hampshire Retirement System.
Amend RSA 100-A by inserting after section 26 the following new section:

100-A:26-a Benefit Assignments, etc.
Notwithstanding any provision of law to the contrary, the right of a person to any benefit or to any other right accrued or accruing to any person under the provisions of this chapter, and the monies in the funds created hereby shall be subject to assignment, attachment and execution to the same extent as such rights under private retirement systems.

2 Policemen's Retirement System.
Amend RSA 103 by inserting after section 18-a the following new section:

103:18-b Benefit Assignments, etc.
Notwithstanding any provision of law to the contrary, benefits or compensation due hereunder shall be subject to any attachment, assignment, and execution to the same extent as such rights under private retirement systems. No approval from the board shall be required for such assignments.

3 Wage Assignments. Amend RSA 99 by inserting after section 13 the following new section:

99:14 Wage Assignments.

Notwithstanding any provision of law to the contrary, the wages of any state employee or official may be assigned, attached, or executed upon to satisfy an order of the superior court to the same extent as private employers. The clerk of the court entering such order, or the probation department of the division of welfare shall forward a copy of such order to the person responsible for preparing the wage manifest for the employee, who shall comply with such order within 15 days of the receipt thereof.

4 Employer Defined. Amend RSA 458 by inserting after section 35-a the following new section:

458:35-b Employer. The term "employer" in RSA 458:35-a shall include the state and any political subdivisions thereof, including any corporation created by a statute for the purpose of carrying out a governmental function.

5 Effective Date. This act shall take effect 60 days after its passage.

COMMITTEE OF CONFERENCE REPORT ON SB 189

The committee of conference to which was referred Senate Bill No. 189, An Act establishing a coastal resources management program and making an appropriation therefor, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended.

Amend the bill by striking out sections 2 and 3 and inserting in place thereof the following:

2 Appropriation. The sum of \$370,000 is hereby appropriated for the fiscal year ending June 30, 1978, and a like sum for the fiscal year ending June 30, 1979, to the division of coastal resources management in the office of comprehensive planning for the purposes of implementing the provisions of section 1 of this act. Said sums shall be in addition to any other appropriation for the office of comprehensive planning. The amount of this appropriation shall be reduced by the amount of any federal funds made available for this purpose. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

3 Referendum. This act shall not take effect unless it is adopted by the procedure set forth hereinbelow. The voters present and voting in each municipality which contains a primary zone may vote at the regular municipal election held in November, 1977, or at the regular town meeting held in March, 1978. The town or city clerk in office shall print a special ballot to be used at said election or meeting containing the following question: "Shall the coastal resources management program, as established by the general court in the regular session 1977, be enacted in the coastal area of New Hampshire?" Said question shall be printed in the form prescribed by RSA 59:12-a. If a simple majority of those voting on this question in each of 9 or more of said municipalities vote in the affirmative and if a simple majority of the total of all votes cast in all of said municipalities vote in the affirmative, this act shall be declared to have been adopted. Within 10 days after each election or meeting, each town or city clerk shall certify to the secretary of state the results of said vote within his municipality.

4 Effective Date.

I. Section 1 and 2 of this act shall take effect as prescribed in section 3.

II. Section 3 of this act shall take effect 60 days after its passage.

COMMITTEE OF CONFERENCE REPORT ON SB 350

The committee of conference to which was referred Senate Bill No. 350, An Act authorizing games of chance at agricultural fairs and nonprofit fundraising activities, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as passed by the Senate, and pass the bill as so amended:

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 New Chapter. Amend RSA by inserting after RSA 287-C the following new chapter:

CHAPTER 287-D

Games of Chance

287-D:1 Definitions. In this chapter:

I. "Game of chance" means any game involving gambling as defined by RSA 647:2, IV or any lottery prohibited by RSA 647:1 but shall not include any game involving the use of a slot machine or any other device in the nature of a slot machine.

II. "Charitable organization" means any nonprofit organization, association or corporation including any police, firemen's, veterans', civic, fraternal or church organization holding or eligible to receive an IRS nonprofit organization number.

287-D:2 Games of Chance Authorized. A charitable organization may conduct games of chance to promote the purpose for which it was organized, in the manner hereinafter provided and not otherwise:

I. All charitable organizations seeking a license to operate games of chance shall have been organized in good

faith and actively functioning as a charitable organization in this state for a period of not less than 2 years prior to its application for a license.

II. No one may apply for a license for the operation of games of chance without first obtaining written permission of the owner of the property where the games will be conducted. Such permission shall be acknowledged before a notary public or justice of the peace and shall be obtained on a form supplied by the chief of police of said city or town.

III. The license shall authorize games of chance of a specified type on specified dates at specified times and at a specified location including agricultural fairs and other locations where nonprofit fundraising activities are conducted.

IV. The license shall not be transferable.

V. All games of chance conducted by charitable organizations shall be operated solely by members thereof.

VI. The chief of police shall issue to a charitable organization a license to conduct said games after satisfying the requirements of paragraph II.

287-D:3 Equipment; Wagering; Prizes.

I. No game of chance shall be conducted with any equipment except such as is owned absolutely or used without payment or any compensation therefor by the licensee or as is rented at a fixed fee only from a dealer in such equipment who has his principal place of business in this state and who has registered with the secretary of state in such manner and on such form as the secretary of state prescribes.

II. Any and all devices and equipment used to conduct said games of chance shall be subject to inspection by duly authorized law enforcement officials.

III. No mechanism or device, which can be used to regulate odds, will be permitted to operate said games of chance and no progression in any form shall be permitted in the operation of any such game.

IV. A player of any game of chance and only a player shall activate any and all devices used for the purposes of wagering on said games of chance.

V. No single wager by a player, on any game of chance, shall exceed the amount of \$1.

287-D:4 Agency Not Permitted. No charitable organization shall act as an agent for conducting a game of chance, where it is unlawful for the charitable organization's principal to conduct such a game.

287-D:5 Fees and Reports.

I. An applicant for a license under this chapter shall apply to the chief of police, and upon payment of a fee of \$25 and if the applicant meets all other requirements of this chapter, a license shall be issued. The fee shall be paid to the city or town treasurer for the use of the city or town. Only one license shall be issued to each applicant per year to operate games of chance for a period not to exceed 10 days.

II. The chief of police issuing a license under paragraph I may request the applicant to submit an accounting in such form as he shall determine of all receipts and expenditures of the applicant in connection with an game of chance conducted under this chapter. Any charitable organization or any officer or employee of such organization shall be guilty of a violation for failing to submit any report requested pursuant to this section.

III. Each charitable organization receiving a license under this chapter shall keep records of all receipts and expenditures in connection with any game of chance conducted under this chapter for 30 days after the termination of such game of chance.

2 Accounting for Beano Game Licensees. Amend RSA 287 by inserting after section 3 the following new section:

287:3-a Report of Licensee. The selectmen or chief of police issuing a license under this chapter may request the applicant to submit an accounting in such form as he shall determine of all receipts and expenditures of the applicant in connection with any games conducted under this chapter. Any such request shall be clearly stated on the license when issued. Any person who fails to submit a report requested under this section shall be subject to the penalty specified in RSA 187:10. Records of receipts and expenditures in connection with games conducted under this chapter shall be kept for 30 days after termination of such games and shall be available for public inspection.

3 Effective Date. This act shall take effect upon its passage.

Reconsideration prevailed.

Rep. Plourde offered an amendment.

Amendment

Amend RSA 309-A:2, I, as inserted by section 5 of the bill, by striking out same and inserting in place thereof the following:

I. There shall be a board of accountancy consisting of 7 members to be appointed by the governor with the advice and consent of the council. Three of the members of said board shall be certified public accountants who have held certificates as such from the state of New Hampshire for a period of at least 5 years immediately preceding their appointment, and at least one of said certified public accountants shall be actively engaged in the practice of public accountancy at the time of his appointment. Two of the members of the board shall be public accountants, who at the time of their appointment shall be licensed as public accountants under the provisions of RSA 309-A:8, and for a period of at least 5 years immediately preceding their appointment, shall have been actively engaged in the practice of public accountancy. Two of the members of the board shall be members of the public who are not accountants, licensed or

registered under RSA 309-A, and who do not provide or work for a firm which provides accounting or management consulting services. These members shall represent the interests of the public.

Commencing with appointments made from and after January 1, 1980, accounting practitioners may be appointed to the board in place of one or both public accountant members.

Each member shall be appointed for a term of 3 years and until his successor is appointed and qualified except that, beginning with appointments commencing in September, 1977, the governor and council shall cause a member to be appointed each year thereafter as each term of office expires for the following terms:

- One certified public accountant member - one year;
- One certified public accountant member - 2 years;
- One certified public accountant member - 3 years;
- One licensed public accountant member - 2 years;
- One licensed public accountant member - 3 years;
- One public member - one year;
- One public member - 2 years.

No person shall be appointed to serve more than 2 terms. Appointment to fill an unexpired term is to be considered as serving a complete term. Vacancies shall be filled by the governor with the advice and consent of the council for the unexpired term. The governor with the advice and consent of the council may remove any member of the board for neglect of duty or other just cause.

The board shall organize by the election of a chairman and a secretary-treasurer and may make all rules and regulations necessary to carry into effect the purposes of this chapter. Such rules and regulations shall be published and a copy delivered to all persons certified, licensed or registered under this chapter.

The board shall have a seal which shall be judicially noticed. The board shall keep a record of all proceedings and actions by and before the board, and in any proceeding in a court, the certificate under seal of the board shall be prima facie evidence of any proceeding or action by or before the board stated in the certificate.

Amend RSA 309-A:2, III, as inserted by section 5 of the bill, by striking out same and inserting in place thereof the following:

III. The board shall promulgate and amend rules of professional conduct appropriate to establish and maintain a high standard of integrity and dignity in the profession of public accountancy, which code of ethics shall be binding on all persons practicing public accountancy temporarily or permanently in this state, provided that no such rules shall prohibit an accountant from advertising his name, place of business, hours, professional or academic credentials and fee schedule. At

least 60 days prior to the promulgation of any such rule or amendment, the board shall mail copies thereof to all holders of certificates or licenses, or registrations issued under this chapter. Such copies shall contain a notice advising the addressee of the proposed effective date of the rule or amendment and requesting that he submit his comments thereon, if any, at least 15 days prior to such effective date. Such comments shall be advisory only.

Amend RSA 309-A:10, I (b), as inserted by section 9 of the bill, by striking out same and inserting in place thereof the following:

(b) shall have passed that part of the examination, administered under RSA 309-A:3, IV, entitled theory of accounts. All accountants who have met the requirements of licensing under RSA 309-A:8 and who apply for registration under this section shall be considered to have passed that section of the examination and shall thereby terminate their rights to practice under RSA 309-A:8. Said applicants shall be exempt from the provisions of RSA 309-A:10, IV.

The Clerk read the amendment.
Amendment adopted.

COMMITTEE OF CONFERENCE REPORT ON SB 335

The committee of conference to which was referred Senate Bill 335, An Act relative to the establishment of a section of graphic services, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and

That the House recede from its position in adopting its amendment to the bill, and

That the Senate and House adopt the following new amendment to the bill as passed by the Senate, and pass the bill as so amended:

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 New Division. Amend RSA 8 by inserting after section 49 the following new subdivision:

Division of Graphic Services

8:50 Definitions. In this subdivision:

I. "Agency" shall mean and include any state board, department, commission, hospital, sanitarium, home, library, school, prison or other institution conducted or operated by or for the state of New Hampshire, excluding the university of New Hampshire, the department of public works and highways, the department of employment security and the general court.

II. "Graphic services" shall mean any method of producing written or pictorial representations and shall include, but not be limited to all forms of photography, photocopy, duplicating and printing.

8:51 Division Established.

I. There shall be a division of graphic services established within the department of administration and control and under the executive direction of a director of graphic services.

II. This division shall have control over all copy centers, all state photography facilities, with the exception of the state police laboratory, all photocopy facilities, and all state printing and duplicating facilities. The division shall also supervise and control all state printing and its procurement.

8:52 Director. The comptroller shall appoint a director of graphic services who shall be qualified by education and experience. The comptroller may remove the director of graphic services only as provided in RSA 4:1.

8:53 Salary. The annual salary of the director of the division of graphic services shall be the same as that established in RSA 94:1-a for salary group K.

8:54 Duties. Subject to the direction and supervision of the comptroller, the director of graphic services shall:

I. Organize the work of the division and appoint employees of the division in accordance with the current process of the department of personnel as classified employees of the state of New Hampshire.

II. Subject to the approval of the comptroller, establish uniform rules and regulations that will provide a time and cost efficiency ratio conducive to the elimination of waste and inefficiency. Such rules and regulations shall allow graphic services to be provided in the most efficient and timely manner consistent with high quality and the best available cost.

III. Establish, subject to availability of funds, operating space for the maintenance of an adequate stock of paper, supplies and other material necessary for the efficient operation of all printing, duplicating and other graphic services.

IV. Provide that all legislative printing within the capability of the division of graphic services shall at all times, have priority over other work of the section.

V. Arrange that all photocopiers shall be held under the control of the division of graphic services and pursuant to the rules and regulations formulated by the director.

VI. Provide that each photocopier has a meter to enable the division of graphic services to levy cost charges on its use.

VII. Use the prison printshop to the extent it can efficiently do so, to function as a vocational rehabilitation facility under the direct supervision of prison authority, provided the prison printshop shall be entitled to bid on any appropriate state printing job.

2 Purchase of Printing Supplies. Amend RSA 622:28 by striking out said section and inserting in place thereof the following:

622:28 Purchases of Products by State Institutions. No articles or supplies, except printing, such as are manufactured at the state prison by the labor of inmates shall be purchased from any other source for the state or its departments or institutions unless the superintendent of industries shall first certify that the state prison cannot furnish them.

3 Purchases. For the purpose of carrying out the provisions of RSA 8:54, III, V and VI, the director of graphic services may purchase merchandise or equipment for resale, lease or rental to other governmental agencies. All such purchases, rentals and leases shall be made through the comptroller. Such purchases, rentals and leases shall be a charge upon an inventory account established upon recommendation of the comptroller. The director of graphic services shall report monthly to the comptroller the value of issues out of inventory and the appropriation account to be charged therefor. The inventory account shall be credited with issues out of inventory. Such purchases, rentals and leases shall be a charge upon an inventory account maintained in the office of the comptroller, and the state treasurer, upon presentation by the comptroller of manifests covering such merchandise, is authorized to pay the same from any money in the treasury not otherwise appropriated.

4 Force Account. Any funds transferred to or received by or credited to the division of graphic services on a force account basis from divisions of the department of resources and economic development; other departments, agencies, commissions or any governmental subdivision of the state; any branch of state government; or any other source are hereby appropriated for the purpose of the division's operation. Any funds appropriated to the division or any funds available to it for expenditure shall be expended for the regular costs of operation, including but not limited to personal services, supplies, equipment and rental payments including rental payments due or that become due under contracts for the rental of equipment which are in full force and effect on the date of and prior to the date of and prior to the establishment of the division's operation.

5 New Position. Amend RSA 94:1-a by inserting in proper alphabetical order the following new position:

Director, division of graphic services	15,389	17,552
--	--------	--------

6 Transfer of Control Over Personnel, Property, etc. The operating and scheduling control over all state owned or leased printing, duplicating, photocopying, photographic and other graphic services equipment excepting the state police photolaboratory, which shall remain under the control and supervision of the state police, and excepting the university of New Hampshire, the department of public works and highways, the department of employment security and the general court, is hereby transferred to the division of graphic services, department of administration and control. The transfer herein provided for shall not eliminate any existing position within the classified or unclassified service. No permanent classified state employee shall be required to take an examination to remain in his position.

7 Repeal. RSA 12-A:2-a, V relative to required printing by DRED printshop is hereby repealed.

8 Appropriation. The sum of \$35,000 is appropriated for the fiscal year ending June 30, 1978 and the sum of \$48,000 is appropriated for the fiscal year ending June 30, 1979 to the department of administration and control, division of graphic services. The comptroller shall establish budget allocations against these appropriations.

9 Effective Date. This act shall take effect January 1, 1978 except RSA 8:52, relative to the appointment of the director of the division of graphic services, which shall take effect July 1, 1977.

Conferees on the Part of the Senate:

Sen. Robert B. Monier
Sen. Andrew W. Poulsen
Sen. Robert F. Preston

COMMITTEE OF CONFERENCE ON SB 366

The committee of conference to which was referred Senate Bill No. 366, An Act establishing a 5 member oversight committee to recodify the election laws and making an appropriation therefor, having considered the same, report the same with the following recommendations:

That the Senate recede from its position of nonconcurrence with the House amendment, and concur with the House amendment, and

That the Senate and House adopt the following new amendment to the bill as amended by the House, and pass the bill as so amended:

Amend section 1 of the bill by striking out same and inserting in place thereof the following:

1 Committee Established. The secretary of state and the attorney general or his designee, with 3 members of the general public to be appointed by said secretary and attorney general, or his designee, one member of the senate to be appointed by the president of the senate and one member of the house to be appointed by the speaker of the house of representatives shall constitute a 6-member oversight committee to have the election laws of the state of New Hampshire studied and recodified. This committee may contract with any individual or institution to prepare the study and recodification within the limitation of the funds appropriated for this purpose. The committee shall have the study completed and the proposed recodification in bill form by November, 1978, for legislative action by the 1979 session of the general court. The nonlegislative members of this oversight committee shall serve without compensation but are entitled to the same mileage as paid to state employees when performing duties in connection with the work of the committee. The legislative members shall be entitled to legislative mileage in connection with their duties on the oversight committee. The secretary of state shall serve as chairman of the committee and the attorney general, or his designee, as vice-chairman.

HOUSE JOURNAL 48

Tuesday, 21 June 77

Prayer was offered by House Chaplain,
Rev. Milton L. Smith, Sr.

Amazing grace! How sweet the sound,
That saved a wretch like me!
I once was lost, but now am found,
Was blind, but now I see.

'Twas grace that taught my heart to
fear,

And grace my fears relieved;
How precious did that grace appear
The hour I first believed!

Thru' many dangers, toils and snares,
I have already come;
'Tis grace hath bro't me safe thus far,
And grace will lead me home.

When we've been there ten thousand
years,
Bright shining as the sun,
We've no less days to sing God's praise
Than when we first begun. Amen!

HOUSE JOURNAL 49

Thursday, 23 June 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain, Milton L. Smith, Sr.

Good morning Lord! Sing Your love song to us, today, dear Lord, even as You have to every person in every generation. "I love you! I love you! I love you! I love you!" is Your never ending song to us. If by chance we are like that man who puts things off for forty years by the Pool of Siloam, or the funny little man up the tree, trying to increase our stature; or the woman who came at high noon to draw water because we thirst for life; or the man called Legion in the graveyard called frustration; or the woman used as a pawn to get at one called Jesus; or whomever we are let us hear Your love song. Take control of our lives. Make us the kind of persons You want us to be. Let us sense Your love and acceptance of us as persons and go and do likewise. Amen!

Rep. Chambers led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Roland Boucher, Burrows, Hunt, Waters, Forsaith Daniels, Gaskill, Emile Boisvert, Ira Allen, Frizzell, Anthony Randall, Watson and Cecelia Winn, the day, illness.

COMMUNICATION

Mr. James A. Chandler, Clerk
House of Representatives

Dear Mr. Chandler:

On June 28, 1977, the following representative-elect appeared before the Governor and Council and was sworn into office:

Hillsborough County District No. 26
(Manchester-Ward 2)

John Mazur, Manchester 03104

(24 Hillcroft Road)

Sincerely,

William M. Gardner

Secretary of State

VETO MESSAGE ON HB 979

To the Honorable Members of the
General Court

I am returning herewith HB 979 together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

I share the sentiment of the House committee report which stated that "illumination of the dome provides a means of expressing pride in being a resident of New Hampshire and of inviting attention to the State House."

This bill synchronizes the lighting of the dome with the heaviest nightly hours of traffic, thereby linking separate energy uses in an expression of pride.

One of the basic foundations of both the national and state energy policies is the necessity for conservation. How can we encourage others to conserve energy when we mandate by statute unnecessary use of our scarce energy resources for reasons of pride and aesthetics rather than utility?

Solutions to our future energy needs are to be found in the creativity and ingenuity we inherited from our forefathers and not in mandatory unflexible schedules of future energy use. The determination of whether the lights are on or off is a function of the executive branch and should not be by statute.

Sincerely,
Meldrim Thomson, Jr.

Question being notwithstanding the Governor's veto shall HB 979 pass?

Reps. Benton and Bodi spoke in favor of the motion.

Reps. Lawton, George Wiggins and Dearborn spoke in opposition to the motion.

(Rep. Marshall French in the chair)

Reps. Eugene Daniell, Roderick Allen and Ingram spoke in opposition to the motion.

Reps. LaMott and Coutermarsh spoke in favor of the motion.

(Speaker in the chair)

Rep. Dearborn spoke a second time in favor of sustaining the veto.

The Speaker requested a roll call. Sufficiently seconded.

VETO MESSAGE ON HB 1117

To the Honorable Members
of the General Court:

It is with regret that I return herewith HB 1117 with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

This legislation establishes a statewide procedure for the issuance of excavation permits. Although the bill allows four exemptions from the permit procedure, it fails to exempt state and municipal construction projects.

Our Department of Public Works and Highways, as a part of all highway contracts, stipulates a "pit" agreement which requires the approval of the landowner, the contractor and the department project engineer. This agreement has provisions similar to those in HB 1117, including requirements for free draining, spreading of the humus material, reseeding and replanting. It should be noted that general contractors have joined the department in opposition to this measure.

To require an additional permit would only result in a duplication of the department's own practice and subject the department to the payment of several \$50 permit fees.

In addition, our present zoning laws provide sufficient authority for municipal officials to adopt permit procedures, as

evidenced by the widespread existence of local ordinances regulating excavation. It is wiser in this instance to allow municipalities to affirmatively elect to exercise their zoning authority. A statewide law at best would duplicate and potentially pre-empt that local power.

We should not enact legislation that imposes upon municipalities that have acted on their own initiation with no resulting necessity for state law. Nor should we encumber those communities which have freely decided against the need for such a highly regulatory scheme.

Sincerely,

Meldrim Thomson, Jr.

Question being, notwithstanding the Governor's veto, shall HB 1117 pass.

Reps. Niebling, Corser, Leonard Smith and Hess spoke in favor of the motion.

Reps. George Wiggins and Plourde spoke against the motion.

Rep. Marshall French moved the previous question. Sufficiently seconded. Adopted.

INTRODUCTION OF GUESTS

Mr. Sam Hall, Plymouth, New Hampshire who addressed the House briefly.

ENROLLED BILLS AMENDMENTS

HB 537, relative to licensing pet shops and certain animal shelters. (Amendment printed SJ 6/20)

This amendment inserts the word "facility" which is required for continuity and corrects an inaccurate citation of 2 subparagraphs.

Adopted.

SB 105, relative to registration fees for certain foreign non-profit corporations doing business with the state. (Amendment printed SJ 6/20)

This amendment corrects an error in punctuation and inserts an omitted word. Adopted.

SB 253, relative to the examination, certification and registration of arborists and making an appropriation therefor. (Amendment printed SJ 6/20)

This amendment removes the appropriation from the RSA and numbers it as a session law section. The effective date is renumbered.

Adopted.

SE 265, concerning the selection and exemption of jurors. (Amendment printed SJ 6/20)

The title is amended to conform to the substance of the bill. The other amendment is required because RSA 500-A:5 as amended by this bill requires the list be done in April, not May, and RSA 500-A:2 is directly related to that section.

Adopted.

(Rep. Stimmell in the chair)

SB 48, forbidding entertainers less than 16 years of age from working in places where liquor or beverage is sold. (Amendment printed SJ 6/20)

This amendment conforms the title and section heading to the substance of the bill.

Adopted.

SB 337, relative to family day care. (Amendment printed SJ 6/20)

This amendment brings the provisions of this bill into compliance with 1977, 218:1 and it changes the effective date

section to reflect an earlier change in the bill by amendment.
Adopted.

SB 335, relative to the establishment of a section of graphic services.
(Amendment printed SJ 6/20)

This amendment changes the title of the bill to correctly reflect the substantive provisions of the bill, corrects a spelling error, formalizes the appropriation section by inserting language authorizing the governor to draw his warrant for the sums appropriated from the general fund and changes the effective date of the appropriation to coincide with the start of the fiscal year.
Adopted.

SB 276, concerning the penalties for using unapproved insurance policy forms.
(Amendment printed SJ 6/20)

This amendment corrects inaccurate amending language in section 1 of the bill.
Adopted.

HB 968, eliminating the 5 year requirement for reassessment of property held by a municipality for water supply or flood control purposes. (Amendment printed SJ 6/20)

This amendment corrects an error in the amending language and deletes a clause in the section that was deleted by 1977, 300:1 (SB33)
Adopted.

HB 1091, relative to overseas citizens' voting rights. (Amendment printed SJ 6/20)

This amendment corrects a reference and brings the certification statement in conformity with that of HB 140, previously passed by both houses.
Adopted.

HB 167, relative to legal voters changing party affiliation and the posting of checklists.

Amend the title of the bill by striking out same and inserting in place thereof the following:

An Act
relative to legal voters changing party registration, the posting of checklists, and party organization.

This amendment makes the title reflect the contents of the bill.
Adopted.

HB 218, renaming the bureau of off-highway recreational vehicles and establishing an additional responsibility for the bureau.

Amend the title of the bill by striking out same and inserting in place thereof the following:

An Act
renaming the supervisor of the bureau of off-highway recreational vehicles and establishing an OHRV fund.

This amendment makes the title of the act conform to the substance.
Adopted.

HB 460, amending the formula for computing the elderly and expanded elderly real estate tax exemptions and providing additional notice of available tax relief.

Amend section 6 of the bill by striking out line 1 and inserting in place thereof the following:

6 Notice on Inventory Form. Amend RSA 74:4 by inserting after paragraph

This amendment corrects an error in the amending clause.
Adopted.

HB 779, relative to guardianship of residents of Laconia state school.

Amend the title of the bill by striking out same and inserting in place thereof the following:

An Act
relative to guardianship of children and incompetent persons placed in a residential setting at Laconia state school or elsewhere.

This amendment brings the title of the bill into conformity with the amended substance of the bill.
Adopted.

HB 1134, making the person chargeable by law for a child's support and necessities primarily liable for the expenses of a neglected or delinquent child or person in need of supervision.

Amend RSA 169:7, I as inserted by section 1 of the bill by striking out line 2 and inserting in place thereof the following:
the child in charge, or in the custody or supervision of the director of the division of well-

Amend RSA 169:7 as inserted by section 1 of the bill by inserting after paragraph IV the following:

V. Any child placed under paragraph I or II with someone other than a relative or in a public institution shall be placed only in a facility, foster home, group home, or similar home or facility that is licensed pursuant to RSA 170-E.

Amend section 10 of the bill by striking out same and inserting in place thereof the following:

10 Effective Date. This act shall take effect 70 days after its passage.

The first amendment incorporates the changes made in SB 174 passed earlier in the session. The second amendment adds the paragraph previously enacted by HB 621. The third amendment to the effective date insures that there will be no conflict with the provisions of HB 787 passed earlier in the session.
Adopted.

RECESS

(Speaker in the chair)

The Speaker requested a quorum count.
The Speaker declared a quorum present.

The Subcommittee on Resolutions and screening having approved its admittance, Rep. Marshall French, Tucker, Lyons, Bridges, Griffin, Aller, Martin, Arnold Perkins, Spirou, Chambers, Coutermarsh, Hildreth, Cecelia Winn, Krasker, Plourde and Cornelius offered the following:

HOUSE RESOLUTION NO. 64
relative to the conservation of energy resources.

WHEREAS, this state, this country and planet Earth face a crisis of dwindling energy resources; and

WHEREAS, this crisis is accelerating so rapidly that certain forms of energy may be extinct before the end of this century; and

WHEREAS, every segment of society must voluntarily contribute to conserve all forms of energy whether it be at home or at work; and

WHEREAS, the state of New Hampshire through its duly elected representatives is attempting to find solutions to energy-related problems; and

WHEREAS, state government has shown its willingness to bear its share in reducing energy consumption; now, therefore, be it

Resolved by the House of Representatives:

That all business, commercial and industrial users of energy are urged to terminate all lighting used for advertising purposes and other non-essential purposes as of 11 P.M. each evening.

Rep. Marshall French spoke to the resolution.

Rep. Eugene Daniell spoke against the resolution.

Reps. George Wiggins, Barrus and Morgan spoke in favor of the resolution.
Adopted.

The Subcommittee on Resolutions and screening having approved its admittance, Rep. Kelly offered the following:

HOUSE RESOLUTION NO. 65
memorializing the New Hampshire Congressional Delegation.

WHEREAS, the untreated municipal sewage of Rochester is currently flowing into the Cochecho River at an estimated rate of 2,000,000 gallons per day, contrary to the Federal Water Quality Act of 1972; and

WHEREAS, the main source of water degradation along the Cochecho is a result of the waste water discharge from the city of Rochester; and

WHEREAS, the Cochecho River represents a significant resource to the state in

that the improvement of the water quality in the city of Rochester will positively affect fresh and salt water quality from the Rochester discharge area to the sea; and

WHEREAS, past actions to alleviate the sewage problems of Rochester have been ineffective so that the continuation of their National Pollutant Discharge Elimination System Permit for Rochester is now being reviewed; now, therefore, be it resolved:

That the New Hampshire House of Representatives urges the state Congressional Delegation to request the Environmental Protection Agency grant the National Pollutant Discharge Elimination System Permit within the minimum time constraints as estimated by the New Hampshire Department of Water Supply and Pollution Control of 4 years from said time of this resolution, and to expeditiously resolve all subsequent problems so that the new permit deadline can be met; and

Further Be it Resolved that copies of this resolution be transmitted to all members of the New Hampshire Congressional Delegation.

Rep. Kelly spoke to the resolution
Reps. Maglaras, Schreiber, Dickinson and James Herchek spoke in favor of the resolution.

Adopted.

SUSPENSION OF RULES

Reps. Marshall French and Spirou moved that the rules be so far suspended as to permit HB 1205, imposing a tax on capital gains, be considered at the present time without printing, referral to committee, public hearing and notice of committee report in the Calendar.

Adopted by the necessary two-thirds.

The Assistant clerk read the bill.

Rep. Marshall French offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

imposing a tax on capital gains and imposing a tax on inhabitants and workers and making an appropriation therefor.

Amend the bill by striking out section 11 and inserting in place thereof the following:

11 New Chapter. Amend RSA by inserting after Chapter 72 the following new chapter:

Chapter 72-A

Inhabitants' and Workers' Tax

72-A:1 Definitions. As used in this chapter the following terms shall have the following meanings unless the context clearly requires otherwise:

I. "Commissioner" shall mean the commissioner of revenue administration;

II. "Individual" shall mean a natural person;

III. "Inhabitant" shall mean:

(a) an individual domiciled in this state at any time during the taxable year, or

(b) an individual who maintains a permanent place of abode within the state and spends more than 183 days in any taxable year within the state;

IV. "Taxable year" shall mean April 1 to March 31;

V. "Worker" shall mean an individual who is gainfully employed in this state on 5 days during the taxable year. For purposes of this paragraph, a person is gainfully employed in this state if he receives wages, salaries, fees, commissions or any other income from personal services performed of whatever kind and in whatever form paid from activities performed within this state.

72-A:2 Tax Imposed. A tax of \$20 is hereby imposed upon every individual from 18 to 65 years of age who is an inhabitant or worker or both except paupers, insane

persons, the widow of any veteran who served in the armed forces of the United States in any wars, conflicts, or armed conflicts in which it has been engaged, the widow of any citizen who served in the armed forces of any country allied with the United States in any of the wars, conflicts or armed conflicts as defined in RSA 72:28 and 32 and others exempt by special provisions of law. The exemption herein provided for a widow shall be available only until she remarries.

72-A:3 Credit Allowed. Any individual who pays a resident tax pursuant to RSA 72:1 shall receive a credit in an amount equal thereto against the tax imposed pursuant to RSA 72-A:2.

72-A:4 When Taxed. The tax imposed by RSA 72-A:2 shall be assessed and levied annually on April 1 or as soon thereafter as any individual becomes an inhabitant or worker and shall be collected pursuant to the rules and regulations of the commissioner.

72-A:5 Administration, Rules.

I. This chapter shall be administered and enforced by the commissioner who shall collect the taxes imposed herein and pay them to the state treasurer.

The commissioner is hereby authorized to employ such technical, clerical, and other personnel as he may deem necessary to carry out the provision of this chapter subject to the rules and regulations of the personnel department and within the appropriations made therefor.

II. The commissioner shall, subject to RSA 541-A, prescribe such rules and regulations as may be necessary to carry into effect the intent and purpose of this chapter. Such rules and regulations may include any forms the commissioner deems necessary to collect the taxes imposed. Any forms required by the commissioner shall be signed subject to the pains and penalties of perjury. The rules and regulations shall be prima facie evidence of the proper interpretation of this chapter.

72-A:6 Members of the Armed Forces.

Any person serving as a full time member of the United States armed services, including the women's auxiliary service, shall be exempt from the payment of the tax imposed by RSA 72-A:2.

72-A:7 Liability of Husband. A husband shall be liable for the payment of his wife's tax imposed pursuant to RSA 72-A:2 if, when it was assessed, they were living together as man and wife.

72-A:8 Liability of Employer. An employer of any worker shall be liable for the payment of his employee's tax if, when it was assessed, the worker was employed by him. Any employer who is required to pay his employee's tax hereunder shall have lien on the future wages of such employee for the amount of tax so paid.

72-A:9 Information Return. Every employer of 20 or more workers shall file with the commissioner such information as to the names, addresses, and other information of his employees as the commissioner may deem appropriate to

assist him in enforcing the provision of this chapter.

72-A:10 Penalty. Any person who violates any of the provisions of this chapter or who fails to pay the tax imposed by RSA 72-A:2 shall be guilty of a violation.

12 Motor Vehicle Registration; Receipt Required. Amend RSA 260:4 (supp) as amended by striking out said section and inserting in place thereof the following:

260:4 Payment of Taxes Required. No person shall obtain a permit to register a motor vehicle, or register a motor vehicle, or obtain a license to operate a motor vehicle or any other licensed motor propelled object or both without first showing or causing to be shown to the issuing person a tax collector's receipt for the payment of any resident and inhabitants' and workers' taxes for which he is liable for the preceding year or without first executing an affidavit under the pains and penalties of perjury that he has paid all resident and inhabitants' and workers' taxes for the preceding year for which he is liable or been lawfully relieved from such payment by reason of exemption or abatement; provided, however, that a permit or registration or license, as the case may be, may be issued if the selectmen or assessors shall certify that in their opinion the applicant should be granted such permit, registration or license even though such taxes have not been paid.

13 Motor Vehicle Registration; Affidavit. Amend RSA 260:5 (supp) as amended by striking out said section and inserting in place thereof the following:

260:5 Affidavit Required. No official or other person shall issue a permit to register a motor vehicle, or registration for a motor vehicle, or license to operate a motor vehicle, without first requiring the applicant or his agent to show a tax collector's receipt for the payment of any resident taxes and inhabitants' and workers' taxes for which the applicant is liable for the preceding year unless said official or person has in his possession records indicating such taxes have been paid, or without first requiring the applicant to make an affidavit under the pains and penalties of perjury that all resident taxes and inhabitants' and workers' taxes for which he is liable for the preceding year have been paid. Any person who shall violate the provisions of this section shall be guilty of a violation.

14 False Statements. Amend RSA 260:6 (supp) as amended by striking out said section and inserting in place thereof the following:

260:6 Penalty for False Statements. Whoever makes a false statement relative to the payment of a resident tax or inhabitants' and workers' tax as herein provided shall be guilty of a violation and his license may be revoked for a period not exceeding 3 months. Whoever wilfully makes any other false statement

for the purpose of procuring a license or permit shall be guilty of a violation. All fines collected for violation of the provisions relating to false statements concerning the payment of resident taxes shall be for the use of the towns in which the arrests are made.

15 Hunting License; Receipt Required. Amend RSA 214:11-a (supp) as inserted by 1967, 414:1 as amended by striking out said section and inserting in place thereof the following:

214:11-a Receipt of Payment of Taxes Required. No person is authorized to procure a license to hunt or fish, or a license to take clams or clam worms or oysters, without first exhibiting to the person issuing the license a receipt indicating that he has paid all resident taxes and inhabitants' and workers' taxes for the preceding year for which he is liable, or instead, a certificate in writing that he has been lawfully relieved from such payment by reason of exemption or abatement. However, a license may be issued if the selectmen or assessors certify that in their opinion the applicant should be granted such a license even though the taxes have not been paid.

16 False Receipt. Amend RSA 214:12 (supp) as amended by striking out said section and inserting in place thereof the following:

214:12 Penalty for False Receipt or Certificate and for False Statements. Whoever files a false receipt or certificate relative to the payment of a resident tax or inhabitants' and workers' tax as herein provided shall be guilty of a violation and his license may be revoked for a period not exceeding 3 months. Whoever makes any other false statement for the purpose of procuring a license shall be guilty of a violation. All fines collected for violation of the provisions relating to false receipts or certificates or false statements concerning the payment of resident taxes shall be for the use of the towns in which the arrests are made.

17 Appropriation. There is hereby appropriated to the department of revenue administration for fiscal year 1978 the sum of \$50,000 and for fiscal year 1979 the sum of \$50,000 to be expended for the purposes of sections 11 through 16 of this act. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

18 Effective Date.

I. Sections 1 through 10 of this act shall take effect July 1, 1977, provided that sections 1 through 7 shall apply to returns and taxes due on account of taxable periods ending on or before December 31, 1977.

II. Sections 11 through 17 of this act shall take effect 60 days after their passage.

The Assistant Clerk read the amendment.

Rep. Spiro requested the reading be dispensed with if there be no objections.

Reps. Wallin, Spirou and Eugene Daniell spoke against the amendment.

Reps. Henry Richardson, McLane, Bridges, Marshall French, Morgan, Quimby and Stylianos spoke in favor of the amendment.

Rep. Close moved the previous question. Sufficiently seconded. Adopted.

A roll call was requested. Sufficiently seconded.

HB 1091, relative to overseas citizens' voting rights.

Rep. James J. White
For the Committee

The subcommittee on Resolutions and Screening having approved its admittance, Reps. Marshall French and Spirou offered the following:

HOUSE RESOLUTION No. 63

relative to constitutional amendments.

WHEREAS, the house of representatives is deeply interested in the process of constitutional change in New Hampshire; and

WHEREAS, the interest of the general court in the process of constitutional change is evidenced by the existence of Article 100 of Part Second of the Constitution of New Hampshire, which, since 1965, has authorized the general court to propose amendments to the Constitution; and

WHEREAS, various amendments to the New Hampshire Constitution will be presented to the voters for their action at the

general election to be held in November, 1978; now, therefore, be it

RESOLVED by the House of Representatives:

That the speaker of the house of representatives be authorized to publicize and promote proposed constitutional amendments and to expend for this purpose any sums appropriated to the house account and not encumbered on June 30, 1978.

The Assistant Clerk read the resolution.

Adopted.

The subcommittee on Resolutions and Screening having approved its admittance, Reps. Marshall French, Close, Coutermarsh, Plourde and Carroll offered the following:

HOUSE RESOLUTION NO. 61
relating to the continuing authority of certain House committees to conduct investigations while the legislature is not in session.

WHEREAS, RSA 17-D authorizes each legislative committee "to maintain a continuous review of the work of state agencies concerned with its subject area and the performance of the functions of government within each such subject area..."; and

WHEREAS, the recent refusal of certain state agencies to allow persons on their staffs to appear before legislative committees to present testimony necessary for the thorough consideration of questions before those committees has evidenced the need for legislative committees to have available some sanction to compel such testimony; and

WHEREAS, the success of the special house committee established in 1976 to investigate the matter of auto title fraud, for which the subpoena power authorized by resolution of the House was indispensable indicates the importance of providing legislative committees with this essential investigative tool; now therefore be it

RESOLVED by the House of Representatives:

That in carrying out any review, study or investigation pursuant to RSA 17-D, other statutes or any directive of the House or the presiding officer thereof, all House committees shall have full authority to administer oaths and to compel, by majority vote of the committee and with the concurrence of the speaker of the house, the attendance of witnesses and the production of documents, and any person who fails to honor a subpoena so issued shall be deemed guilty of legislative contempt; that the said committees shall, with the concurrence of the speaker of the house, have authority to retain and compensate counsel using any funds available in the line item "house of representative - legal services and consultants" and the house subcommittee for legislative management of the legislative facilities committee is

authorized to transfer into said line item funds from any other house account not otherwise encumbered; and

That the legislative budget assistant is directed to provide stenographic services for such proceedings, at the request of the committee conducting them and with the concurrence of the speaker of the house.

Adopted.

The Subcommittee on Resolutions and Screening having approved its admittance, Reps. Marshall French, Chambers, Tucker and Close offered the following:

HOUSE RESOLUTION NO. 62

relative to the state retirement system.

WHEREAS, New Hampshire's retirement system was established in 1945 for the benefit of state employees and to enhance the attractiveness of state service; and

WHEREAS, over 31,000 people are presently covered by the state retirement system and over \$3 million is invested in that system; and

WHEREAS, the unfunded accrued liability of the state retirement system (representing the amount owed in excess of the amount contributed and available for payment to eligible members of the retirement system) presently stands at \$1,368,911; and

WHEREAS, the administration of the state retirement system gives rise to complicated questions involving the vesting and accrual of retirement credits, the crediting of social security benefits, the determination of eligibility for benefits in Group I or II of the retirement system, compulsory retirement and cost of living increases; and

WHEREAS, a retirement system of this magnitude and complexity requires the most skillful planning and professional administration; and

WHEREAS, it is in the state's interest to continue to provide attractive retirement benefits, to redress whatever inequities may presently exist in the system, and to provide financially secure retirement benefits in an efficient and economical manner; now, therefore, be it

Resolved by the House of Representatives:

That the speaker of the house of representatives is hereby authorized to hire a consultant to review the administration and investment policies of the state retirement system using funds available in the house account established by House Bill 1000, PAU 1.01, 02, 01, 02, 90.

The Assistant Clerk read the resolution
Adopted.

ENROLLED BILLS AMENDMENTS

SB 236, relative to a single retirement rate, service retirement benefits and vested rights under the New Hampshire retirement system. (Amendment printed SJ 6/20)

This amendment corrects errors in the amending language.

Adopted.

SB 371, to repeal charters of certain corporations and relative to the periodic repeal of corporate charters by the secretary of state. (Amendment printed SJ 6/20)

This amendment changes the effective date from 60 days to 70 days to insure that this bill's amendment to RSA 294:119 will prevail over the amendment to the same section in SB 229.

Adopted.

HB 127, requiring proof of residency in order to register and to vote.

Amend section 2 of the bill by striking out lines 1 through 5 and inserting in place thereof the following:

2 City Clerk Shall Require Evidence.
Amend RSA 55:9-a, III (supp) as inserted by 1972, 47:2 as amended by striking out said paragraph and inserting in place thereof the following:

This amendment corrects an error in the amending language.

Adopted.

SUSPENSION OF RULES

Rep. Marshall French moved that the joint rules be so far suspended as to permit a committee of conference report to come before the House without printing and distribution in the seat pockets.

Adopted by the necessary two-thirds.

COMMITTEE OF CONFERENCE REPORT

HB 536, relating to the business profits tax rate, deductions and method of distribution. (Report printed SJ 6/20)

Rep. Wallin spoke in favor of the report.

Adopted.

Rep. Marshall French requested a quorum count.

The Speaker declared a quorum present.

The Subcommittee on Resolutions and Screening having approved its admittance, Rep. Morrison offered the following:

HOUSE RESOLUTION NO 60

concerning Women's Equality Day.

WHEREAS, August 26, 1977 will be the 57th anniversary of the enactment of the 19th Amendment to the United States Constitution, granting the vote to women; and

WHEREAS, New Hampshire has the largest percentage and number of women participating in the legislative process of any of the United States, and

WHEREAS, our president since 1972 has declared August 26 Women's Equality Day, and our Governor for the past 2 years has declared August 26 Women's Equality Day in honor of the significance of the enfranchisement of 1/2 of the adult population of our nation; now, therefore, be it

Resolved by the House of Representatives:

That this Legislature hail the passage of the 19th Amendment as a major event in the history of our country and appoint a special committee to arrange proper celebration of Women's Equality Day consisting of speeches, workshops and other commemorative events at the State House, and to encourage participation of other groups throughout the state in the celebration of Women's Equality Day, August 26, 1977.

The Assistant Clerk read the resolution.

Adopted.

Rep. Marshall French moved to notify the Senate that the House is ready to meet in Joint Convention for the purpose of being addressed by the Deputy Secretary of State.

Adopted.

JOINT CONVENTION

(Speaker Presiding as Chairman)

The Chairman recognized the Secretary of State who addressed the Joint Convention as follows:

Friends, former colleagues and members of the legislative branch:

Today, I have a somber duty to perform: I must inform you, with deep regret, that Ed Kelly will retire as deputy secretary of state on July 1.

Those of us who have been fortunate to know and to work with Ed Kelley know that he is a public servant's public servant.

His are the cherished virtues of the dedicated administrator: the highest integrity, efficiency, competence, and a willingness always to lend a helping hand.

At a time when the public remains cynical about too many public officials who lack these virtues, the career of Ed Kelley is both an example and an inspiration.

After 37 years' service in state government - 17 of them as deputy secretary of state - Ed Kelley embarks upon a richly-earned retirement.

Today I join you in saluting a colleague who has become an inspiration for . . . and a man who makes us proud that we live in a state where public administration remains truly a service.

The Chairman recognized the Deputy Secretary of State who addressed the Joint Convention.

Mr. Speaker, Your Excellency, Mr. President of the Senate, Honorable members of the General Court - Ladies and Gentlemen and friends:

I have had the pleasure and honor of serving the state for over 37 years. The state has been good to me - for which I am most grateful.

The man chiefly responsible for my being here tonight, unfortunately, is not

with us. Naturally, I am referring to the late Secretary of State, Robert L. Stark. In addition to being a great man, he was also a great teacher. One of the things I learned from Bob was to be brief.

In a few simple statements, my remarks concerning Bob Stark will be brief - but from the heart. In my humble opinion, I feel that he was the finest person - the finest man - I have ever known. Bob has a wonderful family - 2 daughters, Elizabeth and Marilyn; a son Rodney, a real chip off the old block; a wonderful, wonderful wife Emmy-Lou. The Stark family respected Bob very much; they loved Bob very much, and they miss him very much.

I respected Bob Stark very much; I loved him very much; and, God knows, I miss him very much.

For the past 17 years, it was you who determined who my boss was going to be. A year ago I had no idea that my present boss would be Bill Gardner. Since that time, however, I have come not only to like Bill as a friend, but also to respect and admire him as a colleague. I am pleased that Bill has carried on the tradition of fairness and absolute impartiality that has always characterized the office of Secretary of State. We all know that Bob Stark and those before him believed firmly that the Secretary of State should be above partisan politics. Such a view has always been second nature to this office. I am pleased that I am able to retire with the knowledge that the traditions of the Secretary of State's office - which are so vital to our state government - will be preserved.

Actually, I had made plans to retire last December. When Bill Gardner was successful in being elected Secretary of State, he offered me the opportunity of continuing to serve the state as his deputy. I have absolutely no regrets in accepting and serving under Bill for the past 7 months. In my opinion, you have chosen a worthy successor to Bob Stark and I can retire in full confidence that the office with Bill and the most loyal staff in state government is in good hands.

Bill has asked that I return to the office next year to assist him during the 1978 election period. I will do so. And I will stand ready to provide whatever assistance he may, from time to time, call upon me to render.

Today, however, I look back upon a lifetime of 37 years of service in state government. It has all been rewarding. But I have enjoyed nothing as much as the years spent in the Secretary of State's office and especially the opportunity to work with all of you.

I am grateful, too, for the friendship which many of you have given to me and I shall cherish it always.

God Bless You.

Goodbye.

Sen. Rock and Rep. Plourde moved that the remarks by the Secretary of State and the Deputy Secretary of State be printed in the proceedings of the Joint Convention.

Unanimously adopted.
 Sen. Blaisdell and Rep. Spirou moved
 that the Joint Convention rise.
 Adopted.

HOUSE RESOLUTION No. 66
protesting the actions of the
clamshell alliance.

WHEREAS, the members of the clamshell alliance have trespassed on private property and thereby have broken the law; and

WHEREAS, their actions in Seabrook in May have cost this state hundreds of thousands of dollars; and

WHEREAS, the members of the clamshell alliance do not confront the duly elected governor and members of the general court with their feelings and do not come to Concord to express their feelings when the general court is meeting; and

WHEREAS, the attorney general and other public officials have been taken from their important duties and have been forced to spend their time dealing with this lawless band; now, therefore, be it

Resolved by the House of
Representatives:

That we demand the members of the clamshell alliance cease and desist from any further trespassing and lawbreaking; and

That we demand the members of the clamshell alliance use the proper channels and show some courage by coming to Concord to protest when the general court and the governor are here; and

That we demand the members of the clamshell alliance pay back to the state the hundreds of thousands of dollars they have cost the state by their lawlessness.

UNANIMOUS CONSENT

Rep. Benton addressed the House by unanimous consent.

A FAREWELL MESSAGE FROM THE GREAT MEN ON THE WALL

For many years now we've looked down on this hall

And we've come to know all who here dwell
The time grows short till the final gavel
We are sad that this means farewell.

Some of you come and remain a short time,
While others we've been friends with for years,

The freshmen and vets, the Dems and the Reps.,

May you all serve again in this hall.

We will miss you all, this is for sure,
Even those who loud and long orate,
For we know that you all have one thing in common,
Devotion to and a love for the Granite State.

To greet you, and those who follow
Here we remain evermore,
We'll continue in silence to listen and watch
The deeds and words of you down on the floor.

When you've pressed the green button and stand adjourned
And you're making your last farewells,
Glance up at us for one last time,
Our lips are still, but our eyes say to all,
Godspeed friends, and a safe return
From your admirers high on the wall.

Rep. Parr moved Rep. Benton's remarks be printed in the Journal.
Adopted.

UNANIMOUS CONSENT

Reps. Spirou, Marshall French and Mabel Richardson addressed the House by unanimous consent.

Rep. Richardson: I realize that the new members do not know what we're talking about when we talk about the 43 Club. This club is a group of just friends, both Democrats and Republicans, who met just to have a social evening and not talk politics. It is, needless to say, that those who were from the North Country and stayed overnight ran the club.

This club was fully organized in 1943. However, it was started as a little group which played cards at the Endicott Hotel and known as the Endicott Club. No one could go unless they lived at the Endicott Hotel. Then it changed to the Dry Club - and if you lived at the Eagle Hotel and were lucky enough to get invited, one could go but never belong. (That was where the liquor was).

Then in 1943 it was reorganized as a legislative group known as the Legislative 43 Social Club. Now this has operated until today - and you notice I say has - times are changing and we believe the 43 Club has served its usefulness. We would be glad to continue if there was sufficient interest (and no longer a dry club).

We now find ourselves on the verge of disbanding and with a treasury account of more than \$500. We have debated much as to how to dispose of this money. Donald Howard is now the president and Otto Oleson is the secretary and treasurer (I might add a very good one) and I am the Chaplain.

We have consulted with Leon Anderson, the Legislative Historian, who in 1943 was a member of the Legislature.

Now about the money - many thoughts have crossed our minds as to what to do about the money. It has been settled an appropriate thing to do would be to memorialize one of our house members no longer with us but who served longer than anyone else in the United States as a legislator.

Leon Anderson suggests that we have a portrait of Hilda Brungot made and hung on a State House wall with ceremonial exercises to commemorate her as the dean of women legislators in New Hampshire and in the whole United States.

We hope that we can accomplish this while she is still with us.

Rep. Chandler moved that Rep. Richardson's remarks be printed in the Journal.

Adopted.

Reps. Tucker and Hildreth moved that the House adjourn.

Adopted.

HOUSE JOURNAL 50

Friday, 29 June 77

Prayer was offered by House Chaplain Milton L. Smith, Sr.

Good Morning God! Glad to be alive. We have mixed feelings about being here. It is a busy time of the year. It sure is. We get kind of weary here in this place. And concerns of all kinds, in as many places, seem to demand our time more and more. Don't let our minds wander too far from the business at hand. There is real danger in the careless and sleepy approach. Important issues are before us and we have been given a trust from the people that we dare not fail. The world is constantly calling for doers! - For persons of faith and integrity and action! Give us the necessary strength to adequately meet the challenges of this day. In Jesus' name we pray. Amen!

Rep. Foley led the Pledge of Allegiance.

Rep. McLane offered an amendment.

Amendment

Amend the title of the bill by striking out same and inserting in place thereof the following:

AN ACT

imposing a tax on capital gains.

Amend the bill by striking out all after the enacting clause and inserting in place thereof the following:

1 Increased Rate. Amend RSA 77:1 as amended by striking out said section and inserting in place thereof the following:

77:1 Rate.

1. The annual tax upon interest and dividend income shall be levied at the rate of 5 percent.

11. The annual tax upon net gains pursuant to RSA 77:4, V shall be levied at the rate of 8 percent.

2 Liability for Tax. Amend RSA 77:3 by striking out said section and inserting in place thereof the following:

77:3 Who Taxable.

1. Taxable interest and dividend income is that received during the calendar year prior to the assessment of the tax by:

(a) Individuals who are inhabitants or residents of this state on January first in any year, and individuals who have ceased to be residents of this state during the preceding calendar year for such part of the year as they were residents in this state.

(b) Partnerships, associations and trusts, the beneficial interest in which is not represented by transferable shares, and as hereinafter provided.

(c) Fiduciaries deriving their appointment from a court of this state, and as hereinafter provided.

11. Taxable net gains are those received during the calendar year prior to the assessment of the tax by:

(a) Individuals who are inhabitants or residents of this state on January first in any year, and individuals who have ceased to be residents of this state during the preceding calendar year for such part of the year as they were residents in this state.

(b) Fiduciaries deriving their appointment from a court of this state, and as hereinafter provided.

(c) Individuals who are not inhabitants or residents of this state and have derived net gains from the sale, exchange or other disposition of property, real or personal, or both, located within this state.

3 What Taxed. Amend RSA 77:4 by inserting after paragraph IV the following new paragraph:

V. The amount shown as net gain from the sale of property, real or personal or both, tangible or intangible or both, excluding the taxpayer's principal place of abode, on schedule D or equivalent schedule of the individual's United States income tax return.

4 Credit for Other Taxes. Amend RSA 77 by inserting after section 4-a the following new section:

77:4-b Credit for Tax Paid Other States on Individual's Gains.

1. A credit against the net gains tax imposed under this chapter shall be allowed for a tax paid to another state with respect to any gain from the sale or exchange of real or personal property located in that state; provided that such other state grants such a credit for taxes paid to this state with respect to gains from the sale or exchange of real or personal property located in this state. The credit allowed herein shall not exceed the lesser of

(a) the tax paid to the other state with respect to such a gain or

(b) that portion of the total tax

due on net gains under said chapter which the amount of gain taxed in both this and another state and qualifying for this credit bears to the entire net gain of the taxpayer for the same taxable year for which a return is filed under said chapter.

II. If the taxpayer is allowed credit under this section based on more or less of another state's tax then he is finally required to pay, the taxpayer shall send notice of the difference to the commissioner who shall redetermine the tax for any years affected regardless of any otherwise applicable statute of limitations.

5 Exemptions Increased. Amend RSA 77:5 by striking out said section and inserting in place thereof the following:

77:5 Exemptions. Each taxpayer shall have the following exemptions from interest and dividends income:

I. Income of \$600.

II. An additional \$600 if the taxpayer is 65 years of age or older on the last day of the tax year.

III. An additional \$600 if the taxpayer is blind.

IV. An additional \$600 if the taxpayer is handicapped and unable to work, and has not yet reached his sixty-fifth birthday.

Each taxpayer shall also have an exemption from net gains income of \$1,000.

6 Capital Distribution Taxation. Amend RSA 77:7 by striking out said section and inserting in place thereof the following:

77:7 Capital Distribution. No distribution of capital, whether in liquidation or otherwise, shall be taxable as interest and dividends income, but accumulated profits shall not be regarded as capital.

7 Taxability of Partnerships. Amend RSA 77:14 by striking out said section and inserting in place thereof the following:

77:14 Partnerships. Partnerships having a usual place of business in this state, any member of which is an inhabitant thereof, shall be subject to interest and dividends income taxes imposed by this chapter. If any of the members of the partnerships are not inhabitants of this state only so much of the interest and dividends income thereof as is proportionate to the aggregate interest of the partners who are inhabitants of this state in the profits of the partnership shall be taxed.

8 Distribution Formula. Amend RSA 77:34 as amended by striking out said section and inserting in place thereof the following:

77:34 Distribution. The commissioner of revenue administration shall determine the expense of administration for the year in which the interest and dividends income tax is assessed and shall certify to the state treasurer the amounts of the remaining balance of the interest and dividends income tax, after the expenses of administration have been deducted. A sum equal to 90 percent of the remaining balance of the interest and dividends

income tax receipts, but none of the receipts of the tax upon net gains pursuant to RSA 77:4, V, shall be distributed on August 1 of that year to the cities and towns according to an equalized formula calculated by taking for each city and town the amount of local property taxes assessed, including current distributions of state revenues to local government, exclusive of education funds; dividing that sum by the local equalized valuation as determined by the board of taxation; and multiplying the result by the local population to produce an equalizing factor for each city and town. Such equalizing factors shall be added together to produce a total state sum. Each local equalizing factor shall be divided by the total state sum to produce for each city and town a normalized factor. Each such normalized factor shall be multiplied by the total amount of revenue to be shared by the cities and towns to produce the annual share for each city or town. Provided, however, that no city or town shall receive under the provisions of this section an amount less than it received in the distribution of the interest and dividends tax revenues of August 1, 1976. The funds for any such adjustment shall be provided by a pro rata reduction in the amount distributed to those cities and towns otherwise receiving more than in the distribution of August 1, 1976. The remaining 10 percent of the balance shall go into the general fund, along with all revenues from the tax upon net gains pursuant to RSA 77:4, V. Provided, further, that any interest and penalties collected thereon may be retained by the state and applied to the expense of administration. The commissioner of revenue administration shall also certify to the state treasurer the amounts of the net gains tax received.

9 Appropriation. The sum of \$215,000 for the fiscal year ending June 30, 1978 and \$200,000 for the fiscal year ending June 30, 1979 is hereby appropriated to the department of revenue administration for the purpose of administering the provisions of this act, including the acquisition of additional office space. The governor is authorized to draw his warrant for said sums out of any money in the treasury not otherwise appropriated.

10 Repeal. An act passed by the 1977 session of the general court entitled "An Act amending the interest and dividends tax relative to the rate, method of distribution, and number of exemptions for the elderly or blind" is hereby repealed.

11 Effective Date. This act shall take effect July 1, 1977, provided that sections 1 through 7 shall apply to returns and taxes due on an account of taxable periods ending on or before December 31, 1977.

Rep. McLane requested to dispense with the reading of the amendment.

Rep. McLane spoke to her amendment. Question being on the McLane amendment.

A quorum count was requested.
The Speaker declared a quorum present.

A roll call was requested.
Sufficiently seconded.

ENROLLED BILLS AMENDMENT

SB 56, establishing an adoptive care act.

Amend RSA 170-F:8 as inserted by section 1 of the bill by striking out same and inserting in place thereof the following:

170-F:8 Funds. The director is authorized to make payments under this section from appropriations for the care of children in foster homes, to seek and accept funds from other sources including federal, private and other public funding sources and to require the county, city or town, which would be legally chargeable for the support of the adoptive child, if said child was the charge of the county, city or town, to make payments to carry out the purposes of this chapter. The amount expended by any county, city or town for any subsidy shall not exceed the amount which would be paid by the county, city or town before said child was adopted. In no event shall any county, city or town be liable for a subsidy under this chapter if it is not legally responsible for said child's foster care.

This amendment clarifies the language of the subsidy provisions to avoid an inconsistent result.

Adopted.

Our Father God, we take this quiet time to be touched by Your Presence before we become immersed in the busyness of the day. Forgive us where we have been strangers to the needs of people and to Your ways and purposes. Lift us above the shallowness of self purpose and the ruts of self interest. Let not evil prevail in our thoughts and actions, but let us carefully and sincerely consider Your will for our lives and the welfare of all the people of our state, as we labor as servants. Bless us now with the wisdom and the will to do what is right in Your sight. Amen!

VETO MESSAGE ON HB 291

To the Honorable Members
of the General Court

I am returning herewith HB 291, making an appropriation to the department of resources and economic development for grants and loans for projects authorized by titles I, II, and IV of the Public Works and Economic Development Act of 1965, with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

This will appropriate \$97,867 we do not have to participate in a new federal program not previously endorsed by the Legislature. While the program has some merit and entitles us to matching federal dollars it is not a high enough priority to require the appropriation of almost \$100,000 of our scarce resources.

Programs such as this type should have been included in the Operating Budget where their impact could be analyzed in comparison with other desirable programs.

Members of the Legislature are aware that we have had to cut back and eliminate existing desirable programs. In view of that fact this is no time to create new spending programs.

Too often we have made our budgetary decisions based on the availability of federal funds rather than evaluating the specific need for the project involved.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Assistant Clerk read the veto message.

Question being, notwithstanding the Governor's veto, shall HB 291 pass.

Reps. LaMott, Ward, Eugene Daniell and Mann spoke in favor of the motion.

VETO MESSAGE ON HB 782

To the Honorable Members
of the General Court

I am returning herewith HB 782, relative to effective dates for laws which have a municipal fiscal impact, with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

The intent of this legislation is laudable and agreed to by almost all concerned.

I understand the problems municipalities face that prompted the submission of this legislation because the State faces similar problems in its dealings with the Federal government.

The bill allows the Office of Legislative Services to determine whether laws we pass have "municipal fiscal impact".

Over the years we have seen in our referrals to House Appropriations and Senate Finance Committee how broad and vague the fiscal impact term can be. Thus the ultimate power of determining the fate of municipal legislation would be set up in the Office of Legislative Services which could be lobbied by any group opposed to the thrust of any bill.

For instance, does a bill calling for local referendum have a municipal fiscal impact because it cost money to hold a local referendum election.

We should not by a wide sweep of the brush apply to all types of bills inclusion under the provisions of this act.

If this bill had been enacted two years ago we could not presently let House Bill 1000, the Budget Bill, take effect until after next town meeting.

Our goal must be a careful balancing of the needs and responsibilities of State government vs. those of our local communities. In such a scale the interests of the state should prevail.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 975

To The Honorable members
of the General Court

I am returning herewith House Bill 975, relative to mandatory installation of smoke detectors in structures for occupation built after 1978, with my objections noted pursuant to Part II, Article 44 of the New Hampshire Constitution because it is one more instance of government acting in a paternalistic, big brother attitude by requiring each new house to contain automatic smoke detectors.

It is true that smoke detectors, when properly installed, can save lives and the cost is minimum.

However, a decision on whether or not the people of New Hampshire want a smoke detector in their own new home is a decision that should be made by the families involved rather than an all-knowing State Government. We have recently repealed the requirement that all motorcyclists wear helmets because the majority of this legislature believes that it should be a matter of individual choice. I feel that whether or not a home has a smoke detector also should be a matter of individual choice.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 978

To the Honorable Members
of the General Court

I am returning herewith HB 978, requiring that any state owned property leased to private parties shall comply with local zoning ordinances, with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

The problem concerning the junk pile at the New Hampshire Port Authority is a horrendous mess. But after conferring with the Attorney General I believe we can eliminate the unsightly appearance by administrative action rather than by legislation of this type.

We should not resort to utilizing the powers of the State to correct problems in local areas.

We should not use the device of local ordinances to negate actions on state owned property.

While this bill is aimed at one specific local problem the impact of the legislation is broad enough to apply to other situations in our State which the Legislature has not considered.

In summary, we should not allow local zoning ordinances to set State policy particularly when we can solve the problems administratively.

I pledge to the people of Portsmouth that I will work at once to clean up this situation without the necessity of this bill becoming law.

Meldrim Thomson, Jr.

VETO MESSAGE ON HB 258

To the Honorable Members
of the General Court

I am returning herewith House Bill 258 together with my objections noted pursuant to part 2, Article 44 of the New Hampshire Constitution.

I must oppose this bill not because of Seabrook Station which is authorized as a temporary site for nuclear storage, but rather for the problem it could pose to our future national security.

There is pending in the Congress legislation which could permit states to exert a veto over federal legislation on the use of their territory as a repository for nuclear wastes.

If this becomes the law of the land would not the other 49 states follow our ignominious lead and say "no nuclear waste here, please?"

Where then would our military store its waste which now constitutes 99 percent of all nuclear waste?

In ancient times a kingdom was lost for want of a nail. Could we lose America in some future global war because for want of nuclear storage we sacrificed our nuclear capability?

In all things we should try to be rational and at all times courageous about nuclear waste.

Let us hope that the sound program for nuclear waste will prevail in Washington. If it does that will make unnecessary legislation such as proposed in House Bill 258.

The United States Energy Research and Development Administration is currently conducting an on-going program in order to fulfill its responsibility for establishing a sound, safe, and proper method for the management and storage of nuclear waste.

This responsibility has been conferred upon the Federal Energy Research and Development Administration by the President and the Congress of the United States.

Present plans for a program which will enable the demonstration of all components of waste management technology by 1978 and to determine on a complete repository by 1985. Plans for the repository will be submitted to the Nuclear Regulatory Commission for licensing to assure its safety and acceptability.

Should the Federal Government designate areas in New Hampshire to become repositories for the permanent storage of nuclear waste the provisions of HB 258 will become moot.

More than ninety-nine percent of the presently generated nuclear waste is produced by our national defense weapons system. Less than one percent is generated by nuclear power plants and other industrial sources.

Projections indicate that should nuclear power construction and generation continue at the needed rate through the year 2000, the balance between the generation of nuclear waste by the military as against generation from nuclear power plants and industrial sources will alter slightly to a ninety-seven percent or a change of three percent.

HB 258 will allow temporary storage of nuclear waste generated by Seabrook Station.

The miniscule waste generated from nuclear power development and other industrial sources bears little impact upon the need to move forward with a permanent nuclear waste disposal system.

It is therefore clear that the prime necessity for properly planned permanent nuclear waste disposal stems from the need for this nation to be prepared to defend itself against foreign powers which are known to possess vast resources in nuclear weaponry.

Moreover, we cannot ignore the fact that for many years nuclear submarines have been entering and departing Portsmouth Harbor without serious incident and with the attendant production of nuclear waste for which some disposition must be made. Approximately five submarines a year enter Portsmouth Naval Yard for maintenance, discharge of nuclear waste and refueling.

Thousands of our citizens are dependent upon the continued operation of the Portsmouth facility for their livelihood.

More important still, the Portsmouth Naval Shipyard is a vital and integral part of the common defense of this nation.

Uninformed statements which imply that New Hampshire is a prime target for nuclear waste disposal are without foundation and when knowingly can only be characterized as intellectually dishonest.

The facts belie and repudiate any such interpretation and indicate clearly that the weight of scientific judgment diminishes the possibility that geologic formations in New Hampshire will be suitable for nuclear waste disposal.

However, in the unlikely event that scientific and technical data indicates that our state should become a repository for some nuclear waste, we must, as an integral part of this nation, face that responsibility.

The only other alternative would be to dismantle our nuclear defense weapons system which, under present world armament conditions is, of course, unthinkable.

I do hope that after a more careful and serious consideration of this bill which could tragically cripple our defense posture, you vote to sustain this message of opposition.

Sincerely,
Meldrim Thomson, Jr.
Governor

Question being notwithstanding the Governor's veto shall HB 258 pass.

VETO MESSAGE ON HB 282

To the Honorable Members
of the General Court

I am returning herewith House Bill 282, placing a consumer on the commission of pharmacy and practical chemistry, with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

The placing of a consumer on the Commission of Pharmacy and Practical Chemistry is inappropriate in view of the regulatory, as opposed to policy-making, nature of the commission's duties. The Commission is directed by statute to enforce regulations governing pharmacists, including examination, certification and inspection of pharmacists and pharmaceutical facilities.

The commission does not involve itself in areas in which a consumer commissioner could contribute to the benefit of review price setting of prescriptive drugs, the choice of stocked drugs or the generic labeling of drugs. Present law requires generic labeling and the posting of prices by pharmacists, but the enforcement power for these provisions is placed by statute in the office of the Director of Public Health Services.

HB 282 places a consumer in a role traditionally reserved for the policing function of government. The present commissioners, who are required by statute to have been registered pharmacists for at least ten years, are best able to evaluate applicants and police licensed pharmacists and their practices.

It should be noted that although all meetings of the commission have been open in the past, no member of the lay public has ever attended. This alone demonstrates that the commission does not involve itself in activities which are of natural interest to consumers.

It would be more appropriate to place a consumer on a policy-making advisory board in order to represent consumer interests.

Finally, the elimination of one of the five pharmacist commissioners would tax

more heavily the expertise of those pharmacists remaining on the commission.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 300

To the Honorable Members
of the General Court

I am returning herewith House Bill 300, permitting a patient to direct the withdrawal of life-saving measures under certain circumstances, together with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

The intent of House Bill 300 is laudatory in that it would permit a person to die naturally.

Yet in order to do that which seems natural the law must violate one of the ancient canons of human conduct by legalizing suicide.

A mere reading of the operative directive, set forth below, indicates that the frailty of human judgment would supplant Divine prescience.

"If at any time I should have an incurable injury, disease, or illness certified to be a terminal condition by 2 physicians, and where the application of life sustaining procedures would serve only to artificially prolong the moment of my death and where my physician determines that my death will occur whether or not life-sustaining procedures are utilized, I direct that such procedures be withheld or withdrawn, and that I be permitted to die naturally."

This task is made all the more difficult because of the sincerity and belief of many of its proponents whose judgment I do value. Nevertheless, I cannot support any bill that attempts to legislate at what point life might end.

Such legislation, however controlled and however optional, begins to create the climate in which mercy killing, first by omission and later by commission, can become acceptable.

To quote an advocate of active euthanasia, "it seems unwise to attempt to bring about major changes permitting positive euthanasia until we have made major progress in changing laws and policies pertaining to negative euthanasia."

This bill, in my judgment, is negative euthanasia and is a legislative step that I am unwilling to support.

It is true that the artificial prolongation of life is costly and where the patient is elderly and terminal, there may be a point beyond which the heavy costs are not warranted, not to mention the agony and grief of the family and loved ones.

Perhaps this financial argument gives credence to an article that I understand appeared in the Washington Post about two weeks ago whereby in an HEW Staff Report to Secretary Califano it was recommended that Medicare and Medicaid payments be conditioned upon states passing living will statutes such as HB 300. Such laws, said the report, will save on health care expenses for the elderly by billions of dollars. This surely is no area for government to enter.

House Bill 300 seems to be a simple answer to a very complex and sensitive problem which can only be adequately addressed by the doctor, the patient, and the family. To interject legislation is unnecessary where doctors, their patients and their families have faced and made their decisions for years and will continue to do so without the intervention of the state. To my knowledge, there are no cases where a doctor has been brought to litigation for withholding or withdrawing artificial life sustaining devices; why then is this law needed?

To my knowledge, legislation of this type is law only in California (January 1, 1977) although it is pending in several other states. I much prefer to have this

area of the law develop slowly and elsewhere before further consideration is given here in New Hampshire. While I realize that several elderly persons have expressed their earnest views to me in support of this bill, I do not believe that their concerns should be translated into law.

This bill touches deep, sensitive emotions. It reaches the quick nerve of morality. In searching my inner conscience for the right answer to this problem I keep asking, what if some physician or loved one makes an error? It could never be corrected.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Assistant Clerk read the veto message.

Rep. Close moved that HB 300 be laid upon the table.

On a voice vote the Speaker was in doubt and requested a division.

137 members answering in the affirmative and 134 in the negative, HB 300 was laid upon the table.

VETO MESSAGE ON HB 529

To The Honorable Members
of the General Court

I am returning herewith House Bill 529, relative to reimbursing victims of violent crimes, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

This bill would have the state compensate victims of crime and those responsible for the maintaining of a victim for medical expenses and lost earning capacity resulting from crime.

In attempting to relieve the hardship suffered by victims of crime, House Bill 529 misdirects the effort which most properly should be directed toward the prevention and successful prosecution of crime.

The bill totally ignores the problem of crime prevention.

We should be allocating our resources in a way that will reduce the number of victims rather than reimbursing the growing number of victims we now have. This bill provides financial solace for victims of crime but no comfort whatsoever for victims and nonvictims alike who know that the offenders have nothing to fear from this bill.

I sympathize with victims of crime, but I cannot favor legislation that misdirects the effort and resources that should be fully devoted to the protection of all our citizens from crime.

Meldrim Thomson, Jr.

VETO MESSAGE ON HB 553

To The Honorable Members
of The General court

I am returning herewith House Bill 553, relative to search and rescue operations; establishing a search and rescue review board and making an appropriation therefor, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

This bill, unfortunately, is an impractical solution to our search and rescue needs in this state. First of all, it makes no attempt to be self-sustaining such as we had originally recommended through the use of modest fees for those users of our forest land who do not hold some type of Fish and Game license.

More importantly, perhaps, any claim authorized by the proposed review board for reimbursement of search and rescue expenses must be paid out of the Treasury from the \$5,000 that this bill would appropriate and thereafter from any monies in the Treasury not otherwise appropriated. This open-ended appropriation which could cost the state thousands of dollars, is not fiscally responsible and is an unwise precedent to set.

This bill also excludes the Adjutant General and the National Guard from participation in search and rescue operations. In view of the already established emergency programs involving this arm of our government and in view of its helicopter search and rescue capability, this omission is difficult to explain. Similarly, the governor plays an essential role in emergency operations of this nature where the National Guard and its equipment and capabilities are involved. Only the Governor can authorize the use of a National Guard helicopter.

Because of its irresponsible funding I consider this bill much worse than a similar one vetoed four years ago.

Sincerely,
Meldrim Thomson, Jr.
Governor

RECESS

VETO MESSAGE ON HB 597

To The Honorable Members
of the General Court

I am returning herewith House Bill 597, relative to the application and expenditure of federal funds and making an appropriation therefor, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

I do so, reluctantly, because, as I said in my budget message to you on February 15, 1977, "I am one of the few, if not the only governor, who agrees with legislative leaders across the nation that no federal dollars should be allowed to come into the state unless first appropriated, specifically or in general terms, by the Legislature."

However, as I have also expressed directly to several of you and through testimony on my behalf during this session, the matter of federal funds should be handled during the interim period between legislative sessions, as it now is, by Governor and Council. The proposed intercession of the fiscal committee, especially as reconstituted by this bill, is an unwise and unnecessary increase in the power and control of that particular committee.

I urge that you reconsider the simple proposition that no state agency shall receive grants of federal funds unless they have been appropriated for the purpose of such grant by the General Court as we specifically recommended to you by proposed legislation earlier this session. A bill along those lines I support and would sign.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 469

To the Honorable Members
of the General Court

I am returning herewith House Bill 469, increasing the minimum age for purchase, sale and consumption of alcoholic beverages off-premises, together with my objections thereto pursuant to Part 2, Article 44 of the New Hampshire Constitution.

I am extremely disappointed to have to veto this bill, but I do so solely because I concur with our Liquor Commission that this bill will be unenforceable.

I firmly believe that the minimum age at which persons may legally purchase, sell and consume alcoholic beverages should be 21. I support those school authorities who based on their experience sought to raise the drinking age.

I appreciate the argument made for a lower age and indicated my willingness to sign a bill that increased the minimum age to 19. It is my belief that by increasing the minimum age, even only to 19 years, would have acted as a restraint for most law abiding youths and would have supported their families in their efforts to control the serious drinking problems of our youth. It would have helped restrain high school age students from having access to alcoholic beverages.

Unfortunately, even though this bill may perhaps make it a bit more difficult for 18 year olders to purchase alcoholic beverages for off premises consumption, it still permits them to consume alcoholic beverages on the premises. In other words, this bill is no deterrent at all.

I urge that you reconsider your action at the very next opportunity and enact legislation raising the minimum age to at least 19, preferably 21.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 129

To The Honorable Members
of The General Court

I am returning House Bill 129, exempting certain persons from prosecution relative to exposing minors to harmful material or obscenity, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

This bill would exempt teachers and librarians and trustees and directors of schools and libraries from being required to comply with criminal statutes prohibiting exposure of minors to harmful and obscene materials. In my judgment, there is no justification for this double standard and librarians and teachers, like anyone else, should carry out their responsibilities to see to it that harmful or obscene materials are not given to minors.

While I recognize this special exemption will not apply if the material involved has in fact been adjudicated obscene, nevertheless it is my belief that of all our citizens who deal with young people, teachers and librarians should well know what is obscene and harmful to our children. The well-being of our children should not have to wait until some court has determined that certain material is harmful or obscene. These criminal statutes that are on our books should be applied fairly and equally to all. I do not believe that librarians and teachers should be exempt from these laws which have been enacted to protect our children.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 419

To The Honorable Members
of The General Court

I am returning House Bill 419, specifying procedures for the sale and fitting of hearing aids and requiring the registration of hearing aid dealers, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

I realize that there was testimony both in the hearings and as reported in the preliminary information to the federal regulations that would justify the enactment of a law regulating the sale and fitting of hearing aids. Such a law undoubtedly would help reduce abuses that currently exist by reason of fly-by-night hucksters. But, as a regulation of a very legitimate business, this bill simply goes too far.

Hearing aid dealers would be mandated to make many written and somewhat confusing disclosures. They would also be legally obliged to offer a money back guarantee irrespective of whether the product was satisfactory or not. Furthermore, it would prohibit home solicitations except by prior request from the prospective customer or a relative or friend thereof - a provision which is probably unconstitutional as a denial of equal protection and, for the most part, unenforceable.

Finally, the civil and criminal penalties are unduly onerous including for the first time, as far as I am aware, the concept of punitive damages. This means that in addition to recovering ordinary damages and attorney's fees, the successful plaintiff could recover additional damages assessed as a punishment.

I also object to the establishment of an advisory council without input of Governor and Council except approval or disapproval.

Because of the clear imbalance of rights and obligations in this bill, I reluctantly must return this bill to you. I will, however, support and sign a more moderate bill that will protect our consumers, particularly the elderly, but without undue harm to legitimate business.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 433

To the Honorable Members
of The General Court

I am returning HB 433, to create and provide police powers for the security forces at certain state institutions, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

The Police Chiefs Association, the sheriffs, and the Attorney General all have concurred with my decision to veto this unnecessary legislation. This bill gives full powers including the right to use firearms or to take a life under certain circumstances to persons without setting forth any qualifications for hiring, background, experience, or character, except for advanced training.

We should not add still another level of police force in a community. This bill would set up the State Hospital Superintendent, Director of Technical Institute, Prison Warden, and Director of Purchase and Property as police chiefs, in effect.

The legislation is unnecessary because other provisions of the criminal code

dealing with the rights and duties of persons with special responsibilities gives these guards all the power they need to control persons in their custody within their institutions.

There is no need for granting police power at the Vocational Technical School.

There is no need for granting police power to the custodians of our state buildings and grounds.

There is questionable, at best, need for granting police power to the custodians at the Laconia School.

The Attorney General thinks there is some reason to strengthen our jurisdiction at the State Hospital and the State Prison and to broaden the power of the guards at the State Prison. It should, however, be done in a way to address specific problems recognized at the State Hospital, the State Prison, and possibly Laconia School. But we should not grant police power where it is not needed.

This bill, in essence, would create law enforcement bureaucracy of persons not trained and qualified for police work.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 543

To The Honorable Members
of The General Court

I am returning herewith HB 543, relative to mining and the reclamation of mined lands and making an appropriation therefor, together with my objections thereto as provided in Part 2, Article 44, of the New Hampshire Constitution.

In my Inaugural Address I recognized the need for the enactment of mining legislation for our State. However, this bill inadequately responds to that need by only addressing the area of reclamation of mined lands. An intelligently balanced mining bill should apprise a potential mining interest of the rules by which they will be governed during the course of their operation as well as the requirements for reclamation once that operation terminates.

HB 543 does not give a potential mining interest the ability to balance commercial and environmental considerations before making its decision to mine in the State of New Hampshire. Significantly absent from HB 543 are provisions governing taxation, rights to state-owned mineral rights, royalty provisions, and sale or lease back provisions, all of which are found commonly in the mining bills of other states.

As a result of its inadequate or non-existent mining section, potential mining development will be stalled because few of the aforementioned questions will have been resolved.

The mining experts on our Geology Commission including the State Geologist believe strongly that this bill is wholly inadequate.

I disagree with those who acknowledge the absence of mining provisions but argue that HB 543 is a partial answer to the need for regulation of mining activities. This piecemeal approach to a two dimensional problem assumes that complex legislation equals the sum of its parts. However, we should enact a single piece of legislation which establishes a coordinated economic and environmental policy and procedure on mining operations.

Absent that coordination, HB 543 would not establish a firm foundation for supplemental mining legislation.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 559

To the Honorable Members
of the General Court

I am returning House Bill 559, relative to the reorganization of the New Hampshire transportation authority and prohibiting the removal of railroad track related structures, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

After carefully considering all aspects of House Bill 559, I am satisfied that the proposed reorganization should take place.

However, there is one serious flaw in this bill that must be corrected. Present law properly directs that expenditures shall be made from the non-lapsing special railroad fund in the following order of priorities: amortize indebtedness, reimburse the general fund for such amortization, and purchase or pay for the operation and maintenance of railroad properties to be acquired or which have been acquired.

This bill changes that order of priority to require that the fund be used first to purchase or pay for the operation and maintenance of railroad properties to be acquired or which have been acquired with amortization of indebtedness and reimbursement of the general fund in second and third position.

This priority reversal will seriously hinder if not prevent the marketability of bonds for these purposes and will also delay or prevent reimbursement of the general fund.

Furthermore, to prohibit debt amortization until whenever the purchase of railroad properties to be acquired is completed and until the operation and maintenance of railroads which have been acquired has been fully paid for is fiscally unsound and impractical.

I urge that this bill be redrafted with this vital correction and that it be immediately re-introduced and re-adopted under suspension of your rules. If this can be accomplished, I will sign such a revised bill into law.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Assistant Clerk read the veto message.

Question being shall HB 559 pass notwithstanding the Governor's veto.

Rep. Hoar moved that HB 559 be laid upon the table.

Motion adopted.

VETO MESSAGE ON HB 609

To The Honorable Members
of the General Court

I am returning House Bill 609, establishing public guardian officers and relative to professional guardians, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

In my judgment, present law adequately provides for the protection of incompetent persons whether institutionalized or not, through the guardianship process under the supervision of the Probate Court. There has been no need demonstrated for this legislation and in fact it was specifically disapproved by the Judicial Council just last month.

Furthermore, I understand that the Judges of Probate, who are most familiar with the present system, oppose this bill.

Fiscally, the bill is sound; does not establish fixed costs for the public guardian salary or staff salary. Furthermore the appropriation is contingent upon matching federal funds which may or may not be available.

The language in this bill is vague and unclear to say the least. In the same section it uses the words public guardian and professional guardian interchangeably without defining either. It appears that they mean the same thing.

I have no major objection to the concept of professional guardians but I am unaware of any demonstrated need for this addition to the bill.

My veto of a similar bill was upheld by the Legislature two years ago. Since then, this bill was rejected by the Judicial Council who voted to recommend to the Legislature that it be considered inexpedient to legislate.

The Judicial Council has made it quite clear to the proponents of this legislation that before the present system can be changed, specific information should be provided demonstrating any inadequacies in the present system with specific examples. To my knowledge, such information has not been presented.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Clerk read the veto message.

Question being shall HB 609 pass notwithstanding the Governor's veto.

Rep. Richard Hanson moved that HB 609 be laid upon the table.

Motion adopted.

VETO MESSAGE ON HB 627

To the Honorable Members
of the General Court

I am returning herewith House Bill 627, prohibiting certain advertising and expenditures by electric and gas utilities, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

This bill singles out gas and electric utilities for the purposes of restrictive regulation of advertising practices. By attempting to make these utilities accountable for their source of funding for advertising, you have passed a measure which will eliminate some important forms of advertising.

By requiring electric or gas utilities to conspicuously note the "source of funds used to pay for an advertisement in any form" you would prohibit our local utilities from engaging in any national cooperative advertising.

These utilities both belong to national cooperatives, contributions to which are used for purchasing television advertising time which is aired nationally. These advertisements benefit consumers by bringing important conservation information to bear. But how could our local companies demand that the syndicate footnote its national television advertisement with a source of funding statement.

We should remember that this form of advertising is most efficient in terms of cost and exposure, thereby saving the consumer the cost of less efficient forms of advertising.

In addition, representatives from utilities and our Public Utilities Commission are hard put to distinguish between the different categories of advertising enumerated in this bill. Could not "informational advertising" include any number of the other categories of advertising listed?

What this legislation does is to permit advertising that is weighted in favor of environmental interests and prohibit advertising that is in the best interest of these businesses operating under the private enterprise system.

One must ask himself in considering this question whether the concept contained in House Bill 627 infringes upon the spirit, if not the letter of the law of the First Amendment, to our Constitution, in the so called Bill of Rights.

I cannot endorse legislation that foreseeably endangers both utility providers and consumers alike.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Clerk read the veto message.

Question being shall HB 627 pass notwithstanding the Governor's veto.

VETO MESSAGE ON HB 741
To the Honorable Members
of the General Court

I am returning herewith House Bill 741, establishing a study committee to determine financing methods and requirements for the decommissioning of nuclear power facilities, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

House Bill 741 would establish a seven member committee to propose legislation for the decommissioning of nuclear power plants. The measure ignores the fact that the Federal Nuclear Regulatory Commission and our own Public Utilities Commission already have supervisory authority over the financial capability of any utility involved in the construction of a nuclear facility. This bill would add another layer of regulatory control over an activity already submerged in administrative and political review.

The technology of nuclear energy is in its infancy. Plants built today might be altered and their life extended for decades by future advances in technology. We should avoid imposing the doctrine of mortmain that is letting the dead hand of the past guide the present. We would, by passage of this bill, be imposing potentially onerous circumstances on future generations by our action today.

I would point out that we do not provide regulation for the decommissioning of our Portsmouth Naval Shipyard which has been building nuclear submarines for almost two decades. We do not provide for the decommissioning costs of the electric generating plants fueled by coal at Bow or oil at the Schiller Plant. This would be an entirely new concept of government because we do not in our capital budget provide for decommissioning of college dormitories, forensic units or prisons.

Our regulatory structure is adequate, and we should not further torture what proponents and opponents of nuclear plants agree is already an administrative nightmare.

It would be wiser to enact legislation that would encourage finality in the nuclear decision making process.

I cannot favor legislation that ignores the frustration that our citizens have felt as a result of the protracted administration of the nuclear plant question.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 365

YEAS 53

To The Honorable Members
of The General Court

I am returning House Bill 365, requiring a permit or license for those engaged in the business of designing or installing subsurface sewage or waste disposal systems under RSA 149-E and making an appropriation therefor and relative to the licensing of accountants, together with my objections thereto pursuant to Part 2, Article 44 of the New Hampshire Constitution.

This bill covers two separate non-germane subjects both of which contain several problem areas. The original bill added a new licensing provision to the sewerage disposal systems statute which is drafted in a very vague manner. The standard for designer's license is one who "has demonstrated a sound working knowledge of the procedures and practices required in site evaluation design and operation of subsurface sewerage or waste disposal systems." The bill then grandfathered everybody in who has been working. There is no examination that such "grandfathers" need to have "sound working knowledge" etc.

There are no provisions for suspension or revocation nor are there any appeal provisions in the event the license is denied. The licensing provision has been opposed by the New Hampshire Society of Professional Engineers, the American Society of Civil Engineers and the New Hampshire Homebuilders Association.

A new non-germane amendment to substantially revise the Board of Accountancy statute has been added. There was tremendous controversy over this provision because it was passed without public hearings in the late night of a Senate session. Several senators subsequently made it clear that they had been misinformed at the time they tacked the amendment onto this bill.

The bill was subsequently amended so that the various groups of accountants and public accountants and non-accountants reached a reasonable compromise.

However, I believe that if we are going to make a major change in the laws of any of our agencies and boards, it should be done with full public hearing so that the public can be fully informed as to what changes are taking place. The board also contains two non-professional consumer type members which is a concept I am opposed to.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGES ON HB 764

To the Honorable Members
of the General Court

I am returning House Bill 764, expanding the penalty provision relative to an overloaded vehicle, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

The Commissioner of Public Works and Highways and his engineers all believe that this bill would create severe problems for many of our bridges because of the impact of the 70,000 pound weight over a small but concentrated area on three or four axle vehicles. This concentration of weight will cause damage to our bridges and also deterioration to our highway pavements.

I worked for, supported and signed into law an increase in truck weights this year where there was a better distribution or weight formula that helped solve the problem for many of our commercial haulers.

I sympathize with those truckers who do have problems and need to carry heavy material on smaller length trucks. I will continue to support measures to alleviate their problems as long as it can be done without jeopardizing our bridges and our highways.

I would also point out that the provision of increased weight was enacted without public hearing and without sufficient input as to the potential problems that might be connected with a change in a law of this type.

This bill covers three separate subjects, two of which are really non-germane to the original bill and are certainly controversial.

I pledge to the truckers that I will continue to work for and support their efforts to obtain relief from their problems within the framework of the ability to protect our highways and bridges.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 844

To the Honorable Members
of the General Court

I am returning House Bill 844, requiring all commercial eating establishments or places where food is served to post in a conspicuous place a graphic display of the Heimlich or similar maneuver, with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

This is one more instance of government acting in paternalistic or big brother attitude by requiring every restaurant and commercial eating establishment in the state to put up a sign displaying information concerning anti-choking technique.

I readily agree that everyone should know how to use this so-called Heimlich Maneuver. We might possibly be able to save some lives if there was widespread understanding of this technique.

However, a decision to require the posting of these signs in every commercial eating establishment or any place where food is served on the premises, goes way beyond what is needed and would probably not be effective in that the requirement for posting signs of other types get posted in places where the public does not readily observe them.

I have talked with officials of the New Hampshire Hotel and Motel Association and they are willing to cooperate in a voluntary program to educate personnel to accomplish the desired results of this legislation. The Commissioner of Health and Welfare has agreed to run seminars for this association in conjunction with the Public Health Division and the various associations affected by this legislation.

We could be more effective in saving lives using this technique if we ran educational programs in the restaurants, in our schools, and by voluntary public advertising messages rather than once more setting up another sign that won't be seen or read by the great majority of the public.

For these reasons I hope that this message of opposition might be supported.

Sincerely,
Meldrim Thomson, Jr.
Governor

VETO MESSAGE ON HB 884

To the Honorable Members
of the General Court

I am returning House Bill 884, relative to the payment of wages to an employee who reports to work at the request of his employer, together with my objections noted pursuant to Part 2, Article 44 of the New Hampshire Constitution.

If an employee reports to work, his employer is obliged to pay two hours worth of pay irrespective of whether he performs two hours worth of work, or less, or none. This is an unreasonable burden to place arbitrarily upon businesses and other employers here in New Hampshire. Such a condition should be handled by agreement between the employee and his employer and not mandated by law.

Furthermore, this bill does not take into consideration the possibility that work might not be available for reasons beyond the employer's control. Nor does it take into consideration that the employer and the employee may have agreed to something less.

This legislation would eventually destroy the free market place and thwart the laborer's Magna Carter - namely, collective bargaining. It would substitute the Legislative Hall for the bargaining table and bring to an end the era of free enterprise in America.

Finally, if this very concept is permitted to become law, another Legislature may very well see fit to increase the amount to, say for example, four hours.

I urge that you sustain this veto so that this concept will not get started.

Sincerely,
Meldrim Thomson, Jr.

VETO MESSAGE ON HB 1083

To The Honorable Members
of The General Court

I am returning herewith House Bill 1083, relative to time-of-day electric utility rates, together with my objections thereto as provided in Part 2, Article 44 of the New Hampshire Constitution.

This bill has the laudable intent to conserve energy through off peak electricity consumption, but has the unfortunate result of ignoring work done by our Public Utilities Commission toward the implementation of such a rate making plan.

This bill would require electric utilities to provide an optional off peak rate plan, and also would require the PUC to conduct an experimental off peak plan with industrial customers of electric utilities.

By the latter provision, you have recognized the need for experimentation on a controlled basis before the widespread implementation of such a plan. Indeed, our PUC already is conducting an experiment for such a plan for residential consumers.

The Granite State Electric Company and New Hampshire Electric Cooperative, Inc. are currently conducting time of day experimentation after having filed with the PUC.

This bill is poorly drawn and uses time of day and time of use phrases almost interchangeably. It does not take into account the fact that time of use may not be practical because of the fact that what New Hampshire does is interrelated to the share generation of electricity in the other New England states through the so called NEPOOL Contract.

The bill states that the utilities must implement time of day rates through existing meters. This is probably impossible to accomplish due to the fact that existing meters are not designed for time of day rates and to change them around would require intensive capital costs for every electric meter in every home in New Hampshire.

We should not commit ourselves to a plan for off peak rates by residential users before the results of the experiment for such a plan have been analyzed. By measuring the successes and failures of that experiment, we can better chart the proper way of implementing such a plan in the future. Such a substantial change to the rate making procedure should not be achieved by a trial and error method.

We should not enact into law legislation that contains inherent inconsistencies, namely, the recognition for the need to experiment and then proceeding ahead without the results of an ongoing experiment.

Sincerely,
Meldrim Thomson, Jr.
Governor

The Assistant Clerk read the veto message.

Question being notwithstanding the Governor's veto shall HB 1083 pass.

(Rep. Marshall French in the chair)

Rep. Proctor moved that HB 1083 be laid upon the table.
Adopted.

UNANIMOUS CONSENT

Rep. Roberts addressed the House by unanimous consent.

Rep. Roberts: Mr. Speaker, I take the floor under unanimous consent because I think it is imperative that members of the House at some point respond to unwarranted public criticism—as distasteful as public response may be to them.

In a recent series of editorials and articles, the Manchester Union Leader has accused me of having a personal interest in a bill which I sponsored to bring the procedure of discontinuing town roads into the open at town meeting. Under the present law, town roads can be discontinued by local selectmen without notice of any kind to any of the landowners or any of the townspeople, and

that can happen even by mistake. This bill, HB 1158, was introduced because I believe, along with many other people throughout the state of New Hampshire that have contacted me about this, that something should be done to clean up this situation which gives rise to favoritism in some towns, abuse by local officials in others and even bribery and law suits throughout the state of New Hampshire. I will continue to try to turn that system around. However, I haven't taken the floor to defend the merits of that bill, but to answer the lies which have been printed about my involvement with this whole issue.

This is the latest installment in a very vicious campaign involving inaccurate news articles, anonymous letters and unfounded rumors that the Manchester Union Leader and some of its employees and certain local politicians have engaged in for a number of years. Slander happens to be an occupational hazard for people in public life in New Hampshire and I guess it will be as long as newspapers like the Manchester Union Leader are allowed to dominate the news media and poison the state's political atmosphere. Fortunately, legislators have the forum which their colleagues provide and the procedure of unanimous consent to set the record straight. Mr. Warren Pease wrote on Sunday, June 19th, in an article in the New Hampshire Sunday News, that I sponsored HB 1158 after Gilmanton Selectmen rejected a request by my real estate firm to upgrade a discontinued road for a prospective client. That, Mr. Speaker, is an absolute lie. All three selectmen in the town of Gilmanton recently wrote an open letter to Mr. Pease after checking the town records. In that letter the selectmen said: Roberts Associates, which is a real estate firm, have never, have never petitioned the town of Gilmanton to upgrade a road. What really happened and happens from time to time in that town and I suppose in selectmen's offices all over this state is that I and other members of my firm will inquire about the status of a town road. We will ask whether or not it is near the property to be sold. That's the end of the story. The letter written by the selectmen in rebuttal to Mr. Pease went on to say that the quotations by Mr. Pease of Mr. Bickford and Mrs. Smithers, both of whom are Gilmanton selectmen, were grossly unjust and that Mr. Smithers' statements were blatantly misquoted.

I recognize that people in public life have to be willing to accept a certain amount of criticism but I will not roll over and play dead when the Manchester Union Leader and its hatchetmen launch vicious personal attacks against me or my family. One of the things that makes that newspaper so powerful is that politicians are afraid to answer the lies that William Loeb and his hatchetmen print. We have come to accept character assassination as a normal element in New Hampshire politics. That attitude has poisoned the

political atmosphere of this state. It is time to put a stop to that. I offer these remarks for the record and I hope that a motion will be made to enter them in the record, because it is my only recourse. If I were a private person, I could sue people making slanderous remarks. But since the Supreme Court has ruled that newspapers are protected and they may continue to make those distorted, vicious, libelous, statements without any recourse by a person who is in public life, this rebuttal will have to do. Now I will submit the letter from the selectmen which reads as follows:

"Dear Mr. Pease"

"Your article appearing in the Manchester Sunday News on June 12, 1977 was certainly not the 'voice of truth' as your paper claims to report.

"The quotations of Mr. Bickford and Mrs. Smithers were grossly unjust. Mrs. Smithers' statement in reference to the representative of Roberts Associates' visit to the selectmen's office to inquire about the status of a road in Gilmanton were blatantly misquoted. To clarify the situation, we would like to quote to you from the minutes of our meeting of the night in question. May 27, 1975.

" 'Selectmen met at 6:00 p.m. Members present: Robert S. Crosby, Howard B. Osler, David M. Bickford. All bills checked and paid the same. Miss Helene Roberts and Peg Palmer were in regards to the opening of Bean Rd., if Miss Palmer was to buy a house there. She was informed to contact the planning board for a hearing to see what actions would have to be taken on the road as it was closed around 1911. Minutes recorded by Robert S. Crosby, Selectman.'

"The Roberts Associates has never petitioned the town of Gilmanton to upgrade any road.

"We feel that the Union Leader should print this letter in the same position of their front page that you printed your article, so that the readers could, in fact, be reading the truth which you declare you print but in fact deviously avoid. Very truly yours, David M. Bickford, David D. McKenna, Elizabeth R. Smithers, for the selectmen and copies to Roberts Associates, certified mail, return receipt requested."

Mr. Speaker, this was not the first nor will it be the last of the attacks that Mr. Pease has conducted upon me and my family. And the gentleman in town who happens to be in the employ of the town has informed me that Mr. Pease has even gone so far as to go from door to door at homes where my real estate firm has signs posted, to inquire whether or not any of the land abuts any town road and whether closed or not. I am also informed that he has, in the past, also made other inquiries regarding various articles which he has printed in the Manchester Union Leader.

I bring this to the attention of the House because I think the House members should understand exactly what happens in

New Hampshire when people in public life take positions that differ from the Union Leader's editorial positions. Those sorry individuals who follow the Union Leader's "line" for its political support lose that support as soon as they differ with the newspaper. They then have hailed upon them the criticism and lies and innuendos that the Manchester Union Leader can so well do based upon its national recognition of being the best example of yellow journalism in the country.

Mr. Speaker, I would also like to address myself to another news article in which Mr. Pease has tried to make an issue out of out-of-state travel for legislators. Mr. Pease at no time, to my knowledge, ever contacted my home to ask the accuracy of that article where he so unjustly tried to make a parallel between the reimbursement given to the Majority Leader of the House and that given the Assistant Majority Leader (some \$42 vs. \$24) for hotel accommodations in Washington. Apparently Mr. Pease did not really concern himself with the legitimacy of his report since he failed to mention that the Assistant Majority Leader, who is a woman, bunked with another woman and was able to split the hotel bill. The Majority Leader was unable to make similar arrangement.

Neither did Mr. Pease take the time to find out that when a staff aide and I rented a car and drove from Lake Tahoe, where the Council of State Governments was meeting, to Reno in order to take a flight from there it was to avoid the cost of an additional night's lodging at state expense. It is obvious that Mr. Pease--apparently at the behest or at least with the approval of the editor of the Union Leader--has continued to write these articles without regard to their accuracy and without regard to the public damage he does to individuals. As regards to a public person, I understand that type of trash and filth that they will continue to write in the Manchester Union Leader. But I think it is unjust and unfair to my family and to the other people he attacks. Although I sometimes think that even under the very liberal libel laws of this country some of the things that they say are libelous, the difficulty and expense of bringing legal action against a newspaper makes that a very impractical course of action.

This state really hovers under that poisonous venom that is pushed out by the paper. I say this not just because of the attacks on me personally. I know the tragedy that newspaper has created in other people's lives--people who are the small people of this state and who live in the small communities throughout the state. Those people, both in public life and out of it, never have an opportunity to tell their fellow citizens the correct story and they can't, as a practical matter, take legal action.

Let me conclude by commenting again that I did not sponsor any legislation out of self-interest, despite the charges and

innuendos that Mr. Pease and his collaborators have made. I have taken the action that I have taken for the welfare of the state of New Hampshire. I have used strong language in my rebuttal because lies and distortions like those that Mr. Pease and Manchester Union Leader deal in demand strong language. I appreciate the opportunity that my fellow legislators have given me to respond. Thank you, Mr. Speaker.

Rep. Plourde moved that Rep. Roberts remarks be printed in the Journal.
Adopted.

SENATE MESSAGE CONCURRENCE

HB 1206, relative to the reorganization of the New Hampshire transportation authority and prohibiting the removal of railroad track related structures.

HB 1207, to create and provide police powers for the security forces at certain state institutions.

ENROLLED BILLS AMENDMENT

HB 1191, making appropriations for capital improvements.

Amend section 16, paragraph III of the bill by striking out lines 2 and 3 and inserting in place thereof the following:

37:2 and 53:4 and 1977, 493:4 by striking out said section and inserting in place thereof the following:

Amend 1975, 504:7 as inserted by section 16, paragraph III of the bill by striking out line 4 and inserting in place thereof the following:

not exceeding the sum of \$27,870,020 and for said purpose may issue bonds and

Amend section 19 of the bill by striking out lines 2 and 3 and inserting in place thereof the following:
(supp) as inserted by 1957, 257:1 as amended by striking out said paragraph and inserting in place thereof the following:

Amend section 20 of the bill by striking out said section and inserting in place thereof the following:

20 Bonding Authorization for New Hampshire Turnpike. If an act of the 1977 General Court entitled "An Act imposing an additional one cent tax on motor fuel and fuel other than motor fuel, dedicating 95 percent of the revenue to towns and cities, and relative to the construction of the Spaulding turnpike extension and making an appropriation therefor" becomes law, the bonding authorization specified in RSA 256-C:7, as amended by section 5, paragraph IX of this act, shall be \$117,200,000.

21 Effective Date. This act shall take effect July 1, 1977.

The first two amendments correct the bonding total in section 16 of the bill as a result of the passage of HB 270 earlier in the session.

The third amendment corrects an error in a source note in the amending language in section 19 of the bill.

The last amendment allows for the adjustment of the bonding authorization in RSA 256-C:7 as a result of the passage of HB 228 earlier in the session.

Adopted unanimously.

HB 1191, making appropriations for capital improvements.

Rep. James J. White
For the Committee

The House adjourned to reconvene under Joint Rule 31 at the call of the President of the Senate and the Speaker of the House.

HOUSE JOURNAL 51

Thursday, 20 October 77

The House met at 2:00 p.m.

Prayer was offered by House Chaplain, Milton L. Smith, Sr.

"The service we render to others is really the rent we pay for our room on this earth. It is obvious that man is himself a traveller; that the purpose of this world is not "to have and to hold" but "to give and to serve." There can be no other meaning." (Wilfred T. Grenfell)

Thank You, dear God, for the gifts of time, talent, body, mind, soul, spirit -life- and all the responsibilities and privileges that come our way. Help us to use all Your gifts, wisely and well - in giving and serving. And for the gift of Yourself, the Gift that gives all of life richness and beauty and meaning and purpose and hope - thank You, Lord, thank You. Guide us now into ways that serve others because our way is Your way. Amen!

Rep. Frizzell led the Pledge of Allegiance.

SUSPENSION OF RULES

Reps. Tucker, Marshall French and Spirou moved that the rules be so far suspended as to permit HB 1209, relative to the 1977 distribution of the rooms and meals tax, to be considered at the present time without reference to committee, public hearing, notice in the calendar and committee report.

Adopted by the necessary two-thirds.

Question being shall HB 1209 be ordered to third reading.

Adopted.

SUSPENSION OF RULES

Reps. Tucker, Plourde and Spirou moved that the rules be so far suspended as to permit HB 1210, making a supplemental appropriation for the New Hampshire state prison, to be considered at the present time without reference to committee, public hearing, notice in the calendar and committee report.

Adopted by the necessary two-thirds.

Question being shall HB 1210 be ordered to third reading.

Adopted.

The Speaker requested the concurrence of the members in his position that the House would not consider any legislation in Special Session without Joint Rules and that he be allowed to communicate the same to the President of the Senate.

Rep. Coutermarsh so moved and spoke to his motion.

Reps. Lyons, Scamman, Marshall French and Plourde spoke in favor of the motion.

Rep. Richard Hanson moved the previous question. Sufficiently seconded. Adopted. Motion adopted.

The Speaker requested the will of the House as to when it would meet to take up work on the vetoed bills.

Reps. Marshall French and Spirou moved that the House meet Thursday next at 10:00 a.m. for the purpose of taking up vetoes.

311 members having voted in the affirmative and 22 in the negative, the motion was adopted.

Rep. Daniel Healy moved that as provided in Art. 24, Part Second of the N. H. Constitution his protest and dissent to the adoption of the Committee of Conference report on HB 1000 be entered in the Journal. (See page 1388)

Adopted.

Hildreth, Cornelius, Spirou, Chambers, Krasker, Ganley, Russell, Wojnowski, Michael Woodard, Rice, Carpenito, Morrisette and Blanchette moved that as provided in Art. 24, Part Second of the N.H. Constitution their protest and dissent to the adoption of the Committee of Conference report on HB 1000 be entered in the Journal.

Adopted.

Protest and Dissent

I

The process which resulted in the report coming before the House on the final day on which the continuing resolution was in effect denied us the opportunity to give objective consideration to the proposal's contents. The continuing resolution was passed on July 19 at least in part because of a general realization that responsible action was not possible as long as we were forced to act under the constant threat of state government being brought to a halt because of a lack of spending authority. Despite the fact that the continuing resolution provided three months to develop and bring before the House a compromise proposal, we were forced in the end to consider the budget in a crisis atmosphere identical to that which prevailed in July. Many of those who relied upon that crisis atmosphere to help pass the budget were responsible for its existence. For example, three months after the issue had first been raised, some advocates of the fourth Committee of Conference report developed a sudden concern for the manner in which tax rates would be set for municipalities. But the strongest supporters of the report in the Senate had made certain that the question of tax rates would remain an issue by earlier refusing to allow consideration of a House-passed resolution which would have guaranteed payments of state aid to cities and towns at promised levels, so that the process of setting tax rates could have begun even without final action on a budget. Through this and other politically motivated actions, eliminating the opportunity for a legitimate discussion of alternatives, a handful of legislative and executive branch leaders who controlled the budgetary process denied our constituents their right under Part Two Article Nine of the New Hampshire

Constitution to representation in a House "founded on principles of equality." The only equality for the overwhelming majority of members who were faced with a choice between differing forms of impending disaster lay in the fact that we were equally victimized by the political machinations of a selected few.

II

The methods utilized to give the budget the illusion of balance symbolized the legislature's continuing refusal to confront New Hampshire's financial problems as long as means exist to defer such confrontation to a later date. A large amount of money was "saved" by either the actual or the potential deferment of state obligations, such as payments to the retirement system and allocation of water pollution grants to municipalities. An additional contrived "saving" of more than sixteen million dollars was achieved by assigning an arbitrary figure of four per cent to estimated lapses. Even if this guess should prove to be correct, reliance on lapses illustrates how close we have come to the end of our financial rope. And if this figure should prove incorrect we shall have passed on to the next Governor and the next Legislature a deficit that we should have had the responsibility with which to deal. It is time to admit that refusal to see a problem will not make it disappear.

III

In the final analysis, the contents of this budget do not reflect our view of how resources should be allocated and what the goals of state government should be. Much has been made of the amount by which this budget exceeds that of the last biennium. Such an analysis ignores the basic considerations of whether existing state services are adequate to begin with and what our priorities should be for state services. Instead the dominant concern has been with attempts to explain how this budget proposal represents compromise. In this new context compromise is apparently defined as giving one side everything it wants and having the other side stand up and support it. In the present political climate even larger budgets previously passed by the House represent compromise in that they would have provided only partial support for a variety of critical services. The fourth Committee of Conference report stretches compromise to its outermost limit. There is no pleasure in opposing a budget at this time, knowing the tremendous damage which a continuation of our long fiscal crisis would cause. But we believe that it is certainly no more responsible to turn our backs on financial reality, to pass our responsibilities on to another Legislature, and to participate in a hoax on our constituents.

For these reasons, we dissent.

UNANIMOUS CONSENT

Rep. Rounds addressed the House by unanimous consent.

Mr. Speaker, members of the House. I will be very brief. Thank you for this opportunity. Today the Manchester Union Leader printed a quote from Governor Thomson, which I would like to read. I am quoting the Manchester Union, quoting Governor Thomson. "Another example of the failure of the leaders to communicate to the members is the footnote that was removed by the committee of conference Tuesday morning after it was brought to light by my office that very day. I am referring to the footnote that eliminated in 1980 the property tax relief for those eighteen communities whose property had been taken by the federal government for flood control projects. The leadership was not aware of this footnote until it was disclosed by my office in a press release. Once they became aware of this problem to the local taxpayers, the representatives were aroused and convinced the leadership to remove this onerous footnote."

I am distressed at the Governor's allegation that no one outside of his office studied the budget and that we in this House were all unaware of the impact of the footnotes. I studied the entire budget last Friday, last weekend, as I'm sure most of you did, and discovered that footnote, 104, late Friday night. Monday morning at 8:00 a.m. I issued a press release regarding the matter and spent the rest of Monday morning discussing this with members of the press around the state. I did not at any time discuss the matter with the Governor or any member of his staff or any of his supporters. Tuesday morning at 9:00 a.m. I petitioned the committee of conference in writing to remove the footnote, 104 from the budget. And they did it that day at 12:20 p.m.

I thank you for this opportunity to clarify the matter, and to let the members of the working press with whom I had been in contact know that I did not lie to them and that I was not being manipulated, or I was not manipulating them, nor was I being manipulated by the leadership of the House, by the Majority Leader, the Minority Leader, and most assuredly I was not being manipulated by the Governor or any member of his staff.

Thank you.

Reps. Marshall French and Plourde moved that Rep. Rounds remarks be printed in the Journal.

Adopted.

Rep. Marshall French moved that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time and that when the House adjourns, it adjourns to meet at the call of the presiding officers as provided by Joint Rule 32.

Adopted.

LATE SESSION

Third reading and final passage
HB 1209, relative to the 1977
distribution of the rooms and meals tax.
HB 1210, making a supplemental
appropriation for the New Hampshire state
prison.

Reps. Marshall French and Spirou moved
that the House stand in recess to
reconvene for the purpose of enrolling.
Adopted.

RECESS

ENROLLED BILLS REPORT

HB 1000, making appropriations for the expenses of certain departments of the state for fiscal years ending June 30, 1978 and June 30, 1979.

Sen. Laurier Lamontagne
For The Committee

The House adjourned.

Explanation of Enrolled Bill Amendment

The first three changes correct errors in the dates for which the suspension of the matching formula for old age assistance, aid to the permanently and totally disabled and old age assistance and aid to permanently and totally disabled recipients in nursing homes applies.

The fourth through seventh changes correct errors in section 27 caused by renaming the N. H. Home for the Elderly as the Glencliff Home for the Elderly and transferring the supervision of that home from the division of public health services to the division of mental health pursuant to HB 1086 passed earlier in the session.

The eighth change renumbers a paragraph in RSA 149-E:3 caused by the passage of HB 459 earlier in the session.

The ninth change corrects an incorrect cross-reference in RSA 321-A:4 as amended by section 102.

The change in section 113 corrects a problem in the reservation of funds for the water supply commission caused by the later effective date of HB 596. This section preserves the legislative intent of section 75 of this act so that all revenue from the real estate transfer tax is deposited in the general fund.

Section 114 renumbers a paragraph in RSA 94:1-a to conform to the changes made in section 59 of this act.

Section 115 contains changes in the effective date of sections 75, 98 and 100 to insure that they supersede enactments earlier in the session.

Rep. M. Arnold Wight moved to dispense with the reading of the amendment.

Adopted.

Amendment adopted.

HOUSE JOURNAL 52

Thursday, 27 October 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain,
Milton L. Smith, Sr.

Good Morning Lord. Thank You for Your gifts of life. In the quietness of these moments let us hear You and respond.

"O Father, may it never be said of us that having come to an open door, we closed it; having come to a lighted candle, we quenched it; having heard the voice of a neighbor seeking bread, we made denial, speaking of our own case." (Jean McKenzie)

Lord, set us free to open the doors to good government, bring light to the darkness of our time, see the needs of the persons we serve, and serve. Lord, You come to each of us in this very way. Guide us now in the task at hand. Amen!

Rep. Miller led the Pledge of Allegiance.

LEAVES OF ABSENCE

Reps. Forsaith Daniels, Burrows, Harold Thomson, Anne Gordon, Glyneta Thomson, Palmer and Huggins, the day, illness.

Reps. Wiviott, Valliere, Martineau, Neila Woodard, Parr, Bridges, Brody, Sanborn and Duhaime, the day, important business.

SUSPENSION OF RULES

Rep. Quimby moved that the rules be so far suspended as to permit reconsideration of the House actions in passing HB 1209, relative to the 1977 distribution of the rooms and meals tax, and return the bill to second reading.

Reps. Spirou and Marshall French spoke in favor of the motion.

Adopted by the necessary two-thirds.

Rep. Quimby moved that the House reconsider its action whereby it passed HB 1209 and return the bill to second reading. Adopted.

Rep. Quimby offered an amendment.

Amendment

Amend the bill by striking out section 1 and inserting in place thereof the following:

1 Distribution for 1977.

Notwithstanding the provisions of RSA 78-A:23 to the contrary, the distribution of net income of the rooms and meals tax made in 1977 shall be 60 percent into the general fund and 40 percent to the towns and cities. Such distribution shall be made in accordance with the equalized distribution formula contained in RSA 78-A:23 as amended by 1977, 330:3.

The Clerk read the amendment.

Rep. Quimby explained the amendment, and yielded to questions.

Rep. Wallin spoke in favor of the amendment and yielded to questions.

Amendment adopted.

Question being shall HB 1209 be ordered to third reading.

Adopted.

Rep. Knight moved that HB 560, providing for community alcoholism services and making an appropriation therefor be taken from the table.

A division was requested.

141 members having voted in the affirmative and 115 in the negative, the motion was adopted.

Reps. Knight and Spaulding moved that HB 560 be referred to the Committee on Health and Welfare for Interim Study. Adopted.

(Rep. Marshall French in the chair)

PERSONAL PRIVILEGE

Rep. Roberts addressed the House under personal privilege.

Mr. Speaker, I rise at this time under the rules of the House to be recognized for personal privilege. As it passes from day to day I do not often read the major newspaper of the state at least second in circulation. But that on the day before a newspaper article headlined that the state gives Dr. Miller a pay raise and from the report it states that Commissioner Whalen said that it was indicated there would be a change correcting the situation but nothing was done. The news report of Tuesday's meeting of the Governor and Council carried a report of a pay increase granted to a Dr. Gary Miller. In at least one report the Governor was quoted as saying "Dr. Miller was a subject of a footnote because he opposed Roberts' pet project, the high-priced forensic unit. Obviously this happened in the Committee of Conference because he had not been put

at a much higher figure than was set down. It was an overt act of retribution by Roberts and his underlings because Dr. Miller had spoken out against the grandiose scheme of Roberts for a high-priced forensic unit." End of the quote of his Excellency Governor Thomson. It is regrettable that such a charge should be made publicly with complete disregard for the facts of the matter, both because it is simply not true and because making that charge in and of itself creates a public impression that the Committees of Conference of this legislature acted on such a petty and vindictive level. While it is never possible to correct a distortion made of this magnitude, particularly when it is made in the printed press, I am going to write to all the Governor's Councilors to inform them of the facts. And, I'm speaking before this House so they would know the facts at least, and they will understand what really happened.

Number One: The section of the budget that deals with the pay increases for all unclassified state employees was inserted in the Senate Finance Committee and was based on the recommendation made by the Fiscal Committee which had discussed with the Chief Executive over a period of months the suggested levels for pay increases for the unclassified salaries of the state. The Senate amendment established the range for the Director of Mental Health at \$29,000 - \$36,500 as the maximum. That is contained in the Senate version of the budget on page 300 of that document.

Number Two: His Excellency, Governor Thomson, appeared before the Senate Finance Committee to present his recommendations for a balanced budget. Part of his presentation was a list of unclassified salaries including the range for the Director of Mental Health at \$29,000 - \$36,500 minimum to maximum. And, that attachment is written in the proposal for that balanced budget submitted by His Excellency Governor Thomson and Senate Finance Committee on June 1 on page 4 of his document.

Number Three: In all four Committees of Conference, the salary range for the Director of Mental Health remained the same as originally proposed in the Senate Version of the Budget. Far from being the subject of a vitriolic attack, Dr. Miller's salary was never even mentioned by members of the Committees of Conference to my best knowledge during my attendance at those Committees of Conference. Why should it have been, since the Governor and the Fiscal Committee, the Appropriations Committee, and the Senate Finance Committee were all in agreement as to the proper range for that position and many, many of the unclassified positions of the state personnel. There is certainly no objection to adjusting Dr. Miller's salary so he, like all employees of the state of New Hampshire receive the seven percent salary increase which was the intent of the legislative body. But I

have strong objection to any charge that this adjustment made by the Governor and Council the other day was necessary because any member of the House of Representatives was petty enough to single out any individual for financial retribution because of personal beliefs.

Now to prove the matter, the Governor would only have had to read the budget. And on page 326 of that budget, section 96 includes the language that all personnel notwithstanding a statute of the old actions of the Legislature that the unclassified will receive a salary increase on June 19, 1977 retroactive to the passage of this budget and that an employee shall be placed in the lowest step in each new salary range which will insure a minimum salary increase of seven percent, said steps to be determined as provided by RSA 94:3, provided that in any event each unclassified employee shall receive a minimum salary increase not withstanding the maximum range provided for by RSA 94:1-a as amended by the Senate. The fact of the matter is that whoever hands out these types of press releases on behalf of the Governor either doesn't read the budget, doesn't understand the law and never bothered to ascertain the facts. The fact that Commissioner Whalen brought this to the attention of the Senate Finance Committee that we had in at least one instance an unclassified person at the maximum salary because of their entrance into state government by the Governor and Council action was at the maximum salary level would not get that seven percent increase - the fact of the matter was that the Senate Finance Committee and the House Appropriations members of the Conference made sure that the budget language itself said notwithstanding any other former RSA's, anyone at the maximum level of state employment would get a seven percent salary increase. Those are the facts. I'm sorry to say that the Governor called the Governor's Council together to single out one person supposedly because they had not received a salary increase when in fact as of last night at 12:00 Dr. Gary Miller and every single state employee in the unclassified division as well as classified employees by our previous action have received a seven percent salary increase. An unnecessary activity of the Council. Something that I think really demonstrates that those people in the paying jobs who are paid to be the watchdogs for the Governor do not have their facts straight. Something's wrong in the executive office if the Governor can allow a press release like that to be released which would show or attempt to show to the public that an individual had not been given a salary increase when the facts were absolutely in the reverse and to the positive.

It is not surprising that a gentleman who lives in Pride's Crossing picks it up in the newspaper the next day and it proclaims that it is King George's punishment. I'll say before this House

and before anybody in the public that it is not the purpose of this member or any other member to single out any employee for a salary increase when in fact the action through the Committee of Conference, and the Senate Finance prior to that, had absolutely guaranteed that Dr. Miller - at the maximum range of some \$39,000 at that point of entrance to state service - would be guaranteed - that his salary would go to \$40,205.25.

Now something is wrong in the state of New Hampshire when press releases like that can get originated, get put into the press, get semi-documented by Mr. Loeb through his editorial and that the Governor in the passage of two days does not see fit to apologize to this body and to any particular member that they attack whom they had incorrectly or incorrectly accused of creating an unjust salary schedule. I really think it is pathetic that the chief executive is attacking the Legislature and individuals within the Legislature without first at least trying to document the case. Those of you who are interested and the members of the press that might be listening if you want the documentation it is contained in the budget itself and it is contained in the budget in those sections previously adopted by the Senate finance and the House Appropriations Committee. I would expect that if there are gentlemen in our state government within our news media there be a quick and appropriate apology to both this institution and to the members of the Committee of Conference of whom they accused of something that never happened. Thank you.

Rep. Plourde moved that the Speakers remarks be printed in the Journal.

Adopted.

COMMUNICATION

George Roberts
Speaker, House of Representatives

Dear George:

I will be moving out of Merrimack District 12 soon, I wish to submit my resignation dated October 21, 1977 as a member of the House.

Respectfully yours
Arthur H. LaBonte, Sr.

The Subcommittee on Resolutions and Screening having approved its admittance Rep. Helen Wilson offered the following:

HOUSE RESOLUTION

WHEREAS, Barbara A. Hanus, Chief of Bureau of Child and Family Services in the N.H. Division of Welfare, will soon retire from that position, and

WHEREAS, that regrettable but justly due event will mark the end of more than a quarter of a century of dedicated service for the state of new Hampshire to the ill and unfortunate, and

WHEREAS, her peers, members of the New Hampshire Chapter of the National Association of Social Workers, have chosen

Barbara Hanus as "Social Worker for the Year" for 1977,

WHEREAS, her dedication to the improvement of the lot of the less privileged was never limited to her professional life, as evidenced by her involvement in a host of private social endeavors, now therefore be it

RESOLVED, that the House of Representatives as the elected representatives of the people of New Hampshire, does hereby recognize Barbara Hanus' devotion to the importance of the quality of life for the thousands of citizens of this state, and be it further

RESOLVED, that a suitable copy of these resolutions be prepared for presentation to said Barbara Hanus.

The Clerk read the resolution.
Adopted.

(Speaker in the chair)

PERSONAL PRIVILEGE

Rep. Plourde addressed the House under personal privilege.

Rep. Marshall French moved that the House now adjourn from the early session, that the business of the late session be in order at the present time, that the reading of bills be by title only and resolutions by caption only and that all bills ordered to third reading be read a third time by this resolution, and that all titles of bills be the same as adopted, and that they be passed at the present time.

Adopted.

LATE SESSION

Third reading and final passage
HB 1209, relative to the 1977
distribution of the rooms and meals tax.

Reps. Marshall French and Spirou moved that the House adjourn to Thursday next at 10:00 a.m.

Adopted.

HOUSE JOURNAL 53

Thursday, 3 November 77

The House met at 10:00 a.m.

Prayer was offered by House Chaplain, Milton L. Smith, Sr.

Good Morning Lord! It has been said: "It is well to think well; it is Divine to act well." (Horace Mann)

We know, Lord, that the world, our nation, our state, our communities are blessed most by persons who do things, and not by those who merely talk about them. "By our works we shall be known." Help us to think well. Help us to act well. Let our "yes" or "no" bear testimony that we have come here to serve not to be self-serving. Help us to employ every skill at our command and temper all we do with the love taught to us in Your Great Commandment, for when love and skill work together we can expect a masterpiece. So, help us Lord, with Your guiding Spirit. Amen!

Rep. James Humphrey led the Pledge of Allegiance.

VETO MESSAGE ON HB 1191

To the Honorable Members
of the General Court

I am returning herewith House Bill 1191, making appropriations for capital improvements, together with my objections thereto pursuant to Part II, Article 44 of the New Hampshire Constitution.

I strongly object to the proposed Capital Budget Bill for two important reasons:

1. The bill is much too high and would eventually add an excessively heavy burden of taxation on our people.

2. The bill is one of the worst pork barrels ever to be rolled down the New Hampshire legislative pike. It contains many items which because of their inherent undesirability could never be enacted into law as individual bills.

The Capital Budget Too High

The proposed Capital Budget for the biennium 1978-79 is by far the highest such budget in the history of our state. It calls for a total borrowing of \$62,065,160. Of this sum, \$31,694,514 would be net general fund borrowing and \$30,370,646 would be special fund borrowing.

The largest Capital Budget in our history was passed in 1965 under Governor King. It amounted to \$31,052,331. The proposed budget which I am hereby vetoing is twice as much as the record set by Governor King's Capital Budget.

If the proposed Capital Budget were enacted it would, as part of the last five such budgets, total \$112 million in state borrowing. All of this must be repaid one day, both in principal and in costly interest charges.

Set forth below are the amounts of the net general fund borrowing since 1969.

<u>Year of Budget</u>	<u>Amount of Net General Fund</u>
1969	\$19,837,808
1971	\$11,401,165
1974	\$24,380,900
1975	\$27,857,286
1977	\$31,694,514

The high cost of state borrowing struck us dramatically as we put together a recommended operating budget for 1978-79.

We had to raise an extra \$7.5 million for the current biennium just to take care

of the increase in debt service payment.

If the level of borrowing contained in the proposed Capital Budget were to become law, it would add still another \$2.4 million per year to our already excessive annual debt service payments.

At present we are the only state in New England to enjoy our enviable Triple AAA bond rating. If we continue our high rate of borrowing of the past several years, we would soon erode our excellent bond rating and thus lose the quality symbol of frugality.

In July, 1973 I pocket vetoed a proposed Capital Budget of \$33,805,370. It was \$5 million higher than the budget I had recommended to the Legislature.

The proposed net general fund Capital Budget which I am vetoing by this message is \$11 million higher than the one I urged upon the Legislature last March.

When I vetoed the Capital Budget in 1973 I pointed out that "a capital budget generally finances long term state investments."

"This form of spending is expensive to the taxpayer because the principal must be repaid at heavy interest charges. For this reason capital expenditures should only be used for the most urgent state needs - those that cannot be satisfied out of current revenues."

State government is like a family. If it has good credit it can borrow for worthy projects that need attention in the immediate present. But when we borrow we must remember that the lender's money and its hire must be repaid.

One of our growing fiscal problems is that we have been escalating the burden of debt that our children will one day have to repay.

For these reasons I am vetoing the proposed Capital Budget as too high.

II. Pork Barrel Legislation

I am also vetoing this bill because it has been loaded with undesirable items that could never have been enacted into law on their own merit.

The budget does include many excellent items such as:

1. The energy savings programs for our state and for the University System building complexes.
2. Architectural and engineering fees for a new state prison.
3. Authority to receive and spend federal funds for the Portsmouth fishing pier and for the Port Authority dock facility.
4. Funds for relocation of the two Hooksett liquor stores due to road construction and for a new liquor store at the Hampton Interchange.
5. Authorization for the vitally needed Merrimack Toll House interchange if we are going to continue our industrial expansion and the creation of new jobs.
6. Funding for demolition of the South Street buildings in Concord which have long been eyesores.
7. Funds for expansion of our aeronautics facilities, our park system and water pollution projects.

Items which never should have been included and which were persuasive factors in my determination to veto this bill include the following:

1. The Forensic Unit. Aside from it being unnecessary and costing \$4 million, it would severely strain the State's financial resources. It is underfunded at \$4 million and would in another session require an additional \$2.5 million expenditure.

What appears to some people as a good idea today, would in a few years become a white elephant for which no one could find a useful purpose.

This extravagant project did not originate with the Division of Mental Health or the Department of Public Works and Highways. Instead it was spawned by the Office Space Study Committee and carefully nurtured by the Speaker who was one of the sponsors and who twice relinquished his gavel to fight personally for a bill to authorize a forensic unit. The bill ultimately died in a dispute between the House and the Senate.

Dr. Gary Miller, Director of Mental Health, has on numerous occasions spoken vigorously against the forensic unit.

Last May Dr. Miller advised senators that "a forensic unit is unnecessary. The number of patients in the New Hampshire Hospital is declining. By the time any new forensic building could be opened, there will be more than enough space in existing hospital buildings for all forensic patients."

The Yankee thriftiness of our Founding Fathers which in our State Constitution urged upon us economy and frugality should make it clear to all that a forensic unit such as that proposed in this budget would be a shameful waste of the taxpayers' money.

2. The Eagle Hotel. Another snare for unsuspecting taxpayers would be the allocation in this budget of \$60,000 to take an option on the old Eagle Hotel that is in such a state of disrepair that it is hardly worth the ancient bricks with which it was constructed.

Eventually this economic waste pile could cost the taxpayers millions of additional dollars.

3. Air conditioning the State House. I do not feel that spending \$500,000 to air condition our State House is a prudent expenditure of taxpayers funds. Our summer season is too short and the high ceilings involved in an old building make this an imprudent use of taxpayers funds.

Such an expenditure will inevitably lead to additional requests to air condition other state office buildings at similar exorbitant costs.

4. Keene Liberal Arts Building. I have deep concerns about the wisdom of spending almost \$5 million for the Keene Liberal Arts Building at the present time. We have, over the years, allocated a disproportionate share of our capital spending to the University System. It is time that we evaluate carefully the relative priority of funding requests from

the University System in relation to the funding requests of our Vocational Technical Colleges and high schools.

5. Vocational Technical Colleges. I proposed \$745,000 in funding for new and replacement equipment at our Vocational/Technical colleges. The Legislative Committees have increased my request to \$9 million. We cannot afford a commitment of that size in one biennium. It is obvious that the Legislature in their desire to parcel portions from the pork barrel have set no priorities whatsoever in choosing among the various localities that desire to expand their facilities.

Spending for our Vocational/Technical colleges must be weighed against the requirements of our important Vocational/Technical high school program. I would point out that the high school programs are not in competition with private colleges and business schools as are our Vocational/Technical colleges.

6. New Homes for Park Superintendents. In view of the Governor and Council policy to eliminate furnishing residences on premises to state employees, it makes no sense whatsoever to build new homes for the park superintendents at Sunapee and Franconia State Parks. I would point out that these two high salaried officials are getting a proposed special pay raise in an operating budget footnote.

7. Expansion of the State Prison Farm. I am opposed to spending \$250,000 to expand the farm used in connection with our state prison. Studies have indicated that the farm might better be phased out than expanded.

As I have pointed out, the Capital Budget contains many desirable items. I have decided to veto it because it contains many costly undesirable programs that we really cannot afford.

In making this decision, I have considered the short range effect of a decision of this magnitude.

More important, we must consider the effect of our action on an unborn generation of taxpayers who will have to pay off the mortgage on the programs we propose in any capital spending budget.

Because of my overriding concern for our present taxpayers as well as for the impact this budget would have on future taxpayers, I see my duty clearly to ask the Legislature to join with me in opposing this \$62 million borrowing program.

Sincerely,
Meldrim Thomson, Jr.
Governor

HOUSE RESOLUTION Honoring Frank R. Kenison Retiring Chief Justice of The N.H. Supreme Court

WHEREAS, a most distinguished New Hampshire native, the late Harlan F. Stone, Chief Justice of the United States Supreme Court, once penned a description of one of the most famed jurists in this nation's history as follows:

"He has the soul of the artist and poet, a keen and incisive mind, enriched by a lifetime of reading, study and experience, a keen sense of humor, as well as a sparkling wit and a beautiful prose style, peculiarly adapted to the revelation of the process of legal thought without . . . excessive definition . . . In the unyielding fidelity to truth, to right conduct, to the tolerant treatment of his fellow men, he is essentially religious. Add to this the soul of the artist and you have the principal characteristics of the man." and

WHEREAS, Frank R. Kenison, chief justice of the N.H. Supreme Court for more than a quarter century, measures well against that assessment of Justice Oliver Wendell Holmes, and

WHEREAS, Justice William O. Douglas might well have had Justice Kenison in mind when he wrote "The strength of the judiciary is in the command it has over the hearts and minds of men. That respect and prestige are a product of innumerable judgments and decrees, a mosaic built from the multitude of cases decided. Respect and prestige do not grow suddenly; they are the products of time and experience. But they flourish when judges are independent and courageous", and

WHEREAS, Justice Kenison demonstrated his sensitivity to the separation of powers when in an address to this body said "We respect the power and independence of the Governor and of the Legislature in determining the wisdom, expediency or desirability of legislation it enacts...", and

WHEREAS, in Justice Kenison's initial address to the Legislature in 1973, he paraphrased the immortal words of New Hampshireman Robert Frost as follows "we (the N.H. judiciary) have promises to keep and miles to go before we sleep, we will keep the promises and travel the full distance to accomplish it," now therefore be it

RESOLVED, that in the unanimous judgment of the House of Representatives, Justice Kenison has traveled the full distance and has kept those promises.

The Assistant Clerk read the resolution.

Adopted unanimously.

RECONSIDERATION

Having voted with the prevailing side, Rep. James Murray moved that the House reconsider its action whereby it sustained the Governor's veto on HB 1083, relative to time-of-day electric utility rates.

Rep. James Murray yielded to Rep.

Cornelius who spoke in favor of the motion.

Rep. Tucker moved the previous question. Sufficiently seconded. Adopted.

PROTEST AND DISSENT

By Rep. Daniel Healy (Hillsboro 29)

As provided under provisions of Article 24: Pt. 2 of the New Hampshire Constitution, I exercise my right to have my reasons for my protest and dissent to the passage of HB 1000 entered on the journal of the House. The following briefly summarizes my rationale for my vote on the bill.

1. The total amount appropriated in this bill makes unrealistic demands upon the taxpayers of this state when evaluated in relationship to the benefits to them.
2. Despite the long deliberations of those members of the General Court who were entrusted with the duty to report a reasonable budget bill for passage, any responsible judgment by its membership should have clearly indicated that was not done.
3. In choosing spending priorities that are necessary to the welfare of the state, the report of the committee has permitted personal bias to influence their judgment to the detriment of all our citizens.
4. By allotting with high priority monies to be spent for measures of little merit, it clouds the budget in such a manner that there is no alternative to the members of the General Court but to reject the budget in its entirety.
5. Even a casual reading of the budget bill makes it obvious that no serious attempt has been made to economize so that tax measures definitely unpalatable to the people of this state would be the ultimate result of the passage of HB 1000.
6. Brevity has demanded that specific descriptions of all unwarranted measures included in the budget bill be eliminated so that these reasons for my protest and dissent could be reasonably entered on the Journal.
7. No report on a budget bill presented to the General Court in over 30 years of my service has prompted me to be so seriously concerned for the people of this state.

SENATE MESSAGES

VETO SUSTAINED

The Senate has voted to sustain the Governor's veto on the following entitled bills:

SENATE MESSAGE

REQUESTS CONCURRENCE WITH AMENDMENTS

The Senate concurs with the House of Representatives in the passage of the following entitled bill, with amendments, in the passage of which amendments the Senate asks the concurrence of the House of Representatives:

HB 439, authorizing the water supply and pollution control commission to implement the provisions of RSA 146-A relative to oil spillage in public waters and making an appropriation therefor.

REMARKS BY REP. ROBERTS

Today, there is just one more remaining piece of business before the House. When the Senate last met, it amended and passed HB 439, authorizing the

Water Supply and Pollution Control Commission to implement the provisions of RSA 146-A and making an appropriation therefor. By amending that bill, the Senate made it necessary for the House to take further action before it could become law. The House still may either concur with the Senate amendment, reject outright the amended version by nonconcurring, or ask for a committee of conference. It is customary, when one house amends a bill sent to it by the other, for the second house to remain in a position to establish a committee of conference. Otherwise, the house, which the amended version is returned to, has either to take the bill in the amended form or lose the entire bill. "Take it or leave it" politics has, unfortunately, become the rule in New Hampshire at times. Since the Senate adjourned after amending HB 439, no final action can be taken on HB 439 immediately unless it is accepted or rejected outright. As well as jeopardizing the legislation, adjourning after messaging an amended bill to the house of origin is a mark of discourtesy to that house.

Although I am informed that many of the House members connected with the version of HB 439 which passed the House are in general agreement with the Senate message, I cannot, as Speaker, take a position favorable to the amended version on HB 439 on behalf of the entire membership of this House.

Since it would be an inappropriate action today to take any action in regard to HB 439, the Chair will entertain a motion to lay the Senate message on the table for action by the House at some later time.

The Chair will then entertain a motion to recess to the call of the Chair in order that such action as the House may choose to take on this matter may be taken when the House is next convened.

Rep. Marshall French moved that Rep. Roberts remarks be printed in the Journal. Adopted.

Rep. Marshall French moved that the House recess to the call of the Chair for consideration of HB 439 and other business. Adopted.

HOUSE JOURNAL 54

Thursday, 29 June 1978

(Speaker in the chair)

VETO MESSAGE ON HB 439

I am returning herewith House Bill 439 together with my objections noted pursuant to Part 2, Article 44, of the New Hampshire Constitution.

This bill creates a new and unnecessary bureaucracy, it adds four unneeded employees to our state government rolls, it opens the door to the possibility of double taxation, it is unnecessary because work which it would do is currently being done well by the United States Coast Guard and volunteer forces, and finally there is a strong likelihood of enactment of federal legislation to supplement their efforts. The bill is poorly drafted.

It will increase the paperwork on many small businesses in New Hampshire and it discourages the development of storage of vitally needed petroleum storage facilities.

1. House Bill 439 creates a new department in the Division of Water Supply and Pollution Control Commission to study procedures for the prevention of oil spills from now non-existent off-shore drilling production facilities. It enables the department to hire four new states employees and give them the inspection and enforcement powers of a constable. It sets up a monthly fee structure and establishes a one and a half million dollar revolving fund. It allows the department to make expenditure from the fund for any and all expenses of the commission associated with the implementation of the chapter, including administrative expenses, and without the approval of the Legislature.

2. The bill establishes four new positions in the budget; a sanitary engineer III, a sanitary engineer II, a water pollution biologist and a clerk stenographer III, to perform duties that are essentially being performed and funded at the present time by experts of the federal government.

3. House Bill 439 creates the New Hampshire Oil Pollution Control Fund by imposing a license requirement on "any operator of an oil terminal facility having a storage capacity in excess of 500 barrels within the State." The term "oil terminal facility" is defined in the existing Chapter 146-a:2 (II) as:

"Any facility of any kind and related appurtenances, located in, on or under the surface of any land or water, including submerged lands, which is used or capable of being used for the purpose of transferring, processing or transporting oil, petroleum products and their by-products, or for the purpose of storing the same."

It is clear from this very broad definition that even retail service stations with underground storage tanks for gasoline products having a capacity in excess of 500 barrels (42 gal. per barrel x 500 = 21,000

gal) would be covered and subject to the license requirements. Since the bill calls for a license fee of one cent per barrel transferred to such facility by the licensee during any year, the possibility of imposing considerable financial burdens on not just the larger terminal operators but also the small businessmen of the State is considerable.

4. This bill as drawn taxes a gallon of petroleum in deep water terminals and taxes that same gallon again when it goes into a dealer's storage tank in his local community.

House Bill 439 has been drawn in such a way that every intrastate transfer of petroleum product from one oil terminal facility to another, when such facilities exceed 500 barrels capacity, will be subject to the license fee. In effect, the bill calls for repetitive taxation of intrastate transfers. I believe the true intent of the legislation was to impose a fee on transfers into the State from oil terminal facilities in the first instance, but not to thereafter impose a continuing fee for retransfer. If so, the bill would appear flawed in this regard.

5. At the present time oil spills are being dealt with effectively by the United States Coast Guard and by voluntary efforts from industry and other concerned citizens. Congress is contemplating similar oil spill legislation that has already passed the House. The federal legislation sets up a similar revolving fund and similar experts to study the problem. The New Hampshire Senate by a one vote margin defeated an amendment that would have abolished this new state department when and if a federal bureaucracy was established by Congress to deal with the same problem that this bill addresses.

Thus, we face the strong likelihood that if House Bill 439 becomes law the consumers will be paying for an oil spill fund on a state level and also on a federal level. Thus they will be paying for two sets of bureaucrats to deal with the one potential problem.

As all taxes are ultimately passed onto the consumer, this amounts to over a one and a half million dollar tax on New Hampshire citizens in addition to the proposed federal tax.

6. This bill is poorly drafted. It takes effect 60 days after passage so that the earliest it could become effective would be June 25th of this year. It sets up an appropriation of \$70,844 for the last five days in this year and an appropriation of \$71,821 for fiscal year 1979. In the current tight budgetary situation, it does not make sense to appropriate \$70,000 for a 5-day period.

7. Under this bill, local fuel oil dealers, as well as refiners and shippers, must report monthly and pay a one cent per barrel tax on all petroleum products put through their storage facilities. This is a burdensome requirement and increases paperwork and costs associated with the administration of this proposal.

If we are going to set up a fund such as this, we should spell out that the taxation should be made quarterly. In this fashion, paperwork would be cut 66 2/3% which reduces the state administrative payroll necessary to handle the fund and it reduces industry compliance costs both of which are borne by our citizens.

8. The bill also discourages development of vitally needed petroleum and storage facilities in New Hampshire. It would encourage New Hampshire petroleum dealers to lower their purchase prices by going to Massachusetts or Maine terminals for their supply and thus avoid this tax.

It would encourage dealers to seek ways to transfer petroleum products without the use of bulk storage facilities.

At a time when our nation is trying to develop additional storage facilities for security reasons and for insurance against potential embargos, it is counter productive to discourage the development of secondary storage capacity here in New Hampshire.

For these basic and, I believe important reasons, I must disapprove this bill.

Sincelely,
Meldrim Thomson, Jr.
Governor

The Clerk read the veto message.

Question being, notwithstanding the Governor's veto, shall HB 439 pass.
